1326. Shortwave Radio Conspiracy Theorist at Pro-Tony Alamo protest

Conspiracy Theorist Freiss Joins Alamo Protest
By: Lynn LaRowe - Texarkana Gazette - Published: 01/14/2009

An Iowa radio talk show host and followers of Tony Alamo braved chilly temperatures Tuesday as they protested custody hearings for 23 children beingconducted inside the Miller County Juvenile Court Center in downtown Texarkana. The proceedings concern nine sets of siblings removed in November and December. The children's parents have ties to Alamo Ministries. The hearings are expected to continue into next week.

"The Vatican controls the government," said Tom Friess, the voice of a program which airs on First Amendment Radio. "I know that sounds outrageous." (Friess also holds the Amateur Radio Callsign KC0EBM and was heard on and is well known on the 75 Meter Ham shortwave band for many years prior to joining the Pro-Tony Alamo bandwagon.)

Clad in a short-sleeved Tony Alamo T-shirt, polyester slacks and sneakers, Friess delivered a radio broadcast via cell phone from outside the Juvenile Court Center. At the broadcast's conclusion, he still had plenty to say. "If there was pedophilia going on in this compound, I'd be here condemning it. If there was polygamy going on in there I'd be here condemning it," Friess said. As he voiced his support, a passing motorist shouted, "Alamo's a pervert and a molester." friess said that if shown proof Alamo had engaged in sexual misconduct he would "...want his head on a platter."

Friess hosts a Website that published a video of a confidential interview with a 16-year-old girl at the Children's Advocacy Center in Texarkana. The interview was conducted less than a day after the girl and five others were taken into state custody Sept. 20.

The video was given to Friess by the girl's mother, a loyal devotee of Tony Alamo Christian Ministries. An order signed by Circuit Judge Jim Hudson last week gave the mother and her husband a week to prove they had taken immediate action to have their daughter's image removed from the Internet.

>>One day, as he was lying on the beach stroking his beard and looking for a ship,

>>"But, but, asked the man, what about tools and hardware, how did you do that?"

Exactly. My Gawd, are people so stupid these days that they can't

The Federal Communication Commission has till tomorrow to deliver to me, all the information I require under the Freedom Of Information Act (FOIA). I wrote the FCC back in December for information referring to my Todd E. Daugherty N9OGL and Omega One Radio. Omega One Radio was a Part 15 station operated by me under Part 15.225. only one year later after the station had shut down did the FCC send a warning letter claiming I was over the power limit, that limit according to the FCC was 30 micro-volts per meter at a distance of 30 meters. Under Part 15.225 the field strength of 13.556 MHz is actually 15,848 micro-volts per meter at a distance of 30 meters. Also under FCC rules when they receive a complaint, they are required to check the field strength at the site at the distance required (ie. 30 meters) The FCC did no such test and the reason I received a warning letter was an attempt to yank my amateur radio license, after all the ones who complained were amateur radio operators who, feel they have the power to regulate the airwaves and the internet.
The FCC forward the FOIA request onward to the Enforcement Bureau and in a letter dated January 6, 2009 the FCC stated they would have a respond before or on January 22, 2009. I'll keep you all up on the Updates.

>>nueva vida perenne, del nuevo reino celestial, como La Nueva

>>Jerusalï¿½n Santa e infinita, por ejemplo. En verdad, nos
>>encontrï¿½bamos en un lï¿½o muy serio y sin salida alguna, en
>>todos nuestros contornos de todo lo que es (y ha de ser)
>>nuestra vida humana, en toda la vida del mundo entero, para
>>escapar los males del pecado y de su muerte eterna, no sï¿½lo
>>en la tierra sino tambiï¿½n del infierno infinitamente violento
>>y tormentoso.
>>
>>Tenï¿½amos nuestra sangre llena de pecados, mentiras y las
>>maldiciones de enfermedades y de muertes terribles de parte
>>de Lucifer y de su corazï¿½n perdido en tinieblas y destrucciï¿½n
>>eterna para cada uno de nosotros, comenzando con Adï¿½n y Eva,
>>por ejemplo, por haber comido del fruto prohibido, en vez,
>>del fruto del ï¿½rbol de la vida, infinita de Dios. De hecho,
>>ï¿½sta misma sangre nuestra tenia que ser reemplazada o
>>regenerada por una sangre buena, que no sï¿½lo nos borre,
>>limpie y purifique de nuestros pecados y de sus muchas
>>profundas tinieblas de enfermedades que vienen a nosotros del
>>mï¿½s allï¿½, de parte de Lucifer y de sus ï¿½ngeles caï¿½dos, por
>>ejemplo, sino mucho mï¿½s que esto.
>>
>>Y esto era que la nueva sangre, no podï¿½a ser de la tierra o
>>de cualquier animal de sacrificio o de hombres, sino del
>>mismo paraï¿½so, para darnos poder y vida en abundancia, para
>>nosotros entonces poder vivir nuestras vidas, por las cuales
>>fuimos creados en Dios y en su Espï¿½ritu Santo, para sï¿½lo
>>vivirla por su ï¿½rbol Viviente, Jesucristo. Porque no es
>>posible que sangres de animales de sacrificio u hombres
>>pecadores de la tierra nos puedan dar de sus sangres, para
>>nosotros entonces poder ser hechos libres de nuestros pecados
>>y males eternos, en la tierra y en el mï¿½s allï¿½, tambiï¿½n, y
>>asï¿½ poder entrar a la nueva vida infinita del nuevo reino de
>>los cielos.
>>
>>Esto no es asï¿½, para ningï¿½n hombre, mujer, niï¿½o y niï¿½a de la
>>humanidad entera, porque no existe sangre de animal o humana
>>que nos pueda llevar de regreso a la vida celestial de la
>>antigï¿½edad, la del paraï¿½so de Adï¿½n y Eva, por ejemplo.
>>Entonces la ï¿½nica sangre que nos podï¿½a (y aun nos puede)
>>limpiar, santificar, sanar y llenar de vida en abundancia,
>>realmente, es la misma sangre gloriosa de nuestro Seï¿½or
>>Jesucristo, el ï¿½rbol de la vida eterna del paraï¿½so y de toda
>>la nueva creaciï¿½n de Dios y de sus huestes celestiales, en la
>>tierra y en el mï¿½s allï¿½, tambiï¿½n.
>>
>>Es por eso, que el SEï¿½OR desde el principio le requiriï¿½ a
>>Adï¿½n y a Eva comer y beber solamente del fruto del ï¿½rbol de
>>la vida, para que de esta manera ï¿½nica, no sï¿½lo se pudiera
>>quedar a vivir en el paraï¿½so, sino que ambos crecerï¿½an
>>espiritualmente hasta llegar a ser tan santos y gloriosos,

>>como su mismo Creador. Porque para esto Dios mismo los saco
>>con sus propias manos del fondo de las profundas tinieblas de
>>la tierra, para formarlos con la ayuda idï¿½nea de su Espï¿½ritu
>>Santo, en su imagen y conforme a su semejanza sagrada, "sï¿½lo
>>posible", por medio del fruto del ï¿½rbol de la vida, su
>>"Cordero Escogido y su sangre bendita", ï¿½el Seï¿½or Jesucristo!
>>
>>Puesto que, es la sangre del Seï¿½or Jesucristo, la del ï¿½rbol
>>de la vida, la que nos lleva de regreso al paraï¿½so y nos
>>permite permanecer a vivir en ella con Dios y sus ï¿½ngeles
>>celestiales, para no sï¿½lo comer y beber del Seï¿½or Jesucristo,
>>sino tambiï¿½n de los frutos de los millares de ï¿½rboles que
>>existen en el paraï¿½so. Porque la sangre del hombre y de la
>>mujer tienen que ser compatibles con la sangre del ï¿½rbol de
>>la vida de Dios, para entonces quedarse a vivir en el
>>paraï¿½so, de otra manera, no es posible la vida para ningï¿½n
>>ser viviente, como el pecador o la pecadora vivir en el cielo
>>y con su Dios.
>>
>>Entonces viviremos en el paraï¿½so para comer y beber sï¿½lo del
>>ï¿½rbol de la vida y de sus millares de frutos y ï¿½rboles
>>creados por Dios y su Espï¿½ritu, los cuales sï¿½lo nos hacen
>>bien y, a la vez, nos dan salud infinita en nuestras sangres
>>y en nuestros cuerpos espirituales y glorificados, en la
>>sangre bendita de nuestro Jesucristo. Porque la verdad es que
>>el ï¿½rbol de la ciencia del bien y del mal ha de estar ahï¿½, en
>>su lugar, en el epicentro del paraï¿½so, pero ya no nos harï¿½
>>mï¿½s daï¿½o, como se lo hizo a Adï¿½n y a Eva primero, por
>>desobediencia a la palabra bendita del SEï¿½OR, por ejemplo.
>>
>>Realmente, viviremos felices y libres del mal del pecado y de
>>su muerte, porque Lucifer ya no existirï¿½ mï¿½s, como hoy en dï¿½a
>>vive aun, a pesar de la gran derrota que sufriï¿½ delante del
>>SEï¿½OR y del Seï¿½or Jesucristo, en el dï¿½a de la crucifixiï¿½n y
>>de la resurrecciï¿½n de entre los muertos en el Tercer Dï¿½a, por
>>ejemplo. Entonces como Dios mismo hizo al Seï¿½or Jesucristo
>>que sufriera el poder del pecado y de su mal eterno en el
>>madero, aunque jamï¿½s peco, para que entonces descendiera a la
>>terrible pobreza de nuestro estado espiritual del infierno, y
>>desde ahï¿½ levantarnos muy alto y hasta la nueva vida infinita
>>del nuevo reino celestial, en el mï¿½s allï¿½.
>>
>>Ademï¿½s, nuestro Dios hizo todo este gran milagro, sï¿½lo en la
>>vida de su Hijo amado, por el poder sobrenatural de su misma
>>sangre viviente, viviendo en el corazï¿½n de cada uno de los
>>hombres, mujeres, niï¿½os y niï¿½as de las naciones, para
>>entonces cumplir la Ley del paraï¿½so y asï¿½ darle vida nueva a
>>su humanidad infinita y celestial. Porque a parte de eso,
>>ningï¿½n ser viviente podï¿½a realmente conocer a su ï¿½rbol de
>>vida y de salud infinita, para entonces regresar a su vida

>>normal del cielo y vivir eternamente en la verdad y en la
>>justicia gloriosa y sumamente honrada de su Creador, ï¿½el
>>Todopoderoso de Israel y de la humanidad entera!
>>
>>Esto era totalmente imposible para la vida de la humanidad
>>entera, sin Cristo Jesï¿½s en su sangre, sea quien sea la
>>persona del ayer y de hoy en dï¿½a, en toda la creaciï¿½n de
>>Dios, en el paraï¿½so y en toda la tierra, tambiï¿½n. Por eso,
>>damos gracias a nuestro Padre Celestial por ofrecerle su
>>fruto del ï¿½rbol de la vida a Adï¿½n y a cada uno de sus
>>descendientes, tambiï¿½n, de todas las razas, pueblos, linajes,
>>tribus y reinos del mundo entero, comenzando con Eva, por
>>supuesto, para alcanzar como hoy mismo, por ejemplo, el bien
>>perdido de la vida eterna del paraï¿½so.
>>
>>Ya que, es ï¿½sta misma sangre bendita del Seï¿½or Jesucristo, su
>>Hijo amado, la cual nos mantiene vivos hoy en dï¿½a y en toda
>>la tierra, para muy pronto, si nuestro Dios nos se tarda mï¿½s,
>>entonces regresar a nuestras vidas normales del paraï¿½so y del
>>nuevo reino celestial, como La Nueva Jerusalï¿½n Dios, la que
>>desciende del cielo. Y si ï¿½sta misma sangre sagrada y antigua
>>del paraï¿½so viene a ti, mi estimado hermano, asï¿½ como vino en
>>su dï¿½a a Adï¿½n y a Eva, entonces no cometas el mismo error y
>>rebeliï¿½n de nuestros progenitores celestiales, al no comer y
>>beber del ï¿½rbol de la vida, sino has todo lo contrario, y
>>acï¿½ptala en tu vida ilimitadamente.
>>
>>Porque si aceptas a Jesucristo como tu ï¿½rbol de la vida y de
>>salud infinita de tu corazï¿½n y de tu alma, entonces los
>>poderes sobrenaturales de la misma sangre sagrada y antigua
>>del paraï¿½so, comenzara a bendecir tu vida (y la de los tuyos
>>tambiï¿½n), como jamï¿½s has sido bendecido en toda tu vida y en
>>la eternidad venidera. En realidad, sï¿½lo la sangre del Seï¿½or
>>Jesucristo es la mejor para el hombre, la mujer, el niï¿½o y la
>>niï¿½a de la humanidad entera, para perdonar pecados y
>>limpiarlos de los poderes terribles de las enfermedades, de
>>las cuales azotan el corazï¿½n, el alma y la vida humana, de
>>parte de Lucifer y de sus ï¿½ngeles caï¿½dos, por ejemplo.
>>
>>Es por eso, que el que no tiene la sangre bendita y antigua
>>del paraï¿½so obrando en sus poderes y autoridades celestiales
>>de parte de nuestro Padre Celestial, entonces es muy fï¿½cil
>>atacado por el poder del enemigo y de sus muchas tinieblas,
>>para que su corazï¿½n, su espï¿½ritu, su alma y su cuerpo
>>enfermen, y mueran en las tinieblas. Porque todo aquel que
>>enferma y muere, entonces enferma y muere en las profundas
>>tinieblas del pecado de Lucifer y de sus ï¿½ngeles caï¿½dos, para
>>descender a su lugar eterno, en el bajo mundo del mï¿½s allï¿½,
>>como el abismo, el infierno y posteriormente, despuï¿½s del
>>juicio: la segunda muerte final de su alma perdida, el lago

>>de fuego.
>>
>>TENEMOS PERDï¿½N DE PECADO, Sï¿½LO EN LA SANGRE DE JESUCRISTO
>>
>>Por esta razï¿½n, sï¿½lo en el Seï¿½or Jesucristo tenemos redenciï¿½n
>>celestial e infinita para nuestras almas, por medio de su
>>sangre, el perdï¿½n de nuestras transgresiones de la Ley del
>>Paraï¿½so, segï¿½n las riquezas de su gracia, la cual hizo
>>sobreabundar en todo poder y entendimiento para con cada uno
>>de nosotros, en la tierra y en la eternidad, tambiï¿½n. Es por
>>eso, que la sangre del Seï¿½or Jesucristo jamï¿½s debe de faltar
>>en nuestras vidas dï¿½a a dï¿½a; nuestro Dios nos la entrego en
>>su abundancia infinita, para que jamï¿½s nos falte ninguna de
>>sus muchas bendiciones y poderes sobrenaturales, para
>>derrotar al enemigo, en todo momento de nuestras vidas, por
>>la tierra y en el mï¿½s allï¿½, tambiï¿½n.
>>
>>Porque la verdad fue para Adï¿½n, la cual no entendiï¿½ jamï¿½s y
>>hasta que fue demasiado tarde, que el ï¿½nico poder
>>sobrenatural del mï¿½s allï¿½, como en el paraï¿½so, por ejemplo,
>>que le podï¿½a librar de cada una de las artimaï¿½as de Lucifer,
>>como sus mentiras y demï¿½s maldades mortales, era la misma
>>sangre bendita del ï¿½rbol de la vida. Porque sï¿½lo en el fruto
>>del ï¿½rbol de la vida hay poder para el corazï¿½n, para el alma
>>y para el cuerpo de Adï¿½n y de cada uno de sus descendientes,
>>en el paraï¿½so y en toda la creaciï¿½n celestial, eternamente y
>>para siempre, desde hoy mismo y hasta la nueva eternidad
>>venidera de Dios y de su humanidad infinita.
>>
>>Ademï¿½s, fue por esta razï¿½n, de que Dios requiriï¿½ de Adï¿½n y de
>>cada uno de sus descendientes, comenzando con Eva, por
>>ejemplo, de que tenï¿½an que comer y beber siempre del fruto
>>del ï¿½rbol de la vida, el Seï¿½or Jesucristo, en el epicentro
>>del paraï¿½so, para que sus cuerpos perennemente se mantuviesen
>>con esa vitalidad infinita, del reino celestial. Hoy en dï¿½a,
>>lo mismo es verdad para todo hombre, mujer, niï¿½o y niï¿½a de
>>todas las familias de las naciones del mundo entero, de los
>>que ya han vivido sus vidas, de los que aun estï¿½n viviendo
>>sus vidas y de los que han de venir a vivir sus vidas en la
>>tierra, en edades futuras, por ejemplo.
>>
>>Es decir, que la sangre del Seï¿½or Jesucristo jamï¿½s debiï¿½
>>faltar para Adï¿½n y Eva en el paraï¿½so, si realmente querï¿½an
>>seguir viviendo con Dios y con sus huestes de ï¿½ngeles
>>gloriosos y sumamente honrados, del reino de los cielos. Por
>>lo tanto, lo mismo es verdad para con nosotros en toda la
>>tierra, en esta hora del dï¿½a y por siempre ha de ser verdad,
>>igual, en la nueva vida celestial del nuevo reino celestial y
>>de su ï¿½rbol de vida infinita, rodeado por siempre de sus
>>huestes celestiales y de naciones de gentes redimidas por su

>>sangre infinita.
>>
>>En vista de que, la sangre del Seï¿½or Jesucristo jamï¿½s perdiï¿½
>>ningï¿½n valor espiritual para con Dios en el paraï¿½so, como en
>>el dï¿½a que Adï¿½n y Eva la rechazaron en sus vidas, al no comer
>>del fruto del ï¿½rbol de vida, la sangre viva e infinita del
>>nuevo reino venidero. Ni tampoco ha perdido ningï¿½n valor
>>espiritual el Seï¿½or Jesucristo en nuestras vidas humanas,
>>sino que todo lo contrario; realmente, la sangre de Cristo ha
>>ganado mï¿½s valor que antes en el corazï¿½n de los ï¿½ngeles del
>>cielo y asï¿½ tambiï¿½n en los corazones de los hombres, mujeres,
>>niï¿½os y niï¿½as de la humanidad entera, aunque jamï¿½s le han
>>visto.
>>
>>Y, hoy en dï¿½a, esta misma sangre viva e infinita toca la
>>puerta de tu corazï¿½n, mi estimado hermano y mi estimada
>>hermana, para perdonar tus pecados, librarte de todas tus
>>culpas y males eternos, para que no pierdas ninguna de las
>>bendiciones de tu Padre Celestial que estï¿½ en los cielos, por
>>ejemplo. Ademï¿½s, este es un valor espiritual de perdï¿½n,
>>bendiciï¿½n, sanidad y de salvaciï¿½n de nuestras almas, en la
>>tierra y en el paraï¿½so, llena de sus muchas y mï¿½s ricas
>>gloriosas bendiciones de nuestro Padre Celestial, de su Hijo
>>amado, de su Espï¿½ritu Santo y de sus millares de ï¿½ngeles,
>>arcï¿½ngeles, serafines, querubines y demï¿½s seres santos del
>>reino celestial.
>>
>>Es decir, tambiï¿½n, que cada vez que la sangre del Seï¿½or
>>Jesucristo se manifiesta en nuestras vidas, entonces mucho
>>mï¿½s de ella llegamos a conocer en nuestros corazones, en
>>nuestras almas, en nuestros espï¿½ritus y cuerpos humanos, en
>>la tierra y en el paraï¿½so, como en el nuevo reino celestial:
>>La Nueva Jerusalï¿½n Santa e Infinita del cielo, por ejemplo.
>>Porque la verdad es que aun no conocemos muchos de los
>>poderes y autoridades sobrenaturales de la sangre viviente
>>del Seï¿½or Jesucristo, para bendecir nuestras vidas terrenales
>>y celestiales, tambiï¿½n, como en el mï¿½s allï¿½, de la nueva era
>>venidera de Dios y de sus huestes celestiales, del nuevo
>>reino de los cielos.
>>
>>En la medida en que, sabemos muy bien que la sangre del Seï¿½or
>>Jesucristo perdona pecados, bendice profundamente y sana las
>>almas, los espï¿½ritus y los cuerpos humanos de los hombres,
>>mujeres, niï¿½os y niï¿½as de la humanidad entera, sin jamï¿½s
>>dejar sin su bendiciï¿½n a ninguno de ellos, en toda la
>>creaciï¿½n terrenal y celestial, a la misma vez. Y, ademï¿½s,
>>sobre todas las cosas, la sangre de Jesucristo tiene poder
>>para levantarnos de entre los muertos y volver a vestir
>>nuestros huesos, con carne, mï¿½sculos, ï¿½rganos y piel, como
>>Dios nos formo, tal como siempre hemos sido (y seremos), como

>>hombres y mujeres, en nuestras nuevas vidas infinitas, de la
>>eternidad venidera del nuevo reino celestial, por ejemplo.
>>
>>Porque la verdad es tambiï¿½n que la sangre viva del Seï¿½or
>>Jesucristo tiene cada una de "todas las informaciones
>>genï¿½ticas" de cada hombre, mujer, niï¿½o y niï¿½a de la humanidad
>>entera, para volverlo a bendecir en su cuerpo, alma y
>>espï¿½ritu humano con mucha mï¿½s gloria que antes, aun mucho
>>mayores que Adï¿½n y Eva, en el paraï¿½so, por ejemplo. Por lo
>>tanto, la sangre del Seï¿½or Jesucristo es tan importante en la
>>vida de la humanidad entera, por muchas razones, de la misma
>>manera que fue tan importante para Adï¿½n y Eva, por ejemplo,
>>para que no pequen jamï¿½s, sino que obedezcan y vivan por
>>siempre sus vidas eternas con su Dios y con su Jesucristo, en
>>el cielo.
>>
>>Y sin la sangre viva e infinita del Seï¿½or Jesucristo,
>>entonces no hay expiaciï¿½n de pecado alguno para ningï¿½n
>>hombre, mujer, niï¿½o y niï¿½a, de todas las familias, razas,
>>pueblos, linajes, tribus y reinos del mundo entero, desde los
>>dï¿½as del paraï¿½so y hasta la nueva eternidad venidera. En
>>realidad, todo hombre y toda mujer morirï¿½ infinitamente en su
>>coraziï¿½n, luego en su alma y finalmente en su cuerpo y
>>espï¿½ritu humano, hasta que muerda el polvo de la muerte, en
>>la tierra y en el mï¿½s allï¿½, tambiï¿½n, como en el infierno o el
>>lago de fuego, la segunda muerte del ï¿½ngel caï¿½do y del alma
>>perdida.
>>
>>Pero aunque esto siempre ha sido la ley de la vida en la
>>tierra, desde que el hombre vive en ella, realmente volverï¿½ a
>>ver la vida, sï¿½ en su coraziï¿½n y durante los dï¿½as de su vida:
>>Honro al Seï¿½or Jesucristo, delante de Dios y de su Espï¿½ritu
>>Santo, para gloria y para honra infinita de su nombre
>>sagrado. Porque esta es la promesa de vida y de salvaciï¿½n
>>infinita que Dios le ofreciï¿½ primero a Adï¿½n y para todo aquel
>>que ame y honre por siempre a su Hijo amado, en su espï¿½ritu y
>>en su vida, con tan sï¿½lo creer en su coraziï¿½n e invocar con
>>sus labios su perdiï¿½n de pecados y salvaciï¿½n de su vida.
>>
>>Entonces es importante que todo coraziï¿½n del hombre, mujer,
>>niï¿½o y niï¿½a de toda la tierra, honre el nombre sagrado del
>>Seï¿½or Jesucristo, para que la sangre viviente del pacto
>>eterno comience a vivir en su coraziï¿½n, en su alma, en su
>>espï¿½ritu y en su cuerpo humano, para sanarlo de sus males y
>>hasta que regrese al paraï¿½so. Porque es sï¿½lo lo que la sangre
>>del Seï¿½or Jesucristo ha hecho en nuestros corazones, almas,
>>cuerpos y espï¿½ritus humanos, lo que realmente nos darï¿½
>>poderes especiales y sobrenaturales, desde hoy mismo, para
>>poder volver a nuestros hogares celestiales del paraï¿½so, al
>>lado de nuestro Dios y de su ï¿½rbol de vida, nuestro redentor

>>infinito, ï¿½el Seï¿½or Jesucristo!
>>
>>JESï¿½S NACIï¿½ DE UNA VIRGEN Y NOS DIO SU SANGRE VIVA E INFINITA
>>
>>Pero cuando se acerco la riqueza de la eternidad, entonces
>>Dios enviï¿½ al Seï¿½or Jesucristo, nacido de virgen y bajo la
>>Ley de Moisï¿½s y de Israel, tambiï¿½n, para que redimiese a los
>>que viviï¿½an bajo la maldiciï¿½n de la Ley, a fin de que sean
>>hechos legï¿½timamente hijos de Dios, para la nueva vida
>>infinita del nuevo reino celestial. Porque nuestro Dios jamï¿½s
>>se tarda en enviar a su Hijo amado a Israel, para redimirnos
>>de los poderes terribles del pecado, por haber transgredido
>>en contra de la Ley del paraï¿½so, al no comer del fruto de la
>>vida eterna, la sangre viva e infinita del pacto eterno, por
>>rebeldï¿½a de sus progenitores celestiales, Adï¿½n y Eva, por
>>ejemplo.
>>
>>De suerte que, el servir a Dios es ï¿½nicamente comer del fruto
>>de la vida, eso es todo (o el todo de todo) para nosotros
>>vivir; es decir, tambiï¿½n, que el servir a Dios es cumplir y
>>exaltar por siempre su Ley Santa y Eternamente honrada, la
>>del paraï¿½so y la de la tierra escogida de Canaï¿½n, Israel, por
>>ejemplo. Es mï¿½s, para nuestro Padre Celestial el cumplir y
>>honrar su Ley Sagrada es comer y beber de ella, del pan y de
>>la copa de vino, su Hijo amado, ï¿½el Seï¿½or Jesucristo!, para
>>alejarnos de las tinieblas y entrar a la luz mï¿½s brillante
>>que el Sol, el Mesï¿½as de la nueva eternidad venidera.
>>
>>Es decir, tambiï¿½n, que el creer en el Seï¿½or Jesucristo, como
>>su Hijo amado, es comer y beber de la Ley del paraï¿½so y de la
>>vida eterna del nuevo reino celestial, hoy en dï¿½a y por
>>siempre en el infinito. Dado que, la nueva eternidad
>>celestial de Dios es La misma Nueva Jerusalï¿½n Eterna, la que
>>Dios soï¿½ï¿½ desde siempre con el hombre y sus ï¿½ngeles de toda
>>la vida, la que desciende del cielo mï¿½s alto que el cielo de
>>los ï¿½ngeles, por ejemplo. Por lo tanto, para nuestro Padre
>>Celestial el amar y honrar su Ley Sagrada es verdaderamente
>>amarle a ï¿½l, en el espï¿½ritu y en la verdad infinita de su
>>fruto del ï¿½rbol de la vida eterna; es decir, amarle sï¿½lo en
>>la sangre viva e infinita del pacto eterno del hombre del
>>mundo y de su Mesï¿½as, ï¿½el Seï¿½or Jesucristo!
>>
>>Entonces, hoy en dï¿½a, ï¿½ste fruto de la vida eterna de Dios y
>>del Seï¿½or Jesucristo para cada uno de sus hijos e hijas, de
>>todas las razas, pueblos, linajes, tribus y reinos del mundo
>>entero, comenzando con Adï¿½n y Eva en el paraï¿½so, por ejemplo,
>>es la sangre antigua del ï¿½rbol de la vida, su Hijo amado, ï¿½el
>>Mesï¿½as! Porque para nuestro Padre Celestial su ï¿½rbol de la
>>sangre viva e infinita es la Ley de Moisï¿½s y de Israel, o a
>>la inversa, la Ley del paraï¿½so es su ï¿½rbol de la sangre viva

>>e infinita de la vida eterna, ï¿½el Mesï¿½as!, para ï¿½ngeles del
>>cielo, para la tierra y para la nueva creaciï¿½n venidera del
>>nuevo angelical.
>>
>>Es por eso, que esta Ley Celestial de la sangre y del ï¿½rbol
>>de la vida, para bien de todo ï¿½ngel del cielo y asï¿½ tambiï¿½n
>>para todo hombre, mujer, niï¿½o y niï¿½a de la humanidad entera,
>>no la cambia nadie, jamï¿½s; porque escrito estï¿½ en las
>>Escrituras antiguas: la vida estï¿½ en la sangre del ser
>>viviente. Porque desde el dï¿½a que Adï¿½n y Eva pecaron en
>>contra de Dios, desde entonces violaron la Ley Infinita de
>>sus vidas, en esta vida y en la venidera, tambiï¿½n, para no
>>volver a ver la vida jamï¿½s, por sus culpas y por sus pecados;
>>pero esto no cambio la Ley Divina en ninguno de sus muchos y
>>gloriosos significados.
>>
>>Realmente, la Ley permaneciï¿½ santa, perfecta, pura y muy
>>gloriosa, por cierto, en el paraï¿½so y en todos los lugares
>>del reino de los cielos y hasta que entrï¿½ en la tierra por
>>vez primera, desde las alturas del Sinaï¿½, en el desierto de
>>Egipto, cuando los hebreos caminaban hacia la tierra
>>prometida, para poseerla y entonces ver al Mesï¿½as. Y esto es
>>algo que Dios ha deseado hacer tambiï¿½n en el corazï¿½n de cada
>>hombre, mujer, niï¿½o y niï¿½a de la humanidad entera, sin hacer
>>jamï¿½s excepciï¿½n de persona alguna, pero el espï¿½ritu de error
>>de las mentiras de Lucifer y de la serpiente aun luchan en
>>contra de Dios y de su Ley Sagrada, para mal de muchos.
>>
>>Es por eso, que la Ley de Dios no ha sido honrada, ni
>>exaltada, ni exclamada como tal por el pecador, vil, criminal
>>y pagano de toda la tierra, sino que la verdad es otra,
>>totalmente contraria a la voluntad perfecta de nuestro Dios
>>que estï¿½ sentado en su trono de gloria infinita en los
>>cielos, y lo ve todo. En realidad, todas estas gentes
>>pecadoras, viles, mentirosas, criminales, hacedoras de la
>>maldad, lo que han hecho, a travï¿½s de los tiempos, realmente
>>es deshonrar cada palabra, cada letra, cada tilde y cada
>>significado infinito, de la Ley de Dios y de la vida eterna
>>de todo ser viviente del cielo y de la creaciï¿½n.
>>
>>Pero nuestro Dios, en su sabidurï¿½a infinita ha vencido ï¿½ste
>>terrible mal en el corazï¿½n de los hombres, mujeres, niï¿½os y
>>niï¿½as de la humanidad entera, al escribir su Ley Sagrada en
>>sus corazones y con su dedo santo, tambiï¿½n, para que los
>>pecadores siempre se acuerden de ella, y asï¿½ ya no sigan
>>haciendo sus mismas maldades de siempre. Entonces nuestro
>>Dios, cuando llego su dï¿½a seï¿½alado, enviï¿½ a su ï¿½rbol de vida,
>>su Hijo amado, para que naciese del vientre virgen de la hija
>>de David, por el poder sobrenatural de su Espï¿½ritu, para que
>>a los nueve meses nos diese un Cordero Sagrado y bajo la Ley,

>>para que nos rescate de sus poderes y maldiciones infinitas.
>>
>>Porque cada uno de nosotros, de todas las familias, razas,
>>pueblos, linajes, tribus y reinos de la humanidad entera,
>>realmente tenï¿½a que ser rescatado de nuestros pecados, por
>>Jesucristo, no tanto de nuestras tumbas en las profundas
>>tinieblas del mundo, eso ya lo hizo nuestro Dios en el
>>principio, sino del mismo vientre de nuestras madres, pero
>>virgen, esta vez. Es por eso, que el nacimiento del Seï¿½or
>>Jesucristo tenia que ser un nacimiento del vientre virgen de
>>una de las hijas de David, de la tribu de Judï¿½ y de la Casa
>>de Israel, solamente y en su dï¿½a, ni mï¿½s ni menos, para
>>cumplir las Escrituras, para gloria infinita de nuestro Padre
>>Celestial que estï¿½ en los cielos. Y Dios lo tenia que hacer
>>asï¿½ todo muy bien, en el vientre virgen de la joven hebrea,
>>para vencer a las tinieblas y redimir a todo hombre, mujer,
>>niï¿½o y niï¿½a de la humanidad entera, y asï¿½ no se pierda nadie
>>en sus profundas tinieblas de su tumba comï¿½n o del fuego del
>>infierno, por ejemplo.
>>
>>Porque nadie nos podï¿½a redimir de los poderes terribles de la
>>maldiciï¿½n y de la muerte infinita de la Ley Inquebrantable y
>>Sagrada del paraï¿½so, sino era el mismo fruto de la vida, la
>>sangre del Seï¿½or Jesucristo o, en otras palabras, la sangre
>>viva e infinita del ï¿½rbol de la vida de la Nueva Jerusalï¿½n
>>Santa e Infinita. Porque es el espï¿½ritu de la sangre del
>>cuerpo del ï¿½rbol de la vida que le da vida a todo hombre,
>>mujer, niï¿½o y niï¿½a de toda la tierra, comenzando con Adï¿½n y
>>Eva, en el paraï¿½so, por ejemplo.
>>
>>Por ello, ï¿½ste fue el ï¿½nico fruto de la vida del ï¿½rbol de
>>Dios, el cual Dios mismo le ofreciï¿½ a Adï¿½n comer y beber para
>>que vea la vida, en la tierra sagrada del paraï¿½so y en toda
>>la nueva tierra y bendita del nuevo reino celestial, como La
>>Nueva Jerusalï¿½n que desciende del mï¿½s allï¿½ de la antigï¿½edad.
>>Porque en la mente y en el corazï¿½n de Dios, desde los
>>primeros dï¿½as de la antigï¿½edad, ya estaba soï¿½ando en la
>>creaciï¿½n de una Nueva Jerusalï¿½n Santa, Perfecta e Infinita,
>>en los cielos mï¿½s alto que los ï¿½ngeles y de la humanidad
>>entera --humanidad la cual crearï¿½a posteriormente en su
>>imagen y conforme a su semejanza sagrada--.
>>
>>Aquï¿½ es cuando nuestro Dios pensï¿½ en ti, por vez primera,
>>para rescatarte de las tinieblas del vientre de la virgen,
>>con su Ley Bendita, la cual se quebrï¿½ en las manos de Moisï¿½s
>>y descendiï¿½ al abismo a esperar por Cristo, para que la
>>levantase al cielo con los poderes de la sangre viva e
>>infinita en tu corazï¿½n. Es por esta razï¿½n, que es muy
>>importante que tï¿½ mismo creas en tu corazï¿½n y confieses con
>>tus labios, la verdad redentora del Seï¿½or Jesucristo viviendo

>>en tu alma, mi estimado hermano, para que entonces por los
>>poderes de la sangre viva e infinita te eleven al paraï¿½so,
>>hoy y en tu ultimï¿½ dï¿½a de vida en el mundo.
>>
>>Y si ya has pasado de la vida al polvo de la muerte, entonces
>>en su gran dï¿½a de la resurrecciï¿½n de los muertos, Dios mismo
>>te levantara de nuevo a la vida de la tierra y del nuevo
>>reino celestial, para que vivas infinitamente, en donde
>>comenzaste a dar tus primeros pasos de vida en el paraï¿½so,
>>por ejemplo. Es decir, que si has creï¿½do en Jesucristo y
>>confesado con tus labios su verdad y su justicia, entonces en
>>la resurrecciï¿½n, Dios mismo con los poderes sobrenaturales de
>>la sangre viva te levantara de regreso a tu hogar infinito,
>>para vivir con tus progenitores celestiales, Adï¿½n y Eva, para
>>que veas y sientas tu verdadera vida, como nunca antes.
>>
>>Dado que, para esta vida celestial, es por la cual que Dios
>>te ha creado del polvo de la tierra en sus manos sagradas,
>>para que comas y bebas por siempre de su fruto de vida
>>eterna, la sangre y el cuerpo bendito del ï¿½rbol de la vida,
>>su fruto de vida infinita, su "Cordero Escogido", ï¿½el Seï¿½or
>>Jesucristo! Porque como Jesucristo no ha existido alguien
>>mayor que ï¿½l, en el cielo ni menos en la tierra, para
>>redimirte, sanarte, purificarte, santificarte y elevarte al
>>paraï¿½so para que vivas tu verdadera vida, no la de la tierra,
>>sino la de Dios, junto con ï¿½l y con sus huestes celestiales,
>>sï¿½lo en el poder de la sangre del pacto eterno.
>>
>>JESï¿½S ESTï¿½ CON SU SANGRE EN EL LUGAR SANTï¿½SIMO, PARA DARNOS
>>SALVACIï¿½N INFINITA
>>
>>Entonces nuestro Seï¿½or Jesucristo entrï¿½ de una vez por todas
>>y para siempre en el lugar santï¿½simo del altar celestial de
>>nuestro Padre Celestial, logrando asï¿½ eterna salvaciï¿½n de
>>nuestras almas infinitas, ya no mediante sangre de machos
>>perfectos y sin tacha alguna en sus cuerpos de cabrunos ni de
>>corderos ni de toros, sino mediante su propia sangre
>>hacedora. Porque es la sangre sagrada y antigua del paraï¿½so,
>>la que hace la diferencia entre Dios y el hombre, la mujer,
>>el niï¿½o y la niï¿½a de la humanidad entera, para perdonar
>>pecados y bendecir sus vidas, en un momento de oraciï¿½n y de
>>fe, en el nombre del Seï¿½or Jesucristo, en la tierra y para la
>>nueva eternidad venidera.
>>
>>Y sin ï¿½sta sangre bendita de su corazï¿½n y de su cuerpo santo,
>>nuestro Jesucristo no podï¿½a entrar al lugar santï¿½simo del
>>altar celestial de Dios, sino que tenia que permanecer fuera
>>de ï¿½l, como todo ser viviente que aun no ha recibiï¿½ los
>>beneficios y bendiciones de fe, de la sangre del pacto
>>eterno, entre Dios y el hombre. Entonces fue por esta razï¿½n,

>>que Jesucristo tenia que descender del cielo, para entrar en
>>el vientre virgen, de una de las hijas de David, para que a
>>los nueve meses, nos diese aquel corazï¿½n y cuerpo santo,
>>lleno de la sangre redentora y del pacto eterno entre Dios y
>>el hombre de la tierra, para entra al lugar santï¿½simo.
>>
>>Ademï¿½s, sï¿½lo asï¿½ entonces podamos cada uno de nosotros, de
>>todas las familias, razas, pueblos, linajes, tribus y reinos
>>del mundo entero, tener acceso al lugar santï¿½simo de Dios en
>>el cielo, con tan sï¿½lo creer en nuestros corazones y confesar
>>con nuestros labios: la verdad y la justicia infinita que
>>agradan al corazï¿½n de nuestro Padre Celestial, eternamente. Y
>>esto es que el Seï¿½or Jesucristo es su Hijo y SEï¿½OR de la
>>nueva vida eterna del nuevo reino de los cielos, como en el
>>paraï¿½so y como en La Nueva Jerusalï¿½n Celestial, por ejemplo,
>>para todo ï¿½ngel y para todo hombre, mujer, niï¿½o y niï¿½a del
>>mundo, sï¿½lo fiel en su corazï¿½n a la sangre viva e infinita.
>>
>>En la medida en que, todos los que quieran ver la nueva vida
>>eterna, en el nuevo reino de los cielos, entonces tienen que
>>haber sido bendecidos, lavados y purificados en la sangre
>>sagrada del gran rey Mesï¿½as de todos los tiempos, el Hijo
>>amado de Dios, ï¿½el Seï¿½or Jesucristo! Porque ha sido nuestro
>>Seï¿½or Jesucristo quien realmente subiï¿½ al cielo desde
>>nuestras tumbas, al lugar santï¿½simo del altar de nuestro
>>Creador para interceder, mediar y reconciliarnos con ï¿½l, por
>>medio de los poderes sobrenaturales de su misma sangre
>>santï¿½sima, la cual deja correr para bien de muchos y el fin
>>del pecado, sobre la cruz del Gï¿½lgota, por ejemplo.
>>
>>Y desde el dï¿½a que el Seï¿½or Jesucristo le puso fin al pecado
>>de Adï¿½n y de cada uno de sus descendientes, entonces la
>>muerte y sus enfermedades ya no tiene poder alguno sobre
>>ninguno de nosotros, de los que hemos creï¿½do e invocado con
>>nuestros labios su nombre redentor, para perdï¿½n de pecados y
>>salvaciï¿½n infinita de nuestras vidas. Porque desde el dï¿½a que
>>comenzamos a creer e invocar su nombre, entonces se cumple la
>>Escritura, en donde dice, que todo aquel que invoque su
>>nombre bendito serï¿½ salvo en los ï¿½ltimos dï¿½as del poder del
>>pecado y de su muerte eterna, en la tierra y en el mï¿½s allï¿½,
>>como en el infierno o el lago de fuego.
>>
>>Porque todo aquel que no recibiï¿½ al Seï¿½or Jesucristo en su
>>corazï¿½n, entonces su nombre no estï¿½ escrito en "el libro de
>>la vida"; por lo tanto, su vida corre el peligro de terminar
>>entre las llamas ardientes de la ira de Dios, en el infierno
>>y para finalmente caer en el lago de fuego, en el mï¿½s allï¿½.
>>Sin embargo, si lo contrario fuese verdad en tu vida, mi
>>estimado hermano, de que el espï¿½ritu de fe, de la sangre viva
>>e infinita del Seï¿½or Jesucristo ha entrado en tu corazï¿½n y en

>>toda tu vida, tambiï¿½n, entonces comenzaras a ser bendecido
>>por ella con muchos de sus poderes sobrenaturales de
>>milagros, maravillas y hasta prodigios, tambiï¿½n.
>>
>>Porque es el espï¿½ritu de fe, en la sangre bendita del Seï¿½or
>>Jesucristo, la cual realmente nos da poder y muchos bienes
>>sobrenaturales para protegernos dï¿½a y noche de los males del
>>pecado y de las profundas tinieblas del enemigo infinito de
>>nuestras almas eternas, en la tierra y en el paraï¿½so,
>>tambiï¿½n, para la eternidad venidera. Es decir, tambiï¿½n de que
>>Dios mismo te protegerï¿½, como protege a sus ï¿½ngeles
>>celestiales de los males de Lucifer y de sus ï¿½ngeles caï¿½dos,
>>por amor infinito de su corazï¿½n sagrado hacia la verdad y la
>>justicia infinita de la sangre gloriosa y eternamente
>>milagrosa del fruto de su ï¿½rbol de vida eterna, ï¿½el Seï¿½or
>>Jesucristo!
>>
>>Por ende, nada ni nadie podrï¿½ realmente hacerte ningï¿½n mal en
>>todos los dï¿½as de tu vida por la tierra, si el espï¿½ritu de la
>>sangre del Seï¿½or Jesucristo reina en tu corazï¿½n, para cumplir
>>cada una de las promesas divinas, hecha a sus amados de la
>>antigï¿½edad de Israel, desde el comienzo de las cosas, por
>>amor a ti. Y esto es de perdï¿½n de pecados, protecciï¿½n
>>infinita de los males del enemigo en sus vidas y alcanzar las
>>mï¿½s ricas y gloriosas bendiciones de la nueva vida celestial
>>e infinita del nuevo reino de Dios, en la tierra y en el
>>cielo, tambiï¿½n, para la nueva eternidad venidera de ï¿½ngeles y
>>de su eterna humanidad regenerada.
>>
>>Porque tanto como los ï¿½ngeles del cielo y asï¿½ tambiï¿½n la
>>humanidad entera ha sido bendecida y regenerada inmensamente
>>por tan sï¿½lo ingerir vida del fruto de la vida eterna, el
>>Seï¿½or Jesucristo, ya sea para los millares de ï¿½ngeles en el
>>cielo o para los hombres, mujeres, niï¿½os y niï¿½as de toda la
>>tierra, tambiï¿½n, por ejemplo. Porque es la sangre viva e
>>infinita del paraï¿½so, el fruto de la vida, del ï¿½rbol de Dios,
>>el Seï¿½or Jesucristo, la cual realmente alimenta el corazï¿½n,
>>el alma, el espï¿½ritu y el cuerpo humano de Adï¿½n y de la
>>humanidad entera, de todas las naciones de la tierra y del
>>nuevo reino celestial, tambiï¿½n, por supuesto, para la
>>eternidad.
>>
>>Entonces tenemos la confianza en nuestros corazones eternos,
>>de que el Seï¿½or Jesucristo ascendiï¿½ al cielo, para entrar al
>>lugar santiï¿½simo del altar de Dios, no con la sangre de los
>>corderos, toros y cabrï¿½os de Israel de la antigï¿½edad o de
>>siempre, sino con su misma sangre bendita, la cual nos da
>>vida y salud en abundancia, infinitamente. Es por eso, que
>>desde la antigï¿½edad y hasta nuestros dï¿½as, tenemos al Seï¿½or
>>Jesucristo delante de Dios y ante su altar del cielo,

>>intercediendo por el bienestar de cada uno de nosotros, de
>>todas las familias, razas, pueblos, linajes, tribus y rï¿½enos
>>de la tierra, de los que hemos creï¿½do e invocado su nombre
>>salvador con nuestros labios.
>>
>>Para que entonces nuestro Padre Celestial ya no vea nuestros
>>pecados y sus muchas tinieblas en nuestras vidas, sino sï¿½lo
>>al Seï¿½or Jesucristo bendiciï¿½ndonos dï¿½a y noche con su sangre
>>viva e infinita, llena de verdad y de justicia celestial,
>>para nuestros corazones y para nuestras nuevas vidas
>>celestiales del nuevo reino de los cielos, en la nueva
>>eternidad infinita. Por consiguiente, ï¿½sta sangre viva y
>>real, llenara nuestros corazones y nuestras venas de nuestros
>>cuerpos de vida y de la misma salud celestial e infinita de
>>nuestro Padre Celestial y de su ï¿½rbol de la vida, su Hijo
>>amado, el gran rey Mesï¿½as, ï¿½el Seï¿½or Jesucristo!, en los dï¿½as
>>venideros, si permanecemos fiel, a su sangre expiatoria y
>>reconciliadora.
>>
>>Y desde entonces llegaremos a ser esos hombres y mujeres
>>completamente formados, en el Espï¿½ritu y en el amor infinito
>>de Dios y de su Seï¿½or Jesucristo, para jamï¿½s volver a conocer
>>el mal del pecado ni ninguna de sus enfermedades terribles,
>>de nuestros corazones y de nuestras almas, en la tierra y en
>>el paraï¿½so, eternamente y para siempre. Realmente seremos
>>hechos, como Dios mismo lo dispuso en el comienzo de todas
>>las cosas, en su imagen y conforme a su semejanza santa,
>>perfecta y sin igual alguna, gracias a la sangre viva e
>>infinita del ï¿½rbol de la vida, viviendo en nuestros corazones
>>y en nuestras almas regeneradas, para la vida infinita del
>>nuevo reino celestial.
>>
>>Y, a partir de aquel dï¿½a en adelante, sï¿½lo conoceremos la
>>felicidad celestial de vivir con nuestro Padre Celestial, su
>>Espï¿½ritu Santo y su Hijo amado, el Seï¿½or Jesucristo, rodeado
>>por siempre de sus huestes de ï¿½ngeles celestiales y de su
>>nueva humanidad infinita de todos los tiempos, para jamï¿½s
>>volvernos a separar de ï¿½l, en la eternidad venidera. Y es
>>precisamente esta vida y ï¿½ste dï¿½a celestial, ya muy cercano,
>>por cierto, por los cuales tu corazï¿½n y tu alma siempre te lo
>>han requerido de ti, pero sin tï¿½ saberles responder
>>adecuadamente, porque no conocï¿½as a Cristo, tu ï¿½nica verdad y
>>justicia salvadora de tu vida, en la tierra y en el paraï¿½so,
>>tambiï¿½n, para siempre.
>>
>>LA SANGRE VIVA E INFINITA TE AMA
>>
>>
>>La sangre del ï¿½rbol de la vida clama por ti, desde la
>>fundaciï¿½n de la roca eterna, en donde se derramo hasta llegar

>>a las profundas tinieblas de las tumbas de los pecadores y
>>pecadoras de la humanidad, para reclamar por tu vida y por tu
>>salvaciï¿½n infinita. Y desde aquel dï¿½a, como en el Tercer Dï¿½a
>>subiï¿½ de regreso a la tierra sagrada que te vio nacer del
>>polvo de la tierra, en las manos de Dios, para seguir
>>clamando por ti y por tu salvaciï¿½n, pero esta vez, desde el
>>epicentro del lugar santï¿½simo de nuestro Padre Celestial, en
>>el cielo.
>>
>>Porque la verdad es que el amor de nuestro Padre Celestial
>>hacia el hombre y su humanidad infinita es mayor que todos
>>los sentimientos de su corazï¿½n y de sus cosas muy gloriosas y
>>grandiosas del reino de los cielos y de sus ï¿½ngeles sumamente
>>gloriosos y eternamente honrados delante de su presencia
>>sagrada. Y es por este amor, que nuestro Dios dio su misma
>>vida santa, para redimirnos a cada uno de nosotros, de los
>>males del pecado y de su muerte infinita, en el mï¿½s allï¿½,
>>como en el infierno o el lago de fuego, por ejemplo, la
>>segunda muerte del alma rebelde al fruto de vida, la sangre
>>hacedora / restauradora.
>>
>>Ademï¿½s, este fruto de vida del paraï¿½so es la misma sangre
>>viva e infinita que nuestro salvador, Jesucristo, el Mesï¿½as,
>>dejo correr sobre los ï¿½rboles cruzados, secos y sin vida de
>>Adï¿½n y Eva, sobre la cima de la roca eterna, en las afueras
>>de Jerusalï¿½n, para ponerle fin al pecado y al ï¿½ngel de la
>>muerte, en tu vida. Para que de esta manera, el pecado y sus
>>poderes de las profundas tinieblas del mï¿½s allï¿½ ya no tengan
>>ningï¿½n poder sobre ninguno de nosotros, en todos los lugares
>>de la tierra y aun en el mï¿½s allï¿½, tambiï¿½n, con el ï¿½ngel de
>>la muerte, como en el bajo mundo de las almas perdidas de los
>>pecadores, por ejemplo.
>>
>>Porque con la sangre viva e infinita, el pecado y el ï¿½ngel de
>>la muerte ya no pueden tocar ni tener efecto alguno, en
>>nuestros corazones, en nuestras almas, en nuestros cuerpos,
>>ni menos en nuestras vidas, en la tierra y en el mï¿½s allï¿½,
>>como en el paraï¿½so o como en La Nueva Jerusalï¿½n Sagrada e
>>Infinita del cielo. En realidad, el poder de la sangre del
>>Seï¿½or Jesucristo en nuestras vidas no la entiende ningï¿½n ser
>>humano, con su corazï¿½n y con su mente pecadora, sï¿½lo nuestro
>>Padre Celestial y su Espï¿½ritu Santo; ni aun los ï¿½ngeles
>>pueden entender los poderes y autoridades sobrenaturales de
>>la sangre del Seï¿½or Jesucristo, en sus mentes y en sus
>>corazones.
>>
>>Los ï¿½ngeles sï¿½lo se admiran de la gloria infinita que ven en
>>ella, cuando toca el corazï¿½n y la vida de cada hombre, mujer,
>>niï¿½o y niï¿½a de la humanidad entera, para redimirlos del poder
>>del pecado y de sus males eternos, como la muerte en el

>>infierno o la muerte infinita, en el lago de fuego, por
>>ejemplo. Realmente, los poderes sobrenaturales de la sangre
>>que Jesucristo derrama sobre la cima de la roca eterna, en
>>las afueras de Jerusalï¿½n, sï¿½lo son para los que aman a Dios y
>>a su Espï¿½ritu Santo, en sus corazones, en su espï¿½ritu y en su
>>verdad, para dejar atrï¿½s las tinieblas y vivir la luz de la
>>vida del paraï¿½so infinitamente.
>>
>>Por lo tanto, nosotros estamos llamados por Dios mismo, de la
>>misma manera que llama a Adï¿½n a comer y beber de su fruto del
>>ï¿½rbol de la vida, es decir, de la sangre viva e infinita de
>>la nueva vida, del nuevo reino celestial, para gloria y para
>>honra perdurable de ï¿½l mismo y de su Espï¿½ritu Santo. Porque
>>de otra manera, ninguno de nosotros, al igual que Adï¿½n y Eva,
>>jamï¿½s podremos realmente ver ni menos conocer la vida
>>inmortal del paraï¿½so, por la cual Dios nos saco del polvo de
>>la muerte, para formarnos en su imagen y conforme a su
>>semejanza, para vivir con ï¿½l y conocerle como tal, como
>>nuestro Creador, en la inmensidad.
>>
>>Por ello, nuestro Dios desea que cada uno de nosotros le
>>conozcamos a ï¿½l, de la misma manera, como su Hijo amado
>>siempre le ha conocido desde tiempos inmemoriales y hasta
>>nuestros dï¿½as, por ejemplo. Es por eso, que en el principio
>>nuestro Dios nos creo en sus mismas manos y no en las manos
>>de los ï¿½ngeles o de otros seres celestiales, para entonces
>>crearnos a su perfecciï¿½n infinita de su imagen y conforme a
>>su semejanza celestial, con el fin de que le conozcamos algï¿½n
>>dï¿½a, como hoy en dï¿½a, por ejemplo.
>>
>>Porque sin la imagen y semejanza celestial de Dios, entonces
>>nosotros no hubiï¿½semos jamï¿½s conocido al Seï¿½or Jesucristo, ni
>>a su Espï¿½ritu Santo ni mucho menos a ï¿½l, como nuestro Padre
>>Celestial, Fundador del cielo y de la tierra, ï¿½el
>>Todopoderoso! Entonces en el dï¿½a de nuestra formaciï¿½n era
>>indispensable para Dios formarnos en los poderes gloriosos y
>>sobrenaturales de la sangre viva e infinita del ï¿½rbol de la
>>vida, Jesucristo, el Mesï¿½as, para que nosotros vivamos por
>>siempre de su fruto de vida celestial, la sangre del pacto
>>eterno entre ï¿½l y el hombre, la del Gï¿½lgota, por ejemplo.
>>
>>Ya que, si Dios nos hubiese creado en la imagen y semejanza
>>de los ï¿½ngeles del cielo, lo cual hubiese sido muy loable y
>>glorioso, tambiï¿½n, pero jamï¿½s asï¿½ de loable o asï¿½ de
>>glorioso, como la misma imagen y semejanza celestial de
>>nuestro Padre Celestial, el Dios del cielo y de toda la
>>tierra. Y si Dios nos hubiese creado en las manos de otros
>>seres, como corderos, becerros, toros, en fin, como
>>cualquiera de los animales del paraï¿½so o de la tierra,
>>entonces no tendrï¿½amos el potencial en nuestros corazones de

>>conocerle a ï¿½l, en su imagen y conforme a su semejanza, cï¿½mo
>>sï¿½lo Cristo le conoce, desde siempre, y por los siglos.
>>
>>Es decir, que los animales sï¿½lo pueden conocer a los
>>animales, en su imagen y semejanza de cada uno de ellos
>>mismos; y asï¿½ tambiï¿½n los ï¿½ngeles del cielo, por ejemplo,
>>segï¿½n sean sus rangos de gloria y de perfecciï¿½n celestial,
>>como arcï¿½ngeles a arcï¿½ngeles, serafines a serafines,
>>querubines a querubines y demï¿½s seres santos del reino. Como
>>por ejemplo, el becerro se identifica con su igual, es decir,
>>otro becerro; y, ademï¿½s, pueden vivir juntos en sus manadas,
>>sin ningï¿½n problema alguno y hasta se procrean mutuamente en
>>grandes nï¿½meros, si se los deja a vivir a su manera natural
>>de vivir, por ejemplo.
>>
>>Pues asï¿½ tambiï¿½n los toros y las vacas, estos animales se
>>identifican el uno al otro y viven en sus manadas por la
>>tierra, en paz, en tranquilidad y felices de estar juntos. Lo
>>mismo podrï¿½amos decir, por cualquier otro animal del aire, de
>>la tierra y del mar, cada uno de ellos se identifica en su
>>imagen y segï¿½n su semejanza, y viven juntos y felices todas
>>sus vidas y sin ningï¿½n problema.
>>
>>Pues el hombre tambiï¿½n con Dios y con su Jesucristo viviendo
>>en su corazï¿½n, siempre llenos de los frutos de vida y de
>>salud eterna de su Espï¿½ritu Santo, porque hemos sido creados
>>en las manos sagradas de Dios, para vivir en su imagen y
>>conforme a su semejanza infinita y celestial, en la tierra y
>>en el paraï¿½so. Pues entonces, nosotros hemos salido de Dios y
>>de Cristo o del ï¿½rbol de la vida eterna, por su sangre y por
>>su Espï¿½ritu Santo, tambiï¿½n, por ejemplo, para vivir la vida
>>del paraï¿½so y no tanto (o jamï¿½s) la vida pecadora y rebelde a
>>Dios, la del fruto prohibido del ï¿½rbol de la ciencia, del
>>bien y del mal.
>>
>>Ahora, si Dios nos hubiese creado en las manos de Lucifer,
>>por ejemplo, entonces seriamos formados conforme a su imagen
>>y semejanza, algo terrible e impensable; y si hubiese sido
>>asï¿½, entonces seriamos mï¿½s diablos que ï¿½l mismo, sin igual
>>alguno en toda la inmensidad celestial y terrenal de la
>>creaciï¿½n de Dios. Es mï¿½s, ni Lucifer mismo nos hubiese
>>soportado tanto, como Dios lo ha hecho a travï¿½s de los
>>tiempos y hasta nuestros dï¿½as, pues, nos hubiese matado hace
>>mucho tiempo ya, para no sufrir nuestros pecados, maldades y
>>hasta quien sabe que otras cosas mï¿½s terribles, de las cuales
>>destrozarï¿½an su corazï¿½n, para no desearnos volver a ver mï¿½s.
>>
>>Pero gracias a Dios que no hemos sido creados en la imagen y
>>semejanza de ï¿½ngeles, ni de animales, ni mucho menos en las
>>manos de Lucifer, sino que fuimos creados en las manos

>>sagradas de Dios y de su ï¿½rbol de vida eterna, para ser
>>llenos por siempre de su Espï¿½ritu Eterno. Porque es la
>>llenura del Espï¿½ritu de Dios, la que nos da vida, hoy en dï¿½a
>>y por siempre en la eternidad venidera, de la misma manera
>>que el Espï¿½ritu de Dios tuvo que entrar en el vientre virgen
>>de la joven hebrea, para darnos al Mesï¿½as.
>>
>>Y luego el Espï¿½ritu Santo de Dios tuvo que levantar al Tercer
>>Dï¿½a al Seï¿½or Jesucristo de entre los muertos, despuï¿½s de
>>haber vivido toda su vida fiel a la Ley del paraï¿½so como el
>>Mesï¿½as, para volver a darnos vida infinitamente a cada uno de
>>nosotros, de todas las familias, razas, pueblos, linajes,
>>tribus y reinos de la tierra. Entonces nuestro Dios nos crea
>>en su espï¿½ritu de amor sobrenatural y eterno, y ï¿½ste es el
>>mismo amor por el cual ha conocido desde siempre a su Hijo
>>amado, el Seï¿½or Jesucristo y a su Espï¿½ritu Santï¿½simo, desde
>>los primeros dï¿½as de la antigï¿½edad y hasta nuestros dï¿½as, por
>>ejemplo.
>>
>>Para que hoy en dï¿½a, nosotros tambiï¿½n vivamos con ï¿½l y
>>finalmente le conozcamos a travï¿½s de los tiempos de la
>>eternidad venidera, tal como ï¿½l siempre ha sido (y ha de ser)
>>para con nosotros, en la tierra y en la nueva vida infinita
>>del nuevo reino de los cielos. Y cuando lleguemos a conocer a
>>nuestro Padre Celestial, como ha sido conocido por el Seï¿½or
>>Jesucristo y su Espï¿½ritu Santo, entonces entenderemos todo lo
>>importante que ha sido desde siempre: la sangre del pacto
>>eterno entre Dios y el hombre de la humanidad entera, para
>>librarnos de las tinieblas y ver sï¿½lo por la luz de Cristo,
>>infinitamente.
>>
>>Es por esta razï¿½n, que la sangre viva e infinita del ï¿½rbol de
>>la vida nos libra de los males del pecado y de sus muchas
>>enfermedades de nuestros corazones, de nuestros espï¿½ritus y
>>cuerpos humanos y celestiales, si tan sï¿½lo amamos a nuestro
>>Dios, en el espï¿½ritu y en la verdad infinita de nuestro
>>nombre salvador, ï¿½el Seï¿½or Jesucristo! Y, hoy mï¿½s que nunca,
>>el espï¿½ritu de la sangre viva e infinita del ï¿½rbol de la vida
>>te llama a Dios, para que te acerques y seas hecho libre,
>>limpio, purificado y santificado de tus pecados y sus
>>tinieblas profundas del mï¿½s allï¿½, para que sï¿½lo veas la vida
>>infinita del nuevo reino de los cielos, perpetuamente.
>>
>>El amor (Espï¿½ritu Santo) de nuestro Padre Celestial y de su
>>Jesucristo es contigo.
>>
>>
>>ï¿½Cultura y paz para todos, hoy y siempre!
>>
>>

>>Dï¿½gale al Seï¿½or, nuestro Padre Celestial, de todo corazï¿½n, en
>>el nombre del Seï¿½or Jesucristo: Nuestras almas te aman,
>>Seï¿½or. Nuestras almas te adoran, Padre nuestro. Nuestras
>>almas te rinden gloria y honra a tu nombre y obra santa y
>>sobrenatural, en la tierra y en el cielo, tambiï¿½n, para
>>siempre, Padre Celestial, en el nombre de tu Hijo amado, el
>>Seï¿½or Jesucristo.
>>
>>LOS ï¿½DOLOS SON UNA OFENSA / AFRENTA A LA LEY PERFECTA DE DIOS
>>
>>Es por eso que los ï¿½dolos han sido desde siempre: un tropiezo
>>a la verdad de Dios y al poder de Dios en tu vida. Un
>>tropiezo eterno, para que la omnipotencia de Dios no obre en
>>tu vida, de acuerdo a la voluntad perfecta del Padre
>>Celestial y de su Espï¿½ritu Eterno. Pero todo esto tiene un
>>fin en tu vida, en ï¿½sta misma hora crucial de tu vida. Has de
>>pensar quizï¿½ que el fin de todos los males de los ï¿½dolos
>>termine, cuando llegues al fin de tus dï¿½as. Pero esto no es
>>verdad. Los ï¿½dolos con sus espï¿½ritus inmundos te seguirï¿½n
>>atormentando dï¿½a y noche entre las llamas ardientes del fuego
>>del infierno, por haber desobedecido a la Ley viviente de
>>Dios. En verdad, el fin de todos estos males estï¿½ aquï¿½
>>contigo, en el dï¿½a de hoy. Y ï¿½ste es el Seï¿½or Jesucristo.
>>Cree en ï¿½l, en espï¿½ritu y en verdad. Usando siempre tu fe en
>>ï¿½l, escaparas los males, enfermedades y los tormentos eternos
>>de la presencia terrible de los ï¿½dolos y de sus huestes de
>>espï¿½ritus infernales en tu vida y en la vida de cada uno de
>>los tuyos tambiï¿½n, en la eternidad del reino de Dios. Porque
>>en el reino de Dios su Ley santa es de dï¿½a en dï¿½a honrada y
>>exaltada en gran manera, por todas las huestes de sus santos
>>ï¿½ngeles. Y tï¿½ con los tuyos, mi estimado hermano, mi estimada
>>hermana, has sido creado para honrar y exaltar cada letra,
>>cada palabra, cada oraciï¿½n, cada tilde, cada categorï¿½a de
>>bendiciï¿½n terrenal y celestial, cada honor, cada dignidad,
>>cada seï¿½orï¿½o, cada majestad, cada poder, cada decoro, y cada
>>vida humana y celestial con todas de sus muchas y ricas
>>bendiciones de la tierra, del dï¿½a de hoy y de la tierra santa
>>del mï¿½s allï¿½, tambiï¿½n, en el reino de Dios y de su Hijo
>>amado, ï¿½el Seï¿½or Jesucristo!, ï¿½El Todopoderoso de Israel y de
>>las naciones!
>>
>>Sï¿½LO ESTA LEY (SIN ROMPERLA) ES LA LEY VIVIENTE DE DIOS
>>
>>Esta es la ï¿½nica ley santa de Dios y del Seï¿½or Jesucristo en
>>tu corazï¿½n, para bendecirte, para darte vida y vida en
>>abundancia, en la tierra y en el cielo para siempre. Y te ha
>>venido diciendo asï¿½, desde los dï¿½as de la antigï¿½edad, desde
>>los lugares muy altos y santos del reino de los cielos:
>>
>>PRIMER MANDAMIENTO: "No tendrï¿½s otros dioses delante de mï¿½".

>>
>>SEGUNO MANDAMIENTO: "No te harï¿½s imagen, ni ninguna semejanza
>>de lo que estï¿½ arriba en el cielo, ni abajo en la tierra, ni
>>en las aguas debajo de la tierra. No te inclinarï¿½s ante ellas
>>ni les rendirï¿½s culto, porque yo soy Jehovï¿½ tu Dios, un Dios
>>celoso que castigo la maldad de los padres sobre los hijos,
>>sobre la tercera y sobre la cuarta generaciï¿½n de los que me
>>aborrecen. Pero muestro misericordia por mil generaciones a
>>los que me aman y guardan mis mandamientos".
>>
>>TERCER MANDAMIENTO: "No tomarï¿½s en vano el nombre de Jehovï¿½
>>tu Dios, porque ï¿½l no darï¿½ por inocente al que tome su nombre
>>en vano".
>>
>>CUARTO MANDAMIENTO: "Acuï¿½rdate del dï¿½a del sï¿½bado para
>>santificarlo. Seis dï¿½as trabajarï¿½s y harï¿½s toda tu obra, pero
>>el sï¿½ptimo dï¿½a serï¿½ sï¿½bado para Jehovï¿½ tu Dios. No harï¿½s en
>>ese dï¿½a obra alguna, ni tï¿½, ni tu hijo, ni tu hija, ni tu
>>siervo, ni tu sierva, ni tu animal, ni el forastero que estï¿½
>>dentro de tus puertas. Porque en seis dï¿½as Jehovï¿½ hizo los
>>cielos, la tierra y el mar, y todo lo que hay en ellos, y
>>reposï¿½ en el sï¿½ptimo dï¿½a. Por eso Jehovï¿½ bendijo el dï¿½a del
>>sï¿½bado y lo santificï¿½".
>>
>>QUINTO MANDAMIENTO: "Honra a tu padre y a tu madre, para que
>>tus dï¿½as se prolonguen sobre la tierra que Jehovï¿½ tu Dios te
>>da".
>>
>>SEXTO MANDAMIENTO: "No cometerï¿½s homicidio".
>>

Most 2 meter ht's can be modified for use on the marine freqs. You want find one that come "stock" with those freqs included, except perhaps for receive only.

With a simple mod, many ht's can be made to transmit and receive on the marine freqs.

I don't consider surface mount board level mods to be "simple". One slip and you have a paper weight.

Of course simple and easy would be the best reason for outlawing ham radios altogether. You don't mind people running out to buy ham radios to (try to) use for commercial purposes?

I remember showing up on a 2m repeater asking for road assistance, and some unidentified station jumped all over me for "not using proper police procedures". It sure ain't what it used to be 25 years ago.

How can you monitor the harbor calling frequency while chatting on 2m? answer: Have another radio to do what it was meant to do. And make sure the mics don't get mixed up.

Incidentally, all marine frequencies are monitored by Coast Guard, assistance contractors and even satellites for emergency traffic. If you are on land goofing around and don't hear an emergency going on out at sea, they can hear you. I know of someone doing 5 years in Fed pen for just such a situation after 6 months in custody during trial preparations and 30 minutes of jury deliberations. He can never be caught in possession of a radio ever again.

Sorry, you're wrong. The 5 watt number you speak of likely is,
indeed, audio power and not RF power. The 4 watt AM carrier power /
12 watt SSB PEP power rule went into effect in the mid 1970s, before
40 channel radios were made. Do a little research!

It's not quite that bad. Use MagEyes (or something similar) with lots
of light, have a fast recovery soldering station, and a steady hand and
SMT isn't so terrible.

If it were a simple mod, then it would be simple for the FCC to send the manufacturer a Notice of Liability and confiscate all inventory or force them to remanufacture and resubmit to the approval process like they did with Kenwood.

Don't forget ESD and warranty. Going out and getting a service monitor so you can check the tuning and modulation that was optimized for 144-148 at the factory is an added expense when you could have bought a marine radio for less. Some radios, most notably VHF models, lose performance out of band. Do you need a marine radio? Buy a better marine radio. If you don't need a marine radio why hack your ham radio. The price is about the same and operationally, you can't be both places at the same time when you need to.

I do surface mount work too but there is nothing to be gained with the mod unless you're MARS, CAP, a jammer, or a kid with a new toy.

Then there was the other issue brought to light with a recent rail disaster, where an engineer was fooling around texting when he should have been paying attention to driving the train so he wouldn't have run a red light and ran head on into another one.

Think ahead.

From —The Daily Astorian (http://www.dailyastorian.com/main.asp?SectionID=2&SubSectionID=398&ArticleID=57880&TM=54834.13)

WARRENTON - The Home Depot store in Warrenton had a ham radio antenna installed on its roof Tuesday to make the building a point of transmission in case of another disaster.

The action followed the December 2007 storm in which for almost two weeks parts of the North Coast were without electricity, phones, cell phones and the Internet after hurricane-force winds downed trees and power lines. No one could communicate outside of the area, with the exception of the ham radio operators.

Don Hillgaertner, the Clatsop County coordinator for the local emergency communication group, Radio Amateur Civil Emergency Service (RACES), and Ken Lucke, vice-president of the Sunset Empire Amateur Radio Club, worked with the Home Depot corporate office to complete the project. The antenna was installed by Dennis Bryant and his company, Bry-Com, near the garden center of the Warrenton Home Depot, then tested by Hillgaertner and Lucke.

Radio Amateur Civil Emergency Service is active only during an emergency and its aftermath if government emergency management offices need communications support. It is normally shut down shortly after the emergency has cleared.

Amateur Radio Emergency Services are activated before, during and after an emergency, and handle all emergency messages, including those between government emergency management officials. In Clatsop County, belonging to one organization includes membership in the other.

The Warrenton Home Depot building will be a gathering point in times of emergency so community members will be able to contact family members and friends who live outside the area, said Kathryn Gallagher, senior manager of communications for the Home Depot Western Division. She said that no other Home Depot store has a ham radio antenna.

That is a flaw in Metrolink. Never use a human as a potentially fatal

I was merely pointing out that soldering stations and stereo

Dave the 'issue' is not one person like "DX Ace"

The "Issue" is the Public Awareness of the

I use a jewelers loupe, so I have to be more careful not to put the iron up
my nose!

The trouble with Metrolink is that they are doing business in California, so
merit has more to do with politics than skill. You have to be incompetent
so no one will suspect you got there on your own power. This is likely to
become more nationwide. For an accurate picture, see the movie "Idiocracy"
by the guy that did "Office Space". Only the name calling is changed. We
are manure for the revolution.

There was a time when there were skilled people, and we could do great
things, but this nation has become demoralized, and is in the
destabilization phase. It might be too soon for the crisis stage though,
because the military is still viable and moral even with our new C-C. The
population of the US is very great, so it is very difficult to kill enough
of them fast enough before the idealistic idiots counter revolt when they
finally realize they are being played for their own destruction. Other
schools of thought believe demoralization is so complete that the idealist
would cling to their programming despite the reality of their own
observation, just as so many Jews in Auschwitz waited in line to be
executed.

The plan (from the 70's) is outlined here by a defector, complete with
explanation of terms. See how much of it you can recognize today:

After several people not believing me because I didn't post any links
and then could no longer find the old links, I
am now posting all links I can as soon as I find them.

A HOA has outlawed anyone from even owning any generator.

Not just using one, but even just owning one without ever using it is
against the hoa rules.

And a New Jersey state court has already ruled that HOAs are not
government or quasi-government and as such that HOA rules supercede
the state Constitution. (according to the court).

So now HOAs can tell you what you can and can not own inside your own
home. And what you are and are not allowed to own in your own home.

The brand of radios you use to listen to am/fm radio, the brand of tv
you can have, whether you are even allowed to own a tv or not,
etcetera.

One already tried told some ham what radio ffequency bands he is and
isn't allowed to transmit on.

Have fun attempting to do your emergency communications with a high
power base from your house without any
generator when there is a power outage.

Which is why I will never live in a place that requires me to be a
member of an HOA.

And, no, your honor, I am sorry, but you are wrong.
HOA's do NOT have legal authority that is over and above all other
jurisdictions.
My ham radio license was issued by whom? The federal government. So
their laws apply as to how and when I can use that said license, NOT
the HOA.

If I want to own and operate a generator, that is MY business. If I want to have something in MY home, and the HOA does not approve, tough shit. The HOA can go take a flying leap off a high cliff without a parachute.

It's my god damned house and I'll do with it as I please.

In some states, NJ being one, an HOA is a legally recognized form of
"government".
In those states, state laws regulate what an HOA is legally allowed to
do and enforce.
An HOA can only enforce their bylaws which are generally items not
otherwise regulated by state and federal laws.

An HOA does not have the authority to tell me that I can't have a
particular brand of TV. Nor can it tell me I can't park my car on a
public street in front of my house. Nor can they tell me I can't
broadcast on certain radio frequencies because that is NOT their
jurisdiction.

knock.knock.
"Yes?"
"Hello I'm with the Home owners association and......"
"Fine. Get the fuck off my property before I have you arrested after I
shoot your ass."

What are they gonna do? Call the cops and have me hauled into court?
Fine. We'll see who has the legal right to do what I damn well please
in my home. If they win, they can pay the mortage too.

A HOA is a private, civil organization governed by contract law.

As such, you must abide by whatever is in the contract that you signed
or the HOA can take you to civil court and sue you to comply and
usually win as long as the contract terms are not too outrageous,
such as they grossly violate civil rights laws.

The only "cops" they can call is whoever does proof of service to serve the civil notice in the particular jurisdiction.

If you don't show up in civil court, you lose by default.

If you lose, you pay all the court costs.

If you don't pay, they sue you again to either garnish your wages or seize some property, such as your car, boat, or house, to be sold at public auction to pay the original judgement plus all the costs of the second lawsuit.

If you don't like a HOA's contract provisions, don't sign the contract.

Well, the NJ Supreme Court in the Twin Rivers case allowed the HOA to
restrict political signs on private property. With the exception of
discriminatory covenants, HOAs are pretty much free to do what they want.
If you don't like their rules, don't buy their property.

If you signed the HOA agreement, then you are deemed to have voluntarily
agreed to their rules.

You betcha. For threatening to shoot them. Otherwise, they'll just impose the fines allowed under the rules that you agreed to when you bought the property. And get a civil judgment when you don't pay.

> Fine. We'll see who has the legal right to do what I damn well please

If they win (and they will), you'll be paying fines to the HOA, and you'll still be on the hook to the bank for the mortgage.

I meant "government" as to mean a loose organization with authority
something like a schoolboard.

State law determines what HOA can and can not enforce in their bylaws.
Most covenants deal with what you can place on your yard that is
within public view. Or what you can put on your house. Such as a 30
foot satellite dish.

But they can not legally deny you your "rights" to enjoy watching tv
on what ever brand tv you wish to use. Or when. Nor can they restrict
the use of radio frequencies because that is governed by the federal
government.

One HOA told a homeowner they couldn't park their car on the street.
Owner's cars had to be on the driveway or in the garage. Excuse me,
but unless that is a prave street, I have every legal right to park on
it. Don't even think about telling me a second time because you have
crossed the line of your authority.

If it's in the bylaws, doesn't grant an HOA authority to enforce it.

If an HOA is taking that much authority, then the members need to join
forces and retake control. There was a case not to long ago in
California (??) where an HOA had bitched and whined about some guy
violating the bylaws. The local news media got hold of the story, took
their helicopter and flew over the HOA's chairman's house and spotted
a dozen violations.

As for my little anecdote, if I'm the homeowner, don't come knockin on
my door and try to tell me what I can't do with my house. As far as
I'm concerned, unless you're carrying a badge, you came to my door
with malice on your mind. Self defense.

HOAs are nothing like schoolboards, which are part of the state.

OK. Convince me. Point to some state law that does this. State law
treats HOA agreements as contracts. If it's a valid contract, then
you're supposed to abide by its terms.

They don't do this the way the FCC does. They and you sign a binding
agreement on what you'll do and won't do.

Of course it does. The enforcement will be through a breach of contract
suit against you.

And abolish the HOA. I hate these things and wouldn't live where I was
subject to the whims of petty neighborhood fascists. But I understand
that they're part of private contractual agreements.

As far as any court is concerned, it's self defense when a *reasonable*
person would believe he's in physical danger.

But don't worry, the HOA isn't gonna send any more than certified mail
preparatory to kicking your ass in civil court.

Legally, nobody is KB9RQZ, those particular letters and numbers have
zero meaning on the internet. And yes I made a point that it took you
over a year to admit that you lost the domain by your own doing. If
you had admitted right off I would have released it back to you
sooner, but your apparent lunacy prevented that.

In most developments the streets are privately owned so they can tell you
not to park there.

I, Roger Leo Wiseman, being of unsound mind and low morals, want to apologize to Mr Mark Morgan and Mr Gav Morgan for my latest attacks on the two of them.

I want also to apologize to Lloyd Davies for my unwarranted and past illegal posts that Mister Davies engaged in posting child porn. I know that Lloyd never did this. I was lying.

I have been under a lot of pressure of late and have been lax in taking my prescribed medications. For that I am sorry, truly sorry.

I don't ask your forgiveness, only that you understand the immense pressure that I have been under. Being under 24/7 scrutiny by the Glendale Police Department is not easy to live with.

I also owe a heartfelt apology to Dave Heil, and will be sending him a letter of apology this week.

Please forgive me, guys. I am truly sorry.

Roger

Ihan alkukevennykseksi tapaus JiiPee. Kaveri hihkui innoketta nettiin ja kertoili p��sev�ns� Olkiluotoon "oikeisiin ydint�ihin" turbiinihalliin. Ihasteli suurella volyymilla, miten komennus oli h�nen el�m�ns� t�yttymys. No sit� kokeneemmat koetti toppuuttaa, ettei punaisena meuhkaava dosimetri suorastaan hornamaisissa ty�olosuhteissa ihan noin herkkua kyll� ole. K�veri k�vi TVO:lla ja sen per��n mykistyen j�rkytyksest� nettiuutisointi pysyi h�nelt� hiljaa. Pitk�n maanittelun ja kyselyn j�lkeen kaveri kertoili j�rkytt�vist� ydinkokemuksistaan ja kyseli s�teilymittarien numeromerien vaikutusta h�nen jatkoel�m��n. Vaikka oltiin vain nettiyhteyksiss�, nin shokin j�ljet n�kyi kilometrien p��h�n. N�in loppui kerralla kaverin ylistys ydinvoimasta.

No t��ll� netiss� olemme huomanneet jotain el�m�� mystisemp�� ydinty�l�isist�. T��l� on tosiaan satam��rin sellaisia kavereita, jotka sanovat kyll� k�yneens� innolla hakemassa ty�paikkaa Olkiluodosta, ehk� ovat jonkin viikon olleet koeajalla, kes�t�iss�. Mutta yht�l�isyys n�ill� massoilla on totaalinen pettymys. Hyl�tyt ty�aikeet koko rupufirmassa. T�ydellinen plackout siit� miksi pettyiv�t ydinalaan niin karvaasti? Olisi toki ihan kiva kuulla, miksi ydinala suoritti ylenannon ja noin. Mutta ehk� kaikkein j�rkytt�vin sektori on sitten ydinty�l�isten miltei absoluuttinen n�kym�tt�myys kirjoituksineen. Eli on se tosiaan kummaa, ett� ydinyhti�t jotka t�ytt�v�t ty�paikkailmoitukset vuodesta vuoteen lehdiss� eiv�t aiheuta kehun kehua, ei rivin rivill� alan plussia netiss�, eik� niin miss��n.

Ainoa, joka ydintaustoista TY�NTEKIJ�N kirjoittelee olen vain ja ainoastaan min�. Eik� ole totaalisen kummallista, ett� ala, joka v�itti saavansa 80% kannatuksen maasamme muutama vuosi sitten paistattelee nettiluonnehdinoissa ainoastaan ainokaisen sektorinsa osaajan mielipiteen varassa! Hei haloo ydinyhti�iss�mme on tuhatm��rin innokkaita palkansaajia, miss� on lausuntokehut heilt�? Juu on t��ll� netiss� sitten tuollaisia muutamia tapauksia, joiden ydinosaminen on nollissa ja tiedot ydinvoimasta postikorttikuvana p�yd�ll�. Tuskin ovat sen l�hemm�ksi ko energiasektorille kyenneet p��sem��n. Tiet�m�tt�myysharhoissaan siis ovat olevinaan mit� kiivaampia ydinalan kannattajia. Tasan niin kauan, kunnes kotipiha j�� ensimm�isten ydinkaivoshankintojen , tai ydins�hk�linjoitusten alle. Lausunnoilleen on siis jo pohjistaan aivan turha antaa vinoa hymy kummempaa kommenttia.

No joo on ydinalan tuhansista ty�paikoista sitten my�s leegio niit� puolalaisorjia, jotka viidennesosapalkoin koettavat selvit vaivoin hengiss OL-3 kaltaisilta ty�mailtaan. Pettyneet alati harvalukuisemmat (20%), suomalaisty�l�iset ovat sitten Forssan betonin kaltaiset totaalipoistuvat. Kaverit, joilta TVO on huijannut taivaisiin asti kohoavine lupauksineen miljoonan toisensa per��n. N�it meni ja menee konkkurssiin, tai paremmassa

tapauksessa h�ipyv�t tulipunaisina kiukusta pettyneen� pois TVO:n ydinorjakarjamarkkinoilta. Ja ovat tyytyv�isi� sen j�lkeen jos et�isyytt� ydinvoimaan on v�hint��n yli 100km. T�m�n sektorin pettyneit� kommentteja sai aikoinaan lukea. Nyt ydinalan asiallisinta antia ei mm. SUPO salli julkaistavan, koska antaa liian karun ja raadollisen kuvan ydintodellisuudesta.

Mutta tosiaan varsinaisten ydinty�l�isten kohdalla on alati mykist�v� ja Sis�ministeri�/TVO/Posiva kompuksen hermeettisesti suljettu pettymysmerien vaiennut messu. Ei ole t��ll� valittaneet edes ne TVO:n ty�l�iset joille annettiin 12h pakkoty�ukaaseja ja nuutuvat liki keskiaikaisessa ty�pituussuhteessaan liittojen vaietessa my�s. Ei ole my�s kommentin kommenttia niist� kymmenist� ja kymmenist� loputtomiin kasvavista s�teilysairauksiin kuolevista ja kuolleista ydinty�l�isist�mme kukaan uskaltanut kommentoida. Vaiti on journalistinen lehdist�, TV ja kaikki tiedotuskanavamme, kuin sana totuuteen olisi maanpetos. Ehk� tosiaan ydinalan terrorisoimalla sanan vapaudettomuudella ja alati maanvy�rym�isesti poliisien urkintojen lis�valtuutusten varassa vaiennettujen suiden on vaan pakko vaieta. Orjan peruspiirre kun on alistua ydinsuomessamme! Emme taatusti saa mink��nlaatuista lis�valaistusta niihin taustoihin, joiden takia ydinala on menett�nyt ei pelk�st��n klamouriaan, vaan koko kansanosien luottamuksen ydinvoimaan. Kansa on p��tt�nyt, eiv�t p��st� edes lapsiaan moisille kuoleman kentille. Kuka haluaisi n�hd� lapsensa kaatuvan leukemiaan ja vastaaviin s�teilyhivutust�ihin ydinyhti�n halveksitussa viskaalin virassaan.

Mist� kansa sitten ylip��t��n saa tietoaan siit� mit� konkreettisesti noiden mureiden ydinvoimaloiden salatuissa sopukkaraakileissa tapahtuu? Nimitt�in tiedon jano ei maastamme aiheen loputtoman ylenantotarjonnan j�lkeen n�yt� laantumisen merkki�. Jos yrit�t kysell� niilt� harmaantuvilta sy�p��ntyvilt� ja aniharvinaisemmiksi k�yvilt� suomalaisilta jotain ydintapahtumataustoista, niin jopa Italian mafiosotoimintaa tiukempaa omertaa kohtaat pilvin pimein. Lasten on turha toivoa laitosty�l�is anhemmiltaan kerrontaa mit��n niist� tapahtumista, joita 10 000 voltin s�hk�teurastusaitojen sis�ll� tapahtuu. Eik� t�m� loputtoman ep�luulon ja salailun ilmapiiri jo itsess��n kerro oleellisimmasta. Kun ei kest� p�iv�nvaloa, niin ei kest�! N�in se vaan kyll� on. Ja jos olet uteliaisuuteesi pakahtumassa, niin toki osaava l�yt��. Itse asiassa jopa ihan asiallista taustoitusta my�s.

Toki Googlettamalla alkaa netist� l�ytym��n suorastaan nyanssintarkkaa materiaalia satap�in ja alan huippuosaajien k�sist� viel�!. .. Ensin tietysti etsij�� kummeksuttaa valtaisa ydinalan/SUPO:n lanseerama "rahastahaukkujien leegio" t�m�n h�ik�isev�n ilmi�n ymp�rill�. Tilanne on v�h�n kuin etsisit Venuksen ylilentoa ydinaurinkoa vasten maastak�sin. Vasta HIRVITT�V�LL� suodatuksella p��st��n asialliseen settiin kiinni. Eli alkaa varsin pian sen j�lkeen hahmottumaan, miten kyseinen nimimerkki tuntuu olevan suoranainen maamme merkitt�vin ydinalan ammattiosaaja, jolta totuuden l�yt�� kakomatta. H�n kertoo itse olleensa ydinsektorilla vuosikymmenet ydint�iss��n liikkuen. Tuntuu hallitsevan kaikki keskeisimm�t tilanteet,

mekaniikat, kvanttifyysikat, turvatekniikasta koko energianhallintaan. Ilmi�m�inen alansa osaaja, jonka kaltaista ydinvastustajaa emme ole yksinkertaisesti aiemmin tavanneet! Viimein ydinvastustajien tiedonpuutteellinen pullonkaula on pulppuavasti r�isk�ht�en auennut varsinaisena tiedon amatsonina kaikkien n�hd�. Suorastaan suvereenina h�n dominoi koko ydinalan nettimaailmaa sellaisella voimalla, ettei ydinlanseeraajat yksinkertaisesti per�ss� pysy. Arvostettuna h�n kertoo olleensa alkujaan varsin neutraali ydinvoimalle. Mutta kun reippaasti alle el�keik�isist� ty�kavereistaan alkoi kuolla parhaaseen ik��n kymmenet ja kymmenet h�nen silm�ns� ydinraadollisuuteen aukenivat. T�ytyy sanoa, et� sen per��n on sitten kertoillut ydinalalta KAIKEN!

to move on from this. Upon personal reflection over the past several weeks...I believe that it is time, at least for me, to move forward. It is obvious that this newsgroup will never return to its prior state of radio amateurs exchanging ideas in an open and useful forum. What have I/we accomplished? Certainly not something that I had hoped. Did we all really want a moderated group? Whose fault is this? I believe that no single person is responsible, and much of the responsibility, at least the driving force, is all of our shared passion for this great hobby of ours, and for many, our deep devotion to its heritage and traditions.

I believe that it was this great love that drove this group to the sad state of affairs that we see today. On one side the passion from those who learned to appreciate the efforts required to learn the Morse code and take the six levels of testing, and on the other side, those who wanted a license with less effort for some reason or another. They were successful in their efforts and the end results are yet to be determined, is the ARS any better who knows? Nevertheless, during the debate of code vs. no code, personal hatred began to fester on this group which set off the path to where we are today as a group, as hams, and as individuals.

As I perused the net today, I see a trend that is even less flattering, a few of the newsgroups severs have stopped archiving RRAP altogether, due to the amount of wasted bandwidth, and infighting that has continued.

Recently, I received email concerning the situation on RRAP that asked something very simple but profound; "How do you see yourself in 3, 5, 7, or even 10 years? As a productive ham enjoying the hobby or someone who has relegated themselves to arguing over a tiny almost ignored space on the World Wide Web, with persons that you have got to know by now, for whatever reason, mental or otherwise, are unable or unwilling to stop their behavior.

As I pondered this question, it really became apparent to me of how wasteful and idiotic this whole mess has become, how I have slowly lowered myself and my standards to his elementary level, and frankly no matter what I do or say will ever change this situation.

Therefore, I believe that I will be the better person, the better ham, and put the first foot forward in an attempt to end this dispute, or at least to the degree that I keep it going. I encourage others to follow.

So I ask, how do you see yourself in a few years? Imbedded in this ridiculous dispute, or perhaps posting to the group about a policy issue and happily ignoring the lunatic fringe?

Hope to see you on the bands…

No, the Glen Dale Police Department is too busy being corrupt, from

Yes you are a soory sack orf shit, Davies? Find a new job yet, fired
pizza boy? Or are you still drawing welfare?

> Roger is a loser

But he isn't as big a loser as you are Porky Davies, who has to
impersonate Roger and then follow up to yourself. Nor is he a 35 year
old VIRGIN like you ar, who has to pretend that he got married when no

records of your so-called "marriage" are in your local courthouse records. Besiudes, Fatty, here you are late at night pining over your unrequited love.. You are not only a piece of shit, Lloyd Austin Davies, you help Toad Dogshit Daugherty sell his jap cartoon kiddie porn.

Mark, last year I stopped posting for a period of time (6 months +),
nothing changed. The fire you speak of is not feed by me, but from
within those individual posters who are feeding off and instigating
this situaton. You once said that I "can not uninspire other peoples
attacks" I believe that in fact you were correct.

Well IMO, the flooding is not solving the issue and you may want to
consider changing tactics...the flooding enmass is feeding the trolls
and instigators in this mess, and as long as that approch is taken, it
is my opiniont that RRAP will contine to be a mess for a very very

long time.

Nevertheless, I have spoken my peace. I publicaly apologize to you and your wife if my posting on usenet or nim offended either of you. However, I can only apologize for what I have done, and not for any acts or forgeries that may have occurred in my nym by others. I have never hacked any accounts concerning your credit cards, sent any direct emails or messages to you other than to give you a domain name, made any phone calls about you, to you, or sent any emails to anyone about you.

I wish you well as I prepare to move on and away from this situation. I will soon delete all accounts associated with this nym and flush it permenatly away. I hope everyone on here can please consider to start anew so there can be a useful policy newsgroup again, one that is not a blimish to the ARS.

73 to All.

As you can see from this off site radio newsgroup server, the last
archive occurred on September 6, 2008, yet the other RRA groups are up
to date.

I received the emaill after my email addy was frogged by you (this is
not an attack just a statement of fact). However, the email along with
several others that I had received, had enough of a profound effect to
get me to reflect about the whole situation.

Mark, last year I stopped posting for a period of time (6 months +),
nothing changed. The fire you speak of is not feed by me, but from
within those individual posters who are feeding off and instigating
this situaton. You once said that I "can not uninspire other peoples
attacks" I believe that in fact you were correct.

Well IMO, the flooding is not solving the issue and you may want to consider changing tactics...the flooding enmass is feeding the trolls and instigators in this mess, and as long as that approch is taken, it is my opiniont that RRAP will contine to be a mess for a very very long time.

Nevertheless, I have spoken my peace. I publicaly apologize to you and your wife if my posting on usenet or nim offended either of you. However, I can only apologize for what I have done, and not for any acts or forgeries that may have occurred in my nym by others. I have never hacked any accounts concerning your credit cards, sent any direct emails or messages to you other than to give you a domain name, made any phone calls about you, to you, or sent any emails to anyone about you.

I wish you well as I prepare to move on and away from this situation. I will soon delete all accounts associated with this nym and flush it permenatly away. I hope everyone on here can please consider to start anew so there can be a useful policy newsgroup again, one that is not a blimish to the ARS.

I don't care about OcAm's Ravor, It may seem logical to you if you
have a narrow biased view. I know for a fact that during that period
of time multiple major e-commerce companies had their sites hacked by
Chinese and Russian hackers. Hacking from abroad goes on daily, so it
is plausible that it was just a coincidence. Most e-commerece accounts
are constantly under attack. That is why IT security personal are in
constant demand, one of the best IT jobs to have in that field.

Nevertheless, Mark believe what you wish. I know what I've done and
what I have not done. I've admitted to what I've done multiple times,
so there is no need to rehash the yet once again..

Sometimes, you have to put the first foot foward to free yourself. You
can either choose to continue to feed the fire or you can move on.
Your choice....73.

Hey, even cheap hams can afford dictionaries now.
They are available on the web at no charge.
Also many programs have a spell checker......

I had forgotten to post this, but I DID get my Freedom of Information Act request...82+ pages from the Federal Communication Commission (FCC)

So far, the ONLY evidence the FCC had, which isn't really evidence is comments made on the internet. The FCC DID NOT as I predicted do a field strength measurement of the station, thus the FCC does not have shit. I am further pushing with my lawyer to have BOTH warning letters tossed out, based on lack of REAL evidence.

Shall I post the CB transmissions of the black erson on CB here?

Definitely not better etiquette.

Unlwss he is a white cber posing as a black cber.

He claims to be black.

Of course it's not wheter the person is white,black, or anything else.

There are cb idiots of all colors.

And some ham idiots of all colors.

I didn't really think 2 meters is starting to sound like CB as others
claimed.

However, it turns out that I just wasn't listening enough.

For the first time I can ever remember in decades of listening, the
other night I heard two hams giving each other smokey reports on 2

It's not because of the elimination of cw testing.

Hams giving each other smokey reports is what you get when you tell certain people to get a ham license instead of illegally operating on the freeband.

There was NO hoa and NO CC&R contract when I moved into the trailer park, which was the cheapest trailer park to rent in that county at that time, because that was all I could afford, and NOTHING anywhere saying that a hoa was allowed to take over and NOTHING anywhere saying that CC&Rs could be imposed later.

The traier park was later took over by a land developer who imposed all kinds of impossible to follow CC&Rs on the trailer park residents and imposed a HOA on the trailer park residents.

He bought the trailer park to build a planned community of expensive to rent townhouses next door to the trailer park.

We did not know he was a land developer at the time since he tried to keep that fact secret from everyone in the trailer park.

All the reaidents knew at first was that he was the new owner and new landlord of the trailer park.

We were given less than 24 hours notice that there were now new rules where there had been none before and lots of new rules.

YOU try to find somewhere else to live with less than 24 hours notice. Especially when you can't afford anywhere else to live.

The you have NO CHOICE but to sign the check for the next month's rent (the contract).

The new rules said by paying the rent, you are agreeing to the new rules and that it counts as a contract.

Before he took it over, it was always plowed in the winter. After he took it over, it was never plowed. In the middle of the snow belt.

He hired bulldozers, which threw snow into your driveway and yard, both piled up high.

The new rules were you were NOT allowed to have any snow in your yard or driveway. However, the new rules also prohibited you from putting the snow out of your yard or driveway into the trailer park's public drive, which is the only other place the snow could possibly go.

And tow trucks would not go in there since it was private property ownewd by the trailer park owner unless he said so, which he would not unless it was his own which he hired to create the type of problems listed above since people moving into the new planned community of expensive to rent townhouses he was building would not want to look at people who are "trailer trash" or a bunch of trailers.

After all, to those kind of people, you and your wife are nothing but no-good low-class bums by working three jobs each just to make ends meet,
and if you were not a bum, then you would not be working any jobs at all and would have expensive rolls-royces to drive, expensive designer clothes
to wear, and a lot of money, etcetera.

He also raised the rent at least once every two months, sometimes each month, so the rent was raised over eight times in just one year.

Which went from the cheapest to rent trailer park in the most expensive to rent trailer park in that county, and he started evicting residents for not paying the rent (which they could now not afford) and bulldozing their trailers.

Some of the residents fought him in court, but the court ruled in the land developer's favor and against the residents.

Also, the public schools REQUIRE you give them at least TWO WEEKS notice before taking your child out of the public schools when moving, or else they count it as the child being truant and you being guilty as an accesorry .

YOU try doing that with less than twenty four hours notice.

The cable company would not go into the park at all. The new rules were no new antennas and no new satellite dishes.

So if anyone new moved in or your old antennas or dish broke, you were now unable to watch tv.

He got around the prb-1 rule since it says they can regulate the placement of antennas and dishes.

There were a lot of impossible to follow contradicrory rules, which I can now see was done on purpose for the reasons named above.

And where are people who can't afford to live anywhere else supposed to do?

It's no coincidence that cities are passing laws against being homeless at the same time they are requring hoas and CC&Rs in every

new place built and in every old place sold to a new person.

Because of what he wasdoing and the places he hired, my car was ruined, which is a whole other story in and of itself, which also proves by their own words that the self-appointed radio cops are guilty of committing a bunch of illegal crimes even though they claim they never ever committed any illegal crimes at all and that everyone who does should lose their ham license.

So why do the self-appointed radio cos still have their ham radio licenses?

Why didn't they retuen them to the FCC?

Some people say move to a hoa where the rules can be changed. Then you can change the rules to put up a ham radio antenna.

The problem with that is if the rules can be changed, then a ham radio antenna allowed today can be changed by someone else into not being allowed in the future.

Some people say then move to a hoa where the rules can't be changed.

The problem with that is the rules do still change in such places.

rule 1: Your trailer is not allowed to be painted an ugly color.

rule 2: No ugly models of cars allowed.

You move in, only red trailers are allowed because it's the only pretty color and all other colors look ugly.

Only Fords are allowed because they're the only cars who look good. All other makes and models look ugly.

Then three months later some people move out and new people move in and you now get fined for having a red trailer since red is an ugly color and only blue is a pretty color. And the rules clearly say "Yor trailer is not allowed to be painted an ugly color(However you can't afford to buy paint since you and your wife are working three jobs each just to make ends meet). And you also get fined for having a Ford instead of a Chevy since Chevys are the only good looking cars and Fords are ugly cars and the CC&R rules clearly say "No ugly models of cars allowed)

And you of course can't keep affording to buy new cars every few months everytime different neighbords move in unless you are super rich.

You are now guilty of breaking at least two rules of the CC&Rs because the rules changed even thogh you're in a trailer park where the CC&Rs say that the rules can never ever be changed.

Renters aren't owners and there is no such thing as a HOA for a rental.

Absent a long term lease with the terms explicitly spelled out, most
rental agreements are month-to-month and are for the most part subject
to change each month.

That's why, if you have any sense at all, you buy a house without an
inane HOA and there are lots of them all over the country.

Actually, I don't know if the hams giving each other smokey reports
ever operated illegally or not. They might have always operated
legally. And I don't really care if hams give each other smokey
reports or not.

However, I do think it's kind of dumb to give and ask for smokey
reports on 2 meters when the majority of 2 meter ham operators seem to
be
either involved in some kind of law enforcement or actually are law
enforcement officers also.
I
t's sort of like the old song "CB Savage".

Actually, I don't know if the hams giving each other smokey reports ever operated illegally or not. They might have always operated legally. And I don't really care if hams give each other smokey reports or not.

However, I do think it's kind of dumb to give and ask for smokey reports on 2 meters when the majority of 2 meter ham operators seem to be
either involved in some kind of law enforcement or actually are law enforcement officers also.
I
t's sort of like the old song "CB Savage".

The blame lies with ARRL and flaky VEs that hang out at Radio Shack and truck stops and either entice or club and Shanghi kids and CBrs with the idea that if you give them a ham license they will instantly be hams. Without even having to unlearn bad habits and learn new ones. The end result is you wind up with anarchist infiltrators with a license to hate hams.

As if you could elect Bevis and Butthead for President and they will instantly grow up when they hear the morning briefing.

The FCC claims that it could use material that came off the internet
stems from a case back in 1947, this however was later overturned by
the FCC and the Federal Courts.

2144. In honor of moparhoLICK, we disclose info about KD8IMG!

moparhoLICK...the letter was sent because of 2 things....

1) It is the truth

2) you and KD8IMG decided that you wanted to start something....

Mr. Joseph Cousino, President
IBEW Local 8
807 Lime City Rd.
Rossford, OH 43460

Dear Mr. Cousino,

This message is sent to inform Local 8 that Robert L. Trendel, a local 8 apprentice, is currently under 2 separate 2 year anti stalking orders of protection. Since it is assumed that IBEW people work on private as well as industrial sites, it seemed you would be interested in knowing this information. It is evident that in the event of some sort of incident related to individuals encountered on a jobsite there would be considerable liability exposure for IBEW Local 8.

I am involved in this situation because Mr. Trendel victimized my girlfriend, Kathleen Lee. Kathy is one of the persons who sought and obtained an Order of Protection from the court. Owing to some personal differences with me, Mr. Trendel decided that he would get to me through her. This was admitted openly by Mr. Trendel and is in the court transcripts. He stated in court that his reasoning for various acts and attitudes toward her was that he “knew that he had nothing to lose”, referring to me, the author of this letter.

We cannot prove that Mr. Trendel is the person who smashed her vehicle window and mirror, nor can we prove that it was he who ripped her DirecTV dish off of her lower garage roof. These incidents did happen, though, and he is highly suspected. What we can prove is that Mr. Trendel called Kathy's employer and left voice mail for the HR department in an attempt to discredit and defame her with her employer. This we have a recording of, courtesy of the head of HR at her job.

It should be further noted that even though 2 of these 3 incidents cannot be proven to have been perpetrated by Mr. Trendel, all such incidents ceased after the court order was obtained.

I cannot comment very much about the second case against him except to say that Mr. Trendel admitted to conducting electronic surveillance against Donna Szymanski, his next door neighbor, with cameras and

microphones trained on her home. The exstence of a recording of Mr. Trendel saying words to the effect that he “knows everything about her, where she works, etc, and it would be simple to just shoot her” also came to light.

In another one of those situations where “can't prove it but suspect it” comes up, Ms. Szymanski's automobile tires were vandalized in her rear driveway in the time period before she requested the Order of Protection.

Personally, I would not want Mr. Trendel within a mile of any woman I know. I am sure you can see why I feel this way. I am also concerned about the prospect of somebody who thinks like this being in anyones home doing electrical work.

Page 2 of this letter shows the internet links to the court dockets of these cases. If requested the recording of Mr. Trendel calling Ms. Lee's work, and photographic evidence of vandalism incidents, etc. can be provided.

Sincerely,

Below are the links to Lucas County Common Pleas Court dockets on both of these cases.

Of course DeLorean got to Mark just recently, or at least Mark said so.

Mark was going to call the FIB. (he meant the FBI)

Who rerouted your browser, Markie?

I think Roger did it. You know he doesn't like you. Of course nobody else likes you either.

You gave DeLorean too much credit. But what do you know?

You know how Roger is...lurking and hacking...

Maybe if you weren't such an asshole, Mark, Roger would leave you alone.

Ya think?

Obama Gets Tough to Shield Bush Torturers
http://chris-floyd.com/component/content/article/3/1694-protection-racket-obama-gets-tough-to-shield-bush-torturers.html

Who does Obama think we are as 'United' together
on pro lawless torture against innocent 'others'?
Wake up people, we are under attack by those
who refuse US Justice to win Freedom for
anyone. "Conservative" retards are completely
lost here, because they do not have the
intellectual skills necessary to understand:
a person accused of a criminal offense without
any evidence is innocent. Or, how about, No one
deserves to be tortured for confessions on
crimes left then unresolved for actual
retribution. [Aegis OPENLY murders innocent
families for more American paying for zionist

Following the crime scene leads of 911 to nab
the actual evil doers is beyond the will of the
deaf, dumb and blind? with lawlessness gaining
for monetary loses due America as corporate
cheaters. We are Brilliant, of that much I am
certain. Conservatives are minimally, idiots.

Obama Accused of Blackmail over Terror Trial Evidence
http://atheonews.blogspot.com/2009/02/us-accused-of-blackmail-over-terror.html

Again, Obama is taking a position to torture innocent
people here as a traitor to Just cause. Just cause to
live in a free society. Toture warrants the death
penalty under American STANDING Law.

Video: Cop Punches Woman In Face Four Times During Arrest For Riding A
Bike
http://www.liveleak.com/view?i=99c_1233639102

Top Cop Johnny Judge rules: Ten years in prison.
Maybe fifteen if the dumfuk grunt, back from the
war against Iraqi children as a traitor to American
values, shows no remorse for his crimes against an
American women either. Absolutely any cop or soldier
who disagrees as true contempt for our freedoms with
punishment against this nazi trash pirating our
police uniform, WILL WARRANT death sentences all

around to ACTUALLY defend liberty in my America.
Any American father who prides in killing innocent
Iraqis for the escape of the neocons for 911 is no
father. And a wife should get the hell away from
a male who enjoys murdering helpless innocent others.
Children in such families should be challenged
by relatives through the Courts to save the lives
of our endangered offspring. Again, without water
or food, Iraqi children are murdered by Neoconner
grunts irrationally everyday with nothing to say,
aka, without reason but as Satanic Bush whores, to
make our God as Humanity suffer further for their
escapes as actually selling freely, lawless zionist
savagery.

KILLING MORE OF THEM - reporting war crimes to the Police

Again, a bushite has no commitment to defend
America, for it speaks nothing for the arrest of
the neocon traitors. traitors like themselves whom
will murder innocent folks like your Self to steal
our common values. Wouldn't you glory in seeing
these savage grunts who on video, indiscriminately
shoot innocent families, or bomb a city entirely,
executed by Christian Patriot firing squads? or
televised to fry in the electric chair for these
documented war crimes? I sure would. It would make
our world a much safer place to raise a family
secure in knowing, bushite grunts as enemies of
everyone, were hunted to extinction for their
crimes against our Humanity. Hunted by Johnny Law,
the True Spirit of America.

UK judges accuse Obama Administration of suppressing torture claim
http://www.timesonline.co.uk/tol/news/uk/article5661291.ece

Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits
at the terror scene. The case was lightly reviewed
at democracynow, a year or two ago, and can be
found by searching for a grunt pretending to be

an ambassador to Romania. A case where the Judge's
life was threatened by a "General", where if he
didn't order the death of the innocent American
citizen, the grunt with the General would murder
US all right then and there. The Innocent American
was murdered as forsaken for value shared by
free men.

U.S. partner, not Hamas, firing rockets into Israel
http://www.palestinianmothers.com/profiles/blogs/us-partner-not-hamas-firing

/ / The probe found the Islamic Jihad rockets were
actually fired by Fatah. \ \ Whom Israel in response
to the confessed by all to be true facts, murdered
innocent Christian children in Gaza as war criminals.
Actually claimed it was regardless who shot the tin
can rocket that struck no one harmlessly. Again,
Nazi Israeli responded by murdering innocent Christian
children as war criminals with "disproportionate"
force. War criminals who murder Humanity to steal
our shared values.

Israeli openly admitted that they targeted those
innocent Christian children for MURDER - as -
continuing "disproportionate" force in our names
as enemies of God and Humanity. They are not Jews,
but of the evilest group of lawless nazi savages
pirating the government of Israel away from US Jews.

this by communicating.

Ceasefires, Israeli-Style

They admit TODAY, as yesterday, and last week, month,
year, decades, that they target completely innocent
people for murder to punish Humanity for believing
in God as Just, or real freedom understood as practiced.
Libertarian couldn't give a shit on a issue such as this,

Obama set to allow Bush-era ï¿½torture flightsï¿½
http://timesofindia.indiatimes.com/Obama_set_to_allow_Bush-era_torture_flights/articleshow/4067338.cm

What the fuk eh? Doesn't Obama know this
crime warrants death in America according
to the war crime act? Does he believe America
just will never have a chance to speak for the
interests of US as innocent Human beings he is
planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember
corporatist Amerikan citizen, these torture victims
that include children as younger than a hundred, had
not been alleged to have ever committed a crime in
their entire lives. Victims tortured to death for the
pleasures of those Satanic, such as General Geoffry
Miller, who tell US today as confidenced, they do it
because, patsy wasted American soldiers will just refuse
to hunt them down for formal executions. Let's change
this for our Humanity in this future, to look back,
and know, American males were men of the World, who
stood for the principles enshrined within every living
Constitution. A free man shall not be jailed, or
tortured by anyone in our names as Governed, without
the perpetrator tried publicly for execution as our
Love of real Justice. As first degree mass murderers
warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of
the Good old, Red White, and Blue. Count me at
our words on this, I am,

Nazi lies, why? Have you seen where a blimp is
traveling about five miles an hour, fire bombing
thousands, and none have even a pullet gun, never
mind an Iranian rocket launcher to shoot the Satanic
demons down for God as Love? Why doesn't Hamas
at least admit, like an Israeli General has,
to be funded by Zionists for cash gains paid for
by Zionist Amerika? Why? Why is it that Hamas
suffered near no loses, but all the Cops who
voted who knows, died murder victims trying to
defend our family from Texan child rapists?
Along with thousands of others targeted as
innocent Peoples? Targeted. Why? Nazi Israeli
broke the truce!! THINKTHINKTHINK Demand coverage!
Hamas certainly isn't. ..maybe because they're

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies
of American Liberty are eh? No concern whatsoever,
for all the teen soldiers conned to die for those
who committed 911 in NYC. The millions of bombing
victims, the tortures, the rapes of American women,
STILL, TO THIS DAY, left undefended by "the law".
Evil enemy of everyone these demon fuks are. How
difficult is it, to understand the facts they feign
complete blindness on? They WANT to con you as the
coward to life they are, willing to kill America to
make their antiChrist lawless enemy Mr. Bush happy.

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&scoring=d&

Huh? "at last been disarmed..." ? How does he figure? The equation hasn't changed. Example: The same unaccounted anthrax, (that was disintegrated into ash), still is not able to be measured as completely accounted for, (never could be), but this bushwhoring war crime apologist, tells US, it was only though the lawless murder of our good friends and family for countless generations, that he now attests without reason, or evidence, to find Iraq in "fact" disarmed of it's still nowhere to be found, weapons of mass destruction. (An irrational reason he pronounced previous in corporately broacasted public support of instigating heinous war crimes against our humanity under the leadership skills of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron. And, the Iraq war is a war crime. But Ron, the Fascist, doesn't want THESE FACTS uttered. Why? Because wiser men would prevail, wiser men like me who understand buying in bulk is cheaper. Those like Christ who understand, who KNOW, the banker doesn't cover our loans - so why give them as much as a taxed red penny?, let alone trillions as officially unaccounted for? They are stealing the cash Ron. Ask yourself: Why has Alex Jones forbidden his bushwhore cult from understanding Bush doctored the NIE?, or of iron flowing like water from the towers? Because wiser men would prevail and he can't have that. He called shooting innocent men in the back, an act of liberty. I, an actual god, unlike Alex, lie near never, but maybe to myself when I'm lonely. Alex yes will tell you rapists are free to do what they will in Texas to American children, un-arrested, but he won't mention it when the police chief is with him on air, talking about how he'd like to be exempt from traffic tickets for being so popular. NO MENTION of the rapists walking away without arrests made, no mention of Bush's documented treasons on 911. Where are Alex's priorities? In selling YOU out so he can be wealthy like a bankster?, and have special rights over everyone else that drives drunk, or speeds? a big hero standing over our dead soldiers yelling, I told you so, I told you so, I was right, I was right.

Again, understand: It is not by my will to deny
open debate with America, it is Alex, and his
demon buddy George Noory that denies out Humanity
this right. And when people try, like Peggy, or
Black men on Jewry, Alex lies cheats and steals
our wills for further thefts. Ron Paul's family has
millions taken from loyal Alex Jones fans. MILLIONS!
Does Ron do commercials with that money highlighting
the bushmob's plan to invade Afghanistan, dated two
days prior to 911 for Enron? Of course not, wiser men
would prevail to expose him as the charlatan charity
raider he is regarding Health Care, Social Security,
Public Schooling, earmarks.. It is unfair to measure
Ron against corporate nazi zionist whores of MSNBC who
willing, openly, kill American teen soldiers for
criminal neocon gains, as an honorable gentleman's
talk. Half honest People like Ron are extremely ignorant
on the workings of our world. EXTREMELY. I joke here not.
Evil is the deceived disguised - translated - evil
people are always dumb.

Corporate America says no, Charlie Manson was a genius,
but not, that most Americans are prone too easily to
suggestive states where they can be made to believe
anything blindly. Think: what does, "bin Laden did 911"
mean anyway? You should know of what I'm trying
to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by
beating off he knows everything already. And some,
if not most, actually believe him without knowing
squat either. It's sooo easy that way - no study
required!! LIBERTARIAN HELL! Everything is not on
the Internet, where it near should be, but regardless,
a Libertarian can't be bothered to read anyway.
"Free Talk Live" is the best example for this: the
two hosts are unbelievably ignorant on just about
every single subject under the sun, but beat
CONSTANTLY, on how greatly wise they are as drop-outs.
You wouldn't believe any of them when they speak on
Freedom, if you simply understood, an innocent man
does not deserve to be in OUR prisons, or tortured.
Under any circumstances that Obama has excepted for
our excuses. Magna Charta. But in Alex's 'genius' mind,
he doesn't need to actually understand he is a for
sure bigot, (measures another unfairly in a group HE
concocts from blind hate or personal fear - typical
CONSERVATIVE and/or racist) who has no problems with
that at home, or at work. Provable in seconds by
OPEN DEBATE, but Alex ain't gonna take our calls
because, he can't for the lives of every People

person thought of here, admit he could have
something to learn, therefore, the NWO is
unstoppable in his brain washed cult of indifference
to Justice practiced for the benefit of all treated
fairly. Why? He's not wise enough to respect the great
minds of the audience, and I personally believe,
he doesn't even have the good judgment to own
a gun. (I mean, why wouldn't Alex find my stories
of OUR Justice system triumphing by my single hand at least
minimally beneficial to his blind cult followings? to not
hang up on me immediately while spewing lie after lie
on how I'm top secretly a dis-info NWO artist working
for Bush? or whose voice sounds too friendly to trust?
like he has done the last four times I've phoned -
Hey! I can be an asshole if you want - no prob.)
Perhaps it's near because, Alex Jones is blind, and
as such, could actually be found guilty in Texas for
murdering those two innocent black men shot
in the back with his approval to release the murderer
from a RIGHTFUL death sentence prosecution. "law of
Parties". He is a party to the crime, for he worked to
support the release of the FOR SURE, FIRST DEGREE MURDERER.
Sound like an America you could live with? I didn't
think so either. I wanna be Alex's Attorney. Texas is
a State of massive lawless corruption, as dire
incompetence in legal affairs where they OFFICIALLY
plan executions against innocent People not established
to have harboured criminal intent! With Jury Trials!!!!
!!!!!!!!!!!!FINING THEMSELVES GUILTY!!!!!!!!!!!!
While Alex does express murderous criminal intent,
and the Police chief calls him a good man for no
scary pressures. What the fuck is wrong in Texas
where they mess themselves like this regularly?
Imagine, while Bush with the Neocons escape, and
Zionist Israeli target to murder Christian School
girls OFFICIALLY, Alex doesn't want to have to pay
traffic tickets like the rest of US. What a douche bag
to tell he LEADS our Truth movement I say. Now, I'm
not saying he shouldn't contribute with the truths
WE SHARE, far from it, it's just he can't have our
cut off switch to silence our objections to his exposed
foolishness, and/or blatant criminality. I'll give him
a chance, for starters, to criticize any position I take
while we all publically call on ourselves for
assistance internationally. Like on his "buddy",
George Noory, deserving to be tried Publicly for the
traitor he is, and be formally executed after his day
in Court. Our Courts. Teen soldiers have been conned
to die by George Noory for the escape of the neocon
terrorists who committed 911 with Condi, Runsfeld,

Bush, Myers, Tommy Franks, and General Ahmad. AND
HAPPY GEORGE NOORY KNOWS IT - and cons with lies
naked to the ear of any who can listen or hit record.
A NAKED traitor to the cause of Liberty if we ever knew
one regarding the War Crime facts of Iraq. .And
Ian Punnet is an evil godless enemy Bush whore who
lies too to get YOU killed as the innocent soldier
forsaken so don't forget.. It's YOUR life. It's God's
Gift. Now support our rise for popular international
debates to get these Neoconners behind bars
awaiting Public Trials! "Public"thatsoyu!! Get to
the Phone to call someone to care man.. Johnny
Jesus has arrived! Justice Will Be Done in this,
Our Kingdom to Come.

Justice to the war criminals of
indiscriminate warfare would better serve ourselves
to halt for our safety. The bushmob did 911.

Not only that but the BBC argued that to show

life threatening need of desperate food and

unlawful murderous thieves), would have them look
like they were partial to serving Humanity's
interest in compassion for US humans. Over the

nazi bastards who too, DO NOT THINK IT BEST to

Oh yeah, and mercury is neural toxic, anti-psychotics

Olbermann | Bush Years: 8 in 8 Minutes

Bush and Cheney are traitors to the cause of
American Liberty. To leave them free, is to leave
America un-guarded from further transgression.

The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know
these FACTS that demand arrests of the culprits
responsible for high treason against Johnny's
America. Alex wants your money, and EVIL George,
our enemy, wants your soul stolen for Satan.

Turley: Obama 'accessory' to war crimes if no prosecution
http://rawstory.com/news/2008/Turley_Obama_accessory_to_war_crimes_0127.html

Understand, Alex Jones doesn't want Justice
for Americans because he loses out to better
men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule
the truth we share equally committed to defend
ourselves from lawlessness. And you'll never
rule my right to speak freely over your intent
to sell us all out for monetary swindles, just
like Ron Paul did. Understand: Ron Paul doesn't
even acknowledge 911 was an inside job, or, that
Bush gave zero evidence to form Your opinion.

Alex Jones, the Slave, told US today that
he challenged Bush for eight years - Bushite
lying nazi traitor. Not only that, but he
also ridiculed those who wish to blame Bush
now for anything! Again, he doesn't want
Justice where bad guys can't steal from
ourselves unrepresented. Ron Paul is a
multi-millioniare, made rich by charitable
aid conned from Alex Jones' NWOers! Alex
Jones doesn't have a problem with that, we
do.

bushite shills, will not allow our revolution

We must demand open communications to bring back
values WE ALL would agree to through polite debate.
"Conservatives" don't want this Freedom idea
expressed in general terms because, a "conservative"
is universally, minimally. a bigot. Why? Life isn't
like, their way, - then- all other opinion under
the sun on how things actually get done. (Aka
"socialist" traffic light repair men, or "liberals"
who want to treat The People fairly). Or who we are
as equals to our laws fairly practiced. Pay attention
to what I am saying here. Liberals can be Dicks with

a capital D too of course. But a Hannity couldn't survive 2 minutes with me speaking on his very real treasonous behavior in OUR public arenas. Behavior done to escape the 911 culprits from the long arm of the Law, with his conscious will of criminal deceit exposed, we all learn to better defend ourselves. And Shawn Hannity can't have that for ourselves, he takes too much money from ourselves as talentless by keeping US in the dark dying needlessly for traitors never elected publicly.

Who am I you ask? Johnny Law. at your service. Look me up with usenet to discover, we live in a world of idiots everywhere pretending to be somebody by lying. While I want US all to truly improve our condition by actually understanding how bad off we are by failing to respect ourselves for correction. Too many, know it alls, with not enough to know you need evidence to form a guilty verdict against an accused man or woman. Not according to CNN, CBC, MSNBC, Foxnews and the like however. Let's change this by supporting my challenge for top billing at the Coast to Coast radio show hosting. Look for me coming soon!!

Unseen Gaza High Quality: Part 1 of 6
http://www.youtube.com/watch?v=UeezoWRu1FU&eurl=http://whatreallyhappened.com/

Why is it that numerous visits don't change the view count? What is this business of a=a+1, the top secret, I'll go rhythm, that is way beyond our comprehension in it's scientific complexity? For Americans, okay, but the Human species just isn't this dumb.

While Zionists OFFICIALLY target Christian school girls for mass murder, CNN instead reports that bushite grunts attacked girls in Afghanistan, posing as Taliban. I WILL every celeb at CNN to be arrested, tried and executed for the reporting they have done today without facts. Remember: the Taliban played no part on escaping those responsible for 911, and opened schools for girls, and were brought together on the single purpose to defend women. Death to CNN reporters to LIE for killing OUR school girls. I HATE zionist enemies of Humanity and God I am.

The Torture Ban that Doesn't Ban Torture
http://atheonews.blogspot.com/2009/01/torture-ban-that-doesnt-ban-torture.html

/ / Obama's Executive Order bans some -- not all -- US
officials from torturing but it does not ban any
of them, himself included, from sponsoring torture
overseas. \ \

Is America a nation of Law to Live freedom?
Because this SPECIFIC deviant action of Obama warrants
the death sentence under Reagan's "War Crimes Act".
SPECIFICALLY. Or, is it you falsely believe Obama
can do no wrong against innocent people here, where
an illiterate nazi grunt, maybe from South Africa,
will kidnap YOUR children, and torture them to
death for sadistic pleasure, with as they did using
power tools caught in Iraq, according to Iraqi
government official(s), and several soldiers from
Oregon, all because Obama has given an ILLEGAL!
"excuse" to NOT support following the crime scene
leads at our REAL murder scenes? Again, death to the
bushite dumfuk enemy of God, death to the enemies
of a freeing Humanity striving for a just society.
Obama needs to be arrested for this under the Law
as it stands I'm sorry to say my friends. Why?
Torture is illegal in all 50 states, (as Reagan
directly planned), no matter where you ship the
innocent victim to, or from! Read the War Crimes
Act, then demand Justice today, otherwise, it's
YOUR funeral. Obama wants to secretly torture
Peoples here, while lying to US ALL that he doesn't!

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob

doctored the NIE. That Saddam wasn't in violation of 1441. That a NEOCON is identifiable for it's demonic LIES against God and Man. Never to tell, the private bankers don't cover OUR loans, that Bush PERSONALLY worked to close Police investigations immediately after 911 (obstruction), or that WE have video of iron flowing like water that PROVES, without doubt, bin Laden couldn't have single handedly placed the explosives in the buildings, or stole the black boxes. Because someone surely would have spotted him dragging his dialysis machine what with all the professionalism of corporate news media coverage regarding our horribly suffering worlds. Alex Jones ignores the treasons of Bush, as a Bushwhore, and instead, tells US of how Obama is Bush on steroids. He only wishes. What about Justice for Americans Alex? Why for do you forsake ourselves? For money? What about the lives lost to mass murder, that you allege to champion OUR TRUTH without saying much of anything on real Freedom?, on real Justice like your deviant election rigger, Ron Paul? Well, no wonder, Alex told US he's into shooting innocent American People in the back as a tyrant of evil, a white Devil if you will. Kids too if you dare look in his back yard for a copper. See? Now if Alex doesn't allow US to speak, more and more will understand to know why. I am a defender of all that is right and just in this world, because I don't need to lie like Alex does on a huge host of issues. I'm more like Jessie Ventura, in where I don't need/want to lie. If I end looking foolish, (of which I like never truly am), it's a benefit, because that way, I've learned something. Alex knows everything already, and 'is always right'. Like I say Retarded. You weren't right by not understanding that the banker doesn't cover the loan. One example of easily hundreds. He's a typical, he knows it all, know nothing dumduk American. Hear him on health care speak as Ron Paul does, and know, I defeat them in under ten seconds. TEN SECONDS. This is why he hasn't in years, allowed me to speak more than five or six words. He's rather all America die, than

admit he does NOT rule our 'Ocean of Truth'.
I want the challenge of opposition through debate
to PROVE my skills beyond reproach. Alex,
every time, just hangs up on anyone who tries
to improve our communications by factually
speaking. Why? Because he IS TRULY deeply
ignorant on what freedom or Justice means. Why
we have law. What a consensus is. Allan Watt is
severely disabled in this regard, another Alex
Jones favorite. And this is why, Allan can't
take calls openly either. He has jerked off
with himself too long to quit now learning
super basic precepts, for like Alex, he "knows"
the inner workings of the 'genius' NWO elites.
Not Law 101, not Bush, not Rumsfeld, Not Condi,
not Torturers, not bank robbers, rapists, or
even petty thieves. Allan Watt isn't a bad guy,
he's just a chauvinist pretending he actually
knows something, when his real disability is
directly related to his absence in understanding
understandings. Doubt is a near foreign concept.
A challenge for Allan: can you get your 'genius
mind' around the fact that Peter Powers did the
London bombings, and not the Illuminati of 1463?
and if not, why are we so dumb to our present
plight that way? Don't get me wrong, Allen has
much to offer, it just isn't the issue right
now on saving our dying futures. Maybe I was
too hard on Allen, he is really actually kinda
cool. Alex Jones too has many incredible
moments of ecstatic clarity increasing in all
they joy of seeking enlightenment. .. Ok -

little dilly dally with what we'll have as

The Zionist enemy, the most evil nazi sons-of-bitches
who openly advocate tyranny and oppression through mass
murder of ourselves as the innocent left targeted
defenseless. Enemies of Jews everywhere, the Zionist
cares not for facts on who's Life it destroys for stolen
gain by lying. That's why they target Jews, for fear the
Light of Truth would expose them as the Nazis they are.

Hamas doesn't have a military though, so,
why not demand the arrests of those who
broke the truce, and murdered innocent people
indiscriminately, on plans more Jews would
die for cash profit? Profit paid for by
zionist amerika? - the false imprisoning
torture and rape center for Neocon
Freedom.

Court petitioned to arrest Livni upon arrival in Brussels

"We believe there were dozens of IRGC
personnel in the Gaza Strip during the
war," an Israeli source said. "Some were
killed; others went into hiding, and
others escaped."

See? the demon enemy of God speaks no
evidence as a TRAITOR to every Jew. A terrorist
nation that still steals humanitarian aid in
our public realm of left defenselessness. The
false allegation deserves a death sentence
by Jews against the war monger Zionist enemy.
A cause that Iran should champion, if in fact!,
this allegation by OFFICIAL WAR CRIMINALS WHO
TARGET FOR MURDER OUR SCHOOL GIRLS, is on it's
face, unsubstantiated as patently, demonically
false. As typical from any godless Zionist.

Where are the Americans asking for the
formal arrest of Bush for high treason?
Whoring for Alex Jones's contempt for REAL
Justice? The ignorance of all American
talk radio hosts speaks for itself. NO

knowledge on why acts of high treason, are crimes against every American. The bushmob doctored the NIE, and Alex doesn't want Americans to know, because if they did, they ask, why does Alex do everything he can to escape those personally responsible for 911, while then asking for money to continue his fight against freedom in America. Again how much money do we have to pay Ron Paul or Alex Jones before they will allow the knowledge of the Iraq war against Human will is criminal? How much?

Obama! feel free to call on me to help out with a plan for judicial actions. That offer goes out to everyone in Palestine, Canada or Britain too. Russia, let's help out these fools by freely communicating, what say you? Justice for all is freedom to be. The Israeli cop killers must be brought to justice for war crimes. Those cops, were cops. And I, am a man.

Alex Jones Rocks!

Now Alex has problems in "my" mind because I am an ACTUAL genius, and he is generally, an idiot. Today, he did one of his usual commentaries, however this time, he was pretty honest with himself, and his love for Ron Paul. Ron Paul sells incompetence, and Alex corrected correctly!. that a.. sorry Ron but these banksters know they're robbing us as undefended blind men essentially. That's what I'm talking about!! Look, Ron Paul can be a dumb Ass, although, he's still not all that bad a guy. A Dumb guy on things like economics sure, Justice, warfare, Health Care, Social Security, ect. ect. but still., like a child learning of why the sky is funny blue, isn't all that bad a guy really. He's certainly not a war criminal, like Bush or Rumsfeld are. Doing 911 then sanctioning torture. While Neocons Champion sending illiterate American teens for death as war criminal. Think about it. Maybe he is..

-

ï¿½We have all these documents that are now publicly available that prove that these methods of interrogation were intentionally ordered by Rumsfeld,ï¿½

Let us understand. These actions "give" a guy like Willie Brand "the right" to RANDOMLY kidnap men, women, or children, and torture them to death for sadistic pleasure with his faggot Capt, Christopher Beiring. (I think that's how it's spelt). But anyway, this is the truth. A bushite is a godless Zionist whore of Nazi evil, an enemy of America, who wars YOUR Freedom with criminal "excuses", for refusing to support the arrest of those responsible for 911. A TRAITOR, and could be wannabe rapist, robber, or 911 mastermind ringleader. Torture is illegal, and warrants the death sentence, according to, Reagan's "War Crimes Act". Some only suggest, that this was why someone tried to kill him as honorable. Death to the torturers of our innocent families, torture they do without apology as Zionist Military "Judges". Instead today, where they get salaries paid in the billions by the zionist giving nation of, a-mirror-kay, echem, America. Johnny's America. A nation where Justice will rule for the favors of all treated equitably with or without you. Honor me in company my friend. We have no rivals.

"they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else up with charity?" Then went on to say, it wasn't any of our business with what they did with the money. (But for to cover criminal fraud in the derivatives market, where the true value of said commodities were backed by ZERO capital. ZERO DOLLARS. WORTH NOTHING. So, think about who's truly giving it always here until Johnny, the man who came out of nowhere, arrived to explain everything in five or six minutes.

ISRAELI IS A THIEF WHO CAN'T SPEAK OPENLY IN DEFENSE OF OURSELVES IN OTHER WORDS? That is right. They, as documented criminal, lose every debate personally since before the dawn of Civilization because their position is clearly unsound. They are criminals who murder People in hate for a freed Humanity. They OFFICIALLY steal Peoples homes in that country didn't you know they proudly proclaim it so? And steal humanitarian aid from starving children. Targeted to murder children specifically as publicly confessed, 'it is Hamas WE blame', not them as demonic child murderers. Hideously evil as ungodly sadistic savages. Enemies of YOU, enemies of them, and enemies of me, the King of Jews Christ fellow from beyond the grave. They are so evil to God and Man, they tarnish everyone of US to not win justice sooner by blaming the actual bad guys. Justice is Freedom.

/ / Those white phosphorus shells used on the Gazans are made in the USA according to Jane's Defense. \ \

Again, these peoples are not Jews. Being Jewish is a religion. These thieves of God are Satanic in their LIES to betray the common trust in our words, that bind all worlds to victory, called freedom universal. Even tales of the Devil have him keep his word, with verses specifically condemning the self to damnation for targeting the innocent for death. God's the Word. Every word inside a fool's paradise. Including the periods. Not as

like, I'm playing a word game, but that it in wonder, is all strangely here. Example: The Universe as it has existed always, is not separate from our 'pauses', or faulty drawn conclusions. The universe, in one sense, was as good as anytime, created 6000 years ago. AS TOO 50 billion. You say, impossible, I say no, study quantum physics, and know, I live this.. our existence is not scientifically separate from the timeless nature of consciousness, proven as not only theoretical, but actual. That is a first step at developing a REAL relationship with the living Universe if you want to as like an artist does - that TOO! can be just as thought static in it's orderly constructions for Atheists. (An Atheist is still mostly a fool here however.) Overall, for any, it's sorta simple: Life has left YOU in charge of YOUR fate. Now, do well to make something of this being as eternal Life reaching for balance, as your body does, and good cops do when bringing the bushmobsters to Justice. By Israeli calling for more murder against the innocent of your mind as racists and bigots they are openly, is still shadows of YOUR mind, YOUR WORLD.. get it, got it? God is in genius to set Life as this, as like, nowhere existing, but for as yourself within. Will you speak out for the Justice denied Humanity?, or not you? Atheists can be Just too!, but generally lose it on not understanding the intelligence of order is way beyond what they dream up with assumptions. All anyone has to do is ask themselves, who do you mean "God"? Atheists are ridiculous!, but, to each his or her own, we are on a path here, believe what you want to believe. This is not a faith initiative I'm bringing by keeping this real, I DEMAND JUSTICE BY OUR WILL BE DONE.

A zionist cabal of criminal pirates who murder Jews around the world for stolen money is seriously evil as criminal. What do you think? Let US have a open line discussion on this indivisible matter of rights to all as equals before who ever we proclaim, I AM.

I mean you right? Say it with me... "I" "AM" we are good to go.

Did you hear Alex's NWOer yesterday state he

Americans because to learn even the most basic
of precepts for Justice, he can't pretend he is
a Freedom Fighter begging US for more money?
Like multi-millionaire Ron Paul, who gave the
fixed election up to take our money and walk
away. How much money in the millions do we have
to pay them at GCN, before they will acknowledge
the Iraq war is a war crime? THEY NEVER WILL,
because the faggot owner has a son who's into
raping American women as lawless enemy of Life.
Americans are indeed, selfish, like all the plane
crash survivors telling US how they couldn't care
less that Israeli nazis are openly targeting our
Christian children for murder with their tax
money, as unimportant, to how long they stood on
a plane wing, now approaching it's third day, of
wall to wall coverage. Telling us again of how
Christ saved your life as a lifeless degenerate.
I, as Christ, am really starting to hate all
Americans in total now. How difficult is it to
pick up their phones? They don't, and I'm beginning
to believe it's because, like GCN, they really
don't care for the future of our Humanity being
left for dead as continuing victims to EVIL liars.

jurisdiction over the internet, and anything that posted and written

You obviously can't read. I NEVER signed any such contract. I moved
into a place without a hoa and without CC&Rs.

It was later taken over by a different landlord/new owner who inposed
CC&Rs without me ever signing any contract to do so.

The old landlord was upset about losing the trailer park (I wonder
why. After all, People who willingly sell something don't get upset
and angry about losing it).

Clue to the above: most likely E.D.

It turned out that the new landlord was a land developer who was
building a planned community of expensive to rent townhouses right
next door to
the trailer park in order to make a profit and to maximize his
profits.

So he imposed a bunch of umpossible to follow CC&Rs on the residents
of the trailer park and a hoa to enforce it since the townhouses and
trailers were all on the same land (that is contigous or continous)
land that he now owned.

All one piece of property.

So yes. there IS such a thing as HOAs for rentals.

I found out the hard way.

And my perfectly working car ended up being both towed and destroyed
because of problems he himself purposely caused and then used the
rules to tow it.

I eventualy got it back from towing after paying money to get it out
of impound.

And that was money I didn't have and couldn't afford.

I had to borrow it. I can't do that today.

Then my car ended up destroyed because of all the construction work he
hired to make a mess out of the trailer park.

Even going at one mile per hour scraped up the bottom of the engine of
my car and ruined it because of the way the land and drivewats were
during and after his construction crews worked on it.

You oviously can't understand simple English.

There is no such thing as a home OWNERS anything for rentals.

RENTERS aren't OWNERS.

Keep re-reading the above until you understand the difference between
OWNER and RENTER.

Do you understand what a month-to-month RENTAL agreement is?

For starters, it means that unless something is explicitly spelled
out in the original RENTAL agreement, the landlord can change the
terms each month.

Rec.radio.cb and rec.radio.antenna - the groups that you added - have
both been removed from the newsgroups list, scumbag.

Impersonating Dan Jeswald is of course the act of a bottom feeder, but
you're quite used to that role by now. There is nothing too low for
you, Crazy Man, because you need professional help in the worst way.

I hope you get that help soon, preferably in an institution.

Godsmack - I Fucking Hate You
http://www.youtube.com/watch?v=FiPtHkfDXus

Hey! Johnny's new theme song playing when
I be bagging the bushite zionist whores of
the demon antichrist, Our Mr. Bush Jr. Bush
closed 911 investigations, Bush lied about
Saddam not letting inspectors in, Bush never won an
word fairly in his entire war crime life of
game rigging with naked deceit and betrayal to
the cause of Man, die bushite die. Rock on
my friends, rock on.

"Army deserter deported from Canada, now in U.S. jail"

This is a for real war crime. Why? there was/is
no cause for the Iraq war. Truly. Example: why
bomb if you can go anywhere without delay? To
only murder innocent People INCLUDING SOLDIERS
to thieve from ourselves as war criminals is what
any rational person comes to understand. When you
destroy bushite grunts who war God for rape, torture,
and enslavement of our species, you save the
innocent lives of their next victims. To hunt
the godless bushite enemy, is to love Justice
as our glorious Humanity winning over the lawless
nazi grunts of the Third Infantry - who'll shoot
anybody, blindly as cowards, led by a Saudi, Buford
Blount. Their "leader" who left Iraqi's largest
weapons depot undefended for looting. Qaqaa. Killed
many a bushite nazi grunting lawless coward by his own
treasonous brand. And mumbling bushite nazi grunts have
what to say about American teens made valueless
victims for Neocon bounties? "whore yay" That's
about it..

Obama Gets Tough to Shield Bush Torturers

Who does Obama think we are as 'United' together
on pro lawless torture against innocent 'others'?
Wake up people, we are under attack by those
who refuse US Justice to win Freedom for
anyone. "Conservative" retards are completely
lost here, because they do not have the
intellectual skills necessary to understand:
a person accused of a criminal offense without
any evidence is innocent. Or, how about, No one
deserves to be tortured for confessions on
crimes left then unresolved for actual
retribution. [Aegis OPENLY murders innocent
families for more American paying for zionist
monies - P2OG - YOUR Spouse, YOUR Child, YOUR

Following the crime scene leads of 911 to nab
the actual evil doers is beyond the will of the
deaf, dumb and blind? with lawlessness gaining
for monetary loses due America as corporate
cheaters. We are Brilliant, of that much I am
certain. Conservatives are minimally, idiots.

Obama Accused of Blackmail over Terror Trial Evidence
http://atheonews.blogspot.com/2009/02/us-accused-of-blackmail-over-terror.html

Again, Obama is taking a position to torture innocent
people here as a traitor to Just cause. Just cause to
live in a free society. Torture warrants the death
penalty under American STANDING Law.

Video: Cop Punches Woman In Face Four Times During Arrest For Riding A
Bike
http://www.liveleak.com/view?i=99c_1233639102

Top Cop Johnny Judge rules: Ten years in prison.
Maybe fifteen if the dumfuk grunt, back from the
war against Iraqi children as a traitor to American
values, shows no remorse for his crimes against an
American women either. Absolutely any cop or soldier
who disagrees as true contempt for our freedoms with
punishment against this nazi trash pirating our
police uniform, WILL WARRANT death sentences all

around to ACTUALLY defend liberty in my America.
Any American father who prides in killing innocent
Iraqis for the escape of the neocons for 911 is no
father. And a wife should get the hell away from
a male who enjoys murdering helpless innocent others.
Children in such families should be challenged
by relatives through the Courts to save the lives
of our endangered offspring. Again, without water
or food, Iraqi children are murdered by Neoconner
grunts irrationally everyday with nothing to say,
aka, without reason but as Satanic Bush whores, to
make our God as Humanity suffer further for their
escapes as actually selling freely, lawless zionist
savagery.

KILLING MORE OF THEM - reporting war crimes to the Police
http://www.youtube.com/watch?v=gB-KaIBDNJw

Again, a bushite has no commitment to defend
America, for it speaks nothing for the arrest of
the neocon traitors. traitors like themselves whom
will murder innocent folks like your Self to steal
our common values. Wouldn't you glory in seeing
these savage grunts who on video, indiscriminately
shoot innocent families, or bomb a city entirely,
executed by Christian Patriot firing squads? or
televised to fry in the electric chair for these
documented war crimes? I sure would. It would make
our world a much safer place to raise a family
secure in knowing, bushite grunts as enemies of
everyone, were hunted to extinction for their
crimes against our Humanity. Hunted by Johnny Law,
the True Spirit of America.

Johnny Law for Coast to Coast radio Host!

UK judges accuse Obama Administration of suppressing torture claim
http://www.timesonline.co.uk/tol/news/uk/article5661291.ece

Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits
at the terror scene. The case was lightly reviewed
at democracynow, a year or two ago, and can be
found by searching for a grunt pretending to be

an ambassador to Romania. A case where the Judge's
life was threatened by a "General", where if he
didn't order the death of the innocent American
citizen, the grunt with the General would murder
US all right then and there. The Innocent American
was murdered as forsaken for value shared by
free men.

Christ speaks!! Echem.. This is called a criminal
action to falsely imprison American children for
more stolen money. Will the contractor be arrested,
tried, then executed in America to defend American
children? Unlikely, because it isn't as important
as how fat Oprah is today, or as Alex Jones the
bigot would say, on how daily, the hidden NWO elites
are responsible for every criminal action against
Liberty in America, not war crime dictating LIAR
Bush who told US Saddam wouldn't let the inspectors
in without corporate news correction, Bush, who
closed Police investigations on 911 for Enron, KBR,
and the Kissinger associates. And certainly not

Bremer for personally stealing tens of billions,
no no no, "just puppets" "just puppets" as instead,
the Illuminati in other words not allowed spoken

speak arena where 50 percent of what Alex spews is
truly dumber than stupid. Why? because he is controlled
through his personal weakness of bigotry, to actually
believe foolish things as factual. Examples are
truly endless when we discuss Alex Jones'
dumminess, but here is one example. Alex states
911 truthers were attacked in a TV show as NWO mind
control- but, the "truther" he referred to
talked in the drama on there being NO PLANES!
A dis-info bushite stooge if ever was one depicted
with special effects. We suffer with his bullshit
every day, knowing if we tried to phone, would
not be granted a minute because I, in support
of Freedom for America, make all bigots look truly
dumb as fascists lashing out at nothingness to
divide our masses. And apparently, he can't have
America becoming greater for defending ourselves
fairly through Judicial actions.

innocent Christian children in Gaza as war criminals.

Obama set to allow Bush-era ï¿½torture flightsï¿½
http://timesofindia.indiatimes.com/Obama_set_to_allow_Bush-era_torture_flights/articleshow/4067338.cm

What the fuk eh? Doesn't Obama know this
crime warrants death in America according
to the war crime act? Does he believe America
just will never have a chance to speak for the
interests of US as innocent Human beings he is
planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember
corporatist Amerikan citizen, these torture victims
that include children as younger than a hundred, had
not been alleged to have ever committed a crime in
their entire lives. Victims tortured to death for the
pleasures of those Satanic, such as General Geoffry
Miller, who tell US today as confidenced, they do it
because, patsy wasted American soldiers will just refuse
to hunt them down for formal executions. Let's change
this for our Humanity in this future, to look back,
and know, American males were men of the World, who
stood for the principles enshrined within every living
Constitution. A free man shall not be jailed, or
tortured by anyone in our names as Governed, without
the perpetrator tried publicly for execution as our
Love of real Justice. As first degree mass murderers
warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of
the Good old, Red White, and Blue. Count me at
our words on this, I am,

http://www.youtube.com/watch?v=-HQO0774lx4&feature=PlayList&p=4199C9262539936D&index=0&playnext=1

Nazi lies, why? Have you seen where a blimp is
traveling about five miles an hour, fire bombing
thousands, and none have even a pullet gun, never
mind an Iranian rocket launcher to shoot the Satanic
demons down for God as Love? Why doesn't Hamas
at least admit, like an Israeli General has,
to be funded by Zionists for cash gains paid for
by Zionist Amerika? Why? Why is it that Hamas
suffered near no loses, but all the Cops who
voted who knows, died murder victims trying to
defend our family from Texan child rapists?
Along with thousands of others targeted as
innocent Peoples? Targeted. Why? Nazi Israeli
broke the truce!! THINKTHINKTHINK Demand coverage!
Hamas certainly isn't. ..maybe because they're

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies
of American Liberty are eh? No concern whatsoever,
for all the teen soldiers conned to die for those
who committed 911 in NYC. The millions of bombing
victims, the tortures, the rapes of American women,
STILL, TO THIS DAY, left undefended by "the law".
Evil enemy of everyone these demon fuks are. How
difficult is it, to understand the facts they feign
complete blindness on? They WANT to con you as the
coward to life they are, willing to kill America to
make their antiChrist lawless enemy Mr. Bush happy.

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&scoring=d&

Huh? "at last been disarmed..." ? How does he figure? The equation hasn't changed. Example: The same unaccounted anthrax, (that was disintegrated into ash), still is not able to be measured as completely accounted for, (never could be), but this bushwhoring war crime apologist, tells US, it was only though the lawless murder of our good friends and family for countless generations, that he now attests without reason, or evidence, to find Iraq in "fact" disarmed of it's still nowhere to be found, weapons of mass destruction. (An irrational reason he pronounced previous in corporately broacasted public support of instigating heinous war crimes against our humanity under the leadership skills of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron. And, the Iraq war is a war crime. But Ron, the Fascist, doesn't want THESE FACTS uttered. Why? Because wiser men would prevail, wiser men like me who understand buying in bulk is cheaper. Those like Christ who understand, who KNOW, the banker doesn't cover our loans - so why give them as much as a taxed red penny?, let alone trillions as officially unaccounted for? They are stealing the cash Ron. Ask yourself: Why has Alex Jones forbidden his bushwhore cult from understanding Bush doctored the NIE?, or of iron flowing like water from the towers? Because wiser men would prevail and he can't have that. He called shooting innocent men in the back, an act of liberty. I, an actual god, unlike Alex, lie near never, but maybe to myself when I'm lonely. Alex yes will tell you rapists are free to do what they will in Texas to American children, un-arrested, but he won't mention it when the police chief is with him on air, talking about how he'd like to be exempt from traffic tickets for being so popular. NO MENTION of the rapists walking away without arrests made, no mention of Bush's documented treasons on 911. Where are Alex's priorities? In selling YOU out so he can be wealthy like a bankster?, and have special rights over everyone else that drives drunk, or speeds? a big hero standing over our dead soldiers yelling, I told you so, I told you so, I was right, I was right.

Again, understand: It is not by my will to deny
open debate with America, it is Alex, and his
demon buddy George Noory that denies out Humanity
this right. And when people try, like Peggy, or
Black men on Jewry, Alex lies cheats and steals
our wills for further thefts. Ron Paul's family has
millions taken from loyal Alex Jones fans. MILLIONS!
Does Ron do commercials with that money highlighting
the bushmob's plan to invade Afghanistan, dated two
days prior to 911 for Enron? Of course not, wiser men
would prevail to expose him as the charlatan charity
raider he is regarding Health Care, Social Security,
Public Schooling, earmarks.. It is unfair to measure
Ron against corporate nazi zionist whores of MSNBC who
willing, openly, kill American teen soldiers for
criminal neocon gains, as an honorable gentleman's
talk. Half honest People like Ron are extremely ignorant
on the workings of our world. EXTREMELY. I joke here not.
Evil is the deceived disguised - translated - evil
people are always dumb.

Corporate America says no, Charlie Manson was a genius,
but not, that most Americans are prone too easily to
suggestive states where they can be made to believe
anything blindly. Think: what does, "bin Laden did 911"
mean anyway? You should know of what I'm trying
to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by
beating off he knows everything already. And some,
if not most, actually believe him without knowing
squat either. It's sooo easy that way - no study
required!! LIBERTARIAN HELL! Everything is not on
the Internet, where it near should be, but regardless,
a Libertarian can't be bothered to read anyway.
"Free Talk Live" is the best example for this: the
two hosts are unbelievably ignorant on just about
every single subject under the sun, but beat
CONSTANTLY, on how greatly wise they are as drop-outs.
You wouldn't believe any of them when they speak on
Freedom, if you simply understood, an innocent man
does not deserve to be in OUR prisons, or tortured.
Under any circumstances that Obama has excepted for
our excuses. Magna Charta. But in Alex's 'genius' mind,
he doesn't need to actually understand he is a for
sure bigot, (measures another unfairly in a group HE
concocts from blind hate or personal fear - typical
CONSERVATIVE and/or racist) who has no problems with
that at home, or at work. Provable in seconds by
OPEN DEBATE, but Alex ain't gonna take our calls
because, he can't for the lives of every People

person thought of here, admit he could have
something to learn, therefore, the NWO is
unstoppable in his brain washed cult of indifference
to Justice practiced for the benefit of all treated
fairly. Why? He's not wise enough to respect the great
minds of the audience, and I personally believe,
he doesn't even have the good judgment to own
a gun. (I mean, why wouldn't Alex find my stories
of OUR Justice system triumphing by my single hand at least
minimally beneficial to his blind cult followings? to not
hang up on me immediately while spewing lie after lie
on how I'm top secretly a dis-info NWO artist working
for Bush? or whose voice sounds too friendly to trust?
like he has done the last four times I've phoned -
Hey! I can be an asshole if you want - no prob.)
Perhaps it's near because, Alex Jones is blind, and
as such, could actually be found guilty in Texas for
murdering those two innocent black men shot
in the back with his approval to release the murderer
from a RIGHTFUL death sentence prosecution. "law of
Parties". He is a party to the crime, for he worked to
support the release of the FOR SURE, FIRST DEGREE MURDERER.
Sound like an America you could live with? I didn't
think so either. I wanna be Alex's Attorney. Texas is
a State of massive lawless corruption, as dire
incompetence in legal affairs where they OFFICIALLY
plan executions against innocent People not established
to have harboured criminal intent! With Jury Trials!!!!
!!!!!!!!!!!!FINING THEMSELVES GUILTY!!!!!!!!!!!!
While Alex does express murderous criminal intent,
and the Police chief calls him a good man for no
scary pressures. What the fuck is wrong in Texas
where they mess themselves like this regularly?
Imagine, while Bush with the Neocons escape, and
Zionist Israeli target to murder Christian School
girls OFFICIALLY, Alex doesn't want to have to pay
traffic tickets like the rest of US. What a douche bag
to tell he LEADS our Truth movement I say. Now, I'm
not saying he shouldn't contribute with the truths
WE SHARE, far from it, it's just he can't have our
cut off switch to silence our objections to his exposed
foolishness, and/or blatant criminality. I'll give him
a chance, for starters, to criticize any position I take
while we all publically call on ourselves for
assistance internationally. Like on his "buddy",
George Noory, deserving to be tried Publicly for the
traitor he is, and be formally executed after his day
in Court. Our Courts. Teen soldiers have been conned
to die by George Noory for the escape of the neocon
terrorists who committed 911 with Condi, Runsfeld,

Bush, Myers, Tommy Franks, and General Ahmad. AND
HAPPY GEORGE NOORY KNOWS IT - and cons with lies
naked to the ear of any who can listen or hit record.
A NAKED traitor to the cause of Liberty if we ever knew
one regarding the War Crime facts of Iraq. .And
Ian Punnet is an evil godless enemy Bush whore who
lies too to get YOU killed as the innocent soldier
forsaken so don't forget.. It's YOUR life. It's God's
Gift. Now support our rise for popular international
debates to get these Neoconners behind bars
awaiting Public Trials! "Public"thatsoyu!! Get to
the Phone to call someone to care man.. Johnny
Jesus has arrived! Justice Will Be Done in this,
Our Kingdom to Come.

Justice to the war criminals of
indiscriminate warfare would better serve ourselves
to halt for our safety. The bushmob did 911.

GAZA APPEAL THE BBC & SKY REFUSED TO SHOW

Not only that but the BBC argued that to show
innocent Human Beings suffering, in CRITICAL
life threatening need of desperate food and
water that Israeli nazi stole, (because they are
unlawful murderous thieves), would have them look
like they were partial to serving Humanity's
interest in compassion for US humans. Over the
Israeli terror Nazi tactics of indiscriminate
slaughter for more Amerikan welfare. Wicked evil
nazi bastards who too, DO NOT THINK IT BEST to
report Peter Powers committed the London bombing.,
Oh yeah, and mercury is neural toxic, anti-psychotics
make us crazy, and sodium fluoride makes us
stoopider while weakening your body for big cash
surgeries - ultimately leading to a profitable
death for dah' winnahs.. So, they, the BBC-NWOers
just needed to avoid the bath or shower,
humidity, Pepsi's purified bottled water product
lines, koolaids, swimming pools, Jacuzzi, Hot Tub,
Sauna, private Whirl Pools, and.. blh blh blh

Olbermann | Bush Years: 8 in 8 Minutes
http://www.truthout.org/011809Z

Bush and Cheney are traitors to the cause of
American Liberty. To leave them free, is to leave
America un-guarded from further transgression.

The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know
these FACTS that demand arrests of the culprits
responsible for high treason against Johnny's
America. Alex wants your money, and EVIL George,
our enemy, wants your soul stolen for Satan.

Turley: Obama 'accessory' to war crimes if no prosecution
http://rawstory.com/news/2008/Turley_Obama_accessory_to_war_crimes_0127.html

Understand, Alex Jones doesn't want Justice
for Americans because he loses out to better
men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule
the truth we share equally committed to defend
ourselves from lawlessness. And you'll never
rule my right to speak freely over your intent
to sell us all out for monetary swindles, just
like Ron Paul did. Understand: Ron Paul doesn't
even acknowledge 911 was an inside job, or, that
Bush gave zero evidence to form Your opinion.

Alex Jones, the Slave, told US today that
he challenged Bush for eight years - Bushite
lying nazi traitor. Not only that, but he
also ridiculed those who wish to blame Bush
now for anything! Again, he doesn't want
Justice where bad guys can't steal from
ourselves unrepresented. Ron Paul is a
multi-millioniare, made rich by charitable
aid conned from Alex Jones' NWOers! Alex
Jones doesn't have a problem with that, we

do.

Israel to be Judged - Universal Petition
http://www.tlaxcala.es/reponse_signataires.asp?lg=en&ref_campagne=10&Page=1

The demon LIAR zionist Israeli is a godless enemy
of Humanity, much like everyone at Foxnews, CNN,
BBC, and the CBC. Our revolution against the godless
bushite shills, will not allow our revolution
through speaking honestly, (to become of ourselves
something greater), a chance to be televised for
our benefits. Bush closed criminal investigations
immediately after 911. According to the FBI and
Senator Dashle. CNN says you have no power, Foxnews
says you have no power, the BBC says you have no
power, the CBC, the same, like Alex Jones NWOers...
but well, don't believe it. YOU Do have the Power.

We must demand open communications to bring back
values WE ALL would agree to through polite debate.
"Conservatives" don't want this Freedom idea
expressed in general terms because, a "conservative"
is universally, minimally. a bigot. Why? Life isn't
like, their way, - then- all other opinion under
the sun on how things actually get done. (Aka
"socialist" traffic light repair men, or "liberals"
who want to treat The People fairly). Or who we are
as equals to our laws fairly practiced. Pay attention
to what I am saying here. Liberals can be Dicks with
a capital D too of course. But a Hannity couldn't
survive 2 minutes with me speaking on his very real
treasonous behavior in OUR public arenas. Behavior
done to escape the 911 culprits from the long arm of
the Law, with his conscious will of criminal deceit
exposed, we all learn to better defend ourselves.
And Shawn Hannity can't have that for ourselves, he
takes too much money from ourselves as talentless by
keeping US in the dark dying needlessly for traitors

never elected publicly.

Who am I you ask? Johnny Law. at your service. Look
me up with usenet to discover, we live in a world of
idiots everywhere pretending to be somebody by lying.
While I want US all to truly improve our condition by
actually understanding how bad off we are by failing
to respect ourselves for correction. Too many, know
it alls, with not enough to know you need evidence to
form a guilty verdict against an accused man or woman.
Not according to CNN, CBC, MSNBC, Foxnews and the like
however. Let's change this by supporting my challenge
for top billing at the Coast to Coast radio show hosting.
Look for me coming soon!!

Unseen Gaza High Quality: Part 1 of 6
http://www.youtube.com/watch?v=UeezoWRu1FU&eurl=http://whatreallyhappened.com/

Why is it that numerous visits don't change the
view count? What is this business of a=a+1, the
top secret, I'll go rhythm, that is way beyond
our comprehension in it's scientific complexity?
For Americans, okay, but the Human species just
isn't this dumb.

While Zionists OFFICIALLY target Christian school
girls for mass murder, CNN instead reports that
bushite grunts attacked girls in Afghanistan, posing
as Taliban. I WILL every celeb at CNN to be arrested,
tried and executed for the reporting they have done
today without facts. Remember: the Taliban played no
part on escaping those responsible for 911, and opened
schools for girls, and were brought together on the
single purpose to defend women. Death to CNN reporters
to LIE for killing OUR school girls. I HATE zionist
enemies of Humanity and God I am.

The Torture Ban that Doesn't Ban Torture
http://atheonews.blogspot.com/2009/01/torture-ban-that-doesnt-ban-torture.html

/ / Obama's Executive Order bans some -- not all -- US
officials from torturing but it does not ban any
of them, himself included, from sponsoring torture
overseas. \ \

Is America a nation of Law to Live freedom?
Because this SPECIFIC deviant action of Obama warrants
the death sentence under Reagan's "War Crimes Act".
SPECIFICALLY. Or, is it you falsely believe Obama
can do no wrong against innocent people here, where
an illiterate nazi grunt, maybe from South Africa,

will kidnap YOUR children, and torture them to
death for sadistic pleasure, with as they did using
power tools caught in Iraq, according to Iraqi
government official(s), and several soldiers from
Oregon, all because Obama has given an ILLEGAL!
"excuse" to NOT support following the crime scene
leads at our REAL murder scenes? Again, death to the
bushite dumfuk enemy of God, death to the enemies
of a freeing Humanity striving for a just society.
Obama needs to be arrested for this under the Law
as it stands I'm sorry to say my friends. Why?
Torture is illegal in all 50 states, (as Reagan
directly planned), no matter where you ship the
innocent victim to, or from! Read the War Crimes
Act, then demand Justice today, otherwise, it's
YOUR funeral. Obama wants to secretly torture
Peoples here, while lying to US ALL that he doesn't!
A TRAITOR! Who also wants to give bankers 100s of
billions of dollars more to disappear, that WE pay
for, out our door, never to be seen as our own
again.

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close
Police investigations immediately after
911 (obstruction), or that WE have video
of iron flowing like water that PROVES,

without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.
Because someone surely would have spotted
him dragging his dialysis machine what with
all the professionalism of corporate news
media coverage regarding our horribly
suffering worlds. Alex Jones ignores the
treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on
steroids. He only wishes. What about
Justice for Americans Alex? Why for do you
forsake ourselves? For money? What about
the lives lost to mass murder, that you
allege to champion OUR TRUTH without saying
much of anything on real Freedom?, on real
Justice like your deviant election rigger,
Ron Paul? Well, no wonder, Alex told US he's
into shooting innocent American People in
the back as a tyrant of evil, a white Devil
if you will. Kids too if you dare look in
his back yard for a copper. See? Now if Alex
doesn't allow US to speak, more and more will
understand to know why. I am a defender of
all that is right and just in this world,
because I don't need to lie like Alex does on
a huge host of issues. I'm more like Jessie
Ventura, in where I don't need/want to lie.
If I end looking foolish, (of which I like
never truly am), it's a benefit, because that
way, I've learned something. Alex knows
everything already, and 'is always right'.
Like I say Retarded. You weren't right by not
understanding that the banker doesn't cover
the loan. One example of easily hundreds. He's
a typical, he knows it all, know nothing dumduk
American. Hear him on health care speak as
Ron Paul does, and know, I defeat them in under
ten seconds. TEN SECONDS. This is why he hasn't
in years, allowed me to speak more than five
or six words. He's rather all America die, than
admit he does NOT rule our 'Ocean of Truth'.
I want the challenge of opposition through debate
to PROVE my skills beyond reproach. Alex,
every time, just hangs up on anyone who tries
to improve our communications by factually
speaking. Why? Because he IS TRULY deeply
ignorant on what freedom or Justice means. Why
we have law. What a consensus is. Allan Watt is
severely disabled in this regard, another Alex

Jones favorite. And this is why, Allan can't take calls openly either. He has jerked off with himself too long to quit now learning super basic precepts, for like Alex, he "knows" the inner workings of the 'genius' NWO elites. Not Law 101, not Bush, not Rumsfeld, Not Condi, not Torturers, not bank robbers, rapists, or even petty thieves. Allan Watt isn't a bad guy, he's just a chauvinist pretending he actually knows something, when his real disability is directly related to his absence in understanding understandings. Doubt is a near foreign concept. A challenge for Allan: can you get your 'genius mind' around the fact that Peter Powers did the London bombings, and not the Illuminati of 1463? and if not, why are we so dumb to our present plight that way? Don't get me wrong, Allen has much to offer, it just isn't the issue right now on saving our dying futures. Maybe I was too hard on Allen, he is really actually kinda cool. Alex Jones too has many incredible moments of ecstatic clarity increasing in all they joy of seeking enlightenment. .. Ok - but this is serious business that requires little dilly dally with what we'll have as a side dish in Paradise Lost. We are talking Human Lives have been destroyed by our inaction to remedy these failures to communicate effectively. and.. Jeeze, the weight of my responsibilities, as just plain John, being a/the Legos Man - for like the Family and everythings, get's me never forgetting, all we got are these words left dormant from the power they truly possess in the minds of the wise asses. And.. here I am. I'm a Talker of Words looking to make a break in the NewZbiZ. Zzzz... Alive We Say! Alive!

King Johnny, from Earth, has come for talks.

The Zionist enemy, the most evil nazi sons-of-bitches who openly advocate tyranny and oppression through mass murder of ourselves as the innocent left targeted defenseless. Enemies of Jews everywhere, the Zionist cares not for facts on who's Life it destroys for stolen gain by lying. That's why they target Jews, for fear the Light of Truth would expose them as the Nazis they are.

Hamas doesn't have a military though, so,
why not demand the arrests of those who

"We believe there were dozens of IRGC
personnel in the Gaza Strip during the
war," an Israeli source said. "Some were
killed; others went into hiding, and
others escaped."

See? the demon enemy of God speaks no
evidence as a TRAITOR to every Jew. A terrorist
nation that still steals humanitarian aid in
our public realm of left defenselessness. The
false allegation deserves a death sentence
by Jews against the war monger Zionist enemy.
A cause that Iran should champion, if in fact!,
this allegation by OFFICIAL WAR CRIMINALS WHO
TARGET FOR MURDER OUR SCHOOL GIRLS, is on it's
face, unsubstantiated as patently, demonically
false. As typical from any godless Zionist.

Where are the Americans asking for the
formal arrest of Bush for high treason?
Whoring for Alex Jones's contempt for REAL
Justice? The ignorance of all American
talk radio hosts speaks for itself. NO
knowledge on why acts of high treason, are
crimes against every American. The bushmob
doctored the NIE, and Alex doesn't want
Americans to know, because if they did,
they ask, why does Alex do everything he
can to escape those personally responsible
for 911, while then asking for money to
continue his fight against freedom in

America. Again how much money do we have to
pay Ron Paul or Alex Jones before they
will allow the knowledge of the Iraq war
against Human will is criminal? How much?

Obama! feel free to call
on me to help out with a plan for judicial
actions. That offer goes out to everyone in
Palestine, Canada or Britain too. Russia,
let's help out these fools by freely
communicating, what say you? Justice
for all is freedom to be. The Israeli cop
killers must be brought to justice for war
crimes. Those cops, were cops. And I,
am a man.

Alex Jones Rocks!

Now Alex has problems in "my" mind because I am
an ACTUAL genius, and he is generally, an idiot.
Today, he did one of his usual commentaries, however
this time, he was pretty honest with himself, and
his love for Ron Paul. Ron Paul sells incompetence,
and Alex corrected correctly!. that a.. sorry Ron
but these banksters know they're robbing us as
undefended blind men essentially. That's what I'm
talking about!! Look, Ron Paul can be a dumb Ass,
although, he's still not all that bad a guy. A Dumb
guy on things like economics sure, Justice, warfare,
Health Care, Social Security, ect. ect. but still.,
like a child learning of why the sky is funny
blue, isn't all that bad a guy really. He's
certainly not a war criminal, like Bush or
Rumsfeld are. Doing 911 then sanctioning torture.
While Neocons Champion sending illiterate American
teens for death as war criminal. Think about it.
Maybe he is..

-

ï¿½We have all these documents that are now
publicly available that prove that these
methods of interrogation were intentionally
ordered by Rumsfeld,ï¿½

Let us understand. These actions "give" a guy
like Willie Brand "the right" to RANDOMLY kidnap
men, women, or children, and torture them to
death for sadistic pleasure with his faggot
Capt, Christopher Beiring. (I think that's
how it's spelt). But anyway, this is the truth.
A bushite is a godless Zionist whore of Nazi

evil, an enemy of America, who wars YOUR Freedom with criminal "excuses", for refusing to support the arrest of those responsible for 911. A TRAITOR, and could be wannabe rapist, robber, or 911 mastermind ringleader. Torture is illegal, and warrants the death sentence, according to, Reagan's "War Crimes Act". Some only suggest, that this was why someone tried to kill him as honorable. Death to the torturers of our innocent families, torture they do without apology as Zionist Military "Judges". Instead today, where they get salaries paid in the billions by the zionist giving nation of, a-mirror-kay, echem, America. Johnny's America. A nation where Justice will rule for the favors of all treated equitably with or without you. Honor me in company my friend. We have no rivals.

"they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else up with charity?" Then went on to say, it wasn't any of our business with what they did with the money. (But for to cover criminal fraud in the derivatives market, where the true value of said commodities were backed by ZERO capital. ZERO DOLLARS. WORTH NOTHING. So, think about who's truly giving it always here until Johnny, the man who came out of nowhere, arrived to explain everything in five or six minutes.

Israeli that broke the truce to get killed
Jews for money. They starve Jews in Israel

murder Jews for money unless WE DEMAND, their

of a Zionist's complete absence of morality,
as inhumanly bereft any common decency among

our brothers and sisters. I mean for Christ's sake Tom, THEY ADMIT to sadistically targeting our children for MURDER - as some kinda Satanic demon whore to Pure Evil - aka. Wanted War Criminals for Public Trial. Just as the Nazis were for similar outrages. Let's hope men of America are least half they were then, but we are suspecting, they will as of usual, balk as cowardly slaves to the private banker man ruling their minds, it's a, no wonder. ISRAELI IS A THIEF WHO CAN'T SPEAK OPENLY IN
DEFENSE OF OURSELVES IN OTHER WORDS? That is
right. They, as documented criminal, lose
every debate personally since before the dawn of
Civilization because their position is clearly
unsound. They are criminals who murder People
in hate for a freed Humanity. They OFFICIALLY
steal Peoples homes in that country didn't you
know they proudly proclaim it so? And steal
humanitarian aid from starving children.
Targeted to murder children specifically as
publicly confessed, 'it is Hamas WE blame',
not them as demonic child murderers. Hideously
evil as ungodly sadistic savages. Enemies of
YOU, enemies of them, and enemies of me, the

Again, these peoples are not Jews. Being
Jewish is a religion. These thieves of God
are Satanic in their LIES to betray the
common trust in our words, that bind all
worlds to victory, called freedom universal.
Even tales of the Devil have him keep his word,
with verses specifically condemning the self
to damnation for targeting the innocent for
death. God's the Word. Every word inside a
fool's paradise. Including the periods. Not as
like, I'm playing a word game, but that it in
wonder, is all strangely here. Example: The
Universe as it has existed always, is not
separate from our 'pauses', or faulty drawn
conclusions. The universe, in one sense, was
as good as anytime, created 6000 years ago.
AS TOO 50 billion. You say, impossible, I

say no, study quantum physics, and know, I live this.. our existence is not scientifically separate from the timeless nature of consciousness, proven as not only theoretical, but actual. That is a first step at developing a REAL relationship with the living Universe if you want to as like an artist does - that TOO! can be just as thought static in it's orderly constructions for Atheists. (An Atheist is still mostly a fool here however.) Overall, for any, it's sorta simple: Life has left YOU in charge of YOUR fate. Now, do well to make something of this being as eternal Life reaching for balance, as your body does, and good cops do when bringing the bushmobsters to Justice. By Israeli calling for more murder against the innocent of your mind as racists and bigots they are openly, is still shadows of YOUR mind, YOUR WORLD.. get it, got it? God is in genius to set Life as this, as like, nowhere existing, but for as yourself within. Will you speak out for the Justice denied Humanity?, or not you? Atheists can be Just too!, but generally lose it on not understanding the intelligence of order is way beyond what they dream up with assumptions. All anyone has to do is ask themselves, who do you mean "God"? Atheists are ridiculous!, but, to each his or her own, we are on a path here, believe what you want to believe. This is not a faith initiative I'm bringing by keeping this real, I DEMAND JUSTICE BY OUR WILL BE DONE.

A zionist cabal of criminal pirates who murder Jews around the world for stolen money is seriously evil as criminal. What do you think? Let US have a open line discussion on this indivisible matter of rights to all as equals before who ever we proclaim, I AM.

I mean you right? Say it with me... "I" "AM" we are good to go.

Americans are indeed, selfish, like all the plane

money, as unimportant, to how long they stood on
a plane wing, now approaching it's third day, of

I, as Christ, am really starting to hate all
Americans in total now. How difficult is it to
pick up their phones? They don't, and I'm beginning
to believe it's because, like GCN, they really
don't care for the future of our Humanity being
left for dead as continuing victims to EVIL liars.

Simple Common Sense for Mankind

/ / Israel has admitted HAMAS kept the cease

total starvation blockade on Gaza followed by
flaming death from the sky aimed at schools,
hospitals, ambulances, and children, and you

a "mob?" \ \

Zionists are evil people who pretend they
are honest, when lying directly to everyone.
Blitzer reports Hammas broke the truce, he
is lying to continue the murder of innocent
peoples. Understand: Israeli Nazi state they
will continue to murder our innocent Humanity
until the rockets stop falling on Jews. Yet,
they broke the truce, and murder Jews routinely
with reckless abandon. Jews from the Bible as
of "nigger" Ethiopian, are what the Zionist
hate when warring GOD for apartheid, apartheid
that is Humanity in Gaza. A zionist is a war
criminal who speaks not against the neocon,
but against Innocent Humanity as YOUR enemy.

http://www.youtube.com/watch?v=6C756NOPyDA

Not the Nazi Israeli?

The guilty party are those who advocate these
mass murderers of innocent peoples with
deliberate lies, like from Blitzer. Blitzer
will be tried, and executed a war criminal
for stating Hamas broke the truce., Where,
only two minutes earlier, he learned, that
it was his Nazi partners. DEATH SENTENCE.
It was on TV. BUT SEE? Ron Paul, the Libertarian,
ain't going to be honest here. He'll lie cheat
and steal Humanity's voice for Justice - like
he did with OUR money. A typical Libertarian
like Alex Jones who wants to blame "socialists",
"Liberals", aka, all of innocent America.
Blitzer is war criminal, who makes his own
discussions. As is Ron. What an enemy to not
mention the truce. THINK: IT IS THE ISSUE. But
Ron plays the dummy to kill more with contempt
for Freedom. Ron Paul, the bigot, asked,
'should we be doing this'? SEE? it's not first
degree mass murders, no, according to Ron Paul,
it's argumentative that indiscriminate mass
killing is a good thing really. Remember,
Ron Paul does not support arresting those
who committed mass murder on 911 either.
Or those who STOLE TRILLIONS. Or lawless Bush,
the ACTUAL AntiChrist enemy of God. Ron Paul
will watch America die for a stolen dollar.
And Alex Jones will refuse all calls to label

Ron Paul "When we pick sides, we make it worse"

Remember: Sadistic authoritarian George Noory

either. Love the bushite blindly, and

seriously evil as a traitor to the cause of

Ron Paul "Israel can not act without
Washington's approval"

So, it is Ron's fault then by not mentioning
the truce?, or as that, innocent People are being
indiscriminately murdered in a death camp that
he figures is argumentative? that innocent
People are dying as targeted for mass genocide?
Or is it the Ron who states YOU are to blame

Wow. The demon LIAR will also say Hammas broke
the truce, and Israeli started this by stealing
innocent peoples homes, then imprisoning
ourselves, the victims, in a death camp for
indiscriminate slaughter. While they STEAL OUR
CHARITY. What is it that YOU can't picture?

Hi. My name is King Johnny.

/ / The targeting of civilians, whether
by Hamas or Israel, is a war crime. \ \

They are targeted by Obama who suggests
there is an argument to be made here. There
isn't. Nazi Israeli DEMON LIARS broke the
truce to kill Jews for money. They are godless
enemies of Humanity. So it isn't that we are
pro-Palestinian, it is that we are pro-Human.
Zionists DESERVE to die, before US, the innocent,
they target for murder for stolen cash gain.
Like Obama has promised to do for AIPAC. But
what about the rest of US 6 billion plus Obama?
Who is it of US innocent folks do you wish to
MURDER, or torture next as a Zionist war criminal

for Satan Obama? Torturing kids is popular in
Israel, tell US Obama, which American father will
have his children tortured, or murdered
sadistically by yourself as a whore for Nazi
Israeli? tell us, we're not waiting.

The Chosen Bad Example

Zionists Destroy Our Homes as Satanic
http://www.youtube.com/watch?v=mo2HW4T7wK4&feature=related

When I see the women and her child, left outside
while they sadistically destroy her meager gains,
I grow weary with ourselves for not speaking right.
Nazi Israeli are committed to deny US our God given
rights as Innocent persons to speak freely for Justice
realized. All because they STEAL our Lives for monetary
gain. It is our reality, give it or take it, YOU LOSE.

Then.. Hammurabi founded Civilization.

I go concerned for any hesitations of condemnation by
Obama. It's like, he's talking some jive about
how now he'll NOT let the words of Hamas reach
his ears. Being against war criminals, doesn't make
you pro-Hamas, necessarily, it means your against
war crimes to defend the lives of ourselves respected.
Remember: He told US earlier during the campaign that
he wouldn't fear speaking to anyone, Hamas especially,
because he was confident he could win the discussion on
Liberty, by principles that unite all free men. Now,
he has promised the FBI's Most Wanted AIPAC, he will
pretend to not hear any calls for fairness as all
parties united by common cause. Johnny Who? Where did
you go Obama? You were here, then.. pooof! you
vanished into the loving shackles of convicted/ing
criminals is a mass, "WE ARE TRAITORS TO JUST CAUSE"
organized war crime outfit, dedicated to deceiving the
Public by lying. I am not Lying. I'm not saying I hold
his associations as a measure of himself, I am concerned
with him stating, he will not hear our cries for Justice,
as then AIPAC cheered. I was as freaked out about it as
you maybe yourself now, believing it as possible. Check it
out for yourself, and wonder, just "who" is this person
they tell us they're are going to take for as dying fools?
I mean look at what happened to what's his name, when he
sided similarly the same in error as hugely criminal? Come
on be honest with us son, "Are you on drugs?". Maybe he's
just been stressed with all of everything he is heaped
to follow on, NOT to know by Blitzer, that Israeli broke
the truce to kill more Jews for money, and, also STEAL
innocent Peoples Homes while saying, "they are God's

Chosen". Yeah, chosen for, "The Bad Example", of how
Jews are left undefended by these grave robbing war
criminal nazi forces. As the King of Jews, I call for
Public War Crimes trials of the entire bushmob as
terrorists, and their supporters for lawless tyranny.

People are Coming to Town. Justice for All Coast

the neocons in a prison cell awaiting the treason trials.

We are Good to Go. Rise Up for innocent Life,

Again, they are Satanic here because
they THREAT to tell you, yeah, Zionists
are casting the leads for the real mass
murder scenes - Justice denied Humanity.
God doesn't exist to defend yourselves
from war criminals for Satan.

War crimes trials with public executions
will commence against ever GUILTY zionist
living to lie that Hamas broke the truce,
that Georgia was attacked without provocation,
(again, CNN are not 'accidentally' conning
US here). And trials for every last living
bushite bomber, rapist, and torturer -
death to the bushite, the true traitors who
war against freedom for America, traitors who
war Innocent Humanity for the escape of the
neocon zionists.

No no no no. What you do is investigate who this
the "US" person is as the GUILTY party my friends.
The facts have spoken for ourselves without contention.
And while we're at it, try to figure who that "Army

traitors are who hide their names backing war crimes
to continue. The Enemies of Civility, they are
enemies of US all my innocent friends, enemies of US

however the study of something here is needed if we're

this way sucks. As the innocent for profit we pay for,
with lies sold without Public defense of mass murdering
demon traitors to the cause of US falling victims. God
says their Satanic, I just say they are criminals. War
criminals easily convicted for murdering our loved families.
They have no remorse for all that have been murdered

We must demand war crimes trials from Obama, and
everyone else down there who is appalled at this
indiscriminate mass murder continuing in your name.
We need arrests of Zionist infiltrators within

war crimes of accessory to mass murder, or genocide.

Here on a Mission

/ / after dropping leaflets warning residents it was
about to "escalate" its offensive against Hamas. \ \

SEE! This is AFTER fire bombing the whole community.
Satanic evil enemies of Life. Who admit to targeting
any one who has ever so much as swept our streets,
warranting bombs dropped on their Block(s). SEE! they
are ENEMIES OF EVERYONE. EVERY LAST ONE OF US.
INCLUDING GOD.

Riddle me Dumb

Hamas Workers and/or Troops? Out hiding in the mountains
of Afghanistan you mean right? Satanic enemies of all
Humanity I tell you. The most evil nazi sons-of-bitches
who openly advocate tyranny and oppression through mass
murder of ourselves as the innocent left targeted
defenseless. Enemies of Jews everywhere, the Zionist
cares not for facts on who's Life it destroys for stolen
gain by lying. That's why they target Jews, for fear the
Light of Truth would expose them as the Nazis they are.
It's a prison death camp, brought about by Israeli STEALING
OUR Homes as ungodly thieves. Thieves who leave a Jew
to starve to death in a garbage dump because, it'll
attract more charitable aid The Zionist can use
elsewhere. It's not a Jewish thing, it's a criminal
matter. They STEAL innocent Peoples Homes in that
country. God's Country? God would will such criminal
offense? Which God? Not the God of Abraham, nor by
the teachings of Hillel, Christ, Mohammad, or
Confusion? So which absent God do you speak where WE
can't speak as ourselves openly for Just Cause?
Cat got your tongue? How come your not saying anything?
The Israeli Zionist ENEMY wants US ALL in slave

Hey, don't you EVER forget, I am a man also. We need
to meet on common grounds, to demand the start of
formal arrests for the bushmob crimes of 911, Iraq,
Afghanistan, South Osettia, and Palestine, as a group
together united by agreement for this one cause, and

then... we can later argue about how your ideas are
better than mine because I actually know of which
your speaking.. Hey! you could call me Daddio if you
wanted! To the telephones we go.

Israeli are attacking prisoners held criminally
in their own Death Camps!! GET ALEX JONES ON THIS!

Hmm... why wouldn't Alex? to support his fictions
over Our Rights to Live Free perhaps? A Hero adapting
to the deaths scene?, or, a Bush whore committed to
enslaving Humanity, all so he can say, he told US so.
Big hero or big hero. Your NOT powerless to his vision
of complete control over information. He refuses 911
info, Iraq war info, Israeli info. All so he doesn't
have to look the fool, while Humanity dies with his
insults against our wills to make something better
of ourselves. Justice is what I will. Masturbate on
your own time Mr. Alex Jones.

If he states again about how he knows everything,
and is always right, and those that criticize
him on ANYTHING are delusional, it's going about to
make everyone further sick with this obscene take on
what life means as Alex takes it. If I truly state
two nickels make a dime, does that mean therefor
they make a quarter also? If I say so like Alex
would? He is an idiot. Truly. George Noory figures
Hamas broke the truce, and that the Mideast solution
is that Jews should be separated with special rights,
as oppressors over the freedom of every Palestinian
Prisoner, and what's Alex Jones gonna say about
his 'truth telling freedom fighter' George to actual
'lame ass evil nazi traitor' George?, to YOU about
how George is just trying to murder millions of
helpless people as an offer for the final solution?
We can expect Alex now to claim, Zionists should
have special rights over Jews, all to maintain
his FICTIONS on Noory being anything but the
monster to Humanity he is. Just because Noory
doesn't growl when talking about murdering all
children in around the age of 15, or against
soldiers who refuse criminal orders, does still
make him a true fascist nazi enemy laughing at
your murderers escaping to live freedom in
our dying forsaken worlds. The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know

these FACTS that demands arrests of the culprits responsible for high treason against Johnny's America. Now, who's with yourself. I am! I am! I am!

Alex Jones doesn't know squat of Social Security, but pretends he does, like Ron Paul does when speaking of the Federal Reserve, Health Care, IMF, World Bank blahblahblah.. I mean even the expert of experts Alex has on near twice a week, EVERY WEEK, to talk all about how the Illuminati are doing everything,(give me your money now for whatever), DOESN'T SAY TO KNOW, it was Chris Cox who changed Investment Banker rules, to cover instead one tenth of WORLD INCOME loans, to one twentieth. MORE THAN DOUBLING THE ENTIRE GLOBAL MARKET FOR LOOTING WITH HIS SIGNATURE! (And. that isn't even a fifth of the TRUE trillions dollar fraud story.!) Now, granted, I wouldn't expect one tenth of one percent of America to have even a distant clue of which I am speaking, but importantly, Alex's expert of experts has never mentioned it. EVER. Why? He don't give a fuck, but how much money he can get you to give him for investing in things that are un-important to our struggles, but for the fact, he states, you'll get free money for nothing!! OUR ACTUAL PROBLEM. It reminds me of those Ron Paul dollars... where Ron'll fix everything, cause we, as a private company, are going to make YOUR money instead... holy fuk mon.. Talk about the kettle calling American racists. Thank God the FBI stepped in. (The answer unfortunately is not nowhere as easy as Alex would blindly lead you) - again, so I guess it will be, Americans were just too far gone as illiterate chauvinists, who cared too little for your freedom as themselves degenerating. Why? To battle tyranny they knew not Justice wins the day, and blamed innocent groups gathered wherever, instead of following the crime scene leads at the real murder scenes - like was once done on TV and at the Movies. But even that was too far above their doped down heads, to raise their finger to dial a phone number.

How about stating "A lawless bushite enemy wars America as a traitor, to escape the neocons from the crimes of 911."

Then Alex states the head of GCN is giving out gold at less than it's value as a special treat, every second or third week. Below wholesale. Now, really think this thru. Do you think Alex is trying to con you here? you bet. That is the Gold Racket. Diamonds are another thing - where I've personally seen, about a decade ago, a huge press that makes Diamonds

out of coal. Swear to God it's true. Costs to make diamonds are pennies to the thousands paid to Zionists who live in Israel calling for the murder of all innocent Peoples. Where is the rich Zionist, grave robbing Jew hater to demand Justice for our times? Where? Pressing coal into diamonds, while advocating the murder of our entire Human species. THEY WANT TO KILL GOD AS SATANIC ENEMIES OF LIFE. While I am last known to Life's enemies as Jesus Christ, the Zionist's end every time. I'll have brought more Zionists to their rightful dooms, than any other, of any time, anywhere. I HATE Zionist bushite LIARS to death, all because I Love Humanity too much, to watch US die undefended as the innocent forsaken. They can change their evil ways, but till now, often not, benefiting off our suffering as war criminals who simply lie as demons to steal our Human values. Let's change this for our betterments. I mean the Halo is a dead give away..

The head of GCN has a son warring God to rape American women as lawless enemy in Iraq for the Neocon - again NEVER mentioned as something worth fighting against for Freedom in America - soldiers are suppose to REFUSE criminal orders - but not when Alex is at the mike. He will never mention the Bushmob doctoring the NIE to con America for death as exampled, because it doesn't fit his fictions, where all the bad guys escape because they are geniuses headed by secrets so powerful, nobody can ever know'em, except Alex. He tells us near every day, he knows everything already, and is never wrong, therefore you can't criticize him. Bullshit. It's like he wants to be wise like Johnny Gawd is, without doing anything like studying for a test where the teacher actually does know the issues. He told US today, the British came up with concentration camps, from the Indians - who spent all their lives murdering themselves. The British 'invented' false imprisonment? The British came up with the, Jews Killed Jesus? The British invented Pope Gregory VII? I suppose Alex has never heard of Ghettos. SEE? he just pulls shit out of his ass, and calls it like it's truly pure gold you'd wanna buy. Those, like your typical American have no clues, so they figure, Life must be sorta so that History is all one big Alex Jones NWO cartoon. What? that the NWO did 911, and everything else that use to instead, require criminal investigations to nab the actual evil doers? Alex Jones IS the NWO he tells US all we should be concerned about never stopping,

like it was in the DARK AGES. Justice Alex, why is that hard for you as a "Conservative" to figure? Is it because you are cowardly in the face of true Liberty? Afraid that some People, on some Issues, ACTUALLY know a great deal better than you could even imagine presently? Don't like that do you?, where you don't rule this Universe as a lawless tyrant desperate to live in an illusion at the expense of everyone else dying victims to censorship? Does he try to find wise men or women? rarely. "Ron Paul [MUST] leads our truth movement" - like, fuck off already with the Ron Paul, The Truther, Bullshit Alex Jones. 1% is what YOU get on Social Security deposits - 1%. And.. Bush stole 700 billion. 700. Billion. That's 700 BILLION. It's a "Trust" account. A "Trust" Account. It's being held in "Trust" Alex. Ron Paul is asleep at the wheel. As, so are the rest of all you other fools.. I want Justice, and I want it now for all the victims of 911. Americans be damned, we want Justice, and We want it Now.

In Texas, child rapists are given the right to freely move about without fear that Texans will stand as armed Men in defense of their very own offspring. And Alex wants this for the rest of America. That some how to own a gun, means an American would kill a cop who beat a women near to death for pleasures that he could never be Publicly arrested for, as a sadistically evil nazi bushite fuck. Look, if YOU DID kill that particular DEMON COP after the Chief refused to arrest him, you couldn't possibly go to jail in Johnny's America, because the truth would win out in a fair verdict. And REAL cops would honor you with great big, thank you. Nothing worse than a cop (or bushite grunter) who believes the Law doesn't apply to him while he drives drunk, tazers someone for nothing, abuses Women, or kids, to sell drugs, or kills good cops, who are good men. (Like mercs do in Iraq officially for Rumsfeld's P2OG. Coming to an American city near you!)

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

"Rice says it is 'hard' for Israel to spare civilians in Gaza"

We KNOW they are ONLY targeting innocent People, the ungodly zionist Satanic enemies say so..

"Israel Rejected Hamas Cease-Fire Offer in December"

Livni has declared her country "is not going to show restraint"

"Her" country?

It's like she's admitting here, that they DO NOT
target the IDF's Hamas, but only our innocent lives
as a threat to LIFE and GOD. Remember: the Zionist
LIARS broke the truce.

This guy even sounds like the Satanic false
accusing enemy of God he is. Let US, as Humanity,
hunt these real devils down, try them, and have
them executed publicly for the benefit of God and
Man. Understand: this REAL DEMON knows he's lying,
no living man on Earth could spew the vile lies he
does to excuse indiscriminate mass murder, or starvation,
as this Zionist enemy of life sells to STEAL Your
HOME, your Family, YOUR LIFE. An open enemy of God
trying to STEAL the Title of Jew from Christ. EVIL
ENEMY OF LIFE. See, when a bushite dies, you served
Life well in defending their next INNOCENT target.
BILL HIM FOR STATING ISRAEL WAS STRUCK THOUSANDS OF
TIMES. BILL HIM FOR STATING HAMAS BROKE THE TRUCE.
BILL HIM FOR STATING bin Laden DID 911. BILL ANY
Zionist FOR THIS TREASONOUS LIE. Why God asks? Because
there isn't any evidence to support that Satanic lie.
According to the FBI. And according to God, Zionists
are not Jews, but of Satan as enemies of every life
form in this Galaxy, Hunt him down, and bill him
today for the love of God. You can 'hear' it in his
voice.. how he lies TO YOU as a DEMON of a Hatred
for Truth and Humanity. Facts, that are easily
available, are not what he works to mislead others,
others he hates, and wishes to murder for as ungodly
sadistic pleasures as YOUR enemy. Bill him under
American law for being pro-torture too while we're
at it. Death to bushite, death to the murdering
enemies of God's Love for Mankind, and enemies of
TRUE Justice for Americans. The fuking demon enemy
lies to you, as a con to STEAL your life, or just
as soon, the life of another innocent other. Now,
what are you going to do about it? Except his lies
as exceptable, as he tries his hardest blatantly
LYING to kill God and Justice in our Worlds? Not
in mine, but perhaps Yours.

' In Civil-Contempt Cases, Jail Time Can

' Where Did Taxpayer Money Go? Panel Slams Treasury

Where are the arrests?, they stole eight trillion

don't do that again please butt sqeeze? It should
be massive slammer time, with a return of all
STOLEN monies.

' THEREFORE, those pro-Israel politicians in Congress

Where are the arrests? Amerikan bushite nazi grunts
are assisting in the mass murder of innocent Christians
in Palestine. War crimes demanding death sentences. It
isn't an argument that can be turned around. Nazi Israeli
STEAL Peoples Homes without apology, as a function of
their SATANIC government, while colectively bombing the
INNOCENT victims who die because of it. It's a prison
camp! they are denied water, food, shelter.. since four
or five truces over that they've broken, every one. These
are Satanic enemies, willing War Crimes against God,

of YOUR soul worth here dying.

"we were right about it all."

It's the NWO! The Illuminati! Not Bush, Cheney, Neocons Gone Wild, or any of many other REAL criminals, for the war criminals are just puppets to his EVIL fictions. Forget about Bush escaping.. Socialists who design traffic lights, and Liberals who will to share fairly are Alex's enemy, because he's fearful the FACTS would escape his denouncements against truth tellers. George Noory, one of the most despicable individuals on the face of our great Earth - is exactly the kinda guy he wants returned to send his wannabe Patriots nowhere but to die. What about Justice America? The bushmob doctored the NIE. TREASON. There is video of iron flowing like water from the towers, seconds prior to the collapse. Alex ain't there to help US, for that is where TRUE Patriots fight for real Justice. When WE phone with indisputable facts, on Ron Paul the bush whore sell-out for example, he lies to all (GOD), then hangs up on US. Is that the kinda freedom you think the Founding Fathers had in mind to give Your rights to speak for Alex who blames anyone but the criminals directly responsible for your funeral? The private banker never covers our loans, so why give them trillions without questions offered without answered as, never mentioned by the guy who is 'right all along on everything under the sun', and.. he 'rules the Ocean of truth' too don't you know YOU have a steak going all rotten to hell here also? You'd think Alex would take our call just for the challenge on where we stand? I'm free!

He is not. And George Noory tells us openly, he's into killing innocent kids for profit. George's profit is that apparently, by murdering all children in around the age of 15, will stop them from getting a clue at anytime in the future, to take him out as an ENEMY of EVERYONE for censoring our cries for Justice. Why is it that Alex would invite obstructionist, Steve Quail, or Alan Watt, on to lead you nowhere while they jerk off, but where we gotta go to actually defend ourselves? Steve has been on with Noory more than a hundred times, and, we'd figure, Alex will soon be delving into the Alien questions also. Answerable by me in seconds, but ahhh.. like Noory, doesn't want the truth of such a subject uttered,

just endless streams of illiterate bushite dumfuk
losers sucking on each other. While they wrest
from US the wonder; just why we can't stop
criminals from robbing ourselves, while murdering
our families? Alex wants to blame the unstoppable
NWO, while I, want to blame those actually
responsible, like Bush and the proven treasonous,
Neocon terorist liars who are pro-torture.
With arrest warrants. All of them. I'll do it for
Reagan's, War Crimes Act, as an act of respect
for my Great America, that's isn't always been
dying dead wrong under the leaderships of
criminals.

The IDF's Hamas is hammering away with what at who?
Is the AP referring to the tin can rockets that

Freedom Granted by Americans for Neocon Liberators

"Americans are having their heads velcroed to chairs
and forced to take in nutritional supplements by a
tube forcibly inserted through their noses by US guards."

These are People not charged with any criminal
offense don't forget. Die bushite die you know is
what I recommend, as does Reagan. A dead bushite
means you've saved the life of their next victim,
an Innocent Human Being guilty of no crimes. The
war criminal enemy is the bushite, the Zionist,
the LIAR neocon traitor to Life as this Universe,
along with every dumfuk grunt who serves tyranny
for the bushmob at Guantanamo, Iraq, or Afghanistan.
It is a soldier's oath to obey lawful orders only,
but Cheney they don't take out with American Law -
how come? cowardly fascist nazi whores for Zionism's
evil as the ungodly that's why. Cowards dying for
the escape of the Neocons from the 911 scene as
reported publicly. - Vs. US. That's we whoever
you are.

Widespread Suffering and Death
http://www.youtube.com/watch?v=gVdee2iXSVk&feature=related

Notice no one shoots at the blimp fire bombing the
entire neighborhoods. And if it's phosphorous, that
smoke is already deadly toxic. That is why it warrants
the Death Sentence under International Law when used
against OUR Humanity, as the most evil of Nazi War
Crimes ever. The neoCON LIARS are the LIARS conning
you here on our TVs and Radio dramas, in where, they
don't want to openly take our public calls for real
Justice. Bush and Cheney are traitors to the cause of
American Liberty. To leave them free, is to leave
America un-guarded from further transgression. So,
them being "puppets" is even all the reason more to
insist in their capture for trial by Jury. A Public
Jury of our Peers. Now, who's in with You? You can
count me in. and I bet willed to action, we will find
others to be something of ourselves too.. Justice
and Liberty for All. Equal rights given is what true
freedom is as measured. Translated from the 'Alien'
dialectic to Amereeze jank vibe; where is the fucking
evidence here Neocon traitors who false accuse to lead
us off the straight and narrow? It leads to Bush,
Cheney, Rumsfeld, and Condi that's why I figure, you
figure, they figure, we figure, so... what are WE
going to do about this sacrificing for godless tyranny
further then as unrepresented?

Israel Attacks Jews,
Silence from Mainstream about Violation of Law
http://www.youtube.com/watch?v=K1kt8qi0M-M

They kill Jews for money. They bombed Jews in Lebanon
for money. They want to bomb the HUGE sacred Jewish
communities in Iran.. wonder why? Zionists are not
Jews, for Jews don't steal in God's good name. Nor
target innocent beings for stolen gains. A zionist is
a thief to life, and as such, needs to be formally
charged for their criminal offenses, given lawyers,
and upon a successful prosecution, rot in a prison
cell and/or pay restitutions. YES. why? so not another
innocent person must fall in their place as next
victim to a zionist's public commitment to lawless
tyranny for evil intentions.

Didn't the Nazis say something like, they weren't

must be why they target our children instead..

IDF VLOG UPDATE: IDF Hits Dozens of Hamas Terrorists

This Zionist enemy of God speaks like a six year old.
"Hamas Terrorists", "4. Jan.", come on now, how evil
do you have to be to believe this ungodly demon sells
you righteousness. They STEAL our food. They are OUR
criminal enemies who torture innocent Peoples. A
godless criminal enemy who also steals Peoples Homes.
And drops millions of land mines to murder Jews
indiscriminately for decades. Commits war crime after
war crime against Humanity. Vile bile.

They killed our innocents, and unless we kill
theirs, they will go on killing ours.ï¿½

It is the crime of which they demand WE are outraged
against. Welcome to Humanity's suffering world due to
lacking communications skill. The term "they" are

Let US never forget, the Zionists also would bomb
some locations, then later, drop the warnings
for the Jews to run for their lives. Didn't warn
them though if they get into a car or truck they would
be destroyed instantly by the Zionist flying the
America paid for Apache. I did a big show of shows
through that continued as, more 'un-resolved' crime
scenes perpetrated by the treasonous, neocon Zionist
terror merchants. It's like they think some dying
fools are going to keep going to save'em in the end
from ourselves as still suffering in Justice denied

are not only the bad guys, but they're bad guys to
even the bad guys as there is no found honor among
murderous thieves. A Zionist will kill a Zionist for

The ungodly zionist enemies, are enemies of

private banker frauds. The banker does not

CNN: The Nazis Broke The Ceasefire!
http://www.youtube.com/watch?v=KntmpoRXFX4

Protest pictures from around the world (not on CNN)
http://www.rys2sense.com/anti-neocons/viewtopic.php?f=11&t=16496&start=0

Remember Israeli nazis to this day, insist as
DEMONIC LIARS, Hamas broke the truce - as Hamas
is responsible when they target school girls for
slaughter. They said the UN were secretly attacking
Jews, clearly a LIE as impossible to prove because
it didn't happen. But facts are the furthest thing
away from the godless false accuser Zionist con man
or demon witch LIAR like Livini. FoxNews calls the
demon witch a Jew! ANTISEMITES.

We can witness, Americans do not have the intellect
to understand what this means. See, LIAR Nazi Israeli
broke the truce to get killed Jews for money. A
regular fair for Nazi Israeli. Now, they state they
will continue to indiscriminately murder humanity
until the tin can rockets that travel miles stop
killing Jews who hate Zionists. But importantly,
it is Israel that wants Jews to die, so they can
make off as Satanic with our stolen values. Just
like the Bush family did with Hitler, that the
Nazi Nation has no probs working gun in hand to
wipe out Jews everywhere still to this day. Again,
Nazi Israeli MURDERED JEWS in Lebanon as targeted.
And leave Jews to starve to Death in Israel for
more charitable aid they can use elsewhere. Public
knowledge not disputed by any living soul on this
planet because, the Zionist government admits freely
to this. Israeli think being Satanic is worth it,
for all the money and lives they can steal as enemies
to Christ, Hillel, Mohammad, YOU, blahblahblah.

And, as demonic thieves, they steal homes from
innocent god loving folks. US. But see the McCainiac

HATES you as being a virtuous man or women, so they call for more indiscriminate carnage against Humanity, on failed hopes, that we as God are not going to come down to hunt them to the ends of this earth, try them, and have them executed for the war crimes of Torture, Rape, and mass murders committed for the neocons escape of 911.

Joe the Plumber to cover Gaza op

/ / Wurzelbacher says he'll spend 10 days covering the fighting and explaining why Israeli forces are mounting attacks against Hamas. \ \

Don't want an intellectual who might have a clue of what is transpiring with the forces of Satan, fuk, CNN'll likely hire him also. Don't you just hate this treasonous lying nazi demon? He has no journey man's license, never did, isn't a plumber, and doesn't have the millions of dollars he claimed he did to purchase a company that would have rolled over 250,000.00 a year for himself alone plumbing. Plumbers, as good as the job is, never generate that kind of money. Who cares though, right? A Nazi liar is what Zionist's want, and that is what America gets. TV'ed Americans couldn't care much less. Evil nazi McCainiac who's sworn existence, is to con teen soldiers for death to raise the fortunes on the un-elected Neocon bushmobsters now fancies himself a teacher on the struggles against evil. It's like that faggot at anotheruntoldstory.com, who's into murdering innocent Gays, while fucking his own brothers up the ass, who runs ads everyday at GCN, tells US now, all about how evil we all are for demanding Justice. How long do you think that'll run with the Alex Jones towners still raising no concerns? It's for the money as Ron Paul would say.. Again, it is to divide ourselves from true liberty, by demonizing the innocent on our radio and tv channels. Instead of Bush, Cheney, Rumsfeld, and Condi.

http://www.liveleak.com/view?i=ab0_1231290043

Read of the bushite in my America who call this work of Satanic enemies, a good thing they support to war terrorism for the sadistically evil liars of the neocon. Then KNOW my friends, a bushite is the enemy of every living soul on this planet. Have no love for those in the Air Force, the enemies of Man who bomb our families without excuse, but to know, they hate

US as Christ to speak free for Humanity. That DEMON George Noory was so happy last night about all the good the bankers AND CHENEY are doing for their hatred they spoke of for all Russians. SEE? not to protect America, but to kill you with their true commitment to the demonization of innocent people, all to escape the neocon terrorists. I HATE George Noory more than anyone alive in America. He is so openly evil to ourselves, that only those who wished to lie to you, (like Alex Jones does about Ron Paul), would say otherwise as bushite dumfuk enemies. Cowards committed to escaping Bush and Cheney for treason against Freedom. They doctored the NIE on Iraq, highest of war criminality. Alex Jones has never mentioned it, but for MAYBE in passing. Hey because all the bad guys are just puppets to ignore over the elites, globalists, socialists, liberals, gays maybe, Blacks, Mexicans, and anybody else smarter than NWOer Alex. Ron Paul is a coward as rarely if never has a clue of which he is speaking on.

Israeli PM says to end offensive if Gaza ends rocket attacks

Sarkozy urges Syria to press Hamas for Gaza truce

How does the ungodly get away with this obscenity? Nobody can deny Nazi Israeli broke the truce, as they always have done as Satanic for the last 60 years. Killing Jews for money is popular with the Zionist Nazis don't you know us by now? FoxNews CONNED Americans for DEATH with the unmentioned, TREASONOUS doctoring of the NIE. To kill Americans for more neocon gains, which Alex Jones never mentions either. Do Americans even care enough to raise Humanity's call? Do they demand public executions of sadistic godless Zionist torturers? as the Standing Law of America - The War Crimes Act - brought to be by Reagan - DEMANDS by the Law of America? It is the Law after all, yet, CNN, CBC, and FoxNews calls the perpetrators of the most heinous evil against Mankind, heroes. America is
a nation of godless cowards willing to die murdering innocent Christians in Israel, all for the profits of the 'magical' zionistic private bankers. Bushite grunts are now supporting the indiscriminate carnage, serving as police services forbidding any of the prisoners in Gaza from fleeing the indiscriminate slaughter. Again, as Satanic, they don't arrest the "Suspects", for what could they truly charge them with?, no instead demand we die helpless murder victims by forbidding escape, as they did in Fallujah murdering more than three hundred thousand innocent

souls. Die bushite die screams to all men on Earth from the Son of God. Will you stand for YOUR life as truly worth something here? Like lawless enemies Policing your reality will bring you more happiness and prosperity with the great truth teller HAPPY George Noory? The demon who openly confesses the will to want to murder all children in around the age of 15? Too crazy for you to face such an enemy of huge demonic origin, so, go the cowardly way like Alex Jones as sell out slave instead, to cover the demon with endless praise on his treachery to not have our fight on everyday with open calls for understanding Justice is freedom. Instead of a constant stream of bushite dumfuk enemies of Living. This isn't complicated. Or it doesn't have to be.

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce.

Alex Jones told US as a deceiver, he's been on Coast to Coast a hundred times. Not in these last eight years he hasn't. I demand Alex prove this, or be known by all far and wide a treasonous liar, trying to take US off the tracking of criminal action of his buddy, the demonic enemy LIAR George Noory. bin Laden didn't do 911, despite the facts that WE KNOW George Noory knows better of but LIES to con the American teen further for death at the profits of the un-elected bushmob. See Alex wants you to blame anyone but those directly involved in the crimes of 911, or Iraq, or those responsible for it's cover-up by Zionist propaganda. George Noory will have as invited guests whos only function there is to spread dis info as supporting more indiscriminate warfare for the escape of the neocon terrorists responsible for starting the illegal wars to begin US at. Or those whom often support torture, a war crime that only exists as irrationally held by those who's minds have only a blind hate for the indivisible rights of another innocent other. And often truly hate men and women for being Just as wise. The McCainiac Zombie video is a perfect example. When the Zombie is asked about the rights of Women, the McCainiac Zombie cried out for raping more Women. The position of authoritarian power, was only found with the bushite as oppressor, rapist, torturer, or Air Force Bomber, not liberation by freedom. The bushite McCainiac KNOWS it can't compete

openly to defend it's criminal treasonous
actions! Remember, Alex "the Conservative"
thought McCain was the choice if you had to make
one, earlier on, then changed his position,
sort of, later by calling them all puppets not
worth the effort, but .. Obama's idea's matter
not, it's that his Birth Certificate is, no war
too be fawned. Palin? who's she? McCain
firebombed Vietnam as "war hero" for France?
The Banker doesn't cover our loans? Matters
little.

Norwegian doctor: Israel intentionally targeting civilians

Even if you disagree with himï¿½ maybe even if you
fight with them, you don't treat civilians, children
and women like this."

Israel deliberately targeting civilians in Gaza
http://www.youtube.com/watch?v=Ev6ojm62qwA

It was almost acknowledged on CBC radio that
nazi Israelis, use the argument that a tin can
rocket traveled miles, to kill some innocent
Jew as a direct hit (likely a person who hated
godless NEOCON), all because that nazi state
has OPENLY, as PUBLIC policy, stolen water and
food including baby formula, along with a huge
list of other atrocities, to punish God and
Humanity since way back before three of four
truces. AGAIN, Nazi Israeli always, as ungodly,
break their truces. Why? Because YOU, or Christ
as any Jew's life means nothing, to all the
'free' billions they'll get from given American
worker wages. Look, Americans refuse to call
for the arrest of Bush on their national,
"truth telling" Coast to Coast radio program.
Why? Because, for one, George Noory, (Alex
Jones' best buds), has told US he's into
killing innocent kids as powerful, and that
'bin Laden did it', Is good enough for US.
You don't get a say here however how you will
live or die. George Noory calls all grunts
heroes, and those who refuse criminal orders,
those he wishes to go ballistic on. Yes, it's
true, George Noory is still alive and happy

as ever.

Rise Up for innocent Life, or don't and see
where it'll get you in the end.

Again, every soldier in the Air Force serving
for the neocon liar is a traitor warranting death,
to save the lives of their next innocent victims.
They have murdered more than two million people
in Iraq. They are pushing heroin into America
from Afghanistan. They are raping AMERICAN
women as officially "LAWLESS" (can't be arrested
but through Rumsfeld - who has not seeked any
prosecutions for the raping of American Peoples.
He, as Neocon, is TRYING to DESTROY FREEDOM
For all Americans in America - while paying
with American wages, South African death squads
to murder Black men) and TV'ed Americans refuse
to speak for Justice denied themselves. Zionist
amerikans only see US as innocent others, not
themselves to pay, but they do pay, they will pay.
God, nor John will not live in a world where
bushite grunts walk freely down our streets as
first degree mass murdering rapists, torturers,
and thieves. Celebrated by CNN, CBC, and FoxNews.
Especially when they DEMAND they have greater
rights than Human Beings. Mass Murderers deserve
immediate death sentence to defend ourselves
from their demon lies and betrayals to God and
Man. Every CBC and CNN reporter who reported
Russia attacked Georgia unprovoked will warrant
trial, then death sentences for their total
commitment to the Satanic NeoCON enemy war
criminals. Remember: they targeted for murder,
helpless innocent families. YOUR family. CNN
wants you to blindly believe, CNN personalities
like ENEMY George Noory are so happy, why would
we think they willed death against our great
Humanity by conning you for more stolen money
through the sacrifice of YOUR life for zionist
criminals who laugh at your powerlessness to
raise your voice for Justice.

A truce that the Satanic enemies of God will naturally break,

Israeli plan to topple Hamas, re-instate Abbas
http://a-mother-from-gaza.blogspot.com/

/ / Breaking the truce Nov. 4, then, was Israel's way of getting the gears rolling for this whole sick game: the toppling of Hamas, and the re-instating of the impotent Abbas into Gaza so the "peace process" can remain forever in formaldehyde, to quote wiseass, er., Weisglass. \ \

Nov 4th! - perfect!. We are dealing with Nazi war criminals who refuse US, as a Species, Justice for everyone. Especially The Jew's Jew, Johnny America. Hint: they call us Love just to hide our complete agreement with this Living Universe to will Justice for God as every last bushite zionist freely moving. Once all the neocon zionists are rotting in a prison cell, or formally executed as godless war criminals, we all will have one joyous welcome in a heavenly future.. Until then, demand Justice for US. That's YOU too. Angels included. Who? I don't see no Johnny Wizard here anywhere, We are Good to Go. Rise Up for innocent Life, or don't and see where it'll get you in the end. The bushmob are traitors for closing official FBI investigations into 911, immediately after the mass murder of Americans occurred. Treason, of a, trust WE don't have it in US to stand for our common values as the Revolution will not be televised, Johnny Who. Man, are we or no? Be Somebody, then get on your phone to call in for Justice willed. Alive I Say! - this must be where you'd raise the dead and dying.. if you only could raise your finger to dial the phone numbers - well guess what? - I Command You Can! - snapoutofit - Speak for pursuing Justice on 911, and show serious concern for publicly paying private banker men trillions in worker wages for nothing. This is seriously disturbing, yes, but seriously important to address openly in our spaces to remedy with a Johnny Wizard World Wide Work of Wonder, Super CNN Special of Specials, with Your Host, the One and Only, President and CEO of Shareware Earth Co. John Himself. Hey everybody! Wow eh? So a.. when is the good guys showing up? Now. Justice. Israeli broke the truce knowing such action woud get

Satanic Enemies of Christ

CNN with Blitzer allowed reported on Larry King
that Hamas broke the truce, without any uttering
of fact. While when the nazi israelis were accused,
just minutes earlier, Mark Regev could say only

silence. The zionist Satanic enemies of Jews speak only silence, because they know they are satanic enemies liars of Human will.

Again, these SATANIC enemies break their truces everytime, then state, it is Humanity's fault because CNN will never ALLOW the humans to know. They are murdering innocent People in hospitals for example, or those in a Church, just as amerikan bushite nazi grunts do for the escape of the neocon zionists responsible for 911. To hunt a lawless bushite nazi grunt, and kll it instantly is to defend it's next innocent bombing victims. Bush and Cheney closed 911 investigations on 911, therefore killing a lawless bushite traitor for our Humanity is just to get ourselves together to arrest those responsible for mass murder on 911. The deaths of bushite zionist liars is a mercy given for the love of God. Die bushite die.

Israel Nazi State

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce. They always break their truces. Understand these Satanic enemies of God, dropped seven million land mines on Lebanon when learning the conflict was over. They will kill Jews for money, THEY are the Nazis. Nazi Mark Regev is clearly insane. 'It wasn't israel that started this' He could not stand with any man without instantly being exposed to All of Humanity as a war criminal in need of immediate public trial for death sentence. These are only innocent people being bombed. In a concentration refugee camp. Look, it's a prison camp. And if YOU
were a prisoner there, and Texan child rapists are something you'd wish to defend your community from, you'd maybe join the Gazan police force, run by Hamas, a political group democratically elected. All police officers in Gaza, Nazi israeli claims warrant 1000 lb bombs, not warrants for arrest for a criminal offense. Remember, it was Israel that broke the truce, as so is spoken by Palestinian government officials speaking internationally - using the example from November. But understand, as Satanic fraudsters, they always fuck over Our Innocent Humanity this way.

What kind of "Human" would commit such crimes against Life? Cheating Liars for Satan God tells YOU.

The Bible "I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

Look, these enemies of Life steal INNOCENT PEOPLES HOMES as thieves of The King of Jew's simple philosophy.

The Reality of Zionist War Crimes in Gaza
http://www.youtube.com/watch?v=GDjthFt6EZg

The zionists aligned with Bolton are using radio-active weaponry against all Christians. What do "Christians" in America on Coast to Coast have to say? Nothing because that demon enemy of Life George Noory, the pro child killer, insists as Truth's closest most bestest friend, bin Laden did it.

Gray Ghost

/ / Funny thing noone ever shows pictures of the scumbag Hamas rockets falling on Israeli civilians, but the nooz is full of Palies suffering. Fuck you all I hope Israel exterminates the vermin. \ \ He can advocate the MURDER of innocent people for the neocon liars, and Google doesn't destroy his account?

Remember Zionist Nazi Israeli started all their murder rampages against Innocent Peoples for 'free' welfare money, as broke the truce with, IDF funded Hamas on Nov. 4th. They have been indiscriminately bombing People with excuses that never do add up. Example: Nazi Israeli stated they were in the right to murder ANYONE

in a car or truck in the entire nation of
Lebanon, (especially in the Jewish communities)
because like enemy "Gray Ghost" would say, all
those innocent Peoples deserve TO DIE AS MURDER
VICTIMS for his sadistic ungodly pleasures.
Remember, Nazi Israeli didn't mention this until
thousands has already been murdered, then even
still, without radio, TV, or newspapers, telephones,
or sky writing how were ONLY THE INNOCENT JEWS
as officially targeted to know? Then the seven
million land mines to kill innocent kids for
generations. To the enemy of Life, Gray Ghost
it matters not that Israeli started the conflict
by sacrificing nazi vermined trashed as Satanic
dumfuk enemy soldiers sent across the border,
to Grey Ghost, all it knows, is Justice must not
be allowed to win this game for our human race,
for he would be truly seen as a sadistic enemy
of Freedom, powerless, or rightly dead for
his proud treasons against life in this universe.

ZIONIST DEMON LIARS TO SHOW HIT ON TRUCK FULL OF ROCKETS ACTUALLY HIT
TRUCK FULL OF WELDING TANKS
http://english.aljazeera.net/news/middleeast/2009/01/20091117737115874.html

Please John begs all People's of Humanity,
Americans do not have the courage to even speak
concerns for their dying as evil state of godless
private banker ruled blind tyranny. 'Duh, yeah
give billionaires trillions, trillions, TRILLIONS
to help the poor homeless mothers poisoned by
FoxNews CRIMINALLY.' Gawly je, I dunt no y dat
detnt work-ed' - o wel, cary ohn my wayward Son.

Livni: Gaza truce would give Hamas legitimacy

See? this is why NAZI I$raeli thinks they have
an excuse for bombing people indiscriminately
to break a truce they signed on to. This isn't
a one time, maybe two time occurrence, but every
time in the last 60 plus years the zionists
aligned with Hitler have. Satanic enemies
of Humanity.

ANTI-SEMITE is FoxNews every time they assault God
with "Israel, the Jewish State" to torture, steal,
and murder.?. ANTI-SEMITE!

The Ungodly Zionist - a report from the front

/ / The most recent victim of Israeli airstrikes
was 10-year-old Ismail Hamdan \ \

To the Satanic enemies of Man, the Ungodly Zionist, an innocent murder victim's life can not be allowed a defense such as the charge of first degree murder against Netanyaho because, he states no Justice to any who believe in the Jewish cause, as Hillel, of freedom as Liberty for all. If Jews ran Israel, Netanyaho would be chastised publicly by the Humans, for sanctioning the criminal acts of first degree murder. The nation of Nazi Israel STEALS Peoples HOMES. What other nation on this Earth commits such willful crimes against innocent Human beings OFFICIALLY? Steals homes from god loving innocent folks and labels it our 'Justice system'? Who? Neocon Amerika, the nation that gave trillions to bankers recently on only prayers that their gods will maybe lend some of their own money back to them at high interest. But alas, evil is the deceived disguised, as in their deep ignorance of money and virtue, they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else with charity? it's the amerikan way. Instead, hate the wise socialist who designed a working good traffic signal system, where lives are saved and congestion is eased, or hate the white man, the black man, different People. But never Mr. Bush, Mr. Cheney, or Rumsfeld, the neocon traitors who closed criminal investigations immediately after the crimes of 911 occurred, who doctored the NIE to con America into death, and never slight the trillioniare private banker gods, who have stolen/taken our public authority through war criminals in Congress. Taken from all others to bring us a much poorer world suffering due to our speakings of contempt for Justice as christians in America - who claim in silence only indignation for real Christian families robbed or murdered Officially by the zionist state of ungodly Israeli, paid for by dying America. Americans refuse to raise their phones for the arrest of the bushmob for capital mass murder, so, what's private trillioniare bankers walking away with the entire economy in free fall going to do for them, when they are already to death for the glorious Zionist Neocon thieves of Civilization? Proudly in hatred for Innocent Humanity. Again, Hamas was founded by Zionists in the IDF, to kill Jews for money - public record. Jews starve near death in Garbage dumps of Israel, all because the Nazi Zionist UNGODLY government

states it is beneficial to starve Jews, for, they will receive more humanitarian aid THEY can use elsewhere. Public knowledge. Zionist liars murder innocent Jews for money, like they did in Lebanon, and like the zionists did on 911 by forbidding the pursuit of the terrorists by following the crimes scene leads at the real murder scene. Unjust enemies of Man.

To arrest those responsible for 911, we are going to need to form a public warrant for a person or persons. Bush and Cheney are guilty of closing investigations on 911, treason, called obstruction.

UnHoly Nazi Israeli Racists are Greater than the censored words of Messiah!

IDF's YouTube Gaza channel to Correct Ourselves

/ / it will disseminate footage of precision bombing operations \ \

Precision? They dropped seven million land mines in Lebanon, after having seeked out where the Jews lived, (Northern Lebanon), and murdered them firstly! JEWS. They, as enemies of God, like those of FoxNews, will refuse these type of FACTS on their hatred for Love and Justice. Their hatred for Jews, real Jews, like me. Understand: American baby formula has been contaminated with poisons, and FoxNews doesn't think it's important to their corporate responsibilities to kill ourselves further for profit. The Zionist will murder anyone just to steal your belief in God as Love. They HATE me for being wise and Just. Hate. For, why wouldn't America support my demands for open radio communications on the Coast to Coast radio network? Americans would rather murder Humanity before Justice succeeds beyond their illusions of grandeur through the mass murdering of ourselves for stolen gains. The banker does not cover our loans! Giving them trillions for free unquestioningly is dumber than rocks. Enough.

Fake Rocket Attack
http://xymphora.blogspot.com/2005/02/fake-rocket-attack.html

Remember however, the Zionist has no qualms about killing Innocent Jews too if it means Americans will get it more free welfare to murder ourselves. They openly STEAL Peoples

homes in that nation run as thieves don't
You know? Or as it is just open public
knowledge that the Zionist excepts that
911 was actually a good thing for them as
war criminals reaping the cash rewards for
continuing capital murders?

/ / Ehud Barak promised that the war would
continue ï¿½to the bitter end.ï¿½ \ \

That is you there Barak promises to end
bitterly as the innocent the demon targets
for ungodly murder. How could ANY REAL MAN
steal food from a Christian baby? How do they
do it?, as the inhuman. (Like bushite do in
Iraq, while on CNN in interview tell US, they
are there war criming for neocon traitors to
steal everything as "helping the Iraqi
children". They offer no clean water, no food,
just indiscriminate bombing campaigns of evil
incarnate. True fascist nazi enemies of true
freedom in America who advance censorship to
anyone like myself. Why? They lose. They are
not men but Satanic enemies of the King to
Jews, the Messiah. I Am. Thieves to the
scriptures of Hillel, and of Moses. Thieves
to the intent of every true religious person,
for God is everywhere. God is the Word, and
the Word is Holy. So, fuck you and die bushite
nazi traitors to American Justice, those of
them who refuse US open free words to resolve
their war criminal behaviors as is done in
godless Israel today against INNOCENT
Christians. Done before another innocent other
has our homes stolen, or is murdered by the
lawless grunting bushite dumfuk enemies of
Jesus Christ. I am King already, always have
been, always will be. Live with it. The Koran
is filled with great understandings on this
relationship. Christ is mentioned more than
Mohammad - and Mary can be understood as the
mother of all being before we are. a virgin.)

Look humans, you've
had your fun murdering yourselves, now the wise
people will compete for bettering ourselves by
understanding. Who the fuck are these illiterate
monsters at CTV national television? and how can
they willingly keep our soldiers in the dark dying
that way by simply smiling? Are they experts in
anything? are they respected researchers? writers?,

politicians?, civil rights lawyers? - do they even respect ourselves enough to be warned of vaccines? NO, instead they LIE with such contempt for Humanity I am surprised Canadians, don't speak out more.. perhaps they do, it's just CBC, CJOB, and the Winnipeg Free Presses of our World make no attempt to inform ourselves about it. They don't take my thousands of calls, how about Yours?

Life is real to know, if you seek, and not go so freaked out as Living is as it always has been. Knowing God is cool, 'amazing', yeah, whatever, but we are of too this real world suffering for our lack of respect for a wise person speaking. I WANT FREE PUBLIC DEBATE FOR JUSTICE AS ALL INCLUDED. Now really, is that too much for US to ask freely? What say you Googler? Afraid I will truly make your banker gods look like fools?, the gods we all give more than half our lives to for nothing? Don't want to look truly dumb as deathly ignorant, so censor US all themmers you are too in command of your Fate. So be it. See? Stand in. I didn't even really do anything there, yet it's written, it's done. A Miracle! Imagine: your Christ! YOU. now what are you going to do.. time is ending for you remember, now what are you going to do? Will you pick up your magic phone and call likewise for Justice denied, or will you crawl up on your cross and die in silence for the glorious Zionist aligned with trillioniare private bankers and Satan? Christ is of all peoples. Your on a mountain.. You've raised yourself from death already, and your here to do something greater for the love of God.. what's your plan for the common man? Welcome to the real world my friend.

Morpheus 'Nobody can tell you what the Matrix is, you have to see it for yourselves. .. all I am offering is the truth Neo, nothing more'

Lawless Police to Defend Who Again?

They Call it Terrorism

"Israeli nazi enemies call bombing people, like they do without apology, terrorism. What can't you figure?"

CNN TODAY

/ / Stand down 'Christian' nation. It's
not your babies. Ethnic cleansing is not
a 'sin' as long as the 'chosen ones' of
Israel do it. \ \

Israel, the nazi enemies of God nation broke
the ceasefire on November 4th. Now, as demon
liars claim they want to honor a ceasefire
again to further steal ourselves from the
Love of Justice. Why do the godless Zionist do
this always as first degree murderers? Because
they can't win an open debate on their treasons
against God and Man. The private bankers DO
NOT cover our loans. Again, these SATANIC
ENEMIES OF GOD dropped seven million land
mines on Lebanon while target killing JEWS.
INNOCENT JEWS. Targeted. Northern Lebanon,
look it up. Israeli MURDERED Jews. Innocent
Jews as targeted for more stolen charity. I
again, beg you to support my call for war
crime trials against the bushmob, including
CNN demons who report a total contempt for
YOUR life dying. Your call loser.

ISRAEL: No civilian casualties in Gaza!
http://uk.youtube.com/watch?v=RlZd3vR6Kzk

Satanic enemies of God as anyone included.
Think: who buys these demon lies to steal
further from our innocent Humanity? Zionists
do at CBC and CNN, who will murder America
by openly lying to destroy freedom. Example:
CNN reports Georgian nazis who targeted
children schools, churches and threw grenades
into our homes to murder as minions for Satan
are called freedom fighters. Just like the
Third Infantry, the new lawless police officers
of California, who can't be charged with rape
for example, because ONLY Rumsfeld can okay
such prosecutions. Hey who cares for Iraqi Rights
right?, for TV America's CNN with FoxNews and
George Norry doesn't, for it's only American
women and children now right nazi enemies? And
WE ALL KNOW, cowardly America refuses to even raise
their phones for these dying concerns. How can
George Norry continue to live happily dying
America for the neocons? How? they let them.
Alex Jones thinks George Norry is just
fantastic, so no, don't encourage the NWOers
to demand free communications, because if we
did, Alex Jones and the like, would factually
look like the idiots he is. (better to die

America than face this foolishness?) The banker doesn't cover our loans, we do Alex. So giving them trillions in American worker wages is a bank robbery in progress. Simple. NOT a diabolical ingenious plan, we, the simple folk can't figure without the Alex Jonesers geniuses of thought control developed by the CFR, builderberg, the Boners and NASA.

Obama stated all lawless soldiers who war for godless Zionism are heroes, which includes South African death squad goons who murder my nigger friends. AEGIS. I call them lawless enemies of God, deserving death sentences to save the lives of their next innocent victims, Obama calls them heroes warring for the escape of the neocon traitors responsible for 911. Who are you going to believe?

Look, I plead

http://news.bbc.co.uk/2/hi/south_asia/7771243.stm

/ / Calcutta police arrested Mukhtar Ahmed for procuring SIM cards for the group without knowing that he was an undercover operative.

He was on a long-term mission with police in Indian-administered Kashmir. \ \

His cover was blown?

This is a guilty\accused party to the offense, and blind men of state plate, 'we're going to maybe let him go, so they can start a war of mass suffering and death.'? Who is "we" enemy? Why is this story not where it should be? Who's interest does it serve by further dying Humanity to: we don't care about not stopping terrorist crimes in progress then? Don't be a Nazi. Why? Just because. THE 'suspect' WAS IN ON THE MASS MURDER OF US. Justice for All there you nitwits. Under who's command was he working?, and does Condi figure in there some where by sending TV America elsewhere? Who is set to gain money in the planned indiscriminate murderous bombings, and let's try, then execute them instead of US as innocent victims how about? King of Earth I am,

An American Patriot

In a Normal World

IAF plans to hit targets in 24 hours
http://www.nation.com.pk/pakistan-news-newspaper-daily-english-online/Politics/23-Dec-2008
/IAF-plans-to-hit-targets-in-24-hours/2

"General Mullen is pressing our authorities to
allow India to hit certain targets,"

In a normal world, Mullen would be questioned,
then arrested, tried, and executed with Gates for
trying TO KILL INNOCENT PEOPLE for cash profits
stolen from God's America. But the nation is filled
with cowardly know nothings.. how do we know this?
They refuse to even pick up their phones to complain
about DYING needlessly for the un-elected Zionist
neocons. The TRAITORS who did their part to carry
out 911. America only PRAISE real demon George
Norry who openly lies to the ears of America, while
advocating the indiscriminate slaughter of all
children in around 15, because he claims, that way,
you reduce the risk that they might sometime in the
future own a gun to kill himself as a REAL bad guy.
These REAL monsters will kill your American kids for
cash. Why? Because YOU refuse to even raise your
phones for concern. It's "just" your neighbor's kid

who'll get the vaccine shot filled with toxins, drink the American Milk, chew the bubble gum, eat the Campbell's Soup, or drink the tainted water. The poisonous water containing sodium fluoride is in soft drinks, beer, and bottled purified water costing near 3 dollars that Pepsi openly confessed, they just get right from the poisoned public taps of Boston, unfiltered. TV America? where are you man? Why do you still refuse to raise your phones? You go in faith WITHOUT science, with reason?, without God, or even crave my words as the Great Son. Why do you forsake yourselves? Are you not worth the effort to say your own lives are worth something too?

Charlie Manson "Yes, your honor, I did authorize the killing of Sharon Tate and the rest, but you know, we need to focus on the future rather than the past!"

Bushite Nazi grunts of the Air Force have bombed more than a many innocent persons, claiming we as Humanity can't hold them to account for their murderous crimes of STEALING our lives. It is an oath soldiers give to obey lawful orders only, yet, a bushite's word means nothing. They bombed Samara for no reason but to die. They bombed Fallujah for no reason but to die. No honor, no courage, no manhood.

will destroy God's Good Work for Justice
in our times, while they make of as terrorist
thieves.
It's not that we're Jewish, it's that they are

Cheney worked immediately after 911 to close
police investigations, as so reported
on Meet the Press, with the late Tim Russert.
Simple. Or cowardly like Alex Jones call him

hid away in far off places, manipulating to
secret out the blind idiots who don't truly
believe in elementary logic. This isn't
complicated.

Bernard Madoff -- The $50 Billion Thief
http://www.youtube.com/watch?v=0IhJJXjxmHU

This spot where the Jews laugh at law men,
then get all their life savings stolen, is
THE classic in the halls of Zionist History.

Some say, Christ, the Jew, is a law man
too don't you know.

This is What Americans Are?

/ / the United States has refused to sign
a declaration presented Thursday at the
United Nations calling for worldwide
decriminalization of homosexuality. \ \

Again, this Zionist infiltration is
designed to divide our populations through
demonizations against the Innocent. There
is no crime in loving people despite what
GCN advertizes.

"The concessions made by the Olmert-Livni
government to the Syrians do not and will
not obligate a government that I shall head,"
Netanyahu said. The concessions of indiscriminately
murdering US repeatedly? Understand to know:
The Zionist is a Satanic demon enemy of Humanity
according to God, in the Bibles all timelessly.
Netanyahu, the demon, is so ungodly as evil
criminal, he will likely "win" Istraeli the Zionist
election on a public platform of godless tyranical
theft and murder. Remember, Israeli Zionists
funded the creation of Hamas to kill Jews in
Israel, and TRUE Jews also live in Lebanon, Iran,
Etheopia, Canada, and the North Pole, and we're
the "niggers" there too that Israeli despise -
like as they who PUBLICLY supported South Africa's
oppression of Innocent South Africans for stolen
monies. Satanic I tell you. Don't believe? in
innocence? That's the power of Peres, the devil.
Evil a zionist criminal is proudly. Peres will
tell you, all about when Zionists target to murder
little old ladies as he did on Larry King, it's
really not Satanic, because they'll blame the
murders on someone else completely different,
as US, the innocent. blatantly. In your face.
While CNN goes, uhuh, gotta kill those Jews in
Northern Lebanon. As Syrians too! Israeli dropped
seven million land mines on more than 170 towns
and villages given to them from Condi! a godly
nation of Jews? ANTI-SEMITE is FoxNews everytime
they assault God with "Israel, the Jewish State"
to torture, steal, and murder.?. ANTI-SEMITE!

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

MY LIFE HAS VALUE

"You can't count on Congress or the Courts to save yourselves"
Ron Paul - The oUtRAgiOuS fUnnY MaN

Ron Paul is a traitor. He didn't support arresting
Bush for 911, or for the killing of American teens by
doctoring the NIE. Now, Alex sells Ron Paul, is
his leader of OUR truth movement because he says
there's nothing he's going to do but blame poor
people, or socialists,

"The Liberals and the Socialists, along with
the Communists and the Gays, with the Muslims,
and Community Organizers with the freaks different
that me did the murders", said near all the retard
bigot Conservatives blindly false accusing.
Example: Condi says Pakistan's ISI committed the
murders, the FBI says no, there isn't a scintilla
of evidence to substantiate that. Condi says
Pakistan's ISI FOR SURE did the murders, the FBI
says no, there is not a whisper of fact to form
that conclusion. The "Army" says for sure Pakistan
did the murders, the FBI says no.. There is not
a thread of fact a zionist offers to form YOUR own
mind in respect for your rights being equal to ours.
Condi only tries to hypnotize the "Conservatives"
into believing something without understanding,
without knowing. Sean Hannity does this everyday
on purpose to kill innocent American teens.
Conservatives are universally ignorant People,
and sometimes, serious war criminals like Condi.
Taking US off the target of following the crime
scene leads at the real murder scene. The
"Conservative" mostly doesn't have the mind to
understand Justice is freedom, like the NWOers,
so they false accuse US as Innocent others, for
crimes they don't speak for as Our true defense.

I'm counting on you kids eating right, and
knowing you belong free here. I'm King Johnny.
Hi.

Anyway,

Imagine: Alex doesn't ask 'hero truth
teller' Ron Paul for a million or three for
advertising on Bush and Rumsfeld's prior plan
to invade Afghanistan for Enron. Why not?
Who's money is it still anyway? Ours. In
God we Trust. Wanna see a card trick?

I can FIX Monstanto's GMO assualt.

How? by understanding the science

(look for works I've done A DECADE AGO FOR ANSWERS -
Google however has removed more than 20,000 documents
referencing my writings as of last month - do you care?
That a man such as great as I, will not be allowed to
give my works for free to Humanity any longer? -
People of Earth: undertand, many in America say YES!
here, because they truly HATE Humanity's cause of
Liberty and Justice for ALL. Google closed my
Jew_Boy_Johnny account, all because of vermin like
"shitskin Moslem", who openly message in the
hundreds daily for murdering innocent Moslems,
who pirate all of Google Groups with racist
nazi slurs, just needs simply complain I am anti-Semitic
- The Son Of Man - no trial, no questions, no answers!
I can not post more than three times every four to six
hours, otherwise, they close my accounts, while at the
same time then, go through years of my writing to
sadistically destroy more. They figure they have
something in our Courts to support their treason of
assisting in mass murder against America by Zionist
theives who steal the title Jew, as in godly? while
shitskin posts hundreds daily pirating everyone's
threads with his EVIL hatred for God and Humanity, if
not even more from Israel) Not the Alex Jonesers way,
but the actual way logically understood as where the
problem resides. DNA, as is life, is multi-dimensional.

Where is this
"Christ" that CBC, CNN, GCN, and RBN harp on
that speaks nothing for real Justice to the victims
of 911, or Iraq, or Afghanistan? Or the children of
South Osettia? Alex is near fit, but he is far from
sufficiant. Jack Blood was great, but Alex we guess
doesn't want him looking like he Rulez like US
too though. RBN has it's moments, yes, I guess that's
true.. Things do seem to be improving, what with
all the torturers and rapists wanting to come home
as brain damaged Zombie police officers. They don't
want the laws of freedom though, too complicated.

They'd rather hunt down our families from the sky with bombs actually.. fuk, I hate EVERYONE in America's Air Force, every last evil fuk. They watch these videos and celebrate their complete indiscriminate murderings that get killed so many GIs - they celebrate the slaughter of our innocent Humanity . George Noory will kill your American kids, have no doubt, for, he already has.

CBC and CNN only smile to tell you all the great things they do by denying OUR Humanity these truths.

America is a cowardly evil nation desperate for excuses as still being run under by zionist thieves.

Israeli Settlers call Ethiopian Jews "Niggers"
http://www.ynetnews.com/articles/0%2C7340%2CL-3633163%2C00.html

This isn't isolated. The Jews of Ethiopia, are the actual Jews of the Bible. These monstrosities that God knows as Israeli, are Satanic enemies of Man. They steal our homes, rape or torture our INNOCENT families, and bomb Jews as the did in Lebanon TARGETED as an OFFICIAL function of their evil "government". They actually, a few years ago, gathered all the darker skinned toddlers, and murdered them as an OFFICIAL government of SATANIC action. More than 100,000 "Nigger" toddlers, Jews, they murdered with radiation poisonings. Officially. Now, Americans GIVE them money to bomb innocent Christian families indiscriminately guilty of nothing. They steal their desperately needed food and medicine. They are thieves of the most vile evil natures. Example: the Zionist who STOLE 50 billion dollars from American Jews will not be ordered to give back the money! Sure, they tell you that SOME of the suckered Jews, will get a small portion of their investment returned, but only through the wages of American citizens, NOT by the Zionist THIEF, T-H-I-E-F, who you are told OFFICIALLY "lost" the money. (will he even spend a day in jail?) He lost it, ah shucks, just like the trillions "lost" to criminal trillioniare speculators. And like the banksters, who never covered a dime of the money for the fraudulent loans, but get to STEAL your homes, and now wish to charge US a renter, for a home Americans, the illiterate suckers, actually paid for, and will continue to until they speak above the

laughter of a George Noory, or con man Bill O'Really, the true demon enemy. Or will instead? cowardly, will go like Alex Jones, naw, George Noory is a good guy, a happy guy, sure he speaks of the enjoyment in slaughtering defenseless innocent children, so what?, he's pleasantly happy to state all is well going ballistic against soldiers who refuse criminal orders from the Zionist neocon. Not a fuking dime!! Understand, this isn't just a, let's get the info out for People to know as Alex Jones sells to near overdose.. (we are mere mortals who work nine to nine Alex The Great.) CBC managers, all of them, have known since shortly after 911, that Bush and Cheney closed FBI investigations, they know that iron is on video flowing like water from the towers, THEY KNOW THIS because I personally told them. Yet, they smile as demon liars to die our teen soldiers CONNED deliberately. We need some serious police action in arrests of treason against all news celebs, who of course will get lawyers, (what they deny in happy silence to not mention against American torture victims) but will be shown conviction for their real contempt for the value of YOUR life my friend, our lives they watch indiscriminately die for lies they sell happily for stolen cash profits.

I hear the magic money bag guys are in running the show from our central banking offices, in as a debasing culture of indifference to their own cowardly sacrifice. That's if we believe what we know of the fictions they sell ourselves. Georgia, Iraq, Afghanistan, and so on.. they lie to our world for criminal gains, gains they've seen near to overtaking them. Demand the arrest of Bush and Cheney for closing criminal investigations on 911 immediately after the crimes occurred. Then, without evidence, falsely accused an innocent man of the crime. A crime they knew enough of,

This is why it is outlawed by the American Constitution(s). Demon thieves must not be allowed to command mindless grunts who shoot people randomly for fun. As AEGIS and Blackwater, KBR enslavement camps along with Campbelli¿½s Soup, is in part, their acceptable Business partners, warring Humanity as US innocent for stolen profits with poison. Teen grunts are admittingly from any you honestly ask, portrayed ignorant low life failures, drop out bushite vermins who want to in turn, victimize the innocent as they accept America, as them, must tyranny as cowards for traitor war criminals. Criminals like them in Afghanistan, who openly defend poppy fields to imprison American citizens say nothing on their trailer trashcan talk, internet forays for blatant complete disregard for suffering Mankind. These grunts of far off military dictator shipping nations, that the TV neocon wants patrolling our Americans streets, don't instead fight proud for our honorable Police Service successes - of whom play our Freedom game for the law books sighted as rights heretowin. A force that claims they are lawlessly un-accountable, is a force of evil against our great lands. Friends, they hide nowhere in darkness, ready to be exposed for Public questioning. Soldiers were caught dressed as al-Qaida, murdering police officers, and when they were in jail, awaiting trial, the bushite grunters, broke them out!! Lawless enemy world of enslavement though naked ungodly tyranny?, or American Liberty as Justice believed for the victims of Guantanamo? False capital accusers who take our concern awry are our problem in fair Governance here, when we understand this, we will have conquered the world as the new orders. No evidence, person

innocent. Torture? fuk you and die then. These

Give Free to Banker.. Loan Back Maybe? Paleeze..

Why We Do the Things We Do

Sales pitch: Mankind takes on the world as One
with the calculators. Civilization DID happen!
Correct math scores are not impossible to find as
an answer to: why we do the things we do. Americans
gave private interest bankers trillions on only
Hopes that these, the most obscenely wealthy of all
the upper classes, are going to graciously lend
some of our own money, (we just gave them,) back
to us... in dire need. at interest! It's for our
benefit baby, don't you cry. This is just plain
dumber than rocks Johnny Wizard says okay. And
simply going to a gold standard is not the easy
made NWO answer, it is accounting for ourselves
that is going without questions. The private
banker is highjacking our public authority for
their private interest of exploitation.

Our governments are not holding Private Bankers
to some kind of public authority to question who's

interests are being devalued here. This is why the thing has been messed around for so long, We, the People, have been too foggy on super basic math skills as pronounced by, truly effective Jewish leadership. "The Private Banker DOES NOT cover our loans, we do." Read that again now. And acknowledging, we, as conscious, can succumb to suggestion without knowing what we are even saying sometimes really. Everyone wants to play the lead, but few are wanting guitar practices.

It get's easier as you try..

Answers: we need a tax on every buy and sell to limit speculation in the stock markets as it was prior, while openly discussing how the investigations are going, in returning the 700 mill that was given through for another means by Congress. For the private bankers to take that money elsewhere, is to neglect the problem persisting of home owners, and that mortgage issue they forgot US about. Why Americans desperately, at peril, gave the money to begin at. Look, while arrests are transpiring, we'll then discuss using the re-cooped stolen money to finance all remaining mortgages on family homes at zero interest levels, upto, let's say for now: $500,000. It's an idea I'm putting out there to dialog on with you guys and Obama. Obama!! How's it going!! Hey man, we can work it out.. You don't seem like an impossible person to reach. Hey, make life interesting in ushering in a new peace plan by communicating. Now I know your all pals with everyone as government, as that is what a successful politician can do sometimes good, sometimes criminal. Obama, we can't let these con men go. These have been times of lawless wars against God as indiscriminate bombings, of torture, of slavery, of heroin pushing, of national looting of a Peoples Treasures. How much is too much for you my poorer brothers and sisters of the faith? Obama, let's believe in ourselves. These bankers are stuck crooks for no faulty but our own. It's still our money however.

King Johnny Earth, White House Jester. !

Our dreams have come true... Boo!

Top Cop Johnny Judge rules: Ten years in prison.
Maybe fifteen if the dumfuk grunt, back from the
war against Iraqi children as a traitor to American
values, shows no remorse for his crimes against an
American women either. Absolutely any cop or soldier
who disagrees as true contempt for our freedoms with
punishment against this nazi trash pirating our
police uniform, WILL WARRANT death sentences all
around to ACTUALLY defend liberty in my America.
Any American father who prides in killing innocent
Iraqis for the escape of the neocons for 911 is no
father. And a wife should get the hell away from
a male who enjoys murdering helpless innocent others.
Children in such families should be challenged
by relatives through the Courts to save the lives
of our endangered offspring. Again, without water
or food, Iraqi children are murdered by Neoconner
grunts irrationally everyday with nothing to say,
aka, without reason but as Satanic Bush whores, to
make our God as Humanity suffer further for their
escapes as actually selling freely, lawless zionist

these savage grunts who on video, indiscriminately
shoot innocent families, or bomb a city entirely,
executed by Christian Patriot firing squads? or
televised to fry in the electric chair for these
documented war crimes? I sure would. It would make

our world a much safer place to raise a family

crimes against our Humanity. Hunted by Johnny Law,

UK judges accuse Obama Administration of suppressing torture claim
http://www.timesonline.co.uk/tol/news/uk/article5661291.ece

Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits
at the terror scene. The case was lightly reviewed
at democracynow, a year or two ago, and can be
found by searching for a grunt pretending to be
an ambassador to Romania. A case where the Judge's
life was threatened by a "General", where if he
didn't order the death of the innocent American
citizen, the grunt with the General would murder
US all right then and there. The Innocent American
was murdered as forsaken for value shared by
free men.

tried, then executed in America to defend American
children? Unlikely, because it isn't as important
as how fat Oprah is today, or as Alex Jones the

are responsible for every criminal action against

Bush who told US Saddam wouldn't let the inspectors

dumminess, but here is one example. Alex states
911 truthers were attacked in a TV show as NWO mind

U.S. partner, not Hamas, firing rockets into Israel
http://www.palestinianmothers.com/profiles/blogs/us-partner-not-hamas-firing

/ / The probe found the Islamic Jihad rockets were
actually fired by Fatah. \ \ Whom Israel in response
to the confessed by all to be true facts, murdered
innocent Christian children in Gaza as war criminals.
Actually claimed it was regardless who shot the tin
can rocket that struck no one harmlessly. Again,
Nazi Israeli responded by murdering innocent Christian
children as war criminals with "disproportionate"
force. War criminals who murder Humanity to steal
our shared values.

-

Dennis Kucinich "Israel is Killing Children With Your American Tax
Dollars"
http://www.youtube.com/watch?v=HrtPpk6nhF8&feature=related

Israeli openly admitted that they targeted those
innocent Christian children for MURDER - as -
continuing "disproportionate" force in our names
as enemies of God and Humanity. They are not Jews,
but of the evilest group of lawless nazi savages
pirating the government of Israel away from US Jews.
I demand open debate in America, and Americans refuse
me by not likewise demanding international coverage
on the Coast to Coast radio networks. Let's change
this by communicating.

Ceasefires, Israeli-Style
http://sjlendman.blogspot.com/2009/02/ceasefires-israeli-style.html

They admit TODAY, as yesterday, and last week, month,
year, decades, that they target completely innocent
people for murder to punish Humanity for believing
in God as Just, or real freedom understood as practiced.
Libertarian couldn't give a shit on a issue such as this,
that they keep everyone ignorant of through hypnosis. Israeli
openly admit to thieving innocent peoples homes, to them
be sent at gun point, to live in a concentration prison
death camp.

http://www.davidduke.com/

actually boasted of his power to order the U.S. President
as one would a dog. \ \ and all American men can't for
some god forsaken reasons, can't for their lives, phone

guy" for aiming to go ballistic against every American
who refuses criminal orders to destroy themselves.

Obama set to allow Bush-era ï¿½torture flightsï¿½
http://timesofindia.indiatimes.com/Obama_set_to_allow_Bush-era_torture_flights/articleshow
/4067338.cm

What the fuk eh? Doesn't Obama know this
crime warrants death in America according
to the war crime act? Does he believe America
just will never have a chance to speak for the
interests of US as innocent Human beings he is
planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember
corporatist Amerikan citizen, these torture victims
that include children as younger than a hundred, had
not been alleged to have ever committed a crime in
their entire lives. Victims tortured to death for the
pleasures of those Satanic, such as General Geoffry
Miller, who tell US today as confidenced, they do it
because, patsy wasted American soldiers will just refuse
to hunt them down for formal executions. Let's change

this for our Humanity in this future, to look back,
and know, American males were men of the World, who
stood for the principles enshrined within every living
Constitution. A free man shall not be jailed, or
tortured by anyone in our names as Governed, without
the perpetrator tried publicly for execution as our
Love of real Justice. As first degree mass murderers
warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of
the Good old, Red White, and Blue. Count me at
our words on this, I am,

Ungodly Israeli Nazi LIARS Continue to Murder Children after "Truce"

A truce means nothing to Hamas?, who states
much of no complaints as in support of Israeli
Nazi lies, why? Have you seen where a blimp is
traveling about five miles an hour, fire bombing
thousands, and none have even a pullet gun, never
mind an Iranian rocket launcher to shoot the Satanic
demons down for God as Love? Why doesn't Hamas
at least admit, like an Israeli General has,
to be funded by Zionists for cash gains paid for
by Zionist Amerika? Why? Why is it that Hamas
suffered near no loses, but all the Cops who
voted who knows, died murder victims trying to
defend our family from Texan child rapists?
Along with thousands of others targeted as
innocent Peoples? Targeted. Why? Nazi Israeli
broke the truce!! THINKTHINKTHINK Demand coverage!
Hamas certainly isn't. ..maybe because they're
illiterates on the Cause of God's Will being
Just?

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies
of American Liberty are eh? No concern whatsoever,
for all the teen soldiers conned to die for those
who committed 911 in NYC. The millions of bombing
victims, the tortures, the rapes of American women,
STILL, TO THIS DAY, left undefended by "the law".
Evil enemy of everyone these demon fuks are. How
difficult is it, to understand the facts they feign
complete blindness on? They WANT to con you as the
coward to life they are, willing to kill America to
make their antiChrist lawless enemy Mr. Bush happy.

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&
scoring=d&

Huh? "at last been disarmed..." ? How does he figure?
The equation hasn't changed. Example: The same
unaccounted anthrax, (that was disintegrated into ash),
still is not able to be measured as completely accounted
for, (never could be), but this bushwhoring war crime
apologist, tells US, it was only though the lawless
murder of our good friends and family for countless
generations, that he now attests without reason, or
evidence, to find Iraq in "fact" disarmed of it's still
nowhere to be found, weapons of mass destruction. (An
irrational reason he pronounced previous in corporately
broacasted public support of instigating heinous war
crimes against our humanity under the leadership skills
of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron.
And, the Iraq war is a war crime. But Ron, the
Fascist, doesn't want THESE FACTS uttered. Why?
Because wiser men would prevail, wiser men like

me who understand buying in bulk is cheaper. Those like Christ who understand, who KNOW, the banker doesn't cover our loans - so why give them as much as a taxed red penny?, let alone trillions as officially unaccounted for? They are stealing the cash Ron. Ask yourself: Why has Alex Jones forbidden his bushwhore cult from understanding Bush doctored the NIE?, or of iron flowing like water from the towers? Because wiser men would prevail and he can't have that. He called shooting innocent men in the back, an act of liberty. I, an actual god, unlike Alex, lie near never, but maybe to myself when I'm lonely. Alex yes will tell you rapists are free to do what they will in Texas to American children, un-arrested, but he won't mention it when the police chief is with him on air, talking about how he'd like to be exempt from traffic tickets for being so popular. NO MENTION of the rapists walking away without arrests made, no mention of Bush's documented treasons on 911. Where are Alex's priorities? In selling YOU out so he can be wealthy like a bankster?, and have special rights over everyone else that drives drunk, or speeds? a big hero standing over our dead soldiers yelling, I told you so, I told you so, I was right, I was right. Again, understand: It is not by my will to deny open debate with America, it is Alex, and his demon buddy George Noory that denies out Humanity this right. And when people try, like Peggy, or Black men on Jewry, Alex lies cheats and steals our wills for further thefts. Ron Paul's family has millions taken from loyal Alex Jones fans. MILLIONS! Does Ron do commercials with that money highlighting the bushmob's plan to invade Afghanistan, dated two days prior to 911 for Enron? Of course not, wiser men would prevail to expose him as the charlatan charity raider he is regarding Health Care, Social Security, Public Schooling, earmarks.. It is unfair to measure Ron against corporate nazi zionist whores of MSNBC who willing, openly, kill American teen soldiers for criminal neocon gains, as an honorable gentleman's talk. Half honest People like Ron are extremely ignorant on the workings of our world. EXTREMELY. I joke here not. Evil is the deceived disguised - translated - evil people are always dumb.

Corporate America says no, Charlie Manson was a genius, but not, that most Americans are prone too easily to suggestive states where they can be made to believe

anything blindly. Think: what does, "bin Laden did 911"
mean anyway? You should know of what I'm trying
to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by
beating off he knows everything already. And some,
if not most, actually believe him without knowing
squat either. It's sooo easy that way - no study
required!! LIBERTARIAN HELL! Everything is not on
the Internet, where it near should be, but regardless,
a Libertarian can't be bothered to read anyway.
"Free Talk Live" is the best example for this: the
two hosts are unbelievably ignorant on just about
every single subject under the sun, but beat
CONSTANTLY, on how greatly wise they are as drop-outs.
You wouldn't believe any of them when they speak on
Freedom, if you simply understood, an innocent man
does not deserve to be in OUR prisons, or tortured.
Under any circumstances that Obama has excepted for
our excuses. Magna Charta. But in Alex's 'genius' mind,
he doesn't need to actually understand he is a for
sure bigot, (measures another unfairly in a group HE
concocts from blind hate or personal fear - typical
CONSERVATIVE and/or racist) who has no problems with
that at home, or at work. Provable in seconds by
OPEN DEBATE, but Alex ain't gonna take our calls
because, he can't for the lives of every People
person thought of here, admit he could have
something to learn, therefore, the NWO is
unstoppable in his brain washed cult of indifference
to Justice practiced for the benefit of all treated
fairly. Why? He's not wise enough to respect the great
minds of the audience, and I personally believe,
he doesn't even have the good judgment to own
a gun. (I mean, why wouldn't Alex find my stories
of OUR Justice system triumphing by my single hand at least
minimally beneficial to his blind cult followings? to not
hang up on me immediately while spewing lie after lie
on how I'm top secretly a dis-info NWO artist working
for Bush? or whose voice sounds too friendly to trust?
like he has done the last four times I've phoned -
Hey! I can be an asshole if you want - no prob.)
Perhaps it's near because, Alex Jones is blind, and
as such, could actually be found guilty in Texas for
murdering those two innocent black men shot
in the back with his approval to release the murderer
from a RIGHTFUL death sentence prosecution. "law of
Parties". He is a party to the crime, for he worked to
support the release of the FOR SURE, FIRST DEGREE MURDERER.
Sound like an America you could live with? I didn't
think so either. I wanna be Alex's Attorney. Texas is

a State of massive lawless corruption, as dire
incompetence in legal affairs where they OFFICIALLY
plan executions against innocent People not established
to have harboured criminal intent! With Jury Trials!!!!
!!!!!!!!!!!!FINING THEMSELVES GUILTY!!!!!!!!!!!!
While Alex does express murderous criminal intent,
and the Police chief calls him a good man for no
scary pressures. What the fuck is wrong in Texas
where they mess themselves like this regularly?
Imagine, while Bush with the Neocons escape, and
Zionist Israeli target to murder Christian School
girls OFFICIALLY, Alex doesn't want to have to pay
traffic tickets like the rest of US. What a douche bag
to tell he LEADS our Truth movement I say. Now, I'm
not saying he shouldn't contribute with the truths
WE SHARE, far from it, it's just he can't have our
cut off switch to silence our objections to his exposed
foolishness, and/or blatant criminality. I'll give him
a chance, for starters, to criticize any position I take
while we all publically call on ourselves for
assistance internationally. Like on his "buddy",
George Noory, deserving to be tried Publicly for the
traitor he is, and be formally executed after his day
in Court. Our Courts. Teen soldiers have been conned
to die by George Noory for the escape of the neocon
terrorists who committed 911 with Condi, Runsfeld,
Bush, Myers, Tommy Franks, and General Ahmad. AND
HAPPY GEORGE NOORY KNOWS IT - and cons with lies
naked to the ear of any who can listen or hit record.
A NAKED traitor to the cause of Liberty if we ever knew
one regarding the War Crime facts of Iraq. .And
Ian Punnet is an evil godless enemy Bush whore who
lies too to get YOU killed as the innocent soldier
forsaken so don't forget.. It's YOUR life. It's God's
Gift. Now support our rise for popular international
debates to get these Neoconners behind bars
awaiting Public Trials! "Public"thatsoyu!! Get to
the Phone to call someone to care man.. Johnny
Jesus has arrived! Justice Will Be Done in this,
Our Kingdom to Come.

Justice to the war criminals of
indiscriminate warfare would better serve ourselves
to halt for our safety. The bushmob did 911.

Humanity Under Attack by the Zionist Enemy of Life

GAZA APPEAL THE BBC & SKY REFUSED TO SHOW

Not only that but the BBC argued that to show
innocent Human Beings suffering, in CRITICAL
life threatening need of desperate food and
water that Israeli nazi stole, (because they are
unlawful murderous thieves), would have them look
like they were partial to serving Humanity's
interest in compassion for US humans. Over the
Israeli terror Nazi tactics of indiscriminate
slaughter for more Amerikan welfare. Wicked evil
nazi bastards who too, DO NOT THINK IT BEST to
report Peter Powers committed the London bombing.,
Oh yeah, and mercury is neural toxic, anti-psychotics
make us crazy, and sodium fluoride makes us
stoopider while weakening your body for big cash
surgeries - ultimately leading to a profitable
death for dah' winnahs.. So, they, the BBC-NWOers
just needed to avoid the bath or shower,
humidity, Pepsi's purified bottled water product
lines, koolaids, swimming pools, Jacuzzi, Hot Tub,
Sauna, private Whirl Pools, and.. blh blh blh

/ / the FBI says no.. There is not a thread of
fact a zionist offers to form YOUR own mind in
respect for your rights being equal to ours. \ \

Olbermann | Bush Years: 8 in 8 Minutes
http://www.truthout.org/011809Z

Bush and Cheney are traitors to the cause of
American Liberty. To leave them free, is to leave
America un-guarded from further transgression.

The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know
these FACTS that demand arrests of the culprits
responsible for high treason against Johnny's
America. Alex wants your money, and EVIL George,
our enemy, wants your soul stolen for Satan.

Turley: Obama 'accessory' to war crimes if no prosecution
http://rawstory.com/news/2008/Turley_Obama_accessory_to_war_crimes_0127.html

Understand, Alex Jones doesn't want Justice
for Americans because he loses out to better
men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule
the truth we share equally committed to defend
ourselves from lawlessness. And you'll never
rule my right to speak freely over your intent
to sell us all out for monetary swindles, just
like Ron Paul did. Understand: Ron Paul doesn't
even acknowledge 911 was an inside job, or, that
Bush gave zero evidence to form Your opinion.

Alex Jones, the Slave, told US today that
he challenged Bush for eight years - Bushite
lying nazi traitor. Not only that, but he
also ridiculed those who wish to blame Bush
now for anything! Again, he doesn't want
Justice where bad guys can't steal from
ourselves unrepresented. Ron Paul is a
multi-millioniare, made rich by charitable
aid conned from Alex Jones' NWOers! Alex
Jones doesn't have a problem with that, we
do.

Israel to be Judged - Universal Petition

The demon LIAR zionist Israeli is a godless enemy
of Humanity, much like everyone at Foxnews, CNN,
BBC, and the CBC. Our revolution against the godless
bushite shills, will not allow our revolution
through speaking honestly, (to become of ourselves
something greater), a chance to be televised for
our benefits. Bush closed criminal investigations
immediately after 911. According to the FBI and
Senator Dashle. CNN says you have no power, Foxnews

power, the CBC, the same, like Alex Jones NWOers...
but well, don't believe it. YOU Do have the Power.

We must demand open communications to bring back values WE ALL would agree to through polite debate. "Conservatives" don't want this Freedom idea expressed in general terms because, a "conservative" is universally, minimally. a bigot. Why? Life isn't like, their way, - then- all other opinion under the sun on how things actually get done. (Aka "socialist" traffic light repair men, or "liberals" who want to treat The People fairly). Or who we are as equals to our laws fairly practiced. Pay attention to what I am saying here. Liberals can be Dicks with a capital D too of course. But a Hannity couldn't survive 2 minutes with me speaking on his very real treasonous behavior in OUR public arenas. Behavior done to escape the 911 culprits from the long arm of the Law, with his conscious will of criminal deceit exposed, we all learn to better defend ourselves. And Shawn Hannity can't have that for ourselves, he takes too much money from ourselves as talentless by keeping US in the dark dying needlessly for traitors never elected publicly.

Who am I you ask? Johnny Law. at your service. Look me up with usenet to discover, we live in a world of idiots everywhere pretending to be somebody by lying. While I want US all to truly improve our condition by actually understanding how bad off we are by failing to respect ourselves for correction. Too many, know it alls, with not enough to know you need evidence to form a guilty verdict against an accused man or woman. Not according to CNN, CBC, MSNBC, Foxnews and the like however. Let's change this by supporting my challenge for top billing at the Coast to Coast radio show hosting. Look for me coming soon!!

Unseen Gaza High Quality: Part 1 of 6
http://www.youtube.com/watch?v=UeezoWRu1FU&eurl=http://whatreallyhappened.com/

Why is it that numerous visits don't change the view count? What is this business of a=a+1, the top secret, I'll go rhythm, that is way beyond our comprehension in it's scientific complexity? For Americans, okay, but the Human species just isn't this dumb.

While Zionists OFFICIALLY target Christian school girls for mass murder, CNN instead reports that bushite grunts attacked girls in Afghanistan, posing as Taliban. I WILL every celeb at CNN to be arrested, tried and executed for the reporting they have done today without facts. Remember: the Taliban played no part on escaping those responsible for 911, and opened schools for girls, and were brought together on the single purpose to defend women. Death to CNN reporters to LIE for killing OUR school girls. I HATE zionist enemies of Humanity and God I am.

The Torture Ban that Doesn't Ban Torture
http://atheonews.blogspot.com/2009/01/torture-ban-that-doesnt-ban-torture.html

/ / Obama's Executive Order bans some -- not all -- US officials from torturing but it does not ban any of them, himself included, from sponsoring torture overseas. \ \

Is America a nation of Law to Live freedom? Because this SPECIFIC deviant action of Obama warrants the death sentence under Reagan's "War Crimes Act". SPECIFICALLY. Or, is it you falsely believe Obama can do no wrong against innocent people here, where an illiterate nazi grunt, maybe from South Africa, will kidnap YOUR children, and torture them to death for sadistic pleasure, with as they did using power tools caught in Iraq, according to Iraqi government official(s), and several soldiers from Oregon, all because Obama has given an ILLEGAL! "excuse" to NOT support following the crime scene leads at our REAL murder scenes? Again, death to the bushite dumfuk enemy of God, death to the enemies of a freeing Humanity striving for a just society. Obama needs to be arrested for this under the Law as it stands I'm sorry to say my friends. Why? Torture is illegal in all 50 states, (as Reagan directly planned), no matter where you ship the innocent victim to, or from! Read the War Crimes Act, then demand Justice today, otherwise, it's YOUR funeral. Obama wants to secretly torture Peoples here, while lying to US ALL that he doesn't! A TRAITOR! Who also wants to give bankers 100s of billions of dollars more to disappear, that WE pay for, out our door, never to be seen as our own again.

whistleblower
http://video.google.com/videoplay?docid=6546044203900048624

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close
Police investigations immediately after
911 (obstruction), or that WE have video
of iron flowing like water that PROVES,
without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.
Because someone surely would have spotted
him dragging his dialysis machine what with
all the professionalism of corporate news
media coverage regarding our horribly
suffering worlds. Alex Jones ignores the
treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on
steroids. He only wishes. What about
Justice for Americans Alex? Why for do you
forsake ourselves? For money? What about
the lives lost to mass murder, that you
allege to champion OUR TRUTH without saying
much of anything on real Freedom?, on real
Justice like your deviant election rigger,
Ron Paul? Well, no wonder, Alex told US he's
into shooting innocent American People in
the back as a tyrant of evil, a white Devil
if you will. Kids too if you dare look in
his back yard for a copper. See? Now if Alex
doesn't allow US to speak, more and more will
understand to know why. I am a defender of
all that is right and just in this world,
because I don't need to lie like Alex does on
a huge host of issues. I'm more like Jessie
Ventura, in where I don't need/want to lie.

If I end looking foolish, (of which I like never truly am), it's a benefit, because that way, I've learned something. Alex knows everything already, and 'is always right'. Like I say Retarded. You weren't right by not understanding that the banker doesn't cover the loan. One example of easily hundreds. He's a typical, he knows it all, know nothing dumduk American. Hear him on health care speak as Ron Paul does, and know, I defeat them in under ten seconds. TEN SECONDS. This is why he hasn't in years, allowed me to speak more than five or six words. He's rather all America die, than admit he does NOT rule our 'Ocean of Truth'. I want the challenge of opposition through debate to PROVE my skills beyond reproach. Alex, every time, just hangs up on anyone who tries to improve our communications by factually speaking. Why? Because he IS TRULY deeply ignorant on what freedom or Justice means. Why we have law. What a consensus is. Allan Watt is severely disabled in this regard, another Alex Jones favorite. And this is why, Allan can't take calls openly either. He has jerked off with himself too long to quit now learning super basic precepts, for like Alex, he "knows" the inner workings of the 'genius' NWO elites. Not Law 101, not Bush, not Rumsfeld, Not Condi, not Torturers, not bank robbers, rapists, or even petty thieves. Allan Watt isn't a bad guy, he's just a chauvinist pretending he actually knows something, when his real disability is directly related to his absence in understanding understandings. Doubt is a near foreign concept. A challenge for Allan: can you get your 'genius mind' around the fact that Peter Powers did the London bombings, and not the Illuminati of 1463? and if not, why are we so dumb to our present plight that way? Don't get me wrong, Allen has much to offer, it just isn't the issue right now on saving our dying futures. Maybe I was too hard on Allen, he is really actually kinda cool. Alex Jones too has many incredible moments of ecstatic clarity increasing in all they joy of seeking enlightenment. .. Ok - but this is serious business that requires little dilly dally with what we'll have as a side dish in Paradise Lost. We are talking Human Lives have been destroyed by our inaction to remedy these failures to communicate

effectively. and.. Jeeze, the weight of my responsibilities, as just plain John, being a/the Legos Man - for like the Family and everythings, get's me never forgetting, all we got are these words left dormant from the power they truly possess in the minds of the wise asses. And.. here I am. I'm a Talker of Words looking to make a break in the NewZbiZ. Zzzz... Alive We Say! Alive!

King Johnny, from Earth, has come for talks.

People who know they defeat all "Conservatives"

eventually rule the Universe, if CNN, CBC, and
Alex Jones allow open communications on what is
understood by all as high acts of treason openly
committed without a defense of smart people
explaining why/how we are being rooked as idiots
on purpose. Crazy man, crazy. Oh.. anda..

Godsmack - I Fucking Hate You
http://www.youtube.com/watch?v=FiPtHkfDXus

Hey! Johnny's new theme song playing when
I be bagging the bushite zionist whores of
the demon antichrist, Our Mr. Bush Jr. Bush
closed 911 investigations, Bush lied about
Saddam not letting inspectors in, Bush never won an
word fairly in his entire war crime life of
game rigging with naked deceit and betrayal to
the cause of Man, die bushite die. Rock on
my friends, rock on.

"Army deserter deported from Canada, now in U.S. jail"

This is a for real war crime. Why? there was/is
no cause for the Iraq war. Truly. Example: why
bomb if you can go anywhere without delay? To
only murder innocent People INCLUDING SOLDIERS
to thieve from ourselves as war criminals is what
any rational person comes to understand. When you
destroy bushite grunts who war God for rape, torture,
and enslavement of our species, you save the
innocent lives of their next victims. To hunt
the godless bushite enemy, is to love Justice
as our glorious Humanity winning over the lawless
nazi grunts of the Third Infantry - who'll shoot
anybody, blindly as cowards, led by a Saudi, Buford
Blount. Their "leader" who left Iraqi's largest
weapons depot undefended for looting. Qaqaa. Killed
many a bushite nazi grunting lawless coward by his own
treasonous brand. And mumbling bushite nazi grunts have
what to say about American teens made valueless
victims for Neocon bounties? "whore yay" That's
about it..

LETTERS NOW RELEASED PROVE-Bush Intervened-To Suppress Torture

This is called ungodly nazi war crimes against
innocent Human beings.

Obama Gets Tough to Shield Bush Torturers
http://chris-floyd.com/component/content/article/3/1694-protection-racket-obama-gets-tough-to-shield-bush-torturers.html

Who does Obama think we are as 'United' together
on pro lawless torture against innocent 'others'?
Wake up people, we are under attack by those
who refuse US Justice to win Freedom for
anyone. "Conservative" retards are completely
lost here, because they do not have the
intellectual skills necessary to understand:
a person accused of a criminal offense without
any evidence is innocent. Or, how about, No one
deserves to be tortured for confessions on
crimes left then unresolved for actual
retribution. [Aegis OPENLY murders innocent
families for more American paying for zionist
monies - P2OG - YOUR Spouse, YOUR Child, YOUR
family].

Following the crime scene leads of 911 to nab
the actual evil doers is beyond the will of the
deaf, dumb and blind? with lawlessness gaining
for monetary loses due America as corporate
cheaters. We are Brilliant, of that much I am
certain. Conservatives are minimally, idiots.

This is like, so profound. Gibson's condemnation
is directly aimed at his own ideas of the subject
he has no grasp of. Wow. profound. See though..
this "popular" FoxsNews celeb has zero interest in
helping America succeed to defend freedom through
lawful actions, because he has no sight of a better
world blindly destroying itself. Hey Gibson! why
don't you try and be a good guy for a change! No
joke. Wow. Profound.

Israelis forced mother to choose which of her children would die

Obama Accused of Blackmail over Terror Trial Evidence
http://atheonews.blogspot.com/2009/02/us-accused-of-blackmail-over-terror.html

Again, Obama is taking a position to torture innocent
people here as a traitor to Just cause. Just cause to
live in a free society. Torture warrants the death
penalty under American STANDING Law.

Video: Cop Punches Woman In Face Four Times During Arrest For Riding A
Bike
http://www.liveleak.com/view?i=99c_1233639102

Top Cop Johnny Judge rules: Ten years in prison.
Maybe fifteen if the dumfuk grunt, back from the
war against Iraqi children as a traitor to American
values, shows no remorse for his crimes against an
American women either. Absolutely any cop or soldier
who disagrees as true contempt for our freedoms with
punishment against this nazi trash pirating our
police uniform, WILL WARRANT death sentences all
around to ACTUALLY defend liberty in my America.
Any American father who prides in killing innocent
Iraqis for the escape of the neocons for 911 is no
father. And a wife should get the hell away from
a male who enjoys murdering helpless innocent others.
Children in such families should be challenged
by relatives through the Courts to save the lives
of our endangered offspring. Again, without water
or food, Iraqi children are murdered by Neoconner
grunts irrationally everyday with nothing to say,
aka, without reason but as Satanic Bush whores, to
make our God as Humanity suffer further for their
escapes as actually selling freely, lawless zionist
savagery.

KILLING MORE OF THEM - reporting war crimes to the Police
http://www.youtube.com/watch?v=gB-KaIBDNJw

Again, a bushite has no commitment to defend
America, for it speaks nothing for the arrest of
the neocon traitors. traitors like themselves whom
will murder innocent folks like your Self to steal
our common values. Wouldn't you glory in seeing
these savage grunts who on video, indiscriminately
shoot innocent families, or bomb a city entirely,

executed by Christian Patriot firing squads? or
televised to fry in the electric chair for these
documented war crimes? I sure would. It would make
our world a much safer place to raise a family
secure in knowing, bushite grunts as enemies of
everyone, were hunted to extinction for their
crimes against our Humanity. Hunted by Johnny Law,
the True Spirit of America.

Johnny Law for Coast to Coast radio Host!

yaahhh im a real person! Wow eh? Now,
let US bag some bushite scum for the Gipper.

UK judges accuse Obama Administration of suppressing torture claim
http://www.timesonline.co.uk/tol/news/uk/article5661291.ece

Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits
at the terror scene. The case was lightly reviewed
at democracynow, a year or two ago, and can be
found by searching for a grunt pretending to be
an ambassador to Romania. A case where the Judge's
life was threatened by a "General", where if he
didn't order the death of the innocent American
citizen, the grunt with the General would murder
US all right then and there. The Innocent American
was murdered as forsaken for value shared by
free men.

"Judges Bribed by Private Contractor to Sentence More Kids to Juvie

http://www.philly.com/philly/opinion/inquirer/20090128_Editorial__Judges_Sentenced.html

Christ speaks!! Echem.. This is called a criminal
action to falsely imprison American children for
more stolen money. Will the contractor be arrested,
tried, then executed in America to defend American
children? Unlikely, because it isn't as important
as how fat Oprah is today, or as Alex Jones the
bigot would say, on how daily, the hidden NWO elites
are responsible for every criminal action against
Liberty in America, not war crime dictating LIAR
Bush who told US Saddam wouldn't let the inspectors
in without corporate news correction, Bush, who
closed Police investigations on 911 for Enron, KBR,
and the Kissinger associates. And certainly not
Bremer for personally stealing tens of billions,
no no no, "just puppets" "just puppets" as instead,
the Illuminati in other words not allowed spoken
understood with Alex Jones NWOers. I want a free to
speak arena where 50 percent of what Alex spews is
truly dumber than stupid. Why? because he is controlled
through his personal weakness of bigotry, to actually
believe foolish things as factual. Examples are
truly endless when we discuss Alex Jones'
dumminess, but here is one example. Alex states
911 truthers were attacked in a TV show as NWO mind
control- but, the "truther" he referred to
talked in the drama on there being NO PLANES!
A dis-info bushite stooge if ever was one depicted
with special effects. We suffer with his bullshit
every day, knowing if we tried to phone, would
not be granted a minute because I, in support
of Freedom for America, make all bigots look truly
dumb as fascists lashing out at nothingness to
divide our masses. And apparently, he can't have
America becoming greater for defending ourselves
fairly through Judicial actions.

U.S. partner, not Hamas, firing rockets into Israel
http://www.palestinianmothers.com/profiles/blogs/us-partner-not-hamas-firing

/ / The probe found the Islamic Jihad rockets were
actually fired by Fatah. \ \ Whom Israel in response
to the confessed by all to be true facts, murdered
innocent Christian children in Gaza as war criminals.
Actually claimed it was regardless who shot the tin
can rocket that struck no one harmlessly. Again,
Nazi Israeli responded by murdering innocent Christian
children as war criminals with "disproportionate"
force. War criminals who murder Humanity to steal
our shared values.

-

Dennis Kucinich "Israel is Killing Children With Your American Tax

Israeli openly admitted that they targeted those
innocent Christian children for MURDER - as -
continuing "disproportionate" force in our names
as enemies of God and Humanity. They are not Jews,
but of the evilest group of lawless nazi savages
pirating the government of Israel away from US Jews.
I demand open debate in America, and Americans refuse
me by not likewise demanding international coverage
on the Coast to Coast radio networks. Let's change
this by communicating.

Ceasefires, Israeli-Style
http://sjlendman.blogspot.com/2009/02/ceasefires-israeli-style.html

They admit TODAY, as yesterday, and last week, month,
year, decades, that they target completely innocent
people for murder to punish Humanity for believing
in God as Just, or real freedom understood as practiced.
Libertarian couldn't give a shit on a issue such as this,
that they keep everyone ignorant of through hypnosis. Israeli
openly admit to thieving innocent peoples homes, to them
be sent at gun point, to live in a concentration prison
death camp.

Obama set to allow Bush-era ï¿½torture flightsï¿½
http://timesofindia.indiatimes.com/Obama_set_to_allow_Bush-era_torture_flights/articleshow
/4067338.cm

What the fuk eh? Doesn't Obama know this
crime warrants death in America according
to the war crime act? Does he believe America
just will never have a chance to speak for the
interests of US as innocent Human beings he is
planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember
corporatist Amerikan citizen, these torture victims
that include children as younger than a hundred, had
not been alleged to have ever committed a crime in
their entire lives. Victims tortured to death for the
pleasures of those Satanic, such as General Geoffry
Miller, who tell US today as confidenced, they do it
because, patsy wasted American soldiers will just refuse
to hunt them down for formal executions. Let's change

this for our Humanity in this future, to look back,
and know, American males were men of the World, who
stood for the principles enshrined within every living
Constitution. A free man shall not be jailed, or
tortured by anyone in our names as Governed, without
the perpetrator tried publicly for execution as our
Love of real Justice. As first degree mass murderers
warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of
the Good old, Red White, and Blue. Count me at
our words on this, I am,

Nazi lies, why? Have you seen where a blimp is
traveling about five miles an hour, fire bombing
thousands, and none have even a pullet gun, never
mind an Iranian rocket launcher to shoot the Satanic
demons down for God as Love? Why doesn't Hamas
at least admit, like an Israeli General has,
to be funded by Zionists for cash gains paid for
by Zionist Amerika? Why? Why is it that Hamas
suffered near no loses, but all the Cops who
voted who knows, died murder victims trying to
defend our family from Texan child rapists?
Along with thousands of others targeted as
innocent Peoples? Targeted. Why? Nazi Israeli
broke the truce!! THINKTHINKTHINK Demand coverage!
Hamas certainly isn't. ..maybe because they're

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies
of American Liberty are eh? No concern whatsoever,
for all the teen soldiers conned to die for those
who committed 911 in NYC. The millions of bombing
victims, the tortures, the rapes of American women,
STILL, TO THIS DAY, left undefended by "the law".
Evil enemy of everyone these demon fuks are. How
difficult is it, to understand the facts they feign
complete blindness on? They WANT to con you as the
coward to life they are, willing to kill America to
make their antiChrist lawless enemy Mr. Bush happy.

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&
scoring=d&

Huh? "at last been disarmed..." ? How does he figure?
The equation hasn't changed. Example: The same
unaccounted anthrax, (that was disintegrated into ash),
still is not able to be measured as completely accounted
for, (never could be), but this bushwhoring war crime
apologist, tells US, it was only though the lawless
murder of our good friends and family for countless
generations, that he now attests without reason, or
evidence, to find Iraq in "fact" disarmed of it's still
nowhere to be found, weapons of mass destruction. (An
irrational reason he pronounced previous in corporately
broacasted public support of instigating heinous war
crimes against our humanity under the leadership skills
of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron.
And, the Iraq war is a war crime. But Ron, the
Fascist, doesn't want THESE FACTS uttered. Why?
Because wiser men would prevail, wiser men like

me who understand buying in bulk is cheaper. Those like Christ who understand, who KNOW, the banker doesn't cover our loans - so why give them as much as a taxed red penny?, let alone trillions as officially unaccounted for? They are stealing the cash Ron. Ask yourself: Why has Alex Jones forbidden his bushwhore cult from understanding Bush doctored the NIE?, or of iron flowing like water from the towers? Because wiser men would prevail and he can't have that. He called shooting innocent men in the back, an act of liberty. I, an actual god, unlike Alex, lie near never, but maybe to myself when I'm lonely. Alex yes will tell you rapists are free to do what they will in Texas to American children, un-arrested, but he won't mention it when the police chief is with him on air, talking about how he'd like to be exempt from traffic tickets for being so popular. NO MENTION of the rapists walking away without arrests made, no mention of Bush's documented treasons on 911. Where are Alex's priorities? In selling YOU out so he can be wealthy like a bankster?, and have special rights over everyone else that drives drunk, or speeds? a big hero standing over our dead soldiers yelling, I told you so, I told you so, I was right, I was right. Again, understand: It is not by my will to deny open debate with America, it is Alex, and his demon buddy George Noory that denies out Humanity this right. And when people try, like Peggy, or Black men on Jewry, Alex lies cheats and steals our wills for further thefts. Ron Paul's family has millions taken from loyal Alex Jones fans. MILLIONS! Does Ron do commercials with that money highlighting the bushmob's plan to invade Afghanistan, dated two days prior to 911 for Enron? Of course not, wiser men would prevail to expose him as the charlatan charity raider he is regarding Health Care, Social Security, Public Schooling, earmarks.. It is unfair to measure Ron against corporate nazi zionist whores of MSNBC who willing, openly, kill American teen soldiers for criminal neocon gains, as an honorable gentleman's talk. Half honest People like Ron are extremely ignorant on the workings of our world. EXTREMELY. I joke here not. Evil is the deceived disguised - translated - evil people are always dumb.

Corporate America says no, Charlie Manson was a genius, but not, that most Americans are prone too easily to suggestive states where they can be made to believe

anything blindly. Think: what does, "bin Laden did 911"
mean anyway? You should know of what I'm trying
to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by
beating off he knows everything already. And some,
if not most, actually believe him without knowing
squat either. It's sooo easy that way - no study
required!! LIBERTARIAN HELL! Everything is not on
the Internet, where it near should be, but regardless,
a Libertarian can't be bothered to read anyway.
"Free Talk Live" is the best example for this: the
two hosts are unbelievably ignorant on just about
every single subject under the sun, but beat
CONSTANTLY, on how greatly wise they are as drop-outs.
You wouldn't believe any of them when they speak on
Freedom, if you simply understood, an innocent man
does not deserve to be in OUR prisons, or tortured.
Under any circumstances that Obama has excepted for
our excuses. Magna Charta. But in Alex's 'genius' mind,
he doesn't need to actually understand he is a for
sure bigot, (measures another unfairly in a group HE
concocts from blind hate or personal fear - typical
CONSERVATIVE and/or racist) who has no problems with
that at home, or at work. Provable in seconds by
OPEN DEBATE, but Alex ain't gonna take our calls
because, he can't for the lives of every People
person thought of here, admit he could have
something to learn, therefore, the NWO is
unstoppable in his brain washed cult of indifference
to Justice practiced for the benefit of all treated
fairly. Why? He's not wise enough to respect the great
minds of the audience, and I personally believe,
he doesn't even have the good judgment to own
a gun. (I mean, why wouldn't Alex find my stories
of OUR Justice system triumphing by my single hand at least
minimally beneficial to his blind cult followings? to not
hang up on me immediately while spewing lie after lie
on how I'm top secretly a dis-info NWO artist working
for Bush? or whose voice sounds too friendly to trust?
like he has done the last four times I've phoned -
Hey! I can be an asshole if you want - no prob.)
Perhaps it's near because, Alex Jones is blind, and
as such, could actually be found guilty in Texas for
murdering those two innocent black men shot
in the back with his approval to release the murderer
from a RIGHTFUL death sentence prosecution. "law of
Parties". He is a party to the crime, for he worked to
support the release of the FOR SURE, FIRST DEGREE MURDERER.
Sound like an America you could live with? I didn't
think so either. I wanna be Alex's Attorney. Texas is

a State of massive lawless corruption, as dire
incompetence in legal affairs where they OFFICIALLY
plan executions against innocent People not established
to have harboured criminal intent! With Jury Trials!!!!
!!!!!!!!!!!!FINING THEMSELVES GUILTY!!!!!!!!!!!!
While Alex does express murderous criminal intent,
and the Police chief calls him a good man for no
scary pressures. What the fuck is wrong in Texas
where they mess themselves like this regularly?
Imagine, while Bush with the Neocons escape, and
Zionist Israeli target to murder Christian School
girls OFFICIALLY, Alex doesn't want to have to pay
traffic tickets like the rest of US. What a douche bag
to tell he LEADS our Truth movement I say. Now, I'm
not saying he shouldn't contribute with the truths
WE SHARE, far from it, it's just he can't have our
cut off switch to silence our objections to his exposed
foolishness, and/or blatant criminality. I'll give him
a chance, for starters, to criticize any position I take
while we all publically call on ourselves for
assistance internationally. Like on his "buddy",
George Noory, deserving to be tried Publicly for the
traitor he is, and be formally executed after his day
in Court. Our Courts. Teen soldiers have been conned
to die by George Noory for the escape of the neocon
terrorists who committed 911 with Condi, Runsfeld,
Bush, Myers, Tommy Franks, and General Ahmad. AND
HAPPY GEORGE NOORY KNOWS IT - and cons with lies
naked to the ear of any who can listen or hit record.
A NAKED traitor to the cause of Liberty if we ever knew
one regarding the War Crime facts of Iraq. .And
Ian Punnet is an evil godless enemy Bush whore who
lies too to get YOU killed as the innocent soldier
forsaken so don't forget.. It's YOUR life. It's God's
Gift. Now support our rise for popular international
debates to get these Neoconners behind bars
awaiting Public Trials! "Public"thatsoyu!! Get to
the Phone to call someone to care man.. Johnny
Jesus has arrived! Justice Will Be Done in this,
Our Kingdom to Come.

Justice to the war criminals of
indiscriminate warfare would better serve ourselves
to halt for our safety. The bushmob did 911.

1. The ISI's General, Mahmoud Ahmad funded 911's Atta

2. We have video of iron flowing like water from the towers

Humanity Under Attack by the Zionist Enemy of Life

GAZA APPEAL THE BBC & SKY REFUSED TO SHOW
http://www.youtube.com/watch?v=c9kwpxlZorI

Not only that but the BBC argued that to show
innocent Human Beings suffering, in CRITICAL
life threatening need of desperate food and
water that Israeli nazi stole, (because they are
unlawful murderous thieves), would have them look
like they were partial to serving Humanity's
interest in compassion for US humans. Over the
Israeli terror Nazi tactics of indiscriminate
slaughter for more Amerikan welfare. Wicked evil
nazi bastards who too, DO NOT THINK IT BEST to
report Peter Powers committed the London bombing.,
Oh yeah, and mercury is neural toxic, anti-psychotics
make us crazy, and sodium fluoride makes us
stoopider while weakening your body for big cash
surgeries - ultimately leading to a profitable
death for dah' winnahs.. So, they, the BBC-NWOers
just needed to avoid the bath or shower,
humidity, Pepsi's purified bottled water product
lines, koolaids, swimming pools, Jacuzzi, Hot Tub,
Sauna, private Whirl Pools, and.. blh blh blh

/ / the FBI says no.. There is not a thread of

respect for your rights being equal to ours. \ \

Olbermann | Bush Years: 8 in 8 Minutes
http://www.truthout.org/011809Z

Bush and Cheney are traitors to the cause of
American Liberty. To leave them free, is to leave
America un-guarded from further transgression.

The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know
these FACTS that demand arrests of the culprits
responsible for high treason against Johnny's
America. Alex wants your money, and EVIL George,
our enemy, wants your soul stolen for Satan.

Turley: Obama 'accessory' to war crimes if no prosecution
http://rawstory.com/news/2008/Turley_Obama_accessory_to_war_crimes_0127.html

Understand, Alex Jones doesn't want Justice
for Americans because he loses out to better
men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule
the truth we share equally committed to defend
ourselves from lawlessness. And you'll never
rule my right to speak freely over your intent
to sell us all out for monetary swindles, just
like Ron Paul did. Understand: Ron Paul doesn't
even acknowledge 911 was an inside job, or, that
Bush gave zero evidence to form Your opinion.

Alex Jones, the Slave, told US today that
he challenged Bush for eight years - Bushite
lying nazi traitor. Not only that, but he
also ridiculed those who wish to blame Bush
now for anything! Again, he doesn't want
Justice where bad guys can't steal from
ourselves unrepresented. Ron Paul is a
multi-millioniare, made rich by charitable
aid conned from Alex Jones' NWOers! Alex
Jones doesn't have a problem with that, we
do.

Israel to be Judged - Universal Petition
http://www.tlaxcala.es/reponse_signataires.asp?lg=en&ref_campagne=10&Page=1

The demon LIAR zionist Israeli is a godless enemy
of Humanity, much like everyone at Foxnews, CNN,
BBC, and the CBC. Our revolution against the godless
bushite shills, will not allow our revolution
through speaking honestly, (to become of ourselves
something greater), a chance to be televised for
our benefits. Bush closed criminal investigations
immediately after 911. According to the FBI and
Senator Dashle. CNN says you have no power, Foxnews
says you have no power, the BBC says you have no
power, the CBC, the same, like Alex Jones NWOers...
but well, don't believe it. YOU Do have the Power.

We must demand open communications to bring back values WE ALL would agree to through polite debate. "Conservatives" don't want this Freedom idea expressed in general terms because, a "conservative" is universally, minimally. a bigot. Why? Life isn't like, their way, - then- all other opinion under the sun on how things actually get done. (Aka "socialist" traffic light repair men, or "liberals" who want to treat The People fairly). Or who we are as equals to our laws fairly practiced. Pay attention to what I am saying here. Liberals can be Dicks with a capital D too of course. But a Hannity couldn't survive 2 minutes with me speaking on his very real treasonous behavior in OUR public arenas. Behavior done to escape the 911 culprits from the long arm of the Law, with his conscious will of criminal deceit exposed, we all learn to better defend ourselves. And Shawn Hannity can't have that for ourselves, he takes too much money from ourselves as talentless by keeping US in the dark dying needlessly for traitors never elected publicly.

Who am I you ask? Johnny Law. at your service. Look me up with usenet to discover, we live in a world of idiots everywhere pretending to be somebody by lying. While I want US all to truly improve our condition by actually understanding how bad off we are by failing to respect ourselves for correction. Too many, know it alls, with not enough to know you need evidence to form a guilty verdict against an accused man or woman. Not according to CNN, CBC, MSNBC, Foxnews and the like however. Let's change this by supporting my challenge for top billing at the Coast to Coast radio show hosting. Look for me coming soon!!

Unseen Gaza High Quality: Part 1 of 6
http://www.youtube.com/watch?v=UeezoWRu1FU&eurl=http://whatreallyhappened.com/

Why is it that numerous visits don't change the view count? What is this business of a=a+1, the top secret, I'll go rhythm, that is way beyond our comprehension in it's scientific complexity? For Americans, okay, but the Human species just isn't this dumb.

While Zionists OFFICIALLY target Christian school girls for mass murder, CNN instead reports that bushite grunts attacked girls in Afghanistan, posing as Taliban. I WILL every celeb at CNN to be arrested, tried and executed for the reporting they have done today without facts. Remember: the Taliban played no part on escaping those responsible for 911, and opened schools for girls, and were brought together on the single purpose to defend women. Death to CNN reporters to LIE for killing OUR school girls. I HATE zionist enemies of Humanity and God I am.

The Torture Ban that Doesn't Ban Torture
http://atheonews.blogspot.com/2009/01/torture-ban-that-doesnt-ban-torture.html

/ / Obama's Executive Order bans some -- not all -- US officials from torturing but it does not ban any of them, himself included, from sponsoring torture overseas. \ \

Is America a nation of Law to Live freedom? Because this SPECIFIC deviant action of Obama warrants the death sentence under Reagan's "War Crimes Act". SPECIFICALLY. Or, is it you falsely believe Obama can do no wrong against innocent people here, where an illiterate nazi grunt, maybe from South Africa, will kidnap YOUR children, and torture them to death for sadistic pleasure, with as they did using power tools caught in Iraq, according to Iraqi government official(s), and several soldiers from Oregon, all because Obama has given an ILLEGAL! "excuse" to NOT support following the crime scene leads at our REAL murder scenes? Again, death to the bushite dumfuk enemy of God, death to the enemies of a freeing Humanity striving for a just society. Obama needs to be arrested for this under the Law as it stands I'm sorry to say my friends. Why? Torture is illegal in all 50 states, (as Reagan directly planned), no matter where you ship the innocent victim to, or from! Read the War Crimes Act, then demand Justice today, otherwise, it's YOUR funeral. Obama wants to secretly torture Peoples here, while lying to US ALL that he doesn't! A TRAITOR! Who also wants to give bankers 100s of billions of dollars more to disappear, that WE pay for, out our door, never to be seen as our own again.

http://video.google.com/videoplay?docid=6546044203900048624

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close
Police investigations immediately after
911 (obstruction), or that WE have video
of iron flowing like water that PROVES,
without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.
Because someone surely would have spotted
him dragging his dialysis machine what with
all the professionalism of corporate news
media coverage regarding our horribly
suffering worlds. Alex Jones ignores the
treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on
steroids. He only wishes. What about
Justice for Americans Alex? Why for do you
forsake ourselves? For money? What about
the lives lost to mass murder, that you
allege to champion OUR TRUTH without saying
much of anything on real Freedom?, on real
Justice like your deviant election rigger,
Ron Paul? Well, no wonder, Alex told US he's
into shooting innocent American People in
the back as a tyrant of evil, a white Devil
if you will. Kids too if you dare look in
his back yard for a copper. See? Now if Alex
doesn't allow US to speak, more and more will
understand to know why. I am a defender of
all that is right and just in this world,
because I don't need to lie like Alex does on
a huge host of issues. I'm more like Jessie
Ventura, in where I don't need/want to lie.

If I end looking foolish, (of which I like never truly am), it's a benefit, because that way, I've learned something. Alex knows everything already, and 'is always right'. Like I say Retarded. You weren't right by not understanding that the banker doesn't cover the loan. One example of easily hundreds. He's a typical, he knows it all, know nothing dumduk American. Hear him on health care speak as Ron Paul does, and know, I defeat them in under ten seconds. TEN SECONDS. This is why he hasn't in years, allowed me to speak more than five or six words. He's rather all America die, than admit he does NOT rule our 'Ocean of Truth'. I want the challenge of opposition through debate to PROVE my skills beyond reproach. Alex, every time, just hangs up on anyone who tries to improve our communications by factually speaking. Why? Because he IS TRULY deeply ignorant on what freedom or Justice means. Why we have law. What a consensus is. Allan Watt is severely disabled in this regard, another Alex Jones favorite. And this is why, Allan can't take calls openly either. He has jerked off with himself too long to quit now learning super basic precepts, for like Alex, he "knows" the inner workings of the 'genius' NWO elites. Not Law 101, not Bush, not Rumsfeld, Not Condi, not Torturers, not bank robbers, rapists, or even petty thieves. Allan Watt isn't a bad guy, he's just a chauvinist pretending he actually knows something, when his real disability is directly related to his absence in understanding understandings. Doubt is a near foreign concept. A challenge for Allan: can you get your 'genius mind' around the fact that Peter Powers did the London bombings, and not the Illuminati of 1463? and if not, why are we so dumb to our present plight that way? Don't get me wrong, Allen has much to offer, it just isn't the issue right now on saving our dying futures. Maybe I was too hard on Allen, he is really actually kinda cool. Alex Jones too has many incredible moments of ecstatic clarity increasing in all they joy of seeking enlightenment. .. Ok - but this is serious business that requires little dilly dally with what we'll have as a side dish in Paradise Lost. We are talking Human Lives have been destroyed by our inaction to remedy these failures to communicate

effectively. and.. Jeeze, the weight of my responsibilities, as just plain John, being a/the Legos Man - for like the Family and everythings, get's me never forgetting, all we got are these words left dormant from the power they truly possess in the minds of the wise asses. And.. here I am. I'm a Talker of Words looking to make a break in the NewZbiZ. Zzzz... Alive We Say! Alive!

King Johnny, from Earth, has come for talks.

The Zionist enemy, the most evil nazi sons-of-bitches who openly advocate tyranny and oppression through mass murder of ourselves as the innocent left targeted defenseless. Enemies of Jews everywhere, the Zionist cares not for facts on who's Life it destroys for stolen gain by lying. That's why they target Jews, for fear the Light of Truth would expose them as the Nazis they are.

Hamas doesn't have a military though, so, why not demand the arrests of those who broke the truce, and murdered innocent people indiscriminately, on plans more Jews would die for cash profit? Profit paid for by zionist amerika? - the false imprisoning torture and rape center for Neocon Freedom.

The self-defence defence
http://www.guardian.co.uk/commentisfree/2009/jan/23/israelandthepalestinians-gaza

/ / This has been a central theme of the war in Gaza: not that hundreds of innocent people were killed, not that over 5,000 were horribly injured and not the sky-high human and monetary cost of wrecking homes or razing infrastructure. \ \

Court petitioned to arrest Livni upon arrival in Brussels
http://nawaat.org/portail/2009/01/23/belgian-court-petitioned-to-arrest-livni-upon-arrival-in-brussels/

"We believe there were dozens of IRGC personnel in the Gaza Strip during the war," an Israeli source said. "Some were killed; others went into hiding, and others escaped."

See? the demon enemy of God speaks no evidence as a TRAITOR to every Jew. A terrorist nation that still steals humanitarian aid in

our public realm of left defenselessness. The
false allegation deserves a death sentence
by Jews against the war monger Zionist enemy.
A cause that Iran should champion, if in fact!,
this allegation by OFFICIAL WAR CRIMINALS WHO
TARGET FOR MURDER OUR SCHOOL GIRLS, is on it's
face, unsubstantiated as patently, demonically
false. As typical from any godless Zionist.

Where are the Americans asking for the
formal arrest of Bush for high treason?
Whoring for Alex Jones's contempt for REAL
Justice? The ignorance of all American
talk radio hosts speaks for itself. NO
knowledge on why acts of high treason, are
crimes against every American. The bushmob
doctored the NIE, and Alex doesn't want
Americans to know, because if they did,
they ask, why does Alex do everything he
can to escape those personally responsible
for 911, while then asking for money to
continue his fight against freedom in
America. Again how much money do we have to
pay Ron Paul or Alex Jones before they
will allow the knowledge of the Iraq war
against Human will is criminal? How much?

Obama! feel free to call
on me to help out with a plan for judicial
actions. That offer goes out to everyone in
Palestine, Canada or Britain too. Russia,
let's help out these fools by freely
communicating, what say you? Justice
for all is freedom to be. The Israeli cop
killers must be brought to justice for war
crimes. Those cops, were cops. And I,
am a man.

Alex Jones Rocks!

Now Alex has problems in "my" mind because I am
an ACTUAL genius, and he is generally, an idiot.
Today, he did one of his usual commentaries, however
this time, he was pretty honest with himself, and
his love for Ron Paul. Ron Paul sells incompetence,
and Alex corrected correctly!. that a.. sorry Ron
but these banksters know they're robbing us as
undefended blind men essentially. That's what I'm
talking about!! Look, Ron Paul can be a dumb Ass,
although, he's still not all that bad a guy. A Dumb
guy on things like economics sure, Justice, warfare,

Health Care, Social Security, ect. ect. but still.,
like a child learning of why the sky is funny
blue, isn't all that bad a guy really. He's
certainly not a war criminal, like Bush or
Rumsfeld are. Doing 911 then sanctioning torture.
While Neocons Champion sending illiterate American
teens for death as war criminal. Think about it.
Maybe he is..

-

ï¿½We have all these documents that are now
publicly available that prove that these
methods of interrogation were intentionally
ordered by Rumsfeld,ï¿½

Let us understand. These actions "give" a guy
like Willie Brand "the right" to RANDOMLY kidnap
men, women, or children, and torture them to
death for sadistic pleasure with his faggot
Capt, Christopher Beiring. (I think that's
how it's spelt). But anyway, this is the truth.
A bushite is a godless Zionist whore of Nazi
evil, an enemy of America, who wars YOUR Freedom
with criminal "excuses", for refusing to support
the arrest of those responsible for 911. A
TRAITOR, and could be wannabe rapist, robber, or
911 mastermind ringleader. Torture is illegal,
and warrants the death sentence, according to,
Reagan's "War Crimes Act". Some only suggest,
that this was why someone tried to kill him as
honorable. Death to the torturers of our
innocent families, torture they do without
apology as Zionist Military "Judges". Instead
today, where they get salaries paid in the
billions by the zionist giving nation of,
a-mirror-kay, echem, America. Johnny's America.
A nation where Justice will rule for the favors
of all treated equitably with or without you.
Honor me in company my friend. We have no rivals.

"they do not understand, the private banker

banker reach into it's pocket to borrow US
to begin with - so as a consequence, the
bankers have just pocketed all the 'free'
loot for nothing, TRILLIONS, and are not
saying why should they help anyone else

wasn't any of our business with what they
did with the money. (But for to cover criminal

fraud in the derivatives market, where

ISRAELI IS A THIEF WHO CAN'T SPEAK OPENLY IN DEFENSE OF OURSELVES IN OTHER WORDS? That is right. They, as documented criminal, lose every debate personally since before the dawn of Civilization because their position is clearly unsound. They are criminals who murder People in hate for a freed Humanity. They OFFICIALLY steal Peoples homes in that country didn't you know they proudly proclaim it so? And steal humanitarian aid from starving children. Targeted to murder children specifically as publicly confessed, 'it is Hamas WE blame', not them as demonic child murderers. Hideously evil as ungodly sadistic savages. Enemies of YOU, enemies of them, and enemies of me, the King of Jews Christ fellow from beyond the grave. They are so evil to God and Man, they tarnish everyone of US to not win justice sooner by blaming the actual bad guys. Justice is Freedom.

/ / Those white phosphorus shells used on the Gazans are made in the USA according to Jane's Defense. \ \

Again, these peoples are not Jews. Being Jewish is a religion. These thieves of God are Satanic in their LIES to betray the common trust in our words, that bind all worlds to victory, called freedom universal. Even tales of the Devil have him keep his word, with verses specifically condemning the self to damnation for targeting the innocent for death. God's the Word. Every word inside a fool's paradise. Including the periods. Not as like, I'm playing a word game, but that it in wonder, is all strangely here. Example: The Universe as it has existed always, is not separate from our 'pauses', or faulty drawn conclusions. The universe, in one sense, was as good as anytime, created 6000 years ago. AS TOO 50 billion. You say, impossible, I say no, study quantum physics, and know, I live this.. our existence is not scientifically separate from the timeless nature of consciousness, proven as not only theoretical, but actual. That is a first step at developing a REAL relationship with the living Universe if you want to as like an artist does - that TOO! can be just as thought static in it's orderly constructions for Atheists. (An Atheist is still mostly a fool here however.) Overall, for any, it's sorta simple: Life has left YOU in charge of YOUR fate. Now, do well to make something of this being as eternal Life reaching for balance, as your body does, and good cops do when bringing the bushmobsters to Justice. By Israeli calling for more murder against the innocent of your mind as racists and bigots they are openly, is still shadows of YOUR mind, YOUR WORLD.. get it, got it? God is in genius to set Life as this, as like, nowhere existing, but for as yourself within. Will you speak out for the Justice denied Humanity?, or not you? Atheists can be Just too!, but generally lose it on not understanding the intelligence of order is way beyond what they dream up with assumptions. All anyone has to do is ask themselves, who do you mean "God"? Atheists are ridiculous!, but, to each his or her own, we are on a path here, believe what

you want to believe. This is not a faith
initiative I'm bringing by keeping this real,
I DEMAND JUSTICE BY OUR WILL BE DONE.

Again, Americans need to demand the arrest
of the Judge and prosecutor for being openly
evil demons, as TRUE enemies to freedom in
America. But guess what? Americans will refuse
to even phone Alex Jones, or George Noory
to be hung up on. Just refuse as brain dead
zombies - as known in this circle, McCainiacs.
Did you hear Alex's NWOer yesterday state he
doesn't want anyone to speak as Justice for
Americans because to learn even the most basic
of precepts for Justice, he can't pretend he is
a Freedom Fighter begging US for more money?
Like multi-millionaire Ron Paul, who gave the
fixed election up to take our money and walk
away. How much money in the millions do we have
to pay them at GCN, before they will acknowledge
the Iraq war is a war crime? THEY NEVER WILL,
because the faggot owner has a son who's into
raping American women as lawless enemy of Life.
Americans are indeed, selfish, like all the plane
crash survivors telling US how they couldn't care
less that Israeli nazis are openly targeting our
Christian children for murder with their tax
money, as unimportant, to how long they stood on
a plane wing, now approaching it's third day, of
wall to wall coverage. Telling us again of how
Christ saved your life as a lifeless degenerate.
I, as Christ, am really starting to hate all
Americans in total now. How difficult is it to
pick up their phones? They don't, and I'm beginning
to believe it's because, like GCN, they really
don't care for the future of our Humanity being
left for dead as continuing victims to EVIL liars.

Simple Common Sense for Mankind

/ / Israel has admitted HAMAS kept the cease
fire; and that Israel broke it, then unleashed a
total starvation blockade on Gaza followed by
flaming death from the sky aimed at schools,
hospitals, ambulances, and children, and you
dare call the people opposed to such barbarity
a "mob?" \ \

Zionists are evil people who pretend they
are honest, when lying directly to everyone.
Blitzer reports Hammas broke the truce, he
is lying to continue the murder of innocent
peoples. Understand: Israeli Nazi state they

will continue to murder our innocent Humanity
until the rockets stop falling on Jews. Yet,
they broke the truce, and murder Jews routinely
with reckless abandon. Jews from the Bible as
of "nigger" Ethiopian, are what the Zionist
hate when warring GOD for apartheid, apartheid
that is Humanity in Gaza. A zionist is a war
criminal who speaks not against the neocon,
but against Innocent Humanity as YOUR enemy.

Ron Paul:
US Will Be Rightly Blamed for Israeli Killings
http://www.youtube.com/watch?v=6C756NOPyDA

Not the Nazi Israeli?

The guilty party are those who advocate these
mass murderers of innocent peoples with
deliberate lies, like from Blitzer. Blitzer
will be tried, and executed a war criminal
for stating Hamas broke the truce., Where,
only two minutes earlier, he learned, that
it was his Nazi partners. DEATH SENTENCE.
It was on TV. BUT SEE? Ron Paul, the Libertarian,
ain't going to be honest here. He'll lie cheat
and steal Humanity's voice for Justice - like
he did with OUR money. A typical Libertarian
like Alex Jones who wants to blame "socialists",
"Liberals", aka, all of innocent America.
Blitzer is war criminal, who makes his own
discussions. As is Ron. What an enemy to not
mention the truce. THINK: IT IS THE ISSUE. But
Ron plays the dummy to kill more with contempt
for Freedom. Ron Paul, the bigot, asked,
'should we be doing this'? SEE? it's not first
degree mass murders, no, according to Ron Paul,
it's argumentative that indiscriminate mass
killing is a good thing really. Remember,
Ron Paul does not support arresting those
who committed mass murder on 911 either.
Or those who STOLE TRILLIONS. Or lawless Bush,

the ACTUAL AntiChrist enemy of God. Ron Paul
will watch America die for a stolen dollar.
And Alex Jones will refuse all calls to label
him good guy like himself warring order
to our universe for it.

Ron Paul "When we pick sides, we make it worse"

He also took our millions donated for freedom
fighting away for his family, but not our own
as dying innocent victims giving. Pick a side.

Remember: Sadistic authoritarian George Noory
is a very real DEMON of Satan, who again,
openly tells US, he wants to murder our
species as the innocent forsaken, and Alex
Jones doesn't hear a problem with that
either. Love the bushite blindly, and
they'll kill US for a dollar sukka.

Alex Jones is like the retarded brother we
can't help but love because we're human. He
is still retarded. And George Noory is still
seriously evil as a traitor to the cause of
Freedom in America. And Ron Paul is still
slamming Ron Paul.

Ron Paul "Israel can not act without
Washington's approval"

So, it is Ron's fault then by not mentioning
the truce?, or as that, innocent People are being
indiscriminately murdered in a death camp that
he figures is argumentative? that innocent
People are dying as targeted for mass genocide?
Or is it the Ron who states YOU are to blame
instead of himself for being there, not saying
anything? HEY RON! Can you hear me now!

what about the rest of US 6 billion plus Obama?
Who is it of US innocent folks do you wish to

When I see the women and her child, left outside

Then.. Hammurabi founded Civilization.

I go concerned for any hesitations of condemnation by
Obama. It's like, he's talking some jive about
how now he'll NOT let the words of Hamas reach
his ears. Being against war criminals, doesn't make
you pro-Hamas, necessarily, it means your against
war crimes to defend the lives of ourselves respected.
Remember: He told US earlier during the campaign that
he wouldn't fear speaking to anyone, Hamas especially,

because he was confident he could win the discussion on Liberty, by principles that unite all free men. Now, he has promised the FBI's Most Wanted AIPAC, he will pretend to not hear any calls for fairness as all parties united by common cause. Johnny Who? Where did you go Obama? You were here, then.. pooof! you vanished into the loving shackles of convicted/ing criminals is a mass, "WE ARE TRAITORS TO JUST CAUSE" organized war crime outfit, dedicated to deceiving the Public by lying. I am not Lying. I'm not saying I hold his associations as a measure of himself, I am concerned with him stating, he will not hear our cries for Justice, as then AIPAC cheered. I was as freaked out about it as you maybe yourself now, believing it as possible. Check it out for yourself, and wonder, just "who" is this person they tell us they're are going to take for as dying fools? I mean look at what happened to what's his name, when he sided similarly the same in error as hugely criminal? Come on be honest with us son, "Are you on drugs?". Maybe he's just been stressed with all of everything he is heaped to follow on, NOT to know by Blitzer, that Israeli broke the truce to kill more Jews for money, and, also STEAL innocent Peoples Homes while saying, "they are God's Chosen". Yeah, chosen for, "The Bad Example", of how Jews are left undefended by these grave robbing war criminal nazi forces. As the King of Jews, I call for Public War Crimes trials of the entire bushmob as terrorists, and their supporters for lawless tyranny.

and is always right, and those that criticize
him on ANYTHING are delusional, it's going about to
make everyone further sick with this obscene take on

what life means as Alex takes it. If I truly state
two nickels make a dime, does that mean therefor
they make a quarter also? If I say so like Alex
would? He is an idiot. Truly. George Noory figures
Hamas broke the truce, and that the Mideast solution
is that Jews should be separated with special rights,
as oppressors over the freedom of every Palestinian
Prisoner, and what's Alex Jones gonna say about
his 'truth telling freedom fighter' George to actual
'lame ass evil nazi traitor' George?, to YOU about
how George is just trying to murder millions of
helpless people as an offer for the final solution?
We can expect Alex now to claim, Zionists should
have special rights over Jews, all to maintain
his FICTIONS on Noory being anything but the
monster to Humanity he is. Just because Noory
doesn't growl when talking about murdering all
children in around the age of 15, or against
soldiers who refuse criminal orders, does still
make him a true fascist nazi enemy laughing at
your murderers escaping to live freedom in
our dying forsaken worlds. The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know
these FACTS that demands arrests of the culprits
responsible for high treason against Johnny's
America. Now, who's with yourself. I am! I am!
I am!

Alex Jones doesn't know squat of Social Security, but
pretends he does, like Ron Paul does when speaking
of the Federal Reserve, Health Care, IMF, World Bank
blahblahblah.. I mean even the expert of experts
Alex has on near twice a week, EVERY WEEK, to talk
all about how the Illuminati are doing everything,(give
me your money now for whatever), DOESN'T SAY TO KNOW,
it was Chris Cox who changed Investment Banker rules,
to cover instead one tenth of WORLD INCOME loans,
to one twentieth. MORE THAN DOUBLING THE ENTIRE GLOBAL
MARKET FOR LOOTING WITH HIS SIGNATURE! (And. that isn't
even a fifth of the TRUE trillions dollar fraud story.!)
Now, granted, I wouldn't expect one tenth of one percent
of America to have even a distant clue of which I am
speaking, but importantly, Alex's expert of experts has
never mentioned it. EVER. Why? He don't give a fuck, but
how much money he can get you to give him for investing
in things that are un-important to our struggles, but
for the fact, he states, you'll get free money for
nothing!! OUR ACTUAL PROBLEM. It reminds me of those

Ron Paul dollars... where Ron'll fix everything, cause we, as a private company, are going to make YOUR money instead... holy fuk mon.. Talk about the kettle calling American racists. Thank God the FBI stepped in. (The answer unfortunately is not nowhere as easy as Alex would blindly lead you) - again, so I guess it will be, Americans were just too far gone as illiterate chauvinists, who cared too little for your freedom as themselves degenerating. Why? To battle tyranny they knew not Justice wins the day, and blamed innocent groups gathered wherever, instead of following the crime scene leads at the real murder scenes - like was once done on TV and at the Movies. But even that was too far above their doped down heads, to raise their finger to dial a phone number.

How about stating "A lawless bushite enemy wars America as a traitor, to escape the neocons from the crimes of 911."

Then Alex states the head of GCN is giving out gold at less than it's value as a special treat, every second or third week. Below wholesale. Now, really think this thru. Do you think Alex is trying to con you here? you bet. That is the Gold Racket. Diamonds are another thing - where I've personally seen, about a decade ago, a huge press that makes Diamonds out of coal. Swear to God it's true. Costs to make diamonds are pennies to the thousands paid to Zionists who live in Israel calling for the murder of all innocent Peoples. Where is the rich Zionist, grave robbing Jew hater to demand Justice for our times? Where? Pressing coal into diamonds, while advocating the murder of our entire Human species. THEY WANT TO KILL GOD AS SATANIC ENEMIES OF LIFE. While I am last known to Life's enemies as Jesus Christ, the Zionist's end every time. I'll have brought more Zionists to their rightful dooms, than any other, of any time, anywhere. I HATE Zionist bushite LIARS to death, all because I Love Humanity too much, to watch US die undefended as the innocent forsaken. They can change their evil ways, but till now, often not, benefiting off our suffering as war criminals who simply lie as demons to steal our Human values. Let's change this for our betterments. I mean the Halo is a dead give away..

The head of GCN has a son warring God to rape American women as lawless enemy in Iraq for the Neocon - again NEVER mentioned as something worth fighting against for Freedom in America - soldiers are suppose to REFUSE criminal orders - but not when Alex is at the mike.

He will never mention the Bushmob doctoring the NIE to con America for death as exampled, because it doesn't fit his fictions, where all the bad guys escape because they are geniuses headed by secrets so powerful, nobody can ever know'em, except Alex. He tells us near every day, he knows everything already, and is never wrong, therefore you can't criticize him. Bullshit. It's like he wants to be wise like Johnny Gawd is, without doing anything like studying for a test where the teacher actually does know the issues. He told US today, the British came up with concentration camps, from the Indians - who spent all their lives murdering themselves. The British 'invented' false imprisonment? The British came up with the, Jews Killed Jesus? The British invented Pope Gregory VII? I suppose Alex has never heard of Ghettos. SEE? he just pulls shit out of his ass, and calls it like it's truly pure gold you'd wanna buy. Those, like your typical American have no clues, so they figure, Life must be sorta so that History is all one big Alex Jones NWO cartoon. What? that the NWO did 911, and everything else that use to instead, require criminal investigations to nab the actual evil doers? Alex Jones IS the NWO he tells US all we should be concerned about never stopping, like it was in the DARK AGES. Justice Alex, why is that hard for you as a "Conservative" to figure? Is it because you are cowardly in the face of true Liberty? Afraid that some People, on some Issues, ACTUALLY know a great deal better than you could even imagine presently? Don't like that do you?, where you don't rule this Universe as a lawless tyrant desperate to live in an illusion at the expense of everyone else dying victims to censorship? Does he try to find wise men or women? rarely. "Ron Paul [MUST] leads our truth movement" - like, fuck off already with the Ron Paul, The Truther, Bullshit Alex Jones. 1% is what YOU get on Social Security deposits - 1%. And.. Bush stole 700 billion. 700. Billion. That's 700 BILLION. It's a "Trust" account. A "Trust" Account. It's being held in "Trust" Alex. Ron Paul is asleep at the wheel. As, so are the rest of all you other fools.. I want Justice, and I want it now for all the victims of 911. Americans be damned, we want Justice, and We want it Now.

In Texas, child rapists are given the right to freely move about without fear that Texans will stand as armed Men in defense of their very own offspring. And Alex wants this for the rest of America. That some

how to own a gun, means an American would kill a cop
who beat a women near to death for pleasures that
he could never be Publicly arrested for, as a
sadistically evil nazi bushite fuck. Look, if YOU DID
kill that particular DEMON COP after the Chief
refused to arrest him, you couldn't possibly go to
jail in Johnny's America, because the truth would win
out in a fair verdict. And REAL cops would honor you
with great big, thank you. Nothing worse than a
cop (or bushite grunter) who believes the Law doesn't
apply to him while he drives drunk, tazers someone for
nothing, abuses Women, or kids, to sell drugs, or
kills good cops, who are good men. (Like mercs do in
Iraq officially for Rumsfeld's P2OG. Coming to an
American city near you!)

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

"Rice says it is 'hard' for Israel to spare civilians in Gaza"

We KNOW they are ONLY targeting innocent People,
the ungodly zionist Satanic enemies say so..

"Israel Rejected Hamas Cease-Fire Offer in December"

Livni has declared her country "is not going to show restraint"

"Her" country?

It's like she's admitting here, that they DO NOT
target the IDF's Hamas, but only our innocent lives
as a threat to LIFE and GOD. Remember: the Zionist
LIARS broke the truce.

THIS NAZI ZIONIST FUCK BREATHES THE AIR OF US
http://www.youtube.com/watch?v=lMxfEsooM5M&NR=1

/ / So, Hamas decides it's time to end the
cease fire and has begun shelling Israel again. \ \

This guy even sounds like the Satanic false
accusing enemy of God he is. Let US, as Humanity,
hunt these real devils down, try them, and have
them executed publicly for the benefit of God and
Man. Understand: this REAL DEMON knows he's lying,
no living man on Earth could spew the vile lies he
does to excuse indiscriminate mass murder, or starvation,
as this Zionist enemy of life sells to STEAL Your
HOME, your Family, YOUR LIFE. An open enemy of God
trying to STEAL the Title of Jew from Christ. EVIL

ENEMY OF LIFE. See, when a bushite dies, you served Life well in defending their next INNOCENT target. BILL HIM FOR STATING ISRAEL WAS STRUCK THOUSANDS OF TIMES. BILL HIM FOR STATING HAMAS BROKE THE TRUCE. BILL HIM FOR STATING bin Laden DID 911. BILL ANY Zionist FOR THIS TREASONOUS LIE. Why God asks? Because there isn't any evidence to support that Satanic lie. According to the FBI. And according to God, Zionists are not Jews, but of Satan as enemies of every life form in this Galaxy, Hunt him down, and bill him today for the love of God. You can 'hear' it in his voice.. how he lies TO YOU as a DEMON of a Hatred for Truth and Humanity. Facts, that are easily available, are not what he works to mislead others, others he hates, and wishes to murder for as ungodly sadistic pleasures as YOUR enemy. Bill him under American law for being pro-torture too while we're at it. Death to bushite, death to the murdering enemies of God's Love for Mankind, and enemies of TRUE Justice for Americans. The fuking demon enemy lies to you, as a con to STEAL your life, or just as soon, the life of another innocent other. Now, what are you going to do about it? Except his lies as exceptable, as he tries his hardest blatantly LYING to kill God and Justice in our Worlds? Not in mine, but perhaps Yours.

' In Civil-Contempt Cases, Jail Time Can Stretch On for Years for Americans, without Ever seeing a day in Court. '

Where are the arrests?, then firing squads for the Judges who 'judged' such criminality against freedom for US, the Peoples in America?

' Where Did Taxpayer Money Go? Panel Slams Treasury [FOR STILL REFUSING TO SAY] '

Where are the arrests?, they stole eight trillion and counting.. And Congress 'slams' them for disappearing OUR MONEY. Slams with what?, a, don't do that again please butt sqeeze? It should be massive slammer time, with a return of all STOLEN monies.

' THEREFORE, those pro-Israel politicians in Congress won their seats in part using stolen money. '

Where are the arrests? Amerikan bushite nazi grunts are assisting in the mass murder of innocent Christians in Palestine. War crimes demanding death sentences. It isn't an argument that can be turned around. Nazi Israeli

STEAL Peoples Homes without apology, as a function of
their SATANIC government, while colectively bombing the
INNOCENT victims who die because of it. It's a prison
camp! they are denied water, food, shelter.. since four
or five truces over that they've broken, every one. These
are Satanic enemies, willing War Crimes against God,
a God NOT loved by zionist American Nazis. And a Son
as powerful as the four winds, ridiculed by Zionists,
and American know nothings, for the continued debasement
of YOUR soul worth here dying.

Israel Attacks Iran News Station

Why does not Iran DEMAND arrests, and death sentences
for these blatant war crimes against Humanity committed
by Amerikan Nazi Israeli Zionists? Along with the
perpetrators of 911? WHYWHYWHYWHY. Russians! Can you

Pictures of Alex Jones masturbating
"we were right about it all."

It's the NWO! The Illuminati! Not Bush, Cheney,
Neocons Gone Wild, or any of many other REAL
criminals, for the war criminals are just
puppets to his EVIL fictions. Forget about
Bush escaping.. Socialists who design traffic
lights, and Liberals who will to share fairly are
Alex's enemy, because he's fearful the FACTS
would escape his denouncements against truth
tellers. George Noory, one of the most despicable
individuals on the face of our great Earth
- is exactly the kinda guy he wants returned
to send his wannabe Patriots nowhere but to die.
What about Justice America? The bushmob doctored
the NIE. TREASON. There is video of iron flowing
like water from the towers, seconds prior to
the collapse. Alex ain't there to help US, for
that is where TRUE Patriots fight for real
Justice. When WE phone with indisputable facts,
on Ron Paul the bush whore sell-out for example,
he lies to all (GOD), then hangs up on US. Is

that the kinda freedom you think the Founding Fathers had in mind to give Your rights to speak for Alex who blames anyone but the criminals directly responsible for your funeral? The private banker never covers our loans, so why give them trillions without questions offered without answered as, never mentioned by the guy who is 'right all along on everything under the sun', and.. he 'rules the Ocean of truth' too don't you know YOU have a steak going all rotten to hell here also? You'd think Alex would take our call just for the challenge on where we stand? I'm free!

He is not. And George Noory tells us openly, he's into killing innocent kids for profit. George's profit is that apparently, by murdering all children in around the age of 15, will stop them from getting a clue at anytime in the future, to take him out as an ENEMY of EVERYONE for censoring our cries for Justice. Why is it that Alex would invite obstructionist, Steve Quail, or Alan Watt, on to lead you nowhere while they jerk off, but where we gotta go to actually defend ourselves? Steve has been on with Noory more than a hundred times, and, we'd figure, Alex will soon be delving into the Alien questions also. Answerable by me in seconds, but ahhh.. like Noory, doesn't want the truth of such a subject uttered, just endless streams of illiterate bushite dumfuk losers sucking on each other. While they wrest from US the wonder; just why we can't stop criminals from robbing ourselves, while murdering our families? Alex wants to blame the unstoppable NWO, while I, want to blame those actually responsible, like Bush and the proven treasonous, Neocon terorist liars who are pro-torture. With arrest warrants. All of them. I'll do it for Reagan's, War Crimes Act, as an act of respect for my Great America, that's isn't always been dying dead wrong under the leaderships of criminals.

Israel hits Gaza after UN truce resolution

/ / AP Israel and Hamas responded to a UN peace demand by hammering away at each other with bombs \ \

The IDF's Hamas is hammering away with what at who? Is the AP referring to the tin can rockets that travel usually several miles, but in one case,

22 miles? To kill a Jew standing outside in his
yard, thinking on how he would defeat true evil in
his time? Tin can rockets that contain no explosive
charge? Have no mistake, if it hits you in the head,
your dead, but really, what do you think the odds
are on that? E=mcï¿½. Or is this another, amerikan
past time, of, who cares for the facts, we are at
war with God and Christ now? Joe is an American Zionist
"Plumber", who has amassed a multi-million dollar
fortune in the competitive industry by shit eating.
Every bushite death is a mercy given to God in defense

Notice no one shoots at the blimp fire bombing the entire neighborhoods. And if it's phosphorous, that smoke is already deadly toxic. That is why it warrants the Death Sentence under International Law when used against OUR Humanity, as the most evil of Nazi War Crimes ever. The neoCON LIARS are the LIARS conning you here on our TVs and Radio dramas, in where, they don't want to openly take our public calls for real Justice. Bush and Cheney are traitors to the cause of American Liberty. To leave them free, is to leave America un-guarded from further transgression. So, them being "puppets" is even all the reason more to insist in their capture for trial by Jury. A Public Jury of our Peers. Now, who's in with You? You can count me in. and I bet willed to action, we will find others to be something of ourselves too.. Justice and Liberty for All. Equal rights given is what true freedom is as measured. Translated from the 'Alien' dialectic to Amereeze jank vibe; where is the fucking evidence here Neocon traitors who false accuse to lead us off the straight and narrow? It leads to Bush, Cheney, Rumsfeld, and Condi that's why I figure, you figure, they figure, we figure, so... what are WE going to do about this sacrificing for godless tyranny further then as unrepresented?

Israel Attacks Jews,
Silence from Mainstream about Violation of Law
http://www.youtube.com/watch?v=K1kt8qi0M-M

They kill Jews for money. They bombed Jews in Lebanon
for money. They want to bomb the HUGE sacred Jewish
communities in Iran.. wonder why? Zionists are not
Jews, for Jews don't steal in God's good name. Nor
target innocent beings for stolen gains. A zionist is
a thief to life, and as such, needs to be formally
charged for their criminal offenses, given lawyers,
and upon a successful prosecution, rot in a prison
cell and/or pay restitutions. YES. why? so not another
innocent person must fall in their place as next
victim to a zionist's public commitment to lawless
tyranny for evil intentions.

IDF VLOG UPDATE: IDF Hits Dozens of Hamas Terrorists

"Hamas Terrorists", "4. Jan.", come on now, how evil
do you have to be to believe this ungodly demon sells

you righteousness. They STEAL our food. They are OUR criminal enemies who torture innocent Peoples. A godless criminal enemy who also steals Peoples Homes. And drops millions of land mines to murder Jews indiscriminately for decades. Commits war crime after war crime against Humanity. Vile bile.

They killed our innocents, and unless we kill theirs, they will go on killing ours.ï¿½

It is the crime of which they demand WE are outraged against. Welcome to Humanity's suffering world due to lacking communications skill. The term "they" are referring to is YOU. Let US never forget, the Zionists also would bomb some locations, then later, drop the warnings for the Jews to run for their lives. I did a big show of shows through that continued as, more 'un-resolved' crime scenes perpetrated by the treasonous, neocon Zionist terror merchants. CNN: The Nazis Broke The Ceasefire!
http://www.youtube.com/watch?v=KntmpoRXFX4

Protest pictures from around the world (not on CNN)
http://www.rys2sense.com/anti-neocons/viewtopic.php?f=11&t=16496&start=0

Remember Israeli nazis to this day, insist as DEMONIC LIARS, Hamas broke the truce - as Hamas is responsible when they target school girls for slaughter. They said the UN were secretly attacking Jews, clearly a LIE as impossible to prove because it didn't happen. But facts are the furthest thing away from the godless false accuser Zionist con man or demon witch LIAR like Livini. FoxNews calls the demon witch a Jew! ANTISEMITES.

We can witness, Americans do not have the intellect to understand what this means. See, LIAR Nazi Israeli broke the truce to get killed Jews for money. A regular fair for Nazi Israeli. Now, they state they will continue to indiscriminately murder humanity until the tin can rockets that travel miles stop killing Jews who hate Zionists. But importantly, it is Israel that wants Jews to die, so they can make off as Satanic with our stolen values. Just like the Bush family did with Hitler, that the Nazi Nation has no probs working gun in hand to wipe out Jews everywhere still to this day. Again, Nazi Israeli MURDERED JEWS in Lebanon as targeted. And leave Jews to starve to Death in Israel for more charitable aid they can use elsewhere. Public knowledge not disputed by any living soul on this planet because, the Zionist government admits freely to this. Israeli think being Satanic is worth it, for all the money and lives they can steal as enemies to Christ, Hillel, Mohammad, YOU, blahblahblah.

And, as demonic thieves, they steal homes from innocent god loving folks. US. But see the McCainiac HATES you as being a virtuous man or women, so they call for more indiscriminate carnage against Humanity, on failed hopes, that we as God are not going to come down to hunt them to the ends of this earth, try them, and have them executed for the war crimes of Torture, Rape, and mass murders committed for the neocons escape of 911.

Joe the Plumber to cover Gaza op

/ / Wurzelbacher says he'll spend 10 days covering the fighting and explaining why Israeli forces are mounting attacks against Hamas. \ \

Don't want an intellectual who might have a clue of what is transpiring with the forces of Satan, fuk, CNN'll likely hire him also. Don't you just hate this treasonous lying nazi demon? He has no journey man's license, never did, isn't a plumber, and doesn't have the millions of dollars he claimed

he did to purchase a company that would have rolled over 250,000.00 a year for himself alone plumbing. Plumbers, as good as the job is, never generate that kind of money. Who cares though, right? A Nazi liar is what Zionist's want, and that is what America gets. TV'ed Americans couldn't care much less. Evil nazi McCainiac who's sworn existence, is to con teen soldiers for death to raise the fortunes on the un-elected Neocon bushmobsters now fancies himself a teacher on the struggles against evil. It's like that faggot at anotheruntoldstory.com, who's into murdering innocent Gays, while fucking his own brothers up the ass, who runs ads everyday at GCN, tells US now, all about how evil we all are for demanding Justice. How long do you think that'll run with the Alex Jones towners still raising no concerns? It's for the money as Ron Paul would say.. Again, it is to divide ourselves from true liberty, by demonizing the innocent on our radio and tv channels. Instead of Bush, Cheney, Rumsfeld, and Condi.

Read of the bushite in my America who call this work of Satanic enemies, a good thing they support to war terrorism for the sadistically evil liars of the neocon. Then KNOW my friends, a bushite is the enemy of every living soul on this planet. Have no love for those in the Air Force, the enemies of Man who bomb our families without excuse, but to know, they hate US as Christ to speak free for Humanity. That DEMON George Noory was so happy last night about all the good the bankers AND CHENEY are doing for their hatred they spoke of for all Russians. SEE? not to protect America, but to kill you with their true commitment to the demonization of innocent people, all to escape the neocon terrorists. I HATE George Noory more than anyone alive in America. He is so openly evil to ourselves, that only those who wished to lie to you, (like Alex Jones does about Ron Paul), would say otherwise as bushite dumfuk enemies. Cowards committed to escaping Bush and Cheney for treason against Freedom. They doctored the NIE on Iraq, highest of war criminality. Alex Jones has never mentioned it, but for MAYBE in passing. Hey because all the bad guys are just puppets to ignore over the elites, globalists, socialists, liberals, gays maybe, Blacks, Mexicans, and anybody else smarter than NWOer Alex. Ron Paul is a coward as rarely if never has a clue of which he is speaking on.

Israeli PM says to end offensive if Gaza ends rocket attacks

Sarkozy urges Syria to press Hamas for Gaza truce

How does the ungodly get away with this obscenity? Nobody can deny Nazi Israeli broke the truce, as they always have done as Satanic for the last 60 years. Killing Jews for money is popular with the Zionist Nazis don't you know us by now? FoxNews CONNED Americans for DEATH with the unmentioned, TREASONOUS doctoring of the NIE. To kill Americans for more neocon gains, which Alex Jones never mentions either. Do Americans even care enough to raise Humanity's call? Do they demand public executions of sadistic godless Zionist torturers? as the Standing Law of America - The War Crimes Act - brought to be by Reagan - DEMANDS by the Law of America? It is the Law after all, yet, CNN, CBC, and FoxNews calls the perpetrators of the most heinous evil against Mankind, heroes. America is
a nation of godless cowards willing to die murdering innocent Christians in Israel, all for the profits of the 'magical' zionistic private bankers. Bushite grunts are now supporting the indiscriminate carnage, serving as police services forbidding any of the prisoners in Gaza from fleeing the indiscriminate slaughter. Again, as Satanic, they don't arrest the "Suspects", for what could they truly charge them with?, no instead demand we die helpless murder victims by forbidding escape, as they did in Fallujah murdering more than three hundred thousand innocent souls. Die bushite die screams to all men on Earth from the Son of God. Will you stand for YOUR life as truly worth something here? Like lawless enemies Policing your reality will bring you more happiness and prosperity with the great truth teller HAPPY George Noory? The demon who openly confesses the will to want to murder all children in around the age of 15? Too crazy for you to face such an enemy of huge demonic origin, so, go the cowardly way like Alex Jones as sell out slave instead, to cover the demon with endless praise on his treachery to not have our fight on everyday with open calls for understanding Justice is freedom. Instead of a constant stream of bushite dumfuk enemies of Living. This isn't complicated. Or it doesn't have to be.

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce.

Alex Jones told US as a deceiver, he's been
on Coast to Coast a hundred times. Not in these
last eight years he hasn't. I demand Alex prove
this, or be known by all far and wide a treasonous
liar, trying to take US off the tracking of
criminal action of his buddy, the demonic enemy
LIAR George Noory. bin Laden didn't do 911,
despite the facts that WE KNOW George Noory
knows better of but LIES to con the American
teen further for death at the profits of the
un-elected bushmob. See Alex wants you to blame
anyone but those directly involved in the crimes
of 911, or Iraq, or those responsible for it's
cover-up by Zionist propaganda. George Noory will
have as invited guests whos only function there
is to spread dis info as supporting more
indiscriminate warfare for the escape of the
neocon terrorists responsible for starting the
illegal wars to begin US at. Or those whom often
support torture, a war crime that only exists as
irrationally held by those who's minds have only
a blind hate for the indivisible rights of
another innocent other. And often truly hate men
and women for being Just as wise. The McCainiac
Zombie video is a perfect example. When the Zombie
is asked about the rights of Women, the McCainiac
Zombie cried out for raping more Women. The
position of authoritarian power, was only found
with the bushite as oppressor, rapist, torturer,
or Air Force Bomber, not liberation by freedom.
The bushite McCainiac KNOWS it can't compete
openly to defend it's criminal treasonous
actions! Remember, Alex "the Conservative"
thought McCain was the choice if you had to make
one, earlier on, then changed his position,
sort of, later by calling them all puppets not
worth the effort, but .. Obama's idea's matter
not, it's that his Birth Certificate is, no war
too be fawned. Palin? who's she? McCain
firebombed Vietnam as "war hero" for France?
The Banker doesn't cover our loans? Matters
little.

Norwegian doctor: Israel intentionally targeting civilians
http://rawstory.com/news/2008/Norwegian_doctor_in_Gaza_Israel_targeting_0105.html

"All that is happening in Gaza here now is against
international law, it is against humanity and I
think it is against what it means to be a decent
person. You don't treat other people like this.
Even if you disagree with himï¿½ maybe even if you
fight with them, you don't treat civilians, children

and women like this."

Israel deliberately targeting civilians in Gaza
http://www.youtube.com/watch?v=Ev6ojm62qwA

It was almost acknowledged on CBC radio that nazi Israelis, use the argument that a tin can rocket traveled miles, to kill some innocent Jew as a direct hit (likely a person who hated godless NEOCON), all because that nazi state has OPENLY, as PUBLIC policy, stolen water and food including baby formula, along with a huge list of other atrocities, to punish God and Humanity since way back before three of four truces. AGAIN, Nazi Israeli always, as ungodly, break their truces. Why? Because YOU, or Christ as any Jew's life means nothing, to all the 'free' billions they'll get from given American worker wages. Look, Americans refuse to call for the arrest of Bush on their national, "truth telling" Coast to Coast radio program. Why? Because, for one, George Noory, (Alex Jones' best buds), has told US he's into killing innocent kids as powerful, and that 'bin Laden did it', Is good enough for US. You don't get a say here however how you will live or die. George Noory calls all grunts heroes, and those who refuse criminal orders, those he wishes to go ballistic on. Yes, it's true, George Noory is still alive and happy as ever.

Rise Up for innocent Life, or don't and see where it'll get you in the end.

Again, every soldier in the Air Force serving for the neocon liar is a traitor warranting death, to save the lives of their next innocent victims. They have murdered more than two million people in Iraq. They are pushing heroin into America from Afghanistan. They are raping AMERICAN women as officially "LAWLESS" (can't be arrested but through Rumsfeld - who has not seeked any prosecutions for the raping of American Peoples. He, as Neocon, is TRYING to DESTROY FREEDOM For all Americans in America - while paying with American wages, South African death squads to murder Black men) and TV'ed Americans refuse to speak for Justice denied themselves. Zionist amerikans only see US as innocent others, not themselves to pay, but they do pay, they will pay.

God, nor John will not live in a world where
bushite grunts walk freely down our streets as
first degree mass murdering rapists, torturers,
and thieves. Celebrated by CNN, CBC, and FoxNews.
Especially when they DEMAND they have greater
rights than Human Beings. Mass Murderers deserve
immediate death sentence to defend ourselves
from their demon lies and betrayals to God and
Man. Every CBC and CNN reporter who reported
Russia attacked Georgia unprovoked will warrant
trial, then death sentences for their total
commitment to the Satanic NeoCON enemy war
criminals. Remember: they targeted for murder,
helpless innocent families. YOUR family. CNN
wants you to blindly believe, CNN personalities
like ENEMY George Noory are so happy, why would
we think they willed death against our great
Humanity by conning you for more stolen money
through the sacrifice of YOUR life for zionist
criminals who laugh at your powerlessness to
raise your voice for Justice.

our Humanity, while on MSNBC they reported that the Nazis
will continue to murder Humanity until a truce can be found,
A truce that the Satanic enemies of God will naturally break,
as they ALWAYS do. They are godless enemies of Life who wish
to steal the Title of Jew from Christ. They targeted Jews in
Lebanon with seven million land mines, and let Jews starve to

Satanic Enemies of Christ

CNN with Blitzer allowed reported on Larry King that Hamas broke the truce, without any uttering of fact. While when the nazi israelis were accused, just minutes earlier, Mark Regev could say only silence. The zionist Satanic enemies of Jews speak only silence, because they know they are satanic enemies liars of Human will.

Again, these SATANIC enemies break their truces everytime, then state, it is Humanity's fault because CNN will never ALLOW the humans to know. They are murdering innocent People in hospitals for example, or those in a Church, just as amerikan bushite nazi grunts do for the escape of the neocon zionists responsible for 911. To hunt a lawless bushite nazi grunt, and kll it instantly is to defend it's next innocent bombing victims. Bush and Cheney closed 911 investigations on 911, therefore killing a lawless bushite traitor for our Humanity is just to get ourselves together to arrest those responsible for mass murder on 911. The deaths of bushite zionist liars is a mercy given for the love of God. Die bushite die.

Israel Nazi State

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce. They always break their truces. Understand these Satanic enemies of God, dropped seven million land mines on Lebanon when learning the conflict was over. They will kill Jews for money, THEY are the Nazis. Nazi Mark Regev is clearly insane. 'It wasn't israel that started this' He could not stand with any man without instantly being exposed to All of Humanity as a war criminal in need of immediate public trial for death sentence. These are only innocent people being bombed. In a concentration refugee camp. Look, it's a prison camp. And if YOU
were a prisoner there, and Texan child rapists are something you'd wish to defend your community from, you'd maybe join the Gazan police force, run by Hamas, a political group democratically elected. All police officers in Gaza, Nazi israeli claims warrant 1000 lb bombs, not warrants for arrest for a criminal offense. Remember, it was Israel that broke the truce, as so is spoken by Palestinian government officials speaking internationally - using the example from November. But understand, as Satanic fraudsters, they always fuck over Our Innocent Humanity this way.

What kind of "Human" would commit such crimes against Life? Cheating Liars for Satan God tells YOU.

The Bible "I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

Look, these enemies of Life steal INNOCENT PEOPLES HOMES as thieves of The King of Jew's simple philosophy.

/ / Funny thing noone ever shows pictures of
the scumbag Hamas rockets falling on Israeli
civilians, but the nooz is full of Palies
suffering. Fuck you all I hope Israel
exterminates the vermin. \ \ He can advocate
the MURDER of innocent people for the neocon
liars, and Google doesn't destroy his account?

Remember Zionist Nazi Israeli started all their
murder rampages against Innocent Peoples for
'free' welfare money, as broke the truce with,
IDF funded Hamas on Nov. 4th. They have been
indiscriminately bombing People with excuses
that never do add up. Example: Nazi Israeli
stated they were in the right to murder ANYONE
in a car or truck in the entire nation of
Lebanon, (especially in the Jewish communities)
because like enemy "Gray Ghost" would say, all
those innocent Peoples deserve TO DIE AS MURDER
VICTIMS for his sadistic ungodly pleasures.
Remember, Nazi Israeli didn't mention this until
thousands has already been murdered, then even
still, without radio, TV, or newspapers, telephones,
or sky writing how were ONLY THE INNOCENT JEWS
as officially targeted to know? Then the seven
million land mines to kill innocent kids for
generations. To the enemy of Life, Gray Ghost
it matters not that Israeli started the conflict
by sacrificing nazi vermined trashed as Satanic
dumfuk enemy soldiers sent across the border,
to Grey Ghost, all it knows, is Justice must not
be allowed to win this game for our human race,
for he would be truly seen as a sadistic enemy
of Freedom, powerless, or rightly dead for
his proud treasons against life in this universe.

See? this is why NAZI I$raeli thinks they have
an excuse for bombing people indiscriminately
to break a truce they signed on to. This isn't
a one time, maybe two time occurrence, but every
time in the last 60 plus years the zionists
aligned with Hitler have. Satanic enemies

The Ungodly Zionist - a report from the front

/ / The most recent victim of Israeli airstrikes
was 10-year-old Ismail Hamdan \ \

To the Satanic enemies of Man, the Ungodly Zionist,
an innocent murder victim's life can not be allowed
a defense such as the charge of first degree murder
against Netanyaho because, he states no Justice to
any who believe in the Jewish cause, as Hillel, of
freedom as Liberty for all. If Jews ran Israel,
Netanyaho would be chastised publicly by the Humans,
for sanctioning the criminal acts of first degree
murder. The nation of Nazi Israel STEALS Peoples
HOMES. What other nation on this Earth commits
such willful crimes against innocent Human beings
OFFICIALLY? Steals homes from god loving innocent
folks and labels it our 'Justice system'? Who? Neocon
Amerika, the nation that gave trillions to bankers
recently on only prayers that their gods will maybe
lend some of their own money back to them at high
interest. But alas, evil is the deceived disguised,
as in their deep ignorance of money and virtue, they
do not understand, the private banker never covers
the loan. Never does a private banker reach into
it's pocket to borrow US to begin with - so as a
consequence, the bankers have just pocketed all the

'free' loot for nothing, TRILLIONS, and are not
saying why should they help anyone else with charity?
it's the amerikan way. Instead, hate the wise socialist
who designed a working good traffic signal system,
where lives are saved and congestion is eased, or
hate the white man, the black man, different People.
But never Mr. Bush, Mr. Cheney, or Rumsfeld, the
neocon traitors who closed criminal investigations
immediately after the crimes of 911 occurred, who
doctored the NIE to con America into death, and
never slight the trillioniare private banker gods,
who have stolen/taken our public authority through
war criminals in Congress. Taken from all others
to bring us a much poorer world suffering due to
our speakings of contempt for Justice as christians
in America - who claim in silence only indignation
for real Christian families robbed or murdered
Officially by the zionist state of ungodly Israeli,
paid for by dying America. Americans refuse to raise
their phones for the arrest of the bushmob for capital
mass murder, so, what's private trillioniare bankers
walking away with the entire economy in free fall
going to do for them, when they are already to
death for the glorious Zionist Neocon thieves of
Civilization? Proudly in hatred for Innocent
Humanity. Again, Hamas was founded by Zionists
in the IDF, to kill Jews for money - public record.
Jews starve near death in Garbage dumps of Israel,
all because the Nazi Zionist UNGODLY government
states it is beneficial to starve Jews, for, they
will receive more humanitarian aid THEY can use
elsewhere. Public knowledge. Zionist liars murder
innocent Jews for money, like they did in Lebanon,
and like the zionists did on 911 by forbidding the
pursuit of the terrorists by following the crimes
scene leads at the real murder scene. Unjust
enemies of Man.

To arrest those responsible for 911, we are going
to need to form a public warrant for a person or
persons. Bush and Cheney are guilty of closing
investigations on 911, treason, called obstruction.

UnHoly Nazi Israeli Racists are Greater

IDF's YouTube Gaza channel to Correct Ourselves

bombing operations \ \

Precision? They dropped seven million land mines in Lebanon, after having seeked out where the Jews lived, (Northern Lebanon), and murdered them firstly! JEWS. They, as enemies of God, like those of FoxNews, will refuse these type of FACTS on their hatred for Love and Justice. Their hatred for Jews, real Jews, like me. Understand: American baby formula has been contaminated with poisons, and FoxNews doesn't think it's important to their corporate responsibilities to kill ourselves further for profit. The Zionist will murder anyone just to steal your belief in God as Love. They HATE me for being wise and Just. Hate. For, why wouldn't America support my demands for open radio communications on the Coast to Coast radio network? Americans would rather murder Humanity before Justice succeeds beyond their illusions of grandeur through the mass murdering of ourselves for stolen gains. The banker does not cover our loans! Giving them trillions for free unquestioningly is dumber than rocks. Enough.

Fake Rocket Attack
http://xymphora.blogspot.com/2005/02/fake-rocket-attack.html

Remember however, the Zionist has no qualms about killing Innocent Jews too if it means Americans will get it more free welfare to murder ourselves. They openly STEAL Peoples homes in that nation run as thieves don't You know? Or as it is just open public knowledge that the Zionist excepts that 911 was actually a good thing for them as war criminals reaping the cash rewards for continuing capital murders?

/ / Ehud Barak promised that the war would continue ï¿½to the bitter end.ï¿½ \ \

That is you there Barak promises to end bitterly as the innocent the demon targets for ungodly murder. How could ANY REAL MAN steal food from a Christian baby? How do they do it?, as the inhuman. (Like bushite do in Iraq, while on CNN in interview tell US, they are there war criming for neocon traitors to steal everything as "helping the Iraqi children". They offer no clean water, no food, just indiscriminate bombing campaigns of evil incarnate. True fascist nazi enemies of true freedom in America who advance censorship to

anyone like myself. Why? They lose. They are not men but Satanic enemies of the King to Jews, the Messiah. I Am. Thieves to the scriptures of Hillel, and of Moses. Thieves to the intent of every true religious person, for God is everywhere. God is the Word, and the Word is Holy. So, fuck you and die bushite nazi traitors to American Justice, those of them who refuse US open free words to resolve their war criminal behaviors as is done in godless Israel today against INNOCENT Christians. Done before another innocent other has our homes stolen, or is murdered by the lawless grunting bushite dumfuk enemies of Jesus Christ. I am King already, always have been, always will be. Live with it. The Koran is filled with great understandings on this relationship. Christ is mentioned more than Mohammad - and Mary can be understood as the mother of all being before we are. a virgin.)

Look humans, you've had your fun murdering yourselves, now the wise people will compete for bettering ourselves by understanding. Who the fuck are these illiterate monsters at CTV national television? and how can they willingly keep our soldiers in the dark dying that way by simply smiling? Are they experts in anything? are they respected researchers? writers?, politicians?, civil rights lawyers? - do they even respect ourselves enough to be warned of vaccines? NO, instead they LIE with such contempt for Humanity I am surprised Canadians, don't speak out more.. perhaps they do, it's just CBC, CJOB, and the Winnipeg Free Presses of our World make no attempt to inform ourselves about it. They don't take my thousands of calls, how about Yours?

Life is real to know, if you seek, and not go so freaked out as Living is as it always has been. Knowing God is cool, 'amazing', yeah, whatever, but we are of too this real world suffering for our lack of respect for a wise person speaking. I WANT FREE PUBLIC DEBATE FOR JUSTICE AS ALL INCLUDED. Now really, is that too much for US to ask freely? What say you Googler? Afraid I will truly make your banker gods look like fools?, the gods we all give more than half our lives to for nothing? Don't want to look truly dumb as deathly ignorant, so censor US all themmers you are

too in command of your Fate. So be it. See? Stand in. I didn't even really do anything there, yet it's written, it's done. A Miracle! Imagine: your Christ! YOU. now what are you going to do.. time is ending for you remember, now what are you going to do? Will you pick up your magic phone and call likewise for Justice denied, or will you crawl up on your cross and die in silence for the glorious Zionist aligned with trillioniare private bankers and Satan? Christ is of all peoples. Your on a mountain.. You've raised yourself from death already, and your here to do something greater for the love of God.. what's your plan for the common man? Lawless Police to Defend Who Again?

They Call it Terrorism

"Israeli nazi enemies call bombing people, like they do without apology, terrorism. What can't you figure?"

CNN TODAY

/ / Stand down 'Christian' nation. It's not your babies. Ethnic cleansing is not a 'sin' as long as the 'chosen ones' of Israel do it. \ \

Israel, the nazi enemies of God nation broke the ceasefire on November 4th. Now, as demon liars claim they want to honor a ceasefire again to further steal ourselves from the Love of Justice. Why do the godless Zionist do this always as first degree murderers? Because they can't win an open debate on their treasons against God and Man. The private bankers DO NOT cover our loans. Again, these SATANIC ENEMIES OF GOD dropped seven million land mines on Lebanon while target killing JEWS. INNOCENT JEWS. Targeted. Northern Lebanon, look it up. Israeli MURDERED Jews. Innocent Jews as targeted for more stolen charity. I again, beg you to support my call for war crime trials against the bushmob, including

CNN demons who report a total contempt for
YOUR life dying. Your call loser.

ISRAEL: No civilian casualties in Gaza!
http://uk.youtube.com/watch?v=RlZd3vR6Kzk

Satanic enemies of God as anyone included.
Think: who buys these demon lies to steal
further from our innocent Humanity? Zionists
do at CBC and CNN, who will murder America
by openly lying to destroy freedom. Example:
CNN reports Georgian nazis who targeted
children schools, churches and threw grenades
into our homes to murder as minions for Satan
are called freedom fighters. Just like the
Third Infantry, the new lawless police officers
of California, who can't be charged with rape
for example, because ONLY Rumsfeld can okay
such prosecutions. Hey who cares for Iraqi Rights
right?, for TV America's CNN with FoxNews and
George Norry doesn't, for it's only American
women and children now right nazi enemies? And
WE ALL KNOW, cowardly America refuses to even raise
their phones for these dying concerns. How can
George Norry continue to live happily dying
America for the neocons? How? they let them.
Alex Jones thinks George Norry is just
fantastic, so no, don't encourage the NWOers
to demand free communications, because if we
did, Alex Jones and the like, would factually
look like the idiots he is. (better to die
America than face this foolishness?) The
banker doesn't cover our loans, we do Alex.
So giving them trillions in American worker
wages is a bank robbery in progress. Simple.
NOT a diabolical ingenious plan, we, the simple
folk can't figure without the Alex Jonesers
geniuses of thought control developed by the
CFR, builderberg, the Boners and NASA.

Obama stated all lawless soldiers who war for
godless Zionism are heroes, which includes South
African death squad goons who murder my nigger
friends. AEGIS. I call them lawless enemies of
God, deserving death sentences to save the lives
of their next innocent victims, Obama calls them
heroes warring for the escape of the neocon
traitors responsible for 911. Who are you going
to believe?

Look, I plead

and blind men of state plate, 'we're going to

Why is this story not where it should be? Who's
interest does it serve by further dying
Humanity to: we don't care about not stopping
terrorist crimes in progress then? Don't be a
Nazi. Why? Just because. THE 'suspect' WAS IN
ON THE MASS MURDER OF US. Justice for All
there you nitwits. Under who's command was he
working?, and does Condi figure in there some
where by sending TV America elsewhere? Who is
set to gain money in the planned indiscriminate
murderous bombings, and let's try, then execute
them instead of US as innocent victims how about?

In a Normal World

"It's not that we're Jewish, it's that they are
war criminals."

http://www.nation.com.pk/pakistan-news-newspaper-daily-english-online/Politics/23-Dec-2008
/IAF-plans-to-hit-targets-in-24-hours/2

"General Mullen is pressing our authorities to
allow India to hit certain targets,"

In a normal world, Mullen would be questioned,
then arrested, tried, and executed with Gates for
trying TO KILL INNOCENT PEOPLE for cash profits
stolen from God's America. But the nation is filled
with cowardly know nothings.. how do we know this?
They refuse to even pick up their phones to complain
about DYING needlessly for the un-elected Zionist
neocons. The TRAITORS who did their part to carry
out 911. America only PRAISE real demon George
Norry who openly lies to the ears of America, while
advocating the indiscriminate slaughter of all
children in around 15, because he claims, that way,
you reduce the risk that they might sometime in the
future own a gun to kill himself as a REAL bad guy.
These REAL monsters will kill your American kids for
cash. Why? Because YOU refuse to even raise your
phones for concern. It's "just" your neighbor's kid
who'll get the vaccine shot filled with toxins, drink
the American Milk, chew the bubble gum, eat the
Campbell's Soup, or drink the tainted water. The
poisonous water containing sodium fluoride is in
soft drinks, beer, and bottled purified water costing
near 3 dollars that Pepsi openly confessed, they just
get right from the poisoned public taps of Boston,
unfiltered. TV America? where are you man? Why do you
still refuse to raise your phones? You go in faith
WITHOUT science, with reason?, without God, or even
crave my words as the Great Son. Why do you forsake
yourselves? Are you not worth the effort to say your
own lives are worth something too?

Charlie Manson "Yes, your honor, I did authorize
the killing of Sharon Tate and the rest, but you know,
we need to focus on the future rather than the past!"

Bushite Nazi grunts of the Air Force have bombed
more than a many innocent persons, claiming we as
Humanity can't hold them to account for their
murderous crimes of STEALING our lives. It is an

oath soldiers give to obey lawful orders only,
yet, a bushite's word means nothing. They bombed
Samara for no reason but to die. They bombed
Fallujah for no reason but to die. No honor,
no courage, no manhood.

on Meet the Press, with the late Tim Russert.
Simple. Or cowardly like Alex Jones call him

hid away in far off places, manipulating to
secret out the blind idiots who don't truly
believe in elementary logic. This isn't
complicated.

too don't you know.

This is What Americans Are?

/ / the United States has refused to sign

Again, this Zionist infiltration is
designed to divide our populations through
demonizations against the Innocent. There
is no crime in loving people despite what
GCN advertizes.

"The concessions made by the Olmert-Livni
government to the Syrians do not and will
not obligate a government that I shall head,"
Netanyahu said. The concessions of indiscriminately

murdering US repeatedly? Understand to know:
The Zionist is a Satanic demon enemy of Humanity
according to God, in the Bibles all timelessly.
Netanyahu, the demon, is so ungodly as evil
criminal, he will likely "win" Istraeli the Zionist
election on a public platform of godless tyranical
theft and murder. Remember, Israeli Zionists
funded the creation of Hamas to kill Jews in
Israel, and TRUE Jews also live in Lebanon, Iran,
Etheopia, Canada, and the North Pole, and we're
the "niggers" there too that Israeli despise -
like as they who PUBLICLY supported South Africa's
oppression of Innocent South Africans for stolen
monies. Satanic I tell you. Don't believe? in
innocence? That's the power of Peres, the devil.
Evil a zionist criminal is proudly. Peres will
tell you, all about when Zionists target to murder
little old ladies as he did on Larry King, it's
really not Satanic, because they'll blame the
murders on someone else completely different,
as US, the innocent. blatantly. In your face.
While CNN goes, uhuh, gotta kill those Jews in
Northern Lebanon. As Syrians too! Israeli dropped
seven million land mines on more than 170 towns
and villages given to them from Condi! a godly
nation of Jews? ANTI-SEMITE is FoxNews everytime
they assault God with "Israel, the Jewish State"
to torture, steal, and murder.?. ANTI-SEMITE!

MY LIFE HAS VALUE

"You can't count on Congress or the Courts to save yourselves"
Ron Paul - The oUtRAgiOuS fUnnY MaN

Ron Paul is a traitor. He didn't support arresting
Bush for 911, or for the killing of American teens by
doctoring the NIE. Now, Alex sells Ron Paul, is
his leader of OUR truth movement because he says
there's nothing he's going to do but blame poor
people, or socialists,

"The Liberals and the Socialists, along with
the Communists and the Gays, with the Muslims,
and Community Organizers with the freaks different
that me did the murders", said near all the retard

bigot Conservatives blindly false accusing.
Example: Condi says Pakistan's ISI committed the
murders, the FBI says no, there isn't a scintilla
of evidence to substantiate that. Condi says
Pakistan's ISI FOR SURE did the murders, the FBI
says no, there is not a whisper of fact to form
that conclusion. The "Army" says for sure Pakistan
did the murders, the FBI says no.. There is not
a thread of fact a zionist offers to form YOUR own
mind in respect for your rights being equal to ours.
Condi only tries to hypnotize the "Conservatives"
into believing something without understanding,
without knowing. Sean Hannity does this everyday
on purpose to kill innocent American teens.
Conservatives are universally ignorant People,
and sometimes, serious war criminals like Condi.
Taking US off the target of following the crime
scene leads at the real murder scene. The
"Conservative" mostly doesn't have the mind to
understand Justice is freedom, like the NWOers,
so they false accuse US as Innocent others, for
crimes they don't speak for as Our true defense.

I'm counting on you kids eating right, and
knowing you belong free here. I'm King Johnny.
Hi.

Anyway,

Imagine: Alex doesn't ask 'hero truth
teller' Ron Paul for a million or three for

I can not post more than three times every four to six
hours, otherwise, they close my accounts, while at the
same time then, go through years of my writing to
sadistically destroy more. They figure they have
something in our Courts to support their treason of
assisting in mass murder against America by Zionist
theives who steal the title Jew, as in godly? while
shitskin posts hundreds daily pirating everyone's
threads with his EVIL hatred for God and Humanity, if
not even more from Israel) Not the Alex Jonesers way,
but the actual way logically understood as where the
problem resides. DNA, as is life, is multi-dimensional.

Where is this
"Christ" that CBC, CNN, GCN, and RBN harp on
that speaks nothing for real Justice to the victims
of 911, or Iraq, or Afghanistan? Or the children of
South Osettia? Alex is near fit, but he is far from
sufficiant. Jack Blood was great, but Alex we guess
doesn't want him looking like he Rulez like US
too though. RBN has it's moments, yes, I guess that's
true.. Things do seem to be improving, what with
all the torturers and rapists wanting to come home
as brain damaged Zombie police officers. They don't
want the laws of freedom though, too complicated.
They'd rather hunt down our families from the
sky with bombs actually.. fuk, I hate EVERYONE
in America's Air Force, every last evil fuk. They
watch these videos and celebrate their complete
indiscriminate murderings that get killed so many
GIs - they celebrate the slaughter of our innocent
Humanity . George Noory will kill your American kids,
have no doubt, for, he already has.

CBC and CNN only smile to tell you all the great
things they do by denying OUR Humanity these truths.

America is a cowardly evil nation desperate
for excuses as still being run under by zionist
thieves.

Israeli Settlers call Ethiopian Jews "Niggers"
http://www.ynetnews.com/articles/0%2C7340%2CL-3633163%2C00.html

This isn't isolated. The Jews of Ethiopia, are
the actual Jews of the Bible. These monstrosities

that God knows as Israeli, are Satanic enemies of Man. They steal our homes, rape or torture our INNOCENT families, and bomb Jews as the did in Lebanon TARGETED as an OFFICIAL function of their evil "government". They actually, a few years ago, gathered all the darker skinned toddlers, and murdered them as an OFFICIAL government of SATANIC action. More than 100,000 "Nigger" toddlers, Jews, they murdered with radiation poisonings. Officially. Now, Americans GIVE them money to bomb innocent Christian families indiscriminately guilty of nothing. They steal their desperately needed food and medicine. They are thieves of the most vile evil natures. Example: the Zionist who STOLE 50 billion dollars from American Jews will not be ordered to give back the money! Sure, they tell you that SOME of the suckered Jews, will get a small portion of their investment returned, but only through the wages of American citizens, NOT by the Zionist THIEF, T-H-I-E-F, who you are told OFFICIALLY "lost" the money. (will he even spend a day in jail?) He lost it, ah shucks, just like the trillions "lost" to criminal trillioniare speculators. And like the banksters, who never covered a dime of the money for the fraudulent loans, but get to STEAL your homes, and now wish to charge US a renter, for a home Americans, the illiterate suckers, actually paid for, and will continue to until they speak above the laughter of a George Noory, or con man Bill O'Really, the true demon enemy. Or will instead? cowardly, will go like Alex Jones, naw, George Noory is a good guy, a happy guy, sure he speaks of the enjoyment in slaughtering defenseless innocent children, so what?, he's pleasantly happy to state all is well going ballistic against soldiers who refuse criminal orders from the Zionist neocon. Not a fuking dime!! Understand, this isn't just a, let's get the info out for People to know as Alex Jones sells to near overdose.. (we are mere mortals who work nine to nine Alex The Great.) CBC managers, all of them, have known since shortly after 911, that Bush and Cheney closed FBI investigations, they know that iron is on video flowing like water from the towers, THEY KNOW THIS because I personally told them. Yet, they smile as demon liars to die our teen soldiers CONNED deliberately. We need some serious police action in arrests of treason against all news

celebs, who of course will get lawyers, (what
they deny in happy silence to not mention
against American torture victims) but will
be shown conviction for their real contempt
for the value of YOUR life my friend, our lives
they watch indiscriminately die for lies they sell
happily for stolen cash profits.

the magic money bag guys are in running the show
from our central banking offices, in as a debasing
culture of indifference to their own cowardly
sacrifice. That's if we believe what we know of
the fictions they sell ourselves. Georgia, Iraq,
Afghanistan, and so on.. they lie to our world
for criminal gains, gains they've seen near to
overtaking them. Demand the arrest of Bush and
Cheney for closing criminal investigations on
911 immediately after the crimes occurred. Then,
without evidence, falsely accused an innocent
man of the crime. A crime they knew enough of,
to plan before hand the invasion of Afghanistan
for Enron. Speak now, or, suffer to die in

Give Free to Banker.. Loan Back Maybe? Paleeze..

Why We Do the Things We Do

Sales pitch: Mankind takes on the world as One with the calculators. Civilization DID happen! Correct math scores are not impossible to find as an answer to: why we do the things we do. Americans gave private interest bankers trillions on only Hopes that these, the most obscenely wealthy of all the upper classes, are going to graciously lend some of our own money, (we just gave them,) back to us... in dire need. at interest! It's for our benefit baby, don't you cry. This is just plain dumber than rocks Johnny Wizard says okay. And simply going to a gold standard is not the easy made NWO answer, it is accounting for ourselves that is going without questions. The private banker is highjacking our public authority for their private interest of exploitation.

Our governments are not holding Private Bankers to some kind of public authority to question who's interests are being devalued here. This is why the thing has been messed around for so long, We, the People, have been too foggy on super basic math skills as pronounced by, truly effective Jewish leadership. "The Private Banker DOES NOT cover our loans, we do." Read that again now. And acknowledging, we, as conscious, can succumb to suggestion without knowing what we are even saying sometimes really. Everyone wants to play the lead, but few are wanting guitar practices.

It get's easier as you try..

Answers: we need a tax on every buy and sell to limit speculation in the stock markets as it was prior, while openly discussing how the investigations are going, in returning the 700 mill that was given through for another means by Congress. For the private bankers to take that money elsewhere, is to neglect the problem

persisting of home owners, and that mortgage
issue they forgot US about. Why Americans
desperately, at peril, gave the money to begin at.
Look, while arrests are transpiring, we'll then
discuss using the re-cooped stolen money to finance
all remaining mortgages on family homes at zero
interest levels, upto, let's say for now: $500,000.
It's an idea I'm putting out there to dialog on
with you guys and Obama. Obama!! How's it going!!
Hey man, we can work it out.. You don't seem like an
impossible person to reach. Hey, make life interesting
in ushering in a new peace plan by communicating. Now
I know your all pals with everyone as government, as
that is what a successful politician can do sometimes
good, sometimes criminal. Obama, we can't let these
con men go. These have been times of lawless wars
against God as indiscriminate bombings, of torture,
of slavery, of heroin pushing, of national looting of
a Peoples Treasures. How much is too much for you my
poorer brothers and sisters of the faith? Obama, let's
believe in ourselves. These bankers are stuck crooks
for no faulty but our own. It's still our money however.

King Johnny Earth, White House Jester. !

Your lack of discernment is profound. Mark constitutes 90% of the
problem, having flooded this newsgroup intentionally, and having done so
for the last four years. As his blog once stated (see the link below)

"Flooding the place does seem to keep it cleaner sadly then I will have
to continue at least for the time being regular and large floods of the
ng." -- page once displayed at khkb9rqz.blogspot.com but then removed
when Mark realized just how incriminating it was.

The screen capture of the original, damning page can be seen at
http://img387.imageshack.us/img387/7400/sadlyrrapsu4.png

That screen capture proves that Mark's claim of defending himself is
convenient B.S. that he doesn't even believe himself.

The time for talking has passed, so I don't even engage Mark or respond
to him any longer. I and at least three others have been taking action
instead.

If we get RRAP clear of Mark, *then* we'll worry about other abusers.

GLENDALE, WV: The FCC requested July 11, 2000, that Roger L. Wiseman, KC8JBO, retake the General examination elements under the supervision of an ARRL-VEC volunteer examiner team. Wiseman must appear for retesting by September 11, 2000, or his license will be canceled. Applicants appearing for re-examination are granted an Amateur Radio license consistent with the elements passed. The FCC had written Wiseman on March 29, 2000, advising that it had been made aware of "an ongoing personal dispute" between Wiseman and another licensee that included allegations of interference or jamming on 20 meters. FCC Special Counsel for Amateur Radio Enforcement Riley Hollingsworth invited the two licensees to contact him to discuss the matter. Additionally, the FCC had sent Wiseman a Warning Notice last November in response to allegations of deliberate and malicious interference on 20 meters.

You are much too kind. You've given Mark far too much leeway here.

I would estimate that Mark constitutes 95% of the problem and not only here, but on other Newsgroups as well.

It was what? A year or 18 months ago when Mark, using Teranews, would flood these groups with two hundred, three hundred or more posts a day?
That came to a screeching halt when DeLorean stepped in and took measures to have Mark's Teranews account canceled. DeLorean even managed to find some photos of the Teranews site in Osceola, Indiana and posted the photos to embarass Teranews. DeLorean's efforts succeeded and Mark lost his Teranews account, though Mark lied about if for months after. Mark refused to admit defeat even though we all knew better. Subsequent dares by us to ask Mark to again post through Teranews went unanswered. Mark claimed that his Teranews account was still "good", but when DeLorean finished with Mark, he never again made so much as a single post via Teranews. We all owe DeLorean a tip of the hat for his efforts.

Mark has since been relegated to setting up fictitious Google accounts to carry on his nefarious flaming activities. He has nowhere else to turn.

Oh, wait! Even Mark's Google accounts are coming under scrutiny and others have joined DeLorean's past success and have been banding together to quash Mark's Google accounts.

But does Mark get the hint? Has he learned anything?
No.
Nope.

And in spite of Mark having lost accounts at QRZ, Ham Island and others, this mentally challenged misfit continues on as if nothing has happened. One almost has to feel a bit of pity for Mark. He has "issues" and is in denial.

Note that I said "almost", but that is just me. Most others simply despise him.

I've nary a qualm when it comes time to help quash a few of Mark's fake accounts.

Yes, I post through Altopia. So what?
Don't like it, Mark? Too bad.

I don't flood...don't violate Altopia's TOS. And I don't hijack threads.

And I don't post over the Ham calls of others, especially W4NTI.

Conversation overheard at the Shipwreck Lounge.

Girl #1: "See that guy over there by the bathroom?"

Girl #2: Yeah, that is Roger Wiseman."

Girl #1: "Do you know him?"

Girl #2: "Yes, I do."

Girl #1: "He looks kinda ugly to be in here."

Girl #2 "Yeah. He hangs out here every night."

Girl #1 "Why is he so unpopular?"

Girl #2: "He doesn't bathe."

Girl #1 "Is that the only reason?"

Girl #2: "No, he also doesn't have a penis."

Girl #1: "He has to have SOMETHING between his legs!"

Girl #2: "He does. But he is so little that it looks like a Clitoris."

Girl #1: "Oh, My God <giggle>, no wonder he is such a loser."

Girl #2: "Yeah <laughing>, don't look at him. Look the other way. We don't want him coming over to our table."

Girl #1: "Look! That guy at the other end of the bar just bought him a drink."

Girl #2: "Good deal! <looking around> Now we can get out of here before he follows us. Hurry up."

well again that depend on other when they make it clear they don't get

indeed as certain of those that seem to need reminders are the

2307. Mark's recent Teranews spams propagate through highwinds-media.com

Teranews is now using highwinds-media.com to carry their Usenet traffic.
That means we may have a much better chance of stopping Mark's spam than
we had with Teranews itself. The Usenet abuse policies can be read at

http://support.highwinds-media.com/aup.php

where it will be seen that Mark (posting as k3vr) is in violation.
Please help us by sending some of Mark's spams back to
abuse@highwinds-media.com, OR by going to the web page at

http://support.highwinds-media.com

and clicking on "abuse." There you will find a form for filling in
details about messages with violate their Usenet AUP.

Thanks to all who are helping,

"that is the way the usenet works" is not true at all.

It is, however, a sad fact that one mentally challenged kook in Michigan views Usenet in this manner.

Nothing is ever his fault. Not the 200-300 plus posts per day....nothing.

It would be better for you to simply ignore Mark. That galls him to no end.
He hates being ignored. He needs the attention to reinforce his poor
existence.

You you feel that you are the one, the best qualified, to provide these
"reminders"?

With the sad state of your command of the English language I'd suspect
any claim that you generated an FCC action.

Kindly allow the individual to whom I posted the original "post" to
answer. If he can that is. Somehow I doubt that anything beyond spam
is a reach for him.

FBI Believed that Bombs Used on 9/11
http://georgewashington2.blogspot.com/2009/02/fbi-believed-that-911-involved-bombs.html

/ / Indeed, the FBI told a reporter for
USA Today that FBI agents believed there
were bombs in the Twin Towers. \ \

Awesome. Where is CNN and CBC here? Is
this an issue of life and death or no?
Who are they to judge OUR lives unworthy
of defense? I am King Johnny. Support my
demands for open communications above the
NWO shills who bark Bush and the Neocons
must be allowed to escape our Public
authoritay.

Report Of ï¿½People Planting Bombsï¿½ on 9/11
http://www.prisonplanet.com/report-of-people-planting-bombs-on-911.html

Why isn't Happy George Norry, Our Enemy, covering
this everyday as an important subject to defend
American life he holds truly in contempt?
Again, Alex Jones leaves every American to die
victim to his NWO, before he will acknowledge
TRUE evil in our world. George Noory, the evilest

ACTUAL Enemy of History, Alex claims is a good
guy for never allowing open discussion on 911,
Afghanistan, Iraq, and so on, without selling
his Zionist hate for our Humanity. Can you believe
that demon enemy co-ksucker Ian Punnet actually
preaches? The demon has told US more than once
he doesn't believe in God, so what do you think
that other "buddy" of Alex Jones has in store for
your life? Alex has said near a hundred times, that
Christ's disciples were all killed by the Romans
for believing - what a demon he is - for - what
Bible is his fans conceiving? Again, Alex Jones will never
encourage his listeners to demand open debate. Alex
would lose on all his lies like, he's been on with
George Noory a hundred times, or fifty times in
five years. Why does Alex lie to US all like that?
Because he doesn't really want Justice to prevail
where GREATLY wiser men or women would likewise prevail
through open dialog. Alex can't have that because
everybody MUST be under HIS NWO mind control.
Mind control on education, the Federal Reserve,
and FREEDOM. Alex figures having a gun to shoot
innocent Americans in the back is his brand of
loyalty to God and Country. Well, I, as Christ,
state it isn't mine. He would see every American
murdered, before allowing the notion that he, and
his likewise cult, might just have something to
learn about evidence being a REQUIREMENT to prove
someone's guilt or innocence. His godless commitment
is to escape Bush, and his zionist media controllers
with excuses that don't hold water in any Court of
Thee. Alex refuses to allow Americans to know why
the Constitutional protections are there to defend
yourself, because if you did, you'd demand the
arrest of Bush for treason, and call Ron Paul an
sell out loser who pocketed the millions conned for
being Alex's loyal fans. Alex doesn't like this Truth
because he's gotta be leading Earth's "Truthers"
at the pinnacle of his spear as a liar, where all
of History, is one badly drawn Alex Jones cartoon - a
dickhead. A true dickhead illiterate on the bible,
on Justice, on Life.

I must be on crazy pills
http://www.uruknet.de/?p=m51615&hd=&size=1&l=e

/ / Well, why haven't the banks just returned
the money?... \ \

People who know they defeat all "Conservatives"
in seconds with indisputable simple logic, will

eventually rule the Universe, if CNN, CBC, and
Alex Jones allow open communications on what is
understood by all as high acts of treason openly
committed without a defense of smart people
explaining why/how we are being rooked as idiots
on purpose. Crazy man, crazy. Oh.. anda..
justwondrin', would be the first name Reza be that
of the feminine or, echem.. masculine? Just
curious on language that's all..

Oh, logic like, "Buying in bulk is cheaper."

Godsmack - I Fucking Hate You
http://www.youtube.com/watch?v=FiPtHkfDXus

Hey! Johnny's new theme song playing when
I be bagging the bushite zionist whores of
the demon antichrist, Our Mr. Bush Jr. Bush
closed 911 investigations, Bush lied about
Saddam not letting inspectors in, Bush never won an
word fairly in his entire war crime life of
game rigging with naked deceit and betrayal to
the cause of Man, die bushite die. Rock on
my friends, rock on.

"Army deserter deported from Canada, now in U.S. jail"

This is a for real war crime. Why? there was/is
no cause for the Iraq war. Truly. Example: why
bomb if you can go anywhere without delay? To
only murder innocent People INCLUDING SOLDIERS
to thieve from ourselves as war criminals is what
any rational person comes to understand. When you
destroy bushite grunts who war God for rape, torture,
and enslavement of our species, you save the
innocent lives of their next victims. To hunt
the godless bushite enemy, is to love Justice
as our glorious Humanity winning over the lawless
nazi grunts of the Third Infantry - who'll shoot
anybody, blindly as cowards, led by a Saudi, Buford
Blount. Their "leader" who left Iraqi's largest
weapons depot undefended for looting. Qaqaa. Killed
many a bushite nazi grunting lawless coward by his own
treasonous brand. And mumbling bushite nazi grunts have
what to say about American teens made valueless
victims for Neocon bounties? "whore yay" That's
about it..

LETTERS NOW RELEASED PROVE-Bush Intervened-To Suppress Torture

Obama Gets Tough to Shield Bush Torturers

Who does Obama think we are as 'United' together
on pro lawless torture against innocent 'others'?
Wake up people, we are under attack by those
who refuse US Justice to win Freedom for
anyone. "Conservative" retards are completely
lost here, because they do not have the
intellectual skills necessary to understand:
a person accused of a criminal offense without
any evidence is innocent. Or, how about, No one
deserves to be tortured for confessions on
crimes left then unresolved for actual
retribution. [Aegis OPENLY murders innocent
families for more American paying for zionist
monies - P2OG - YOUR Spouse, YOUR Child, YOUR

Following the crime scene leads of 911 to nab
the actual evil doers is beyond the will of the

deaf, dumb and blind? with lawlessness gaining
for monetary loses due America as corporate
cheaters. We are Brilliant, of that much I am
certain. Conservatives are minimally, idiots.

Obama Accused of Blackmail over Terror Trial Evidence
http://atheonews.blogspot.com/2009/02/us-accused-of-blackmail-over-terror.html

Again, Obama is taking a position to torture innocent
people here as a traitor to Just cause. Just cause to
live in a free society. Torture warrants the death
penalty under American STANDING Law.

Video: Cop Punches Woman In Face Four Times During Arrest For Riding A
Bike
http://www.liveleak.com/view?i=99c_1233639102

Top Cop Johnny Judge rules: Ten years in prison.
Maybe fifteen if the dumfuk grunt, back from the
war against Iraqi children as a traitor to American
values, shows no remorse for his crimes against an
American women either. Absolutely any cop or soldier
who disagrees as true contempt for our freedoms with
punishment against this nazi trash pirating our
police uniform, WILL WARRANT death sentences all
around to ACTUALLY defend liberty in my America.
Any American father who prides in killing innocent
Iraqis for the escape of the neocons for 911 is no
father. And a wife should get the hell away from
a male who enjoys murdering helpless innocent others.
Children in such families should be challenged
by relatives through the Courts to save the lives

of our endangered offspring. Again, without water
or food, Iraqi children are murdered by Neoconner
grunts irrationally everyday with nothing to say,
aka, without reason but as Satanic Bush whores, to
make our God as Humanity suffer further for their
escapes as actually selling freely, lawless zionist
savagery.

KILLING MORE OF THEM - reporting war crimes to the Police
http://www.youtube.com/watch?v=gB-KaIBDNJw

Again, a bushite has no commitment to defend
America, for it speaks nothing for the arrest of
the neocon traitors. traitors like themselves whom
will murder innocent folks like your Self to steal
our common values. Wouldn't you glory in seeing
these savage grunts who on video, indiscriminately
shoot innocent families, or bomb a city entirely,
executed by Christian Patriot firing squads? or
televised to fry in the electric chair for these
documented war crimes? I sure would. It would make
our world a much safer place to raise a family
secure in knowing, bushite grunts as enemies of
everyone, were hunted to extinction for their
crimes against our Humanity. Hunted by Johnny Law,
the True Spirit of America.

UK judges accuse Obama Administration of suppressing torture claim
http://www.timesonline.co.uk/tol/news/uk/article5661291.ece

Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits
at the terror scene. The case was lightly reviewed
at democracynow, a year or two ago, and can be
found by searching for a grunt pretending to be
an ambassador to Romania. A case where the Judge's
life was threatened by a "General", where if he
didn't order the death of the innocent American
citizen, the grunt with the General would murder
US all right then and there. The Innocent American
was murdered as forsaken for value shared by
free men.

"Judges Bribed by Private Contractor to Sentence More Kids to Juvie

http://www.philly.com/philly/opinion/inquirer/20090128_Editorial__Judges_Sentenced.html

Christ speaks!! Echem.. This is called a criminal
action to falsely imprison American children for
more stolen money. Will the contractor be arrested,
tried, then executed in America to defend American
children? Unlikely, because it isn't as important
as how fat Oprah is today, or as Alex Jones the
bigot would say, on how daily, the hidden NWO elites
are responsible for every criminal action against
Liberty in America, not war crime dictating LIAR
Bush who told US Saddam wouldn't let the inspectors
in without corporate news correction, Bush, who
closed Police investigations on 911 for Enron, KBR,
and the Kissinger associates. And certainly not
Bremer for personally stealing tens of billions,
no no no, "just puppets" "just puppets" as instead,
the Illuminati in other words not allowed spoken
understood with Alex Jones NWOers. I want a free to
speak arena where 50 percent of what Alex spews is
truly dumber than stupid. Why? because he is controlled
through his personal weakness of bigotry, to actually
believe foolish things as factual. Examples are
truly endless when we discuss Alex Jones'

dumminess, but here is one example. Alex states
911 truthers were attacked in a TV show as NWO mind
control- but, the "truther" he referred to
talked in the drama on there being NO PLANES!
A dis-info bushite stooge if ever was one depicted
with special effects. We suffer with his bullshit
every day, knowing if we tried to phone, would
not be granted a minute because I, in support
of Freedom for America, make all bigots look truly
dumb as fascists lashing out at nothingness to
divide our masses. And apparently, he can't have
America becoming greater for defending ourselves
fairly through Judicial actions.

U.S. partner, not Hamas, firing rockets into Israel
http://www.palestinianmothers.com/profiles/blogs/us-partner-not-hamas-firing

/ / The probe found the Islamic Jihad rockets were
actually fired by Fatah. \ \ Whom Israel in response
to the confessed by all to be true facts, murdered
innocent Christian children in Gaza as war criminals.
Actually claimed it was regardless who shot the tin
can rocket that struck no one harmlessly. Again,
Nazi Israeli responded by murdering innocent Christian
children as war criminals with "disproportionate"

force. War criminals who murder Humanity to steal
our shared values.

innocent Christian children for MURDER - as -

but of the evilest group of lawless nazi savages
pirating the government of Israel away from US Jews.

this by communicating.

Ceasefires, Israeli-Style

They admit TODAY, as yesterday, and last week, month,

people for murder to punish Humanity for believing
in God as Just, or real freedom understood as practiced.
Libertarian couldn't give a shit on a issue such as this,

Obama set to allow Bush-era ï¿½torture flightsï¿½
http://timesofindia.indiatimes.com/Obama_set_to_allow_Bush-era_torture_flights/articleshow
/4067338.cm

What the fuk eh? Doesn't Obama know this
crime warrants death in America according
to the war crime act? Does he believe America
just will never have a chance to speak for the
interests of US as innocent Human beings he is
planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember
corporatist Amerikan citizen, these torture victims
that include children as younger than a hundred, had
not been alleged to have ever committed a crime in
their entire lives. Victims tortured to death for the
pleasures of those Satanic, such as General Geoffry
Miller, who tell US today as confidenced, they do it
because, patsy wasted American soldiers will just refuse
to hunt them down for formal executions. Let's change
this for our Humanity in this future, to look back,
and know, American males were men of the World, who
stood for the principles enshrined within every living
Constitution. A free man shall not be jailed, or
tortured by anyone in our names as Governed, without
the perpetrator tried publicly for execution as our
Love of real Justice. As first degree mass murderers
warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of
the Good old, Red White, and Blue. Count me at
our words on this, I am,

Nazi lies, why? Have you seen where a blimp is

mind an Iranian rocket launcher to shoot the Satanic
demons down for God as Love? Why doesn't Hamas
at least admit, like an Israeli General has,
to be funded by Zionists for cash gains paid for
by Zionist Amerika? Why? Why is it that Hamas
suffered near no loses, but all the Cops who
voted who knows, died murder victims trying to
defend our family from Texan child rapists?

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies
of American Liberty are eh? No concern whatsoever,
for all the teen soldiers conned to die for those
who committed 911 in NYC. The millions of bombing
victims, the tortures, the rapes of American women,
STILL, TO THIS DAY, left undefended by "the law".
Evil enemy of everyone these demon fuks are. How
difficult is it, to understand the facts they feign
complete blindness on? They WANT to con you as the
coward to life they are, willing to kill America to
make their antiChrist lawless enemy Mr. Bush happy.

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&
scoring=d&

Huh? "at last been disarmed..." ? How does he figure?
The equation hasn't changed. Example: The same
unaccounted anthrax, (that was disintegrated into ash),

still is not able to be measured as completely accounted for, (never could be), but this bushwhoring war crime apologist, tells US, it was only though the lawless murder of our good friends and family for countless generations, that he now attests without reason, or evidence, to find Iraq in "fact" disarmed of it's still nowhere to be found, weapons of mass destruction. (An irrational reason he pronounced previous in corporately broacasted public support of instigating heinous war crimes against our humanity under the leadership skills of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron. And, the Iraq war is a war crime. But Ron, the Fascist, doesn't want THESE FACTS uttered. Why? Because wiser men would prevail, wiser men like me who understand buying in bulk is cheaper. Those like Christ who understand, who KNOW, the banker doesn't cover our loans - so why give them as much as a taxed red penny?, let alone trillions as officially unaccounted for? They are stealing the cash Ron. Ask yourself: Why has Alex Jones forbidden his bushwhore cult from understanding Bush doctored the NIE?, or of iron flowing like water from the towers? Because wiser men would prevail and he can't have that. He called shooting innocent men in the back, an act of liberty. I, an actual god, unlike Alex, lie near never, but maybe to myself when I'm lonely. Alex yes will tell you rapists are free to do what they will in Texas to American children, un-arrested, but he won't mention it when the police chief is with him on air, talking about how he'd like to be exempt from traffic tickets for being so popular. NO MENTION of the rapists walking away without arrests made, no mention of Bush's documented treasons on 911. Where are Alex's priorities? In selling YOU out so he can be wealthy like a bankster?, and have special rights over everyone else that drives drunk, or speeds? a big hero standing over our dead soldiers yelling, I told you so, I told you so, I was right, I was right. Again, understand: It is not by my will to deny open debate with America, it is Alex, and his demon buddy George Noory that denies out Humanity this right. And when people try, like Peggy, or Black men on Jewry, Alex lies cheats and steals our wills for further thefts. Ron Paul's family has

millions taken from loyal Alex Jones fans. MILLIONS! Does Ron do commercials with that money highlighting the bushmob's plan to invade Afghanistan, dated two days prior to 911 for Enron? Of course not, wiser men would prevail to expose him as the charlatan charity raider he is regarding Health Care, Social Security, Public Schooling, earmarks.. It is unfair to measure Ron against corporate nazi zionist whores of MSNBC who willing, openly, kill American teen soldiers for criminal neocon gains, as an honorable gentleman's talk. Half honest People like Ron are extremely ignorant on the workings of our world. EXTREMELY. I joke here not. Evil is the deceived disguised - translated - evil people are always dumb.

Corporate America says no, Charlie Manson was a genius, but not, that most Americans are prone too easily to suggestive states where they can be made to believe anything blindly. Think: what does, "bin Laden did 911" mean anyway? You should know of what I'm trying to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by beating off he knows everything already. And some, if not most, actually believe him without knowing squat either. It's sooo easy that way - no study required!! LIBERTARIAN HELL! Everything is not on the Internet, where it near should be, but regardless, a Libertarian can't be bothered to read anyway. "Free Talk Live" is the best example for this: the two hosts are unbelievably ignorant on just about every single subject under the sun, but beat CONSTANTLY, on how greatly wise they are as drop-outs. You wouldn't believe any of them when they speak on Freedom, if you simply understood, an innocent man does not deserve to be in OUR prisons, or tortured. Under any circumstances that Obama has excepted for our excuses. Magna Charta. But in Alex's 'genius' mind, he doesn't need to actually understand he is a for sure bigot, (measures another unfairly in a group HE concocts from blind hate or personal fear - typical CONSERVATIVE and/or racist) who has no problems with that at home, or at work. Provable in seconds by OPEN DEBATE, but Alex ain't gonna take our calls because, he can't for the lives of every People person thought of here, admit he could have something to learn, therefore, the NWO is unstoppable in his brain washed cult of indifference to Justice practiced for the benefit of all treated fairly. Why? He's not wise enough to respect the great minds of the audience, and I personally believe,

he doesn't even have the good judgment to own
a gun. (I mean, why wouldn't Alex find my stories
of OUR Justice system triumphing by my single hand at least
minimally beneficial to his blind cult followings? to not
hang up on me immediately while spewing lie after lie
on how I'm top secretly a dis-info NWO artist working
for Bush? or whose voice sounds too friendly to trust?
like he has done the last four times I've phoned -
Hey! I can be an asshole if you want - no prob.)
Perhaps it's near because, Alex Jones is blind, and
as such, could actually be found guilty in Texas for
murdering those two innocent black men shot
in the back with his approval to release the murderer
from a RIGHTFUL death sentence prosecution. "law of
Parties". He is a party to the crime, for he worked to
support the release of the FOR SURE, FIRST DEGREE MURDERER.
Sound like an America you could live with? I didn't
think so either. I wanna be Alex's Attorney. Texas is
a State of massive lawless corruption, as dire
incompetence in legal affairs where they OFFICIALLY
plan executions against innocent People not established
to have harboured criminal intent! With Jury Trials!!!!
!!!!!!!!!!!!FINING THEMSELVES GUILTY!!!!!!!!!!!!
While Alex does express murderous criminal intent,
and the Police chief calls him a good man for no
scary pressures. What the fuck is wrong in Texas
where they mess themselves like this regularly?
Imagine, while Bush with the Neocons escape, and
Zionist Israeli target to murder Christian School
girls OFFICIALLY, Alex doesn't want to have to pay
traffic tickets like the rest of US. What a douche bag
to tell he LEADS our Truth movement I say. Now, I'm
not saying he shouldn't contribute with the truths
WE SHARE, far from it, it's just he can't have our
cut off switch to silence our objections to his exposed
foolishness, and/or blatant criminality. I'll give him
a chance, for starters, to criticize any position I take
while we all publically call on ourselves for
assistance internationally. Like on his "buddy",
George Noory, deserving to be tried Publicly for the
traitor he is, and be formally executed after his day
in Court. Our Courts. Teen soldiers have been conned
to die by George Noory for the escape of the neocon
terrorists who committed 911 with Condi, Runsfeld,
Bush, Myers, Tommy Franks, and General Ahmad. AND
HAPPY GEORGE NOORY KNOWS IT - and cons with lies
naked to the ear of any who can listen or hit record.
A NAKED traitor to the cause of Liberty if we ever knew
one regarding the War Crime facts of Iraq. .And
Ian Punnet is an evil godless enemy Bush whore who

lies too to get YOU killed as the innocent soldier
forsaken so don't forget.. It's YOUR life. It's God's
Gift. Now support our rise for popular international
debates to get these Neoconners behind bars
awaiting Public Trials! "Public"thatsoyu!! Get to

Jesus has arrived! Justice Will Be Done in this,
Our Kingdom to Come.

Justice to the war criminals of
indiscriminate warfare would better serve ourselves

Not only that but the BBC argued that to show
innocent Human Beings suffering, in CRITICAL
life threatening need of desperate food and

unlawful murderous thieves), would have them look
like they were partial to serving Humanity's
interest in compassion for US humans. Over the

Oh yeah, and mercury is neural toxic, anti-psychotics
make us crazy, and sodium fluoride makes us
stoopider while weakening your body for big cash

Olbermann | Bush Years: 8 in 8 Minutes
http://www.truthout.org/011809Z

Bush and Cheney are traitors to the cause of
American Liberty. To leave them free, is to leave
America un-guarded from further transgression.

The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know
these FACTS that demand arrests of the culprits
responsible for high treason against Johnny's
America. Alex wants your money, and EVIL George,
our enemy, wants your soul stolen for Satan.

Turley: Obama 'accessory' to war crimes if no prosecution
http://rawstory.com/news/2008/Turley_Obama_accessory_to_war_crimes_0127.html

Understand, Alex Jones doesn't want Justice
for Americans because he loses out to better
men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule
the truth we share equally committed to defend
ourselves from lawlessness. And you'll never
rule my right to speak freely over your intent
to sell us all out for monetary swindles, just
like Ron Paul did. Understand: Ron Paul doesn't
even acknowledge 911 was an inside job, or, that
Bush gave zero evidence to form Your opinion.

Alex Jones, the Slave, told US today that
he challenged Bush for eight years - Bushite
lying nazi traitor. Not only that, but he
also ridiculed those who wish to blame Bush
now for anything! Again, he doesn't want
Justice where bad guys can't steal from
ourselves unrepresented. Ron Paul is a
multi-millioniare, made rich by charitable
aid conned from Alex Jones' NWOers! Alex
Jones doesn't have a problem with that, we
do.

Israel to be Judged - Universal Petition
http://www.tlaxcala.es/reponse_signataires.asp?lg=en&ref_campagne=10&Page=1

The demon LIAR zionist Israeli is a godless enemy
of Humanity, much like everyone at Foxnews, CNN,
BBC, and the CBC. Our revolution against the godless
bushite shills, will not allow our revolution
through speaking honestly, (to become of ourselves
something greater), a chance to be televised for
our benefits. Bush closed criminal investigations
immediately after 911. According to the FBI and
Senator Dashle. CNN says you have no power, Foxnews
says you have no power, the BBC says you have no
power, the CBC, the same, like Alex Jones NWOers...
but well, don't believe it. YOU Do have the Power.

We must demand open communications to bring back
values WE ALL would agree to through polite debate.
"Conservatives" don't want this Freedom idea
expressed in general terms because, a "conservative"
is universally, minimally. a bigot. Why? Life isn't
like, their way, - then- all other opinion under
the sun on how things actually get done. (Aka
"socialist" traffic light repair men, or "liberals"
who want to treat The People fairly). Or who we are
as equals to our laws fairly practiced. Pay attention
to what I am saying here. Liberals can be Dicks with
a capital D too of course. But a Hannity couldn't
survive 2 minutes with me speaking on his very real
treasonous behavior in OUR public arenas. Behavior
done to escape the 911 culprits from the long arm of
the Law, with his conscious will of criminal deceit
exposed, we all learn to better defend ourselves.
And Shawn Hannity can't have that for ourselves, he
takes too much money from ourselves as talentless by
keeping US in the dark dying needlessly for traitors
never elected publicly.

Who am I you ask? Johnny Law. at your service. Look
me up with usenet to discover, we live in a world of
idiots everywhere pretending to be somebody by lying.
While I want US all to truly improve our condition by

actually understanding how bad off we are by failing
to respect ourselves for correction. Too many, know
it alls, with not enough to know you need evidence to
form a guilty verdict against an accused man or woman.
Not according to CNN, CBC, MSNBC, Foxnews and the like
however. Let's change this by supporting my challenge
for top billing at the Coast to Coast radio show hosting.
Look for me coming soon!!

Unseen Gaza High Quality: Part 1 of 6
http://www.youtube.com/watch?v=UeezoWRu1FU&eurl=http://whatreallyhappened.com/

Why is it that numerous visits don't change the
view count? What is this business of a=a+1, the
top secret, I'll go rhythm, that is way beyond
our comprehension in it's scientific complexity?
For Americans, okay, but the Human species just
isn't this dumb.

While Zionists OFFICIALLY target Christian school
girls for mass murder, CNN instead reports that
bushite grunts attacked girls in Afghanistan, posing
as Taliban. I WILL every celeb at CNN to be arrested,
tried and executed for the reporting they have done
today without facts. Remember: the Taliban played no
part on escaping those responsible for 911, and opened
schools for girls, and were brought together on the
single purpose to defend women. Death to CNN reporters
to LIE for killing OUR school girls. I HATE zionist
enemies of Humanity and God I am.

The Torture Ban that Doesn't Ban Torture
http://atheonews.blogspot.com/2009/01/torture-ban-that-doesnt-ban-torture.html

/ / Obama's Executive Order bans some -- not all -- US
officials from torturing but it does not ban any
of them, himself included, from sponsoring torture
overseas. \ \

Is America a nation of Law to Live freedom?
Because this SPECIFIC deviant action of Obama warrants
the death sentence under Reagan's "War Crimes Act".
SPECIFICALLY. Or, is it you falsely believe Obama
can do no wrong against innocent people here, where
an illiterate nazi grunt, maybe from South Africa,
will kidnap YOUR children, and torture them to
death for sadistic pleasure, with as they did using
power tools caught in Iraq, according to Iraqi
government official(s), and several soldiers from
Oregon, all because Obama has given an ILLEGAL!

"excuse" to NOT support following the crime scene
leads at our REAL murder scenes? Again, death to the
bushite dumfuk enemy of God, death to the enemies
of a freeing Humanity striving for a just society.
Obama needs to be arrested for this under the Law
as it stands I'm sorry to say my friends. Why?
Torture is illegal in all 50 states, (as Reagan
directly planned), no matter where you ship the
innocent victim to, or from! Read the War Crimes
Act, then demand Justice today, otherwise, it's
YOUR funeral. Obama wants to secretly torture
Peoples here, while lying to US ALL that he doesn't!
A TRAITOR! Who also wants to give bankers 100s of
billions of dollars more to disappear, that WE pay
for, out our door, never to be seen as our own
again.

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close
Police investigations immediately after
911 (obstruction), or that WE have video
of iron flowing like water that PROVES,
without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.
Because someone surely would have spotted
him dragging his dialysis machine what with

all the professionalism of corporate news
media coverage regarding our horribly
suffering worlds. Alex Jones ignores the
treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on
steroids. He only wishes. What about
Justice for Americans Alex? Why for do you
forsake ourselves? For money? What about
the lives lost to mass murder, that you
allege to champion OUR TRUTH without saying
much of anything on real Freedom?, on real
Justice like your deviant election rigger,
Ron Paul? Well, no wonder, Alex told US he's
into shooting innocent American People in
the back as a tyrant of evil, a white Devil
if you will. Kids too if you dare look in
his back yard for a copper. See? Now if Alex
doesn't allow US to speak, more and more will
understand to know why. I am a defender of
all that is right and just in this world,
because I don't need to lie like Alex does on
a huge host of issues. I'm more like Jessie
Ventura, in where I don't need/want to lie.
If I end looking foolish, (of which I like
never truly am), it's a benefit, because that
way, I've learned something. Alex knows
everything already, and 'is always right'.
Like I say Retarded. You weren't right by not
understanding that the banker doesn't cover
the loan. One example of easily hundreds. He's
a typical, he knows it all, know nothing dumduk
American. Hear him on health care speak as
Ron Paul does, and know, I defeat them in under
ten seconds. TEN SECONDS. This is why he hasn't
in years, allowed me to speak more than five
or six words. He's rather all America die, than
admit he does NOT rule our 'Ocean of Truth'.
I want the challenge of opposition through debate
to PROVE my skills beyond reproach. Alex,
every time, just hangs up on anyone who tries
to improve our communications by factually
speaking. Why? Because he IS TRULY deeply
ignorant on what freedom or Justice means. Why
we have law. What a consensus is. Allan Watt is
severely disabled in this regard, another Alex
Jones favorite. And this is why, Allan can't
take calls openly either. He has jerked off
with himself too long to quit now learning
super basic precepts, for like Alex, he "knows"
the inner workings of the 'genius' NWO elites.

Not Law 101, not Bush, not Rumsfeld, Not Condi, not Torturers, not bank robbers, rapists, or even petty thieves. Allan Watt isn't a bad guy, he's just a chauvinist pretending he actually knows something, when his real disability is directly related to his absence in understanding understandings. Doubt is a near foreign concept. A challenge for Allan: can you get your 'genius mind' around the fact that Peter Powers did the London bombings, and not the Illuminati of 1463? and if not, why are we so dumb to our present plight that way? Don't get me wrong, Allen has much to offer, it just isn't the issue right now on saving our dying futures. Maybe I was too hard on Allen, he is really actually kinda cool. Alex Jones too has many incredible moments of ecstatic clarity increasing in all they joy of seeking enlightenment. .. Ok - but this is serious business that requires little dilly dally with what we'll have as a side dish in Paradise Lost. We are talking Human Lives have been destroyed by our inaction to remedy these failures to communicate effectively. and.. Jeeze, the weight of my responsibilities, as just plain John, being a/the Legos Man - for like the Family and everythings, get's me never forgetting, all we got are these words left dormant from the power they truly possess in the minds of the wise asses. And.. here I am. I'm a Talker of Words looking to make a break in the NewZbiZ. Zzzz... Alive We Say! Alive!

King Johnny, from Earth, has come for talks.

The Zionist enemy, the most evil nazi sons-of-bitches who openly advocate tyranny and oppression through mass murder of ourselves as the innocent left targeted defenseless. Enemies of Jews everywhere, the Zionist cares not for facts on who's Life it destroys for stolen gain by lying. That's why they target Jews, for fear the Light of Truth would expose them as the Nazis they are.

Hamas doesn't have a military though, so, why not demand the arrests of those who broke the truce, and murdered innocent people indiscriminately, on plans more Jews would die for cash profit? Profit paid for by zionist amerika? - the false imprisoning

torture and rape center for Neocon
Freedom.

The self-defence defence
http://www.guardian.co.uk/commentisfree/2009/jan/23/israelandthepalestinians-gaza

/ / This has been a central theme of the war in
Gaza: not that hundreds of innocent people were
killed, not that over 5,000 were horribly injured
and not the sky-high human and monetary cost of
wrecking homes or razing infrastructure. \ \

Court petitioned to arrest Livni upon arrival in Brussels
http://nawaat.org/portail/2009/01/23/belgian-court-petitioned-to-arrest-livni-upon-arrival
-in-brussels/

"We believe there were dozens of IRGC
personnel in the Gaza Strip during the
war," an Israeli source said. "Some were
killed; others went into hiding, and
others escaped."

See? the demon enemy of God speaks no
evidence as a TRAITOR to every Jew. A terrorist
nation that still steals humanitarian aid in
our public realm of left defenselessness. The
false allegation deserves a death sentence
by Jews against the war monger Zionist enemy.
A cause that Iran should champion, if in fact!,
this allegation by OFFICIAL WAR CRIMINALS WHO
TARGET FOR MURDER OUR SCHOOL GIRLS, is on it's
face, unsubstantiated as patently, demonically
false. As typical from any godless Zionist.

Where are the Americans asking for the
formal arrest of Bush for high treason?
Whoring for Alex Jones's contempt for REAL
Justice? The ignorance of all American
talk radio hosts speaks for itself. NO
knowledge on why acts of high treason, are
crimes against every American. The bushmob
doctored the NIE, and Alex doesn't want
Americans to know, because if they did,
they ask, why does Alex do everything he
can to escape those personally responsible
for 911, while then asking for money to
continue his fight against freedom in
America. Again how much money do we have to
pay Ron Paul or Alex Jones before they
will allow the knowledge of the Iraq war
against Human will is criminal? How much?

Obama! feel free to call
on me to help out with a plan for judicial
actions. That offer goes out to everyone in
Palestine, Canada or Britain too. Russia,
let's help out these fools by freely
communicating, what say you? Justice
for all is freedom to be. The Israeli cop
killers must be brought to justice for war
crimes. Those cops, were cops. And I,
am a man.

Alex Jones Rocks!

Now Alex has problems in "my" mind because I am
an ACTUAL genius, and he is generally, an idiot.
Today, he did one of his usual commentaries, however
this time, he was pretty honest with himself, and
his love for Ron Paul. Ron Paul sells incompetence,
and Alex corrected correctly!. that a.. sorry Ron
but these banksters know they're robbing us as
undefended blind men essentially. That's what I'm
talking about!! Look, Ron Paul can be a dumb Ass,
although, he's still not all that bad a guy. A Dumb
guy on things like economics sure, Justice, warfare,
Health Care, Social Security, ect. ect. but still.,
like a child learning of why the sky is funny
blue, isn't all that bad a guy really. He's
certainly not a war criminal, like Bush or
Rumsfeld are. Doing 911 then sanctioning torture.
While Neocons Champion sending illiterate American
teens for death as war criminal. Think about it.
Maybe he is..

-

ï¿½We have all these documents that are now
publicly available that prove that these
methods of interrogation were intentionally
ordered by Rumsfeld,ï¿½

Let us understand. These actions "give" a guy
like Willie Brand "the right" to RANDOMLY kidnap
men, women, or children, and torture them to
death for sadistic pleasure with his faggot
Capt, Christopher Beiring. (I think that's
how it's spelt). But anyway, this is the truth.
A bushite is a godless Zionist whore of Nazi
evil, an enemy of America, who wars YOUR Freedom
with criminal "excuses", for refusing to support
the arrest of those responsible for 911. A
TRAITOR, and could be wannabe rapist, robber, or
911 mastermind ringleader. Torture is illegal,
and warrants the death sentence, according to,

Reagan's "War Crimes Act". Some only suggest,
that this was why someone tried to kill him as
honorable. Death to the torturers of our
innocent families, torture they do without
apology as Zionist Military "Judges". Instead
today, where they get salaries paid in the
billions by the zionist giving nation of,
a-mirror-kay, echem, America. Johnny's America.
A nation where Justice will rule for the favors
of all treated equitably with or without you.
Honor me in company my friend. We have no rivals.

"they do not understand, the private banker

banker reach into it's pocket to borrow US
to begin with - so as a consequence, the

saying why should they help anyone else
up with charity?" Then went on to say, it
wasn't any of our business with what they
did with the money. (But for to cover criminal
fraud in the derivatives market, where

The Ungodly Murder of Innocent Men by Israeli Nazis
http://atheonews.blogspot.com/2009/01/summary-execution-in-southern-west-bank.html

/ / At noon an Israeli military jeep with four
soldiers entered Tameiziï¿½s land. After 15
minutes the man was thrown, blindfolded and

still handcuffed, into the back of the jeep. \ \

Let us not lose the focus of fact, that these
people of ourselves live in a concentration,
prison death camp, robbed of everything.
in Curfew near anywhere in "peace time". And
still, to this day, do Nazi Israeli CONTINUE
TO THIEVE the Homes of god loving folks in the

opposition as American tax payers continuing
to fund such war crimes in our absent names,

Someone should ask what King Johnny, The

ISRAELI IS A THIEF WHO CAN'T SPEAK OPENLY IN DEFENSE OF OURSELVES IN OTHER WORDS? That is right. They, as documented criminal, lose every debate personally since before the dawn of Civilization because their position is clearly unsound. They are criminals who murder People in hate for a freed Humanity. They OFFICIALLY steal Peoples homes in that country didn't you know they proudly proclaim it so? And steal humanitarian aid from starving children. Targeted to murder children specifically as publicly confessed, 'it is Hamas WE blame', not them as demonic child murderers. Hideously evil as ungodly sadistic savages. Enemies of YOU, enemies of them, and enemies of me, the King of Jews Christ fellow from beyond the grave. They are so evil to God and Man, they tarnish everyone of US to not win justice sooner by blaming the actual bad guys. Justice is Freedom.

/ / Those white phosphorus shells used on the Gazans are made in the USA according to Jane's Defense. \ \

Again, these peoples are not Jews. Being Jewish is a religion. These thieves of God are Satanic in their LIES to betray the common trust in our words, that bind all worlds to victory, called freedom universal. Even tales of the Devil have him keep his word, with verses specifically condemning the self to damnation for targeting the innocent for death. God's the Word. Every word inside a fool's paradise. Including the periods. Not as like, I'm playing a word game, but that it in wonder, is all strangely here. Example: The Universe as it has existed always, is not separate from our 'pauses', or faulty drawn conclusions. The universe, in one sense, was as good as anytime, created 6000 years ago. AS TOO 50 billion. You say, impossible, I say no, study quantum physics, and know, I live this.. our existence is not scientifically separate from the timeless nature of consciousness, proven as not only theoretical, but actual. That is a first step at developing a REAL relationship with the living Universe if you want to as like an artist does - that

TOO! can be just as thought static in it's
orderly constructions for Atheists. (An
Atheist is still mostly a fool here however.)
Overall, for any, it's sorta simple: Life has
left YOU in charge of YOUR fate. Now, do well
to make something of this being as eternal Life
reaching for balance, as your body does, and
good cops do when bringing the bushmobsters to
Justice. By Israeli calling for more murder
against the innocent of your mind as racists
and bigots they are openly, is still shadows
of YOUR mind, YOUR WORLD.. get it, got it? God
is in genius to set Life as this, as like,
nowhere existing, but for as yourself within.
Will you speak out for the Justice denied
Humanity?, or not you? Atheists can be Just
too!, but generally lose it on not
understanding the intelligence of order is
way beyond what they dream up with
assumptions. All anyone has to do is ask
themselves, who do you mean "God"? Atheists
are ridiculous!, but, to each his or her
own, we are on a path here, believe what
you want to believe. This is not a faith
initiative I'm bringing by keeping this real,
I DEMAND JUSTICE BY OUR WILL BE DONE.

A zionist cabal of criminal pirates who murder

Americans are indeed, selfish, like all the plane

Christian children for murder with their tax
money, as unimportant, to how long they stood on
a plane wing, now approaching it's third day, of

I, as Christ, am really starting to hate all
Americans in total now. How difficult is it to
pick up their phones? They don't, and I'm beginning
to believe it's because, like GCN, they really
don't care for the future of our Humanity being
left for dead as continuing victims to EVIL liars.

Simple Common Sense for Mankind

/ / Israel has admitted HAMAS kept the cease

total starvation blockade on Gaza followed by
flaming death from the sky aimed at schools,
hospitals, ambulances, and children, and you
dare call the people opposed to such barbarity
a "mob?" \ \

Zionists are evil people who pretend they
are honest, when lying directly to everyone.
Blitzer reports Hammas broke the truce, he
is lying to continue the murder of innocent
peoples. Understand: Israeli Nazi state they
will continue to murder our innocent Humanity
until the rockets stop falling on Jews. Yet,
they broke the truce, and murder Jews routinely
with reckless abandon. Jews from the Bible as
of "nigger" Ethiopian, are what the Zionist
hate when warring GOD for apartheid, apartheid
that is Humanity in Gaza. A zionist is a war
criminal who speaks not against the neocon,
but against Innocent Humanity as YOUR enemy.

Not the Nazi Israeli?

The guilty party are those who advocate these
mass murderers of innocent peoples with
deliberate lies, like from Blitzer. Blitzer
will be tried, and executed a war criminal
for stating Hamas broke the truce., Where,
only two minutes earlier, he learned, that
it was his Nazi partners. DEATH SENTENCE.

It was on TV. BUT SEE? Ron Paul, the Libertarian,
ain't going to be honest here. He'll lie cheat
and steal Humanity's voice for Justice - like
he did with OUR money. A typical Libertarian
like Alex Jones who wants to blame "socialists",
"Liberals", aka, all of innocent America.
Blitzer is war criminal, who makes his own

mention the truce. THINK: IT IS THE ISSUE. But
Ron plays the dummy to kill more with contempt
for Freedom. Ron Paul, the bigot, asked,
'should we be doing this'? SEE? it's not first
degree mass murders, no, according to Ron Paul,
it's argumentative that indiscriminate mass
killing is a good thing really. Remember,
Ron Paul does not support arresting those
who committed mass murder on 911 either.
Or those who STOLE TRILLIONS. Or lawless Bush,
the ACTUAL AntiChrist enemy of God. Ron Paul
will watch America die for a stolen dollar.
And Alex Jones will refuse all calls to label

Remember: Sadistic authoritarian George Noory

either. Love the bushite blindly, and

Ron Paul "Israel can not act without
Washington's approval"

So, it is Ron's fault then by not mentioning
the truce?, or as that, innocent People are being
indiscriminately murdered in a death camp that
he figures is argumentative? that innocent
People are dying as targeted for mass genocide?
Or is it the Ron who states YOU are to blame

anything? HEY RON! Can you hear me now!

listen to the inflection of voice near the end of this..
the mind of a delinquent 7 or 8 year old.. This phenomenon
is pervasive, and illustrates some cognizant short coming in
Calcium or Zinc somethings. However, IT IS THERE. Normally, as
an Expert on Psychiatry, I dismiss the whole notion of
Psychiatry as I intimately know it as pure bunk wacky,
however the study of something here is needed if we're
ever going to convince ourselves dying indiscriminately
this way sucks. As the innocent for profit we pay for,
with lies sold without Public defense of mass murdering
demon traitors to the cause of US falling victims. God
says their Satanic, I just say they are criminals. War
criminals easily convicted for murdering our loved families.
They have no remorse for all that have been murdered
already.. Livini should be on her knees begging our
forgiveness, but she's not because she couldn't care
less for any Jews, especially those she don't have
imprisoned under threat in Israeli 'society'.

It's a 'bad' thing. nnNo.

Israel bomb attack Gaza Civils Palestinians 27/12/2008 launches
missile attacks on 27 Dec 08
http://www.youtube.com/watch?v=tQLDBujnwEE&feature=related

This was what Israeli did as a legitimate murder
scene, committed after the Nazi Israeli Jew HATERS
broke the truce. More dead Jews, more money to be
rich with. and we'll blame it on that God nonsense.
We must demand war crimes trials from Obama, and
everyone else down there who is appalled at this
indiscriminate mass murder continuing in your name.
We need arrests of Zionist infiltrators within
the American military who have been shipping
weapons to nazi Israeli to murder more defenseless
innocent People as targeted. Obama must demand
death sentences against these ungodly Zionist
vermins for treason, warranting execution for the
war crimes of accessory to mass murder, or genocide.
For the Great Truths. We Stand United.

Here on a Mission

/ / after dropping leaflets warning residents it was
about to "escalate" its offensive against Hamas. \ \

SEE! This is AFTER fire bombing the whole community.
Satanic evil enemies of Life. Who admit to targeting
any one who has ever so much as swept our streets,
warranting bombs dropped on their Block(s). SEE! they
are ENEMIES OF EVERYONE. EVERY LAST ONE OF US.
INCLUDING GOD.

Riddle me Dumb

Hamas Workers and/or Troops? Out hiding in the mountains
of Afghanistan you mean right? Satanic enemies of all
Humanity I tell you. The most evil nazi sons-of-bitches
who openly advocate tyranny and oppression through mass
murder of ourselves as the innocent left targeted
defenseless. Enemies of Jews everywhere, the Zionist
cares not for facts on who's Life it destroys for stolen
gain by lying. That's why they target Jews, for fear the
Light of Truth would expose them as the Nazis they are.
It's a prison death camp, brought about by Israeli STEALING
OUR Homes as ungodly thieves. Thieves who leave a Jew
to starve to death in a garbage dump because, it'll
attract more charitable aid The Zionist can use
elsewhere. It's not a Jewish thing, it's a criminal
matter. They STEAL innocent Peoples Homes in that
country. God's Country? God would will such criminal
offense? Which God? Not the God of Abraham, nor by
the teachings of Hillel, Christ, Mohammad, or
Confusion? So which absent God do you speak where WE
can't speak as ourselves openly for Just Cause?
Cat got your tongue? How come your not saying anything?
The Israeli Zionist ENEMY wants US ALL in slave
labor prison death camps silenced away that's why!

Israeli War Crimes
http://bothwell.typepad.com/whos_your_nanny/2009/01/israeli-war-crimes.html

Well, maybe I'm wronger on Ron Paul than I needed to.
Hey, don't you EVER forget, I am a man also. We need
to meet on common grounds, to demand the start of
formal arrests for the bushmob crimes of 911, Iraq,
Afghanistan, South Osettia, and Palestine, as a group
together united by agreement for this one cause, and
then... we can later argue about how your ideas are
better than mine because I actually know of which
your speaking.. Hey! you could call me Daddio if you
wanted! To the telephones we go.

-

Israeli are attacking prisoners held criminally
in their own Death Camps!! GET ALEX JONES ON THIS!

Hmm... why wouldn't Alex? to support his fictions
over Our Rights to Live Free perhaps? A Hero adapting
to the deaths scene?, or, a Bush whore committed to
enslaving Humanity, all so he can say, he told US so.
Big hero or big hero. Your NOT powerless to his vision
of complete control over information. He refuses 911
info, Iraq war info, Israeli info. All so he doesn't
have to look the fool, while Humanity dies with his
insults against our wills to make something better
of ourselves. Justice is what I will. Masturbate on
your own time Mr. Alex Jones.

If he states again about how he knows everything,
and is always right, and those that criticize
him on ANYTHING are delusional, it's going about to
make everyone further sick with this obscene take on
what life means as Alex takes it. If I truly state
two nickels make a dime, does that mean therefor
they make a quarter also? If I say so like Alex
would? He is an idiot. Truly. George Noory figures
Hamas broke the truce, and that the Mideast solution
is that Jews should be separated with special rights,
as oppressors over the freedom of every Palestinian
Prisoner, and what's Alex Jones gonna say about
his 'truth telling freedom fighter' George to actual
'lame ass evil nazi traitor' George?, to YOU about
how George is just trying to murder millions of
helpless people as an offer for the final solution?
We can expect Alex now to claim, Zionists should
have special rights over Jews, all to maintain
his FICTIONS on Noory being anything but the
monster to Humanity he is. Just because Noory
doesn't growl when talking about murdering all
children in around the age of 15, or against
soldiers who refuse criminal orders, does still
make him a true fascist nazi enemy laughing at
your murderers escaping to live freedom in
our dying forsaken worlds. The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know
these FACTS that demands arrests of the culprits
responsible for high treason against Johnny's
America. Now, who's with yourself. I am! I am!
I am!

Alex Jones doesn't know squat of Social Security, but
pretends he does, like Ron Paul does when speaking
of the Federal Reserve, Health Care, IMF, World Bank

blahblahblah.. I mean even the expert of experts
Alex has on near twice a week, EVERY WEEK, to talk
all about how the Illuminati are doing everything,(give
me your money now for whatever), DOESN'T SAY TO KNOW,
it was Chris Cox who changed Investment Banker rules,
to cover instead one tenth of WORLD INCOME loans,
to one twentieth. MORE THAN DOUBLING THE ENTIRE GLOBAL
MARKET FOR LOOTING WITH HIS SIGNATURE! (And. that isn't
even a fifth of the TRUE trillions dollar fraud story.!)
Now, granted, I wouldn't expect one tenth of one percent
of America to have even a distant clue of which I am
speaking, but importantly, Alex's expert of experts has
never mentioned it. EVER. Why? He don't give a fuck, but
how much money he can get you to give him for investing
in things that are un-important to our struggles, but
for the fact, he states, you'll get free money for
nothing!! OUR ACTUAL PROBLEM. It reminds me of those
Ron Paul dollars... where Ron'll fix everything, cause
we, as a private company, are going to make YOUR money
instead... holy fuk mon.. Talk about the kettle calling
American racists. Thank God the FBI stepped in. (The
answer unfortunately is not nowhere as easy as Alex
would blindly lead you) - again, so I guess it will be,
Americans were just too far gone as illiterate
chauvinists, who cared too little for your freedom as
themselves degenerating. Why? To battle tyranny they
knew not Justice wins the day, and blamed innocent
groups gathered wherever, instead of following the crime
scene leads at the real murder scenes - like was once
done on TV and at the Movies. But even that was too
far above their doped down heads, to raise their finger
to dial a phone number.

How about stating "A lawless bushite enemy wars America
as a traitor, to escape the neocons from the crimes of 911."

Then Alex states the head of GCN is giving out gold
at less than it's value as a special treat, every
second or third week. Below wholesale. Now, really
think this thru. Do you think Alex is trying to con
you here? you bet. That is the Gold Racket. Diamonds
are another thing - where I've personally seen,
about a decade ago, a huge press that makes Diamonds
out of coal. Swear to God it's true. Costs to make
diamonds are pennies to the thousands paid to Zionists
who live in Israel calling for the murder of all
innocent Peoples. Where is the rich Zionist, grave
robbing Jew hater to demand Justice for our times?
Where? Pressing coal into diamonds, while advocating
the murder of our entire Human species. THEY WANT
TO KILL GOD AS SATANIC ENEMIES OF LIFE. While I am

last known to Life's enemies as Jesus Christ, the Zionist's end every time. I'll have brought more Zionists to their rightful dooms, than any other, of any time, anywhere. I HATE Zionist bushite LIARS to death, all because I Love Humanity too much, to watch US die undefended as the innocent forsaken. They can change their evil ways, but till now, often not, benefiting off our suffering as war criminals who simply lie as demons to steal our Human values. Let's change this for our betterments. I mean the Halo is a dead give away..

The head of GCN has a son warring God to rape American women as lawless enemy in Iraq for the Neocon - again NEVER mentioned as something worth fighting against for Freedom in America - soldiers are suppose to REFUSE criminal orders - but not when Alex is at the mike. He will never mention the Bushmob doctoring the NIE to con America for death as exampled, because it doesn't fit his fictions, where all the bad guys escape because they are geniuses headed by secrets so powerful, nobody can ever know'em, except Alex. He tells us near every day, he knows everything already, and is never wrong, therefore you can't criticize him. Bullshit. It's like he wants to be wise like Johnny Gawd is, without doing anything like studying for a test where the teacher actually does know the issues. He told US today, the British came up with concentration camps, from the Indians - who spent all their lives murdering themselves. The British 'invented' false imprisonment? The British came up with the, Jews Killed Jesus? The British invented Pope Gregory VII? I suppose Alex has never heard of Ghettos. SEE? he just pulls shit out of his ass, and calls it like it's truly pure gold you'd wanna buy. Those, like your typical American have no clues, so they figure, Life must be sorta so that History is all one big Alex Jones NWO cartoon. What? that the NWO did 911, and everything else that use to instead, require criminal investigations to nab the actual evil doers? Alex Jones IS the NWO he tells US all we should be concerned about never stopping, like it was in the DARK AGES. Justice Alex, why is that hard for you as a "Conservative" to figure? Is it because you are cowardly in the face of true Liberty? Afraid that some People, on some Issues, ACTUALLY know a great deal better than you could even imagine presently? Don't like that do you?, where you don't rule this Universe as a lawless tyrant desperate to live in an illusion at the expense of

everyone else dying victims to censorship? Does he try
to find wise men or women? rarely. "Ron Paul [MUST]
leads our truth movement" - like, fuck off already
with the Ron Paul, The Truther, Bullshit Alex Jones.
1% is what YOU get on Social Security deposits - 1%.
And.. Bush stole 700 billion. 700. Billion. That's 700
BILLION. It's a "Trust" account. A "Trust" Account. It's
being held in "Trust" Alex. Ron Paul is asleep at the
wheel. As, so are the rest of all you other fools..
I want Justice, and I want it now for all the victims
of 911. Americans be damned, we want Justice, and We
want it Now.

In Texas, child rapists are given the right to
freely move about without fear that Texans will stand
as armed Men in defense of their very own offspring.
And Alex wants this for the rest of America. That some
how to own a gun, means an American would kill a cop
who beat a women near to death for pleasures that
he could never be Publicly arrested for, as a
sadistically evil nazi bushite fuck. Look, if YOU DID
kill that particular DEMON COP after the Chief
refused to arrest him, you couldn't possibly go to
jail in Johnny's America, because the truth would win
out in a fair verdict. And REAL cops would honor you
with great big, thank you. Nothing worse than a
cop (or bushite grunter) who believes the Law doesn't
apply to him while he drives drunk, tazers someone for
nothing, abuses Women, or kids, to sell drugs, or
kills good cops, who are good men. (Like mercs do in
Iraq officially for Rumsfeld's P2OG. Coming to an
American city near you!)

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

"Rice says it is 'hard' for Israel to spare civilians in Gaza"

We KNOW they are ONLY targeting innocent People,
the ungodly zionist Satanic enemies say so..

"Israel Rejected Hamas Cease-Fire Offer in December"

Livni has declared her country "is not going to show restraint"

"Her" country?

It's like she's admitting here, that they DO NOT
target the IDF's Hamas, but only our innocent lives
as a threat to LIFE and GOD. Remember: the Zionist

LIARS broke the truce.

This guy even sounds like the Satanic false
accusing enemy of God he is. Let US, as Humanity,
hunt these real devils down, try them, and have
them executed publicly for the benefit of God and
Man. Understand: this REAL DEMON knows he's lying,
no living man on Earth could spew the vile lies he
does to excuse indiscriminate mass murder, or starvation,
as this Zionist enemy of life sells to STEAL Your
HOME, your Family, YOUR LIFE. An open enemy of God
trying to STEAL the Title of Jew from Christ. EVIL
ENEMY OF LIFE. See, when a bushite dies, you served
Life well in defending their next INNOCENT target.
BILL HIM FOR STATING ISRAEL WAS STRUCK THOUSANDS OF
TIMES. BILL HIM FOR STATING HAMAS BROKE THE TRUCE.
BILL HIM FOR STATING bin Laden DID 911. BILL ANY
Zionist FOR THIS TREASONOUS LIE. Why God asks? Because
there isn't any evidence to support that Satanic lie.
According to the FBI. And according to God, Zionists
are not Jews, but of Satan as enemies of every life
form in this Galaxy, Hunt him down, and bill him
today for the love of God. You can 'hear' it in his
voice.. how he lies TO YOU as a DEMON of a Hatred
for Truth and Humanity. Facts, that are easily
available, are not what he works to mislead others,
others he hates, and wishes to murder for as ungodly
sadistic pleasures as YOUR enemy. Bill him under
American law for being pro-torture too while we're
at it. Death to bushite, death to the murdering
enemies of God's Love for Mankind, and enemies of
TRUE Justice for Americans. The fuking demon enemy
lies to you, as a con to STEAL your life, or just
as soon, the life of another innocent other. Now,
what are you going to do about it? Except his lies
as exceptable, as he tries his hardest blatantly
LYING to kill God and Justice in our Worlds? Not
in mine, but perhaps Yours.

' In Civil-Contempt Cases, Jail Time Can

' Where Did Taxpayer Money Go? Panel Slams Treasury

Where are the arrests?, they stole eight trillion
and counting.. And Congress 'slams' them for
disappearing OUR MONEY. Slams with what?, a,
don't do that again please butt sqeeze? It should
be massive slammer time, with a return of all
STOLEN monies.

' THEREFORE, those pro-Israel politicians in Congress
won their seats in part using stolen money. '

Where are the arrests? Amerikan bushite nazi grunts
are assisting in the mass murder of innocent Christians
in Palestine. War crimes demanding death sentences. It
isn't an argument that can be turned around. Nazi Israeli
STEAL Peoples Homes without apology, as a function of
their SATANIC government, while colectively bombing the
INNOCENT victims who die because of it. It's a prison
camp! they are denied water, food, shelter.. since four
or five truces over that they've broken, every one. These
are Satanic enemies, willing War Crimes against God,
a God NOT loved by zionist American Nazis. And a Son
as powerful as the four winds, ridiculed by Zionists,
and American know nothings, for the continued debasement
of YOUR soul worth here dying.

Israel Attacks Iran News Station

Why does not Iran DEMAND arrests, and death sentences

It's the NWO! The Illuminati! Not Bush, Cheney,
Neocons Gone Wild, or any of many other REAL
criminals, for the war criminals are just
puppets to his EVIL fictions. Forget about
Bush escaping.. Socialists who design traffic

lights, and Liberals who will to share fairly are Alex's enemy, because he's fearful the FACTS would escape his denouncements against truth tellers. George Noory, one of the most despicable individuals on the face of our great Earth - is exactly the kinda guy he wants returned to send his wannabe Patriots nowhere but to die. What about Justice America? The bushmob doctored the NIE. TREASON. There is video of iron flowing like water from the towers, seconds prior to the collapse. Alex ain't there to help US, for that is where TRUE Patriots fight for real Justice. When WE phone with indisputable facts, on Ron Paul the bush whore sell-out for example, he lies to all (GOD), then hangs up on US. Is that the kinda freedom you think the Founding Fathers had in mind to give Your rights to speak for Alex who blames anyone but the criminals directly responsible for your funeral? The private banker never covers our loans, so why give them trillions without questions offered without answered as, never mentioned by the guy who is 'right all along on everything under the sun', and.. he 'rules the Ocean of truth' too don't you know YOU have a steak going all rotten to hell here also? You'd think Alex would take our call just for the challenge on where we stand? I'm free!

He is not. And George Noory tells us openly, he's into killing innocent kids for profit. George's profit is that apparently, by murdering all children in around the age of 15, will stop them from getting a clue at anytime in the future, to take him out as an ENEMY of EVERYONE for censoring our cries for Justice. Why is it that Alex would invite obstructionist, Steve Quail, or Alan Watt, on to lead you nowhere while they jerk off, but where we gotta go to actually defend ourselves? Steve has been on with Noory more than a hundred times, and, we'd figure, Alex will soon be delving into the Alien questions also. Answerable by me in seconds, but ahhh.. like Noory, doesn't want the truth of such a subject uttered, just endless streams of illiterate bushite dumfuk losers sucking on each other. While they wrest from US the wonder; just why we can't stop criminals from robbing ourselves, while murdering our families? Alex wants to blame the unstoppable NWO, while I, want to blame those actually

responsible, like Bush and the proven treasonous,
Neocon terorist liars who are pro-torture.
With arrest warrants. All of them. I'll do it for
Reagan's, War Crimes Act, as an act of respect
for my Great America, that's isn't always been
dying dead wrong under the leaderships of
criminals.

What a bunch of losers. Do they really expect us to cut and paste
every separate detail of the message into a separate field, for each
of those abusive messages?

Why can't a full paste of the headers into a single field suffice?

I find that it's easier to email them to abuse@highwinds-media.com.
You'll get a canned response within an hour. The response claims that
their people will investigate the complaint and then *may* get back to
you later.

Thanks for helping out. I'm sure that complaints from multiple people
will carry a lot more weight than those of a single person.

By whom? It sure seems to me that the post I replied to is in this very
thread, maybe it was your reply that was misdirected to this one rather
than the one you had intended.

I assume that English is your primary language, right? Does your news
reader have a spelling checker on/in it? Have you ever used such a
subprogram? If not I'd like to suggest that you become familiar with
its use. Your spelling is absolutely atrocious, your syntax is worse,
and this combines to make your posts nearly unreadable. Its not really
a difficult concept to grasp, and the program is quite intuitive. Its
built for those who cannot spell, in other words for someone just like
yourself (and I to be honest, but I have learned to use my spell-checkers).

How so? Are you the worlds foremost user of code? If so then I dearly
hope you spell better in code than you do here. Imagine the bad name
you give to other HAM's with your spelling.

Honest, not insulting. Please, review your posts to me in this thread.
Read them one word at a time and then get back to me. Can you
honestly say that they make sense? That the spelling is above par for
an individual who's primary language is reported to be English?

Actually, unless you use more than one name/account to post with, the
original individual I was posting to goes by the name of
"dloydlavies@gmail.com". The current account you are posting from is
"k3vr@hotmail.com". Significant difference there, don't you think?

Assuming that your account name here corresponds to a HAM call, then it
would be even more simple to assume that anyone named Brian, residing in
Florida, speaks English as his first language.

I'd explain it, but I don't think I could keep the words small enough
for you.

FBI Believed that Bombs Used on 9/11
http://georgewashington2.blogspot.com/2009/02/fbi-believed-that-911-involved-bombs.html

/ / Indeed, the FBI told a reporter for
USA Today that FBI agents believed there
were bombs in the Twin Towers. \ \

Awesome. Where is CNN and CBC here? Is
this an issue of life and death or no?
Who are they to judge OUR lives unworthy
of defense? I am King Johnny. Support my
demands for open communications above the
NWO shills who bark Bush and the Neocons
must be allowed to escape our Public

Report Of ï¿½People Planting Bombsï¿½ on 9/11
http://www.prisonplanet.com/report-of-people-planting-bombs-on-911.html

Why isn't Happy George Norry, Our Enemy, covering
this everyday as an important subject to defend
American life he holds truly in contempt?
Again, Alex Jones leaves every American to die

victim to his NWO, before he will acknowledge
TRUE evil in our world. George Noory, the evilest
ACTUAL Enemy of History, Alex claims is a good
guy for never allowing open discussion on 911,
Afghanistan, Iraq, and so on, without selling
his Zionist hate for our Humanity. Can you believe
that demon enemy co-ksucker Ian Punnet actually
preaches? The demon has told US more than once
he doesn't believe in God, so what do you think
that other "buddy" of Alex Jones has in store for
your life? Alex has said near a hundred times, that
Christ's disciples were all killed by the Romans
for believing - what a demon he is - for - what
Bible is his fans conceiving? Again, Alex Jones will never
encourage his listeners to demand open debate. Alex
would lose on all his lies like, he's been on with
George Noory a hundred times, or fifty times in
five years. Why does Alex lie to US all like that?
Because he doesn't really want Justice to prevail
where GREATLY wiser men or women would likewise prevail
through open dialog. Alex can't have that because
everybody MUST be under HIS NWO mind control.
Mind control on education, the Federal Reserve,
and FREEDOM. Alex figures having a gun to shoot
innocent Americans in the back is his brand of
loyalty to God and Country. Well, I, as Christ,
state it isn't mine. He would see every American
murdered, before allowing the notion that he, and
his likewise cult, might just have something to
learn about evidence being a REQUIREMENT to prove
someone's guilt or innocence. His godless commitment
is to escape Bush, and his zionist media controllers
with excuses that don't hold water in any Court of
Thee. Alex refuses to allow Americans to know why
the Constitutional protections are there to defend
yourself, because if you did, you'd demand the
arrest of Bush for treason, and call Ron Paul an
sell out loser who pocketed the millions conned for
being Alex's loyal fans. Alex doesn't like this Truth
because he's gotta be leading Earth's "Truthers"
at the pinnacle of his spear as a liar, where all
of History, is one badly drawn Alex Jones cartoon - a
dickhead. A true dickhead illiterate on the bible,
on Justice, on Life.

I must be on crazy pills

/ / Well, why haven't the banks just returned
the money?... \ \

People who know they defeat all "Conservatives"
in seconds with indisputable simple logic, will
eventually rule the Universe, if CNN, CBC, and
Alex Jones allow open communications on what is
understood by all as high acts of treason openly
committed without a defense of smart people
explaining why/how we are being rooked as idiots
on purpose. Crazy man, crazy. Oh.. anda..

Hey! Johnny's new theme song playing when
I be bagging the bushite zionist whores of
the demon antichrist, Our Mr. Bush Jr. Bush
closed 911 investigations, Bush lied about
Saddam not letting inspectors in, Bush never won an
word fairly in his entire war crime life of
game rigging with naked deceit and betrayal to
the cause of Man, die bushite die. Rock on
my friends, rock on.

"Army deserter deported from Canada, now in U.S. jail"

This is a for real war crime. Why? there was/is
no cause for the Iraq war. Truly. Example: why
bomb if you can go anywhere without delay? To
only murder innocent People INCLUDING SOLDIERS
to thieve from ourselves as war criminals is what
any rational person comes to understand. When you
destroy bushite grunts who war God for rape, torture,
and enslavement of our species, you save the
innocent lives of their next victims. To hunt
the godless bushite enemy, is to love Justice
as our glorious Humanity winning over the lawless
nazi grunts of the Third Infantry - who'll shoot
anybody, blindly as cowards, led by a Saudi, Buford
Blount. Their "leader" who left Iraqi's largest
weapons depot undefended for looting. Qaqaa. Killed
many a bushite nazi grunting lawless coward by his own
treasonous brand. And mumbling bushite nazi grunts have
what to say about American teens made valueless
victims for Neocon bounties? "whore yay" That's
about it..

Obama Gets Tough to Shield Bush Torturers
http://chris-floyd.com/component/content/article/3/1694-protection-racket-obama-gets-tough

Who does Obama think we are as 'United' together
on pro lawless torture against innocent 'others'?
Wake up people, we are under attack by those
who refuse US Justice to win Freedom for
anyone. "Conservative" retards are completely
lost here, because they do not have the
intellectual skills necessary to understand:
a person accused of a criminal offense without
any evidence is innocent. Or, how about, No one
deserves to be tortured for confessions on
crimes left then unresolved for actual
retribution. [Aegis OPENLY murders innocent
families for more American paying for zionist
monies - P2OG - YOUR Spouse, YOUR Child, YOUR
family].

Following the crime scene leads of 911 to nab
the actual evil doers is beyond the will of the
deaf, dumb and blind? with lawlessness gaining
for monetary loses due America as corporate

cheaters. We are Brilliant, of that much I am
certain. Conservatives are minimally, idiots.

don't you try and be a good guy for a change! No

Obama Accused of Blackmail over Terror Trial Evidence
http://atheonews.blogspot.com/2009/02/us-accused-of-blackmail-over-terror.html

Again, Obama is taking a position to torture innocent
people here as a traitor to Just cause. Just cause to
live in a free society. Torture warrants the death
penalty under American STANDING Law.

Video: Cop Punches Woman In Face Four Times During Arrest For Riding A
Bike
http://www.liveleak.com/view?i=99c_1233639102

Top Cop Johnny Judge rules: Ten years in prison.
Maybe fifteen if the dumfuk grunt, back from the
war against Iraqi children as a traitor to American
values, shows no remorse for his crimes against an
American women either. Absolutely any cop or soldier

who disagrees as true contempt for our freedoms with
punishment against this nazi trash pirating our
police uniform, WILL WARRANT death sentences all
around to ACTUALLY defend liberty in my America.
Any American father who prides in killing innocent
Iraqis for the escape of the neocons for 911 is no
father. And a wife should get the hell away from
a male who enjoys murdering helpless innocent others.
Children in such families should be challenged
by relatives through the Courts to save the lives
of our endangered offspring. Again, without water
or food, Iraqi children are murdered by Neoconner
grunts irrationally everyday with nothing to say,
aka, without reason but as Satanic Bush whores, to
make our God as Humanity suffer further for their
escapes as actually selling freely, lawless zionist
savagery.

KILLING MORE OF THEM - reporting war crimes to the Police

Again, a bushite has no commitment to defend
America, for it speaks nothing for the arrest of
the neocon traitors. traitors like themselves whom
will murder innocent folks like your Self to steal
our common values. Wouldn't you glory in seeing
these savage grunts who on video, indiscriminately
shoot innocent families, or bomb a city entirely,
executed by Christian Patriot firing squads? or
televised to fry in the electric chair for these
documented war crimes? I sure would. It would make
our world a much safer place to raise a family
secure in knowing, bushite grunts as enemies of
everyone, were hunted to extinction for their
crimes against our Humanity. Hunted by Johnny Law,
the True Spirit of America.

UK judges accuse Obama Administration of suppressing torture claim
http://www.timesonline.co.uk/tol/news/uk/article5661291.ece

Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits

at the terror scene. The case was lightly reviewed
at democracynow, a year or two ago, and can be
found by searching for a grunt pretending to be
an ambassador to Romania. A case where the Judge's
life was threatened by a "General", where if he
didn't order the death of the innocent American
citizen, the grunt with the General would murder
US all right then and there. The Innocent American
was murdered as forsaken for value shared by
free men.

as how fat Oprah is today, or as Alex Jones the

dumminess, but here is one example. Alex states
911 truthers were attacked in a TV show as NWO mind

U.S. partner, not Hamas, firing rockets into Israel
http://www.palestinianmothers.com/profiles/blogs/us-partner-not-hamas-firing

/ / The probe found the Islamic Jihad rockets were
actually fired by Fatah. \ \ Whom Israel in response
to the confessed by all to be true facts, murdered
innocent Christian children in Gaza as war criminals.
Actually claimed it was regardless who shot the tin

Nazi Israeli responded by murdering innocent Christian

force. War criminals who murder Humanity to steal

Obama set to allow Bush-era ï¿½torture flightsï¿½
http://timesofindia.indiatimes.com/Obama_set_to_allow_Bush-era_torture_flights/articleshow/4067338.cm

What the fuk eh? Doesn't Obama know this
crime warrants death in America according
to the war crime act? Does he believe America
just will never have a chance to speak for the
interests of US as innocent Human beings he is
planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember
corporatist Amerikan citizen, these torture victims
that include children as younger than a hundred, had
not been alleged to have ever committed a crime in
their entire lives. Victims tortured to death for the
pleasures of those Satanic, such as General Geoffry
Miller, who tell US today as confidenced, they do it
because, patsy wasted American soldiers will just refuse
to hunt them down for formal executions. Let's change
this for our Humanity in this future, to look back,
and know, American males were men of the World, who
stood for the principles enshrined within every living
Constitution. A free man shall not be jailed, or
tortured by anyone in our names as Governed, without
the perpetrator tried publicly for execution as our
Love of real Justice. As first degree mass murderers
warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of
the Good old, Red White, and Blue. Count me at
our words on this, I am,

at least admit, like an Israeli General has,

by Zionist Amerika? Why? Why is it that Hamas
suffered near no loses, but all the Cops who

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies
of American Liberty are eh? No concern whatsoever,
for all the teen soldiers conned to die for those
who committed 911 in NYC. The millions of bombing
victims, the tortures, the rapes of American women,
STILL, TO THIS DAY, left undefended by "the law".
Evil enemy of everyone these demon fuks are. How
difficult is it, to understand the facts they feign
complete blindness on? They WANT to con you as the

coward to life they are, willing to kill America to
make their antiChrist lawless enemy Mr. Bush happy.

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&
scoring=d&

Huh? "at last been disarmed..." ? How does he figure?
The equation hasn't changed. Example: The same
unaccounted anthrax, (that was disintegrated into ash),
still is not able to be measured as completely accounted
for, (never could be), but this bushwhoring war crime
apologist, tells US, it was only though the lawless
murder of our good friends and family for countless
generations, that he now attests without reason, or
evidence, to find Iraq in "fact" disarmed of it's still
nowhere to be found, weapons of mass destruction. (An
irrational reason he pronounced previous in corporately
broacasted public support of instigating heinous war
crimes against our humanity under the leadership skills
of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron.
And, the Iraq war is a war crime. But Ron, the
Fascist, doesn't want THESE FACTS uttered. Why?
Because wiser men would prevail, wiser men like
me who understand buying in bulk is cheaper. Those
like Christ who understand, who KNOW, the banker
doesn't cover our loans - so why give them as much
as a taxed red penny?, let alone trillions as
officially unaccounted for? They are stealing the
cash Ron. Ask yourself: Why has Alex Jones
forbidden his bushwhore cult from understanding
Bush doctored the NIE?, or of iron flowing like
water from the towers? Because wiser men would
prevail and he can't have that. He called shooting
innocent men in the back, an act of liberty. I,
an actual god, unlike Alex, lie near never, but
maybe to myself when I'm lonely. Alex yes will
tell you rapists are free to do what they will
in Texas to American children, un-arrested, but
he won't mention it when the police chief is with
him on air, talking about how he'd like to be
exempt from traffic tickets for being so popular.
NO MENTION of the rapists walking away without
arrests made, no mention of Bush's documented
treasons on 911. Where are Alex's priorities?
In selling YOU out so he can be wealthy like a

bankster?, and have special rights over everyone
else that drives drunk, or speeds? a big hero
standing over our dead soldiers yelling, I told
you so, I told you so, I was right, I was right.
Again, understand: It is not by my will to deny
open debate with America, it is Alex, and his
demon buddy George Noory that denies out Humanity
this right. And when people try, like Peggy, or
Black men on Jewry, Alex lies cheats and steals
our wills for further thefts. Ron Paul's family has
millions taken from loyal Alex Jones fans. MILLIONS!
Does Ron do commercials with that money highlighting
the bushmob's plan to invade Afghanistan, dated two
days prior to 911 for Enron? Of course not, wiser men
would prevail to expose him as the charlatan charity
raider he is regarding Health Care, Social Security,
Public Schooling, earmarks.. It is unfair to measure
Ron against corporate nazi zionist whores of MSNBC who
willing, openly, kill American teen soldiers for
criminal neocon gains, as an honorable gentleman's
talk. Half honest People like Ron are extremely ignorant
on the workings of our world. EXTREMELY. I joke here not.
Evil is the deceived disguised - translated - evil
people are always dumb.

Corporate America says no, Charlie Manson was a genius,
but not, that most Americans are prone too easily to
suggestive states where they can be made to believe
anything blindly. Think: what does, "bin Laden did 911"
mean anyway? You should know of what I'm trying
to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by
beating off he knows everything already. And some,
if not most, actually believe him without knowing
squat either. It's sooo easy that way - no study
required!! LIBERTARIAN HELL! Everything is not on
the Internet, where it near should be, but regardless,
a Libertarian can't be bothered to read anyway.
"Free Talk Live" is the best example for this: the
two hosts are unbelievably ignorant on just about
every single subject under the sun, but beat
CONSTANTLY, on how greatly wise they are as drop-outs.
You wouldn't believe any of them when they speak on
Freedom, if you simply understood, an innocent man
does not deserve to be in OUR prisons, or tortured.
Under any circumstances that Obama has excepted for
our excuses. Magna Charta. But in Alex's 'genius' mind,
he doesn't need to actually understand he is a for
sure bigot, (measures another unfairly in a group HE
concocts from blind hate or personal fear - typical

CONSERVATIVE and/or racist) who has no problems with
that at home, or at work. Provable in seconds by
OPEN DEBATE, but Alex ain't gonna take our calls
because, he can't for the lives of every People
person thought of here, admit he could have
something to learn, therefore, the NWO is
unstoppable in his brain washed cult of indifference
to Justice practiced for the benefit of all treated
fairly. Why? He's not wise enough to respect the great
minds of the audience, and I personally believe,
he doesn't even have the good judgment to own
a gun. (I mean, why wouldn't Alex find my stories
of OUR Justice system triumphing by my single hand at least
minimally beneficial to his blind cult followings? to not
hang up on me immediately while spewing lie after lie
on how I'm top secretly a dis-info NWO artist working
for Bush? or whose voice sounds too friendly to trust?
like he has done the last four times I've phoned -
Hey! I can be an asshole if you want - no prob.)
Perhaps it's near because, Alex Jones is blind, and
as such, could actually be found guilty in Texas for
murdering those two innocent black men shot
in the back with his approval to release the murderer
from a RIGHTFUL death sentence prosecution. "law of
Parties". He is a party to the crime, for he worked to
support the release of the FOR SURE, FIRST DEGREE MURDERER.
Sound like an America you could live with? I didn't
think so either. I wanna be Alex's Attorney. Texas is
a State of massive lawless corruption, as dire
incompetence in legal affairs where they OFFICIALLY
plan executions against innocent People not established
to have harboured criminal intent! With Jury Trials!!!!
!!!!!!!!!!!!FINING THEMSELVES GUILTY!!!!!!!!!!!!
While Alex does express murderous criminal intent,
and the Police chief calls him a good man for no
scary pressures. What the fuck is wrong in Texas
where they mess themselves like this regularly?
Imagine, while Bush with the Neocons escape, and
Zionist Israeli target to murder Christian School
girls OFFICIALLY, Alex doesn't want to have to pay
traffic tickets like the rest of US. What a douche bag
to tell he LEADS our Truth movement I say. Now, I'm
not saying he shouldn't contribute with the truths
WE SHARE, far from it, it's just he can't have our
cut off switch to silence our objections to his exposed
foolishness, and/or blatant criminality. I'll give him
a chance, for starters, to criticize any position I take
while we all publically call on ourselves for
assistance internationally. Like on his "buddy",
George Noory, deserving to be tried Publicly for the

traitor he is, and be formally executed after his day
in Court. Our Courts. Teen soldiers have been conned
to die by George Noory for the escape of the neocon
terrorists who committed 911 with Condi, Runsfeld,
Bush, Myers, Tommy Franks, and General Ahmad. AND
HAPPY GEORGE NOORY KNOWS IT - and cons with lies
naked to the ear of any who can listen or hit record.
A NAKED traitor to the cause of Liberty if we ever knew
one regarding the War Crime facts of Iraq. .And
Ian Punnet is an evil godless enemy Bush whore who
lies too to get YOU killed as the innocent soldier
forsaken so don't forget.. It's YOUR life. It's God's
Gift. Now support our rise for popular international
debates to get these Neoconners behind bars
awaiting Public Trials! "Public"thatsoyu!! Get to

Turley: Obama 'accessory' to war crimes if no prosecution
http://rawstory.com/news/2008/Turley_Obama_accessory_to_war_crimes_0127.html

Understand, Alex Jones doesn't want Justice
for Americans because he loses out to better
men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule
the truth we share equally committed to defend
ourselves from lawlessness. And you'll never
rule my right to speak freely over your intent
to sell us all out for monetary swindles, just
like Ron Paul did. Understand: Ron Paul doesn't
even acknowledge 911 was an inside job, or, that
Bush gave zero evidence to form Your opinion.

Alex Jones, the Slave, told US today that
he challenged Bush for eight years - Bushite
lying nazi traitor. Not only that, but he
also ridiculed those who wish to blame Bush
now for anything! Again, he doesn't want
Justice where bad guys can't steal from
ourselves unrepresented. Ron Paul is a

aid conned from Alex Jones' NWOers! Alex
Jones doesn't have a problem with that, we

We must demand open communications to bring back
values WE ALL would agree to through polite debate.
"Conservatives" don't want this Freedom idea
expressed in general terms because, a "conservative"
is universally, minimally. a bigot. Why? Life isn't
like, their way, - then- all other opinion under
the sun on how things actually get done. (Aka
"socialist" traffic light repair men, or "liberals"
who want to treat The People fairly). Or who we are
as equals to our laws fairly practiced. Pay attention
to what I am saying here. Liberals can be Dicks with
a capital D too of course. But a Hannity couldn't
survive 2 minutes with me speaking on his very real
treasonous behavior in OUR public arenas. Behavior
done to escape the 911 culprits from the long arm of
the Law, with his conscious will of criminal deceit
exposed, we all learn to better defend ourselves.

And Shawn Hannity can't have that for ourselves, he
takes too much money from ourselves as talentless by
keeping US in the dark dying needlessly for traitors
never elected publicly.

Who am I you ask? Johnny Law. at your service. Look
me up with usenet to discover, we live in a world of
idiots everywhere pretending to be somebody by lying.
While I want US all to truly improve our condition by
actually understanding how bad off we are by failing
to respect ourselves for correction. Too many, know
it alls, with not enough to know you need evidence to
form a guilty verdict against an accused man or woman.
Not according to CNN, CBC, MSNBC, Foxnews and the like
however. Let's change this by supporting my challenge

top secret, I'll go rhythm, that is way beyond
our comprehension in it's scientific complexity?
For Americans, okay, but the Human species just
isn't this dumb.

While Zionists OFFICIALLY target Christian school
girls for mass murder, CNN instead reports that
bushite grunts attacked girls in Afghanistan, posing
as Taliban. I WILL every celeb at CNN to be arrested,
tried and executed for the reporting they have done
today without facts. Remember: the Taliban played no
part on escaping those responsible for 911, and opened
schools for girls, and were brought together on the
single purpose to defend women. Death to CNN reporters
to LIE for killing OUR school girls. I HATE zionist
enemies of Humanity and God I am.

The Torture Ban that Doesn't Ban Torture
http://atheonews.blogspot.com/2009/01/torture-ban-that-doesnt-ban-torture.html

/ / Obama's Executive Order bans some -- not all -- US
officials from torturing but it does not ban any
of them, himself included, from sponsoring torture
overseas. \ \

Is America a nation of Law to Live freedom?
Because this SPECIFIC deviant action of Obama warrants
the death sentence under Reagan's "War Crimes Act".

SPECIFICALLY. Or, is it you falsely believe Obama
can do no wrong against innocent people here, where
an illiterate nazi grunt, maybe from South Africa,
will kidnap YOUR children, and torture them to
death for sadistic pleasure, with as they did using
power tools caught in Iraq, according to Iraqi
government official(s), and several soldiers from
Oregon, all because Obama has given an ILLEGAL!
"excuse" to NOT support following the crime scene
leads at our REAL murder scenes? Again, death to the
bushite dumfuk enemy of God, death to the enemies
of a freeing Humanity striving for a just society.
Obama needs to be arrested for this under the Law
as it stands I'm sorry to say my friends. Why?
Torture is illegal in all 50 states, (as Reagan
directly planned), no matter where you ship the
innocent victim to, or from! Read the War Crimes
Act, then demand Justice today, otherwise, it's
YOUR funeral. Obama wants to secretly torture
Peoples here, while lying to US ALL that he doesn't!
A TRAITOR! Who also wants to give bankers 100s of

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close

Police investigations immediately after
911 (obstruction), or that WE have video
of iron flowing like water that PROVES,
without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.
Because someone surely would have spotted
him dragging his dialysis machine what with
all the professionalism of corporate news
media coverage regarding our horribly
suffering worlds. Alex Jones ignores the
treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on
steroids. He only wishes. What about
Justice for Americans Alex? Why for do you
forsake ourselves? For money? What about
the lives lost to mass murder, that you
allege to champion OUR TRUTH without saying
much of anything on real Freedom?, on real
Justice like your deviant election rigger,
Ron Paul? Well, no wonder, Alex told US he's
into shooting innocent American People in
the back as a tyrant of evil, a white Devil
if you will. Kids too if you dare look in
his back yard for a copper. See? Now if Alex
doesn't allow US to speak, more and more will
understand to know why. I am a defender of
all that is right and just in this world,
because I don't need to lie like Alex does on
a huge host of issues. I'm more like Jessie
Ventura, in where I don't need/want to lie.
If I end looking foolish, (of which I like
never truly am), it's a benefit, because that
way, I've learned something. Alex knows
everything already, and 'is always right'.
Like I say Retarded. You weren't right by not
understanding that the banker doesn't cover
the loan. One example of easily hundreds. He's
a typical, he knows it all, know nothing dumduk
American. Hear him on health care speak as
Ron Paul does, and know, I defeat them in under
ten seconds. TEN SECONDS. This is why he hasn't
in years, allowed me to speak more than five
or six words. He's rather all America die, than
admit he does NOT rule our 'Ocean of Truth'.
I want the challenge of opposition through debate
to PROVE my skills beyond reproach. Alex,
every time, just hangs up on anyone who tries
to improve our communications by factually
speaking. Why? Because he IS TRULY deeply

ignorant on what freedom or Justice means. Why we have law. What a consensus is. Allan Watt is severely disabled in this regard, another Alex Jones favorite. And this is why, Allan can't take calls openly either. He has jerked off with himself too long to quit now learning super basic precepts, for like Alex, he "knows" the inner workings of the 'genius' NWO elites. Not Law 101, not Bush, not Rumsfeld, Not Condi, not Torturers, not bank robbers, rapists, or even petty thieves. Allan Watt isn't a bad guy, he's just a chauvinist pretending he actually knows something, when his real disability is directly related to his absence in understanding understandings. Doubt is a near foreign concept. A challenge for Allan: can you get your 'genius mind' around the fact that Peter Powers did the London bombings, and not the Illuminati of 1463? and if not, why are we so dumb to our present plight that way? Don't get me wrong, Allen has much to offer, it just isn't the issue right now on saving our dying futures. Maybe I was too hard on Allen, he is really actually kinda cool. Alex Jones too has many incredible moments of ecstatic clarity increasing in all they joy of seeking enlightenment. .. Ok - but this is serious business that requires little dilly dally with what we'll have as a side dish in Paradise Lost. We are talking Human Lives have been destroyed by our inaction to remedy these failures to communicate effectively. and.. Jeeze, the weight of my responsibilities, as just plain John, being a/the Legos Man - for like the Family and everythings, get's me never forgetting, all we got are these words left dormant from the power they truly possess in the minds of the wise asses. And.. here I am. I'm a Talker of Words looking to make a break in the NewZbiZ. Zzzz... Alive We Say! Alive!

King Johnny, from Earth, has come for talks.

The Zionist enemy, the most evil nazi sons-of-bitches who openly advocate tyranny and oppression through mass murder of ourselves as the innocent left targeted defenseless. Enemies of Jews everywhere, the Zionist cares not for facts on who's Life it destroys for stolen gain by lying. That's why they target Jews, for fear the

Light of Truth would expose them as the Nazis they are.

Hamas doesn't have a military though, so,
why not demand the arrests of those who
broke the truce, and murdered innocent people
indiscriminately, on plans more Jews would
die for cash profit? Profit paid for by
zionist amerika? - the false imprisoning
torture and rape center for Neocon
Freedom.

The self-defence defence
http://www.guardian.co.uk/commentisfree/2009/jan/23/israelandthepalestinians-gaza

/ / This has been a central theme of the war in
Gaza: not that hundreds of innocent people were
killed, not that over 5,000 were horribly injured
and not the sky-high human and monetary cost of
wrecking homes or razing infrastructure. \ \

Court petitioned to arrest Livni upon arrival in Brussels
http://nawaat.org/portail/2009/01/23/belgian-court-petitioned-to-arrest-livni-upon-arrival
-in-brussels/

"We believe there were dozens of IRGC
personnel in the Gaza Strip during the
war," an Israeli source said. "Some were
killed; others went into hiding, and
others escaped."

See? the demon enemy of God speaks no
evidence as a TRAITOR to every Jew. A terrorist
nation that still steals humanitarian aid in
our public realm of left defenselessness. The
false allegation deserves a death sentence
by Jews against the war monger Zionist enemy.
A cause that Iran should champion, if in fact!,
this allegation by OFFICIAL WAR CRIMINALS WHO
TARGET FOR MURDER OUR SCHOOL GIRLS, is on it's
face, unsubstantiated as patently, demonically
false. As typical from any godless Zionist.

Where are the Americans asking for the
formal arrest of Bush for high treason?
Whoring for Alex Jones's contempt for REAL
Justice? The ignorance of all American
talk radio hosts speaks for itself. NO
knowledge on why acts of high treason, are
crimes against every American. The bushmob
doctored the NIE, and Alex doesn't want
Americans to know, because if they did,
they ask, why does Alex do everything he

can to escape those personally responsible
for 911, while then asking for money to
continue his fight against freedom in
America. Again how much money do we have to
pay Ron Paul or Alex Jones before they
will allow the knowledge of the Iraq war
against Human will is criminal? How much?

Obama! feel free to call
on me to help out with a plan for judicial
actions. That offer goes out to everyone in
Palestine, Canada or Britain too. Russia,
let's help out these fools by freely
communicating, what say you? Justice
for all is freedom to be. The Israeli cop
killers must be brought to justice for war
crimes. Those cops, were cops. And I,
am a man.

Alex Jones Rocks!

Now Alex has problems in "my" mind because I am
an ACTUAL genius, and he is generally, an idiot.
Today, he did one of his usual commentaries, however
this time, he was pretty honest with himself, and
his love for Ron Paul. Ron Paul sells incompetence,
and Alex corrected correctly!. that a.. sorry Ron
but these banksters know they're robbing us as
undefended blind men essentially. That's what I'm
talking about!! Look, Ron Paul can be a dumb Ass,
although, he's still not all that bad a guy. A Dumb
guy on things like economics sure, Justice, warfare,
Health Care, Social Security, ect. ect. but still.,
like a child learning of why the sky is funny
blue, isn't all that bad a guy really. He's
certainly not a war criminal, like Bush or
Rumsfeld are. Doing 911 then sanctioning torture.
While Neocons Champion sending illiterate American
teens for death as war criminal. Think about it.
Maybe he is..

-

ï¿½We have all these documents that are now
publicly available that prove that these
methods of interrogation were intentionally
ordered by Rumsfeld,ï¿½

Let us understand. These actions "give" a guy
like Willie Brand "the right" to RANDOMLY kidnap
men, women, or children, and torture them to
death for sadistic pleasure with his faggot

Capt, Christopher Beiring. (I think that's how it's spelt). But anyway, this is the truth. A bushite is a godless Zionist whore of Nazi evil, an enemy of America, who wars YOUR Freedom with criminal "excuses", for refusing to support the arrest of those responsible for 911. A TRAITOR, and could be wannabe rapist, robber, or 911 mastermind ringleader. Torture is illegal, and warrants the death sentence, according to, Reagan's "War Crimes Act". Some only suggest, that this was why someone tried to kill him as honorable. Death to the torturers of our innocent families, torture they do without apology as Zionist Military "Judges". Instead today, where they get salaries paid in the billions by the zionist giving nation of, a-mirror-kay, echem, America. Johnny's America. A nation where Justice will rule for the favors of all treated equitably with or without you. Honor me in company my friend. We have no rivals.

"they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else up with charity?" Then went on to say, it wasn't any of our business with what they did with the money. (But for to cover criminal fraud in the derivatives market, where the true value of said commodities were backed by ZERO capital. ZERO DOLLARS. WORTH NOTHING. So, think about who's truly giving it always here until Johnny, the man who came out of nowhere, arrived to explain everything in five or six minutes.

http://www.independent.co.uk/news/world/middle-east/gaza-i-watched-an-israeli-soldier-shoot-dead-my-two-little-girls-1452294.html

Getting away with murder as 'God's Chosen' chosen for death by war crimes trial more like. Death to the criminal zionist enemies of Humanity. Zionists who falsely accuse without evidence to respect our rights,

like TV corporated Americans who treasonously LIE,
'bin Laden did 911'. Enemies of Freedom for our

3-Airstrike targeting Al Zaytoun police station.

Nazi Israeli are murdering Police Officers,

them as once defended from criminals.

It's like saying, every Cop in America deserves
a death sentence by thousand pound radio-active
waste based uranium/plutonium war shells because
Bush stole the election, then committed 911 with
the Neoconned Partners of Public Crimes, Cheney,
Rumsfeld, Condi with General Ahmad and Myers. Now,
I ask all Cops, does that make sense to you as
still remaining silent? You can be a man too, why
don't we all just give it a try. To the Telephone

criminally in their own Death Camps!! GET ALEX

Taliban blamed it on concern for life draining,

criminal on this planet hunted down to complete

Israeli that broke the truce to get killed
Jews for money. They starve Jews in Israel
to attract more charitable aid they can use

murder Jews for money unless WE DEMAND, their

their lives for it as the directly responsible,
and in no way, will escape our rages against
them as the enemies of every Human Being
Living for Freedom. Every Human that loves
children. They HAVE ADMITTED to targeting the school
girls for murder with lies they were caught
doing. THEY DON'T GIVE YOU EVIDENCE. And when we
get the facts, it's near always exactly the same
thing: they steal our Homes, they STEAL our
lives. God calls the Zionist Jew Enemy of
the Synagogue to Satan!!

"We also need a massive overhaul in Our news channel

Someone should ask what King Johnny, The
King of the Jews has to say on this subject
of a Zionist's complete absence of morality,
as inhumanly bereft any common decency among
our brothers and sisters. I mean for Christ's
sake Tom, THEY ADMIT to sadistically
targeting our children for MURDER - as some
kinda Satanic demon whore to Pure Evil - aka.
Wanted War Criminals for Public Trial. Just
as the Nazis were for similar outrages. Let's
hope men of America are least half they were

usual, balk as cowardly slaves to the private

ISRAELI IS A THIEF WHO CAN'T SPEAK OPENLY IN DEFENSE OF OURSELVES IN OTHER WORDS? That is right.
